Indorsed by Hunters
Big Savings

Thousands of hunters choose Ward's Hunting Coats because of their extra quality, extra comfort and extra protection. They cost you even less now because we secured lower prices from the manufacturers by placing an order months ago for thousands of each model shown here. Many have special features you have always wanted but have never been able to get. Each is double stitched at seams, reinforced where strain comes, cut-in pockets and made extra full to give utmost comfort. There is a coat here suited to your requirements.

$2.95

Ward's Upland Coat

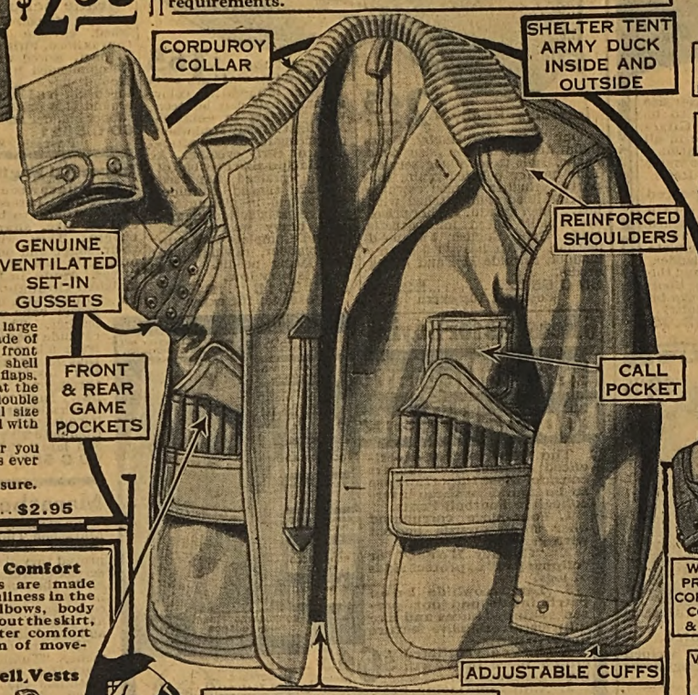
Wear this comfortable Coat on your hunting trips, especially for upland shooting and you will say it is the most satisfactory coat you ever saw. Ideal for wear when shooting quail or snipe and for other moderate weather hunting.

Carefully made from water repellent shelter tent Army duck, sage green color. Two large front inside game pockets, one on each side, made of khaki drill; reinforced with leather stays at front entrances to prevent ripping. Two cut-in shell pockets and one breast pocket, all with large flaps. Has a convenient match scratcher. Cut full at the armholes. Each shoulder reinforced with double thickness of duck. Three-button front. Full size skirt. Large wide corduroy collar. Cuffs faced with corduroy.

Because of a large purchase we can offer you greater values in high quality coats than has ever been possible.

EVEN SIZES: 36 to 46-inch chest measure. State size wanted.

60 C 2823—Postage, 10¢ extra..... **$2.95**



$4.95

Fully Guaranteed

You can hunt in greater comfort with Ward's Special Coat; as it gives you proper protection against rain and penetrating winds.

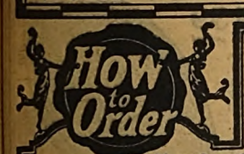
Shell and game pockets made so weight hangs from the shoulders without binding at the arms. Made of water repellent shelter tent U. S. Army duck inside and outside. Double stitched. Made roomy to allow freedom of action without being bulky. Sage green color. All around game pockets with access from front and rear. Two large cut-in shell pockets with flaps.

Closed end loops hold 24 shells ready for use, with a large flap to keep them dry. Genuine set-in ventilated gussets. High corduroy collar. Adjustable 2-in. corduroy lined cuffs. Match scratcher. The extra quality of this coat is apparent in every detail.

EVEN SIZES: 36 to 46-inch chest measure. State size.

60 C 2825..... **$4.95**

Postage, 12¢ extra



Made for Comfort

Our Coats are made with extra fullness in the armholes, elbows, body and throughout the skirt, to give greater comfort and freedom of movement.

Hunting Coats and Shell Vests

To get a hunting coat or shell vest of the correct size, draw tape measure around chest, close up under arms over shirt. Order the same size as chest measurement, provided nothing more than an ordinary shirt is to be worn underneath. If additional clothing is to be worn, order the same size as chest measurement taken over the clothing you intend to wear under your hunting coat. Be sure to state size wanted.

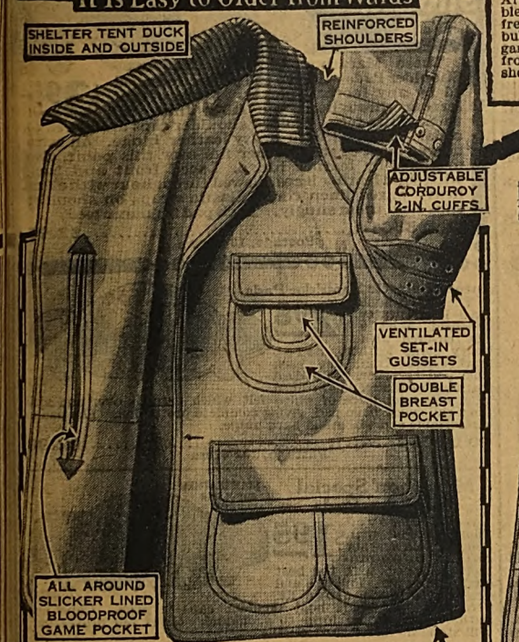
It Is Easy to Order from Ward's



$5.85

For All Around Shooting

Ward's new style Coat has many special features which make it windproof, waterproof and dampproof. Made inside and outside of U. S. Army shelter duck, sage green color. Interlined with washable yellow oiled slicker cloth throughout entire coat including the upper half of the sleeves and both sides of the all around game pocket.

All Around Bloodproof Game Pocket

This makes the all around game pocket absolutely **bloodproof** preventing blood from seeping through and staining your other clothing. This is an important feature.

This interlining also adds warmth on cold days. You keep comfortable and dry even in stormy, windy or wet weather.

Inside game pockets, leather stayed, have entrance from front edge and rear. The arm gussets are set in and ventilated. Shoulders are reinforced against ripping. Two large divided cut-in shell pockets, with double breast pocket for call or whistle. Large corduroy collar and adjustable cuffs with 2-inch facing of corduroy. Double stitched.

EVEN SIZES: 36 to 46-inch chest measure. State size.

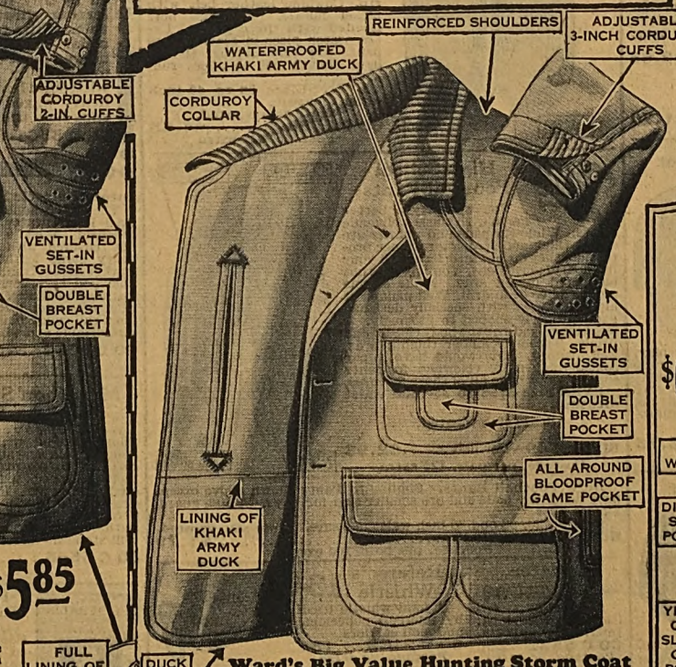
Postage, 16¢ extra



Ward's Big Value Hunting Storm Coat

$7.25

No rain, dampness or cold wind can reach you when you wear this Coat. The illustration to the left explains just how we have made this a hunting coat, a storm coat and rain coat combined into one roomy model. The outside is genuine waterproofed U. S. Army duck of extra heavy quality. The lining is also Army duck. The interlining of yellow oiled slicker cloth throughout entire coat and upper half of sleeves is the same as is used in good rain coats. The all around game pocket is lined on both sides with the washable yellow slicker cloth to prevent blood from staining your clothes or the outside of coat. Two large breast pockets with flaps. Corduroy collar and adjustable cuffs with 2-inch corduroy facing. Ventilated gussets. Reinforced shoulders. Entrance to game pocket inside front edge and in rear.

EVEN SIZES: 36 to 46-inch chest measure. State size wanted.

60 C 2842—Postage, 16¢ extra..... **$7.25**

$3.95

A light weight Coat for mild days. The outside as well as the three-quarter lining is shelter tent U. S. Army duck which is waterproofed and wind resisting. Sage green color. Large all around game pockets; entrance at front edge and rear. Two cut-in shell pockets; call pocket with flaps. Full size skirt. Has 3½-inch corduroy collar. Reinforced shoulders. Adjustable 1½-inch corduroy cuffs.

EVEN SIZES: 36 to 46-in. chest measure. State size.

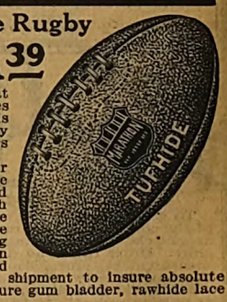
Marathon Tufhide Rugby

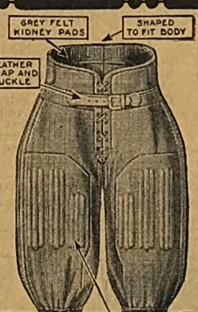


$1.39

We strongly recommend Marathon Tufhide Balls because experience has proved they give double the service of ordinary balls selling at about the same price. Our sales increase greatly on Tufhide balls each year, which indicates they are popular with our customers and are giving satisfaction.

They are deserving of their name, "Tufhide," as they are made from specially selected materials that will stand rough usage. Made of brown suede finished, chrome tanned cowhide backed with strong canvas lining and sewed with waxed linen thread. Correctly shaped and inspected at the factory before shipment to insure absolute satisfaction. Complete with pure gum bladder, rawhide lace and lacing needle.

60 C 5519 ..... **$1.39**
Postage, 10¢ extra



Varsity Football Pants

$4.65

Long wearing, 8-ounce Army Shelter duck Pants. Six sections; fiber pieces in kidney pad; 3 corrugated fiber thigh guards. Plenty of freedom. Extra large grey felt knee pads reinforced over cap with genuine suede cowhide. **Double stitched throughout.** Fly of one piece drill reinforced at bottom with leather. **Guaranteed not to rip.** Cowhide leather belt with nickel buckle. **No extra belt needed with these pants.** Extra crotch piece in seat. These pants are very strong, though light enough not to affect runner's speed.

EVEN SIZES: 30 to 40-inch waist measure. State size wanted.

60 C 5555 ..... **$4.65**
Postage, 12¢ extra

Intercollegiate Shoulder Pads

$3.95

These Marathon Shoulder Pads will give the protection needed by any football player. Made of sole leather throughout and fully lined with thick white felt. Molded shoulder caps are sewed to collar bone pad with heavy leather hinge. An extra curved piece of sole leather fits over this point, also attached by leather hinge. Laced front and back with solid leather laces. Sewed throughout with extra heavy waxed linen cord. Elastic straps on shoulder caps hold them snugly. Each pad is guaranteed.

60 C 5561 ..... **$3.95**
Postage, 10¢ extra

$2.98

High School Football Pants

You will play a better game with these well made Pants. While the pads and guards are amply thick and strong for proper protection, they do not interfere with your freedom of movement. Your speed is not hampered in any way. Made of fine quality olive drab drill. Well padded at hips and knees with specially designed pads properly shaped to fit snugly. A felt kidney pad fits the body closely and firmly. Three-piece fiber thigh guards, well padded. You would have to pay considerably more elsewhere for pants which do not have all of these features.

EVEN SIZES; 28 to 38-inch waist measure.

State size wanted.

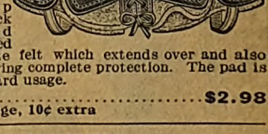
60 C 5549—Per pair **$2.98**
Postage, per pair, 12¢ extra

Boys' Football Pants. Similar to Pants shown above except have no kidney pads and are smaller size for boys. Thigh guard, 4-piece fiber.

SIZES: 26, 28 and 30-inch waist measure. **State size wanted.**

60 C 5550—Per pair **$1.79**
Postage, per pair, 10¢ extra

Interscholastic Shoulder Pads



$2.98

The collar bone pad is of water repellent white felt covered with heavy strap leather. Strap leather laces front and back hold pad together. Molded leather shoulder caps are lined with one solid piece of white felt which extends over and also lines the collar bone pad, giving complete protection. The pad is comfortable and will stand hard usage.

60 C 5562 ..... **$2.98**
Postage, 10¢ extra

Marathon Special Shoulder Pads

$1.95

An Improved Shoulder Pad with molded sole leather collar bone protector. Lined with the best quality gray felt. Full size and designed to give close fit. Strong elastic bands hold shoulder caps in place. Caps are leather hinged to conform to shoulders. Gives full protection. Will stand up under hard playing.

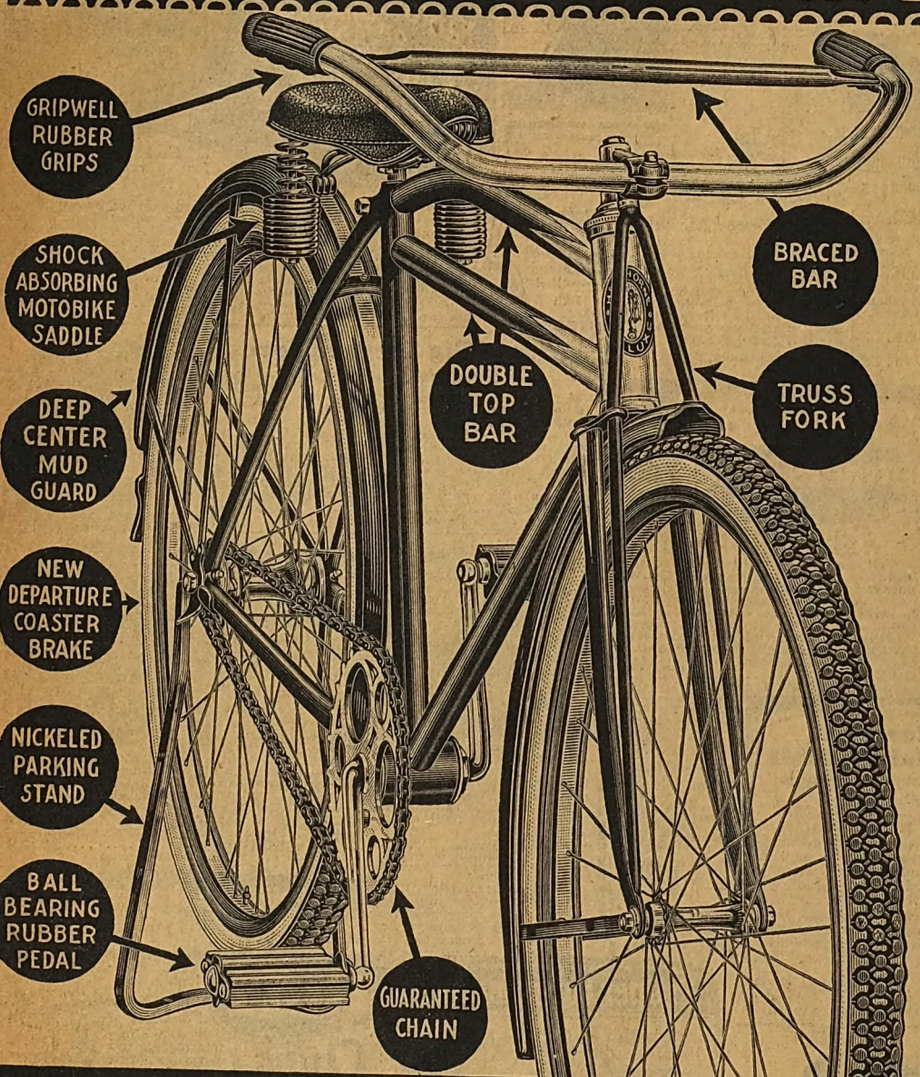
Why Not Save at Least $15 to $20?



Our Bicycle Guarantee

We guarantee that at any time during the life of any HAWTHORNE bicycle we will replace, free of charge, any part which proves defective because of imperfections in material, workmanship or construction. We further guarantee that if, when you receive it and try it, you do not believe it the greatest bicycle value you can buy anywhere; or, if for any other reason you are not perfectly satisfied in every way, you may write us for shipping instructions and we will refund all you have paid, including transportation charges both ways.

Satisfaction Guaranteed or Your Money Back

The HAWTHORNE Red Wing Motobike

We want you to notice the **exceptionally low price** we have made on this Red Wing Motobike. Compare it with what you know already about the prices asked for bicycles elsewhere. You will find our price $15 to $20 lower than you would have to pay in the average retail store.

Not only is this new low price of ours several dollars **under our former price,** but you get exactly the same high quality and lasting durability that we have always put into our **HAWTHORNE line.**

Besides the splendid saving we can make you on this model, think of the fun you can get out of life with a Red Wing. You can do so many more things and go so many more places than ever before—and in so much less time. Owning a good motobike like the Red Wing enables you to make errands, go on long hikes, ride to school or to town, and enjoy both work and play as well as get physical exercise that is fine for your health. And we have put into the Red Wing all the strength and beauty that any bicycle owner can want.

These Features Prove Red Wing Value

Frame is of 18-gauge seamless steel tubing. All connections are specially reinforced; all joints made extra strong and smooth. Curved double top bar gives you an easy, low riding position; front forks are of the trussed type, very sturdy.

Wheels are ball bearing, with the popular wood cement type or all steel clincher type rims, finished in gray enamel with attractive white center and black stripes.

Handlebars are wide motorcycle type with long rubber grips.

Two Styles of Rims and Tires to Choose from

Wood

This wood cement type rim is very popular with many bicycle users. Cross section shows construction of this style of rim. Used on our No. 160 C 3920.

All Steel

This all steel clincher type rim is furnished with our Giant Stud Clincher Tire and Runabout inner tube equipment on our No. 160 C 3022.

A Dolly Varden for HER

How she would enjoy a Dolly Varden. Whether it be to a picnic, a visit to a friend's house, or a trip to town or school, this attractive Bicycle will take her there and back quickly and in comfort.

Coaster Brake Model

Double loop drop frame finished in golden brown with white head. Easy riding saddle. Free running **New Departure** coaster brake. Metal guard over chain. Cording on rear wheel. Wood rims, gray enameled, with attractive white center and black stripes. Hercules Giant Stud Tires with heavy red anti-skid tread, are not easily punctured. Most riders prefer to select their own bicycle tools, so we do not include them.

160 C 3060—Young Women's Coaster Brake Model with 20-inch frame. Actual weight, 40 pounds. Shipping weight, 50 pounds..... **$28.85**

Dolly Varden Junior

160 C 3067—Girls' Coaster Brake Model. Same style without chain guard. Has 18-inch frame. For riders from 10 to 26 inches crotch to toe. Actual weight, 35 pounds. Shipping weight, 45 pounds..... **$25.95**

A Bicycle That You Can Be Proud Of

In every detail, Red Wing is a quality bicycle. Notice the saddle, for example. It's as comfortable as a saddle can be made; similar to those you find on big motorcycles. Soft leather is fitted over a wide, well shaped frame that cradles you on compound, shock absorbing coil springs so you can ride for hours at a stretch without tiring. The crankhanger is in one piece, of course—no better design on the market; and the live rubber pedals spin on smooth ball bearings. It's a beauty too—enameled in a rich Cherry Red, trimmed with white head and darts on fork sides. This is all baked on, making it a lasting surface.

Why Not Ride a Red Wing Now?

Other features are the deep center mudguards, which prevent water and mud from splashing you from side as well as back and front. The adjustable seat post for easy riding, and the always dependable New Departure hub and coaster brake add much to the safety as well as the pleasure of bicycling. These, with the wide base stand at the rear for quick parking, provide you with every convenience you need for delightful riding. Think of the fun you can have with a Red Wing. Yes, and the money it can help you make, summer or winter. Why not have a Red Wing at your door in the next few days by sending your order now?

A **HAWTHORNE** Red Wing has 21-inch frame with 1-inch drop at seat post. For riders with inseam measurements of 27 to 35 inches crotch to toe. Most riders prefer to select their own tools, so we do not include them in our low prices. Shipping weights: 63 and 67 pounds.

With Wood Rims **$26.85** **This Trade Mark is Your Guarantee** **$28.95** With Steel Rims

Equipped with 25-inch wood cement type rims and 28-inch white tires with black anti-skid studded tread. Actual weight, 37 pounds.

No Better Bicycle Values Offered Anywhere

Highest Quality at the Lowest Price Possible

SELLING our HAWTHORNE Bicycles by the thousands, at one small profit on each sale, enables us to save you many dollars. But it is quality as well as price that has so enormously increased our volume of bicycle business year after year.

The finest 18-gauge steel tubing goes into our HAWTHORNE Bicycle frames; reinforced at the joints and in the hanger bracket. All joints are strongly brazed and made very sturdy. Cranks and crankshaft are forged in one piece from fine high carbon steel. Each HAWTHORNE contains the very best roller chains and ball bearings, the famous New Departure coaster brake, ball bearing front hub and long wearing, best quality tires. You can buy any HAWTHORNE Bicycle with the assurance that from hand grip to pedal it is the best bicycle value you can buy.

The DE LUXE Hawthorne Motobike

You can pay more, but you will not find a better value or a Motobike that will give you any greater satisfaction or longer service. Notice especially the smart new motorcycle lines of this De Luxe Motobike. The full size seat built sturdy like a motorcycle saddle; double crossbar; trussed fork; tank tool box; reinforced handlebars; deep center mudguards; sturdy, wide bottom parking stand of satin finished nickel, and large rubber cushioned pedals.

Built Like a Motorcycle—Strong and Speedy

From the New Departure Coaster Brake to its baked on triple coating of rich Golden Brown Duco enamel with white trim, this HAWTHORNE De Luxe is all that a genuine motobike should be. Designed to our own specifications—built low and racy with a frame modeled after latest motorcycle lines. All joints have extra strongly reinforced, brazed connections. The frame, built of the very best 18-gauge steel tubing, will carry the heaviest man safely.

1. Notice the Trussed Fork, Curved Double Top Bar Frame which gives you a low, easy riding position.
2. Notice the heavily nickeled Handlebars with reinforcing crossbar and long rubber notched grips.
3. The roomy Tank Tool Box is large enough to hold a pump and all necessary tools for emergency.
4. Sturdy Steel Pedals revolve smoothly on large ball bearings; with divided rubber cushions.
5. One-piece Crankhanger has carefully aligned ball bearings. Smooth running Roller Chain.
6. Enameled a rich golden brown with weatherproof finish, white head and darts, on frame and fork sides all baked on.
7. The New Departure Coaster Brake helps you through traffic, reduces pedaling; makes riding smoother.
8. Motorcycle Type Saddle of soft leather with broad, heavily padded seat shaped for greatest riding ease and cradled on compound, shock absorbing, steel coil springs. You can ride for hours at a stretch without feeling any fatigue.
9. Motorcycle Type Mudguards with deep center and drop sides; striped, and enameled to match the frame.

21-inch Frame with 1-inch drop at seat post. Rims finished gray enamel with attractive white center and black stripes. Most riders prefer to select their own tools, so we do not include them. For riders with inseam measurements of 27 to 35 inches crotch to toe. Ship. wts: About 66 and 69 lbs.

160 C 3051—With 25-inch wood cement type rims and 28-inch Hercules Giant Stud tires, knobby red anti-skid studded tread. Actual weight, 43 lbs. **$29.95**

160 C 3054—With 25-inch all steel clincher rims; 28-inch Giant Stud clincher tires, red, anti-skid studded tread; Runabout Inner Tubes. Actual weight, 45 pounds **$32.95**

$29.95

The HAWTHORNE SCOUT

A sturdy, racy, well built Bicycle. Comfortable at five miles or twenty. Fitted with a positive New Departure Coaster Brake, which reduces pedaling and makes your riding smoother. Nicely balanced. You find your position on the big cushioned, soft seat low and easy on account of the curved top bar.

Coil saddle springs, rubber pedals and flexible Hercules Giant Stud Tires. Deep center mudguards with white center stripe to match the white head and darts on frame. Cherry red enamel finish is baked on. Cement type wood rims, gray enameled with wide white center and narrow black stripe.

Frame is 20 inches high with one-inch drop at seat post. 28-inch Hercules Tires. For riders with inseam measurement of from 27 to 32 inches crotch to toe. Actual weight, 36 pounds. Shipping weight, 52 lbs.
160C3069 $26.45

The Scout Junior

For boys 7 to 11 years old. The same Bicycle in an 18-inch frame, with one-inch drop at seat post. 26-inch Hercules Tires. Fits boys with inseam measurement of 19 to 26 inches crotch to toe. Actual weight, 31 pounds. Ship. wt, 48 lbs.
160C3063 $24.95

$24.95

The EXPRESS

A real man's Bicycle is the EXPRESS. Built for men who want transportation to and from their work at small cost; also for messengers, collectors, and for delivery purposes. Enables you to travel easily, economically and quickly.

Built for long mileage, with frame of best 18-gauge steel, strongly reinforced at connections as well as at the smooth brazed joints. Large leather saddle. Long rubber grips with finger notches, on the wide, adjustable handlebars. Reliable New Departure coaster brake. Ball bearing one-piece crankhanger; rubber cushioned, ball bearing pedals. Tires are 28-inch Hercules Giant Studs, with heavy red anti-skid studded tread and white side walls. Finish is a glossy baked on red enamel, with white head, darts on frame and white stripe full length of the deep drop side mudguards. Cement type 25-inch wood rims are gray enameled with wide white center stripe and a narrow black stripe on each side. Frame is 21 inches. For riders with inseam measurements of 30 to 35 inches from crotch to toe. Actual weight, 36 pounds. Ship. wt., 52 lbs.

Hercules Giant Stud

Big Savings for Bicycle Owners

$1.75 Each

WELCOME NEWS for bicycle riders. Now you can buy Hercules Giant Stud Bicycle Tires in two styles. Besides the regular cement type, Ward's has perfected a new style clincher tire which is shaped like an auto tire. Hercules Giant Stud Tires are made from only the best rubber and fabric with the same care used in making good auto tires. We sell so many of them that you are always sure of getting fresh, new stock from Ward's with lively treads and pliable, shock absorbing walls. They cost you less.

No Better Tire Made at Near This Price

Well made of finest fabric and rubber, with 2 piles of heavy fabric all around and an extra ply under tread. The attractive, thick red rubber tread is soft and lively but tough, with giant non-skid studs; and is not easily punctured. Inner lining is extra lively rubber. No porous walls to leak. Full 1½-inch size. Send in your order for a pair and enjoy riding in comfort.

Hercules Giant Stud Cement Type Bicycle Tires

Made in three sizes to fit almost any bicycle. Inner tube is extra lively.

Rim side is knurled on the surface so tire will hold securely when cemented to rim. Will give you long mileage.

Article Number	Tire Size	Fits Rim	Each
560 C 3150	28 in.	25 in.	$1.75
560 C 3154	26 in.	23 in.	1.68
560 C 3158	24 in.	21 in.	1.58

Postage, each, 12¢ extra; per pair, 18¢ extra

Hercules Giant Stud Bicycle Tires Clincher Type

Ward's latest style Bicycle Tire shaped like an auto tire. Much easier to put on than old style "flat" clincher tires. Size: 28-inch to fit 25-inch single or double clinch rims.

Ward's Bicycle Tires Wear Longer - Cost Less

No Better Values Anywhere

Bicycle owners tell us that Ward's Bicycle Tires go farther than any other tires they have ever used. Each year brings us an increase in tire sales. As a result, in spite of the increased cost of material, we have been able to greatly increase the quality and strength of our tires without any advance in the price. We believe there are no better tires made.

The Hercules Giant Stud has an extra ply of fabric under the knobby tread. The Improved Riverside Black Crow Cord Tire has a double layer of tough auto-cord fabric like that used in Ward's Riverside Auto Tires. Yet they cost no more than tires which have no such reinforcement.

By placing orders early for enormous quantities, we obtain the very lowest market prices. You pay only one small profit above manufacturing cost when you buy Ward's quality tires.

Ward's Improved Runabout Tires

$1.38 Each

For those who want a quality Bicycle Tire that will give the least amount of trouble and the greatest service at the lowest possible cost.

Full size and hand made of two-ply select bicycle fabric, with a fancy, live rubber studded gray tread. The inner lining is good quality rubber. Only fresh, new rubber is used throughout. The quality in the Runabout Tire is considerably higher than usually offered at this price. You can get two of these tires at Ward's for the price usually asked for a single tire. If your old tires leak or need repairs you will save time, trouble and money by ordering a pair of these choice tires now. Made in 28-inch size for 25 by 1½ or 1⅝-inch rims only.

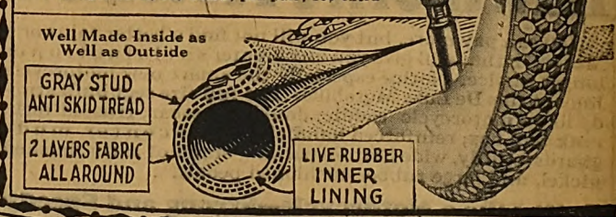
Postage, each, 12¢ extra; per pair, 18¢ extra



U.S. Giant Chain Tread Tires

$1.95 Each

Safety when you need it—low cost mileage all the time. The heavy black chain tread gives a good road gripping surface and tends to prevent skidding. A white body tire with 3-ply closely woven, tough bicycle fabric all around. Made like one of the popular automobile tires. While bicycle tires do not receive the shocks and hard use given automobile tires, the experience gained in making the heavier tires has been applied here to produce a long life bicycle tire. Made in 28-inch size for 25 by 1½ or 1⅝-inch rims only.

560 C 3188—Each.....$1.95
Per pair.....3.75

Postage, each, 12¢ extra; per pair, 18¢ extra

The Riverside Motor Fabric Road Gripper

$1.98 Each

THE Riverside Motor Fabric Road Gripper Bicycle Tire costs no more than an ordinary tire, but delivers much more mileage. It usually gives twice the service you get from an ordinary fabric bicycle tire. Made from 12-ounce motorcycle fabric—the same as is used in motorcycle tires—and built up layer by layer with the same care taken with tires intended for motorcycle use. Naturally, the Road Gripper is more velvety under wheel; resists puncture and stone bruises better. The extra heavy motorcycle non-skid tread design grips the road, keeps the wheels from slipping and makes all roads safer. The all white tread and side walls are very unusual and neat in appearance. Made in 28-inch size for 25 by 1½ or 1⅝-inch rims only.

560 C 3148—Each.....$1.98
Per pair.....3.75

Postage, each, 12¢ extra; per pair, 18¢ extra

The New Riverside Cushion Tire

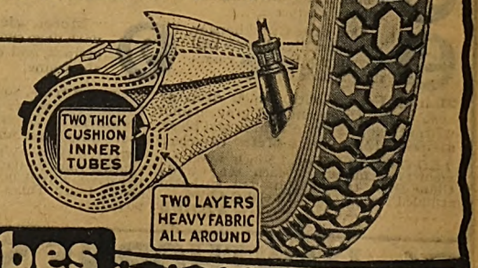
$2.65 Each

No other Bicycle Tire that we know of is built so carefully to make riding easy, reduce trouble to a minimum, and give you so many miles of good service. You will like its appearance too, white side walls and double thick rich Black Diamond tread. The tread is extra wide and knobby so you can travel with safety on wet roads.

The side walls are made so strong that punctures penetrating the outer cushion rarely reach the inner wall. Body made of double thickness of extra heavy fabric, bedded in two thick tubes of soft, live rubber—one on the inside and one between the two layers of fabric—all vulcanized into one cushion-like, long wearing tire. Size, 28-inch for 25 by 1½ or 1⅝-inch rim.

560 C 3132—Each.....$2.65
Per pair.....4.95

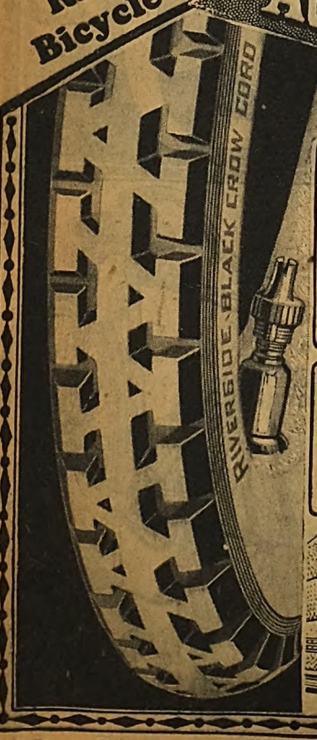
Postage, each, 12¢ extra; per pair, 18¢ extra



Improved Riverside Bicycle Tires

Black Crow Auto Cord Tires

$2.35 Each



Made Like Ward's Famous Riverside Cord Auto Tires

Ward's latest innovation in Bicycle Tire construction, the famous Riverside Black Crow Cords. Two styles—the regular cement type and the new auto style clincher which is shaped like an auto tire.

Gives you cord tire service at little more than usual fabric tire prices. Body made of long fiber cotton auto cord fabric in double layer; stone bruises or punctures that penetrate the outer cushion seldom reach the inner tube. The double thickness non-skid tread absorbs jolts or jars and withstands road friction with little wear. Layers of fabric cords are bedded in pure rubber and vulcanized. Size 28-inch only, for 25 by 1½ or 1⅝-inch rim.

Riverside Black Crow Auto Cord Bicycle Tires Cement Type

Rim side has flannel strip so cement holds securely. Has thick inner wall of pure, soft fine grain non-porous rubber.

Bicycle Tires, Wheels and Rims

You can easily find the size of tire for your bicycle by measuring the distance in inches from the ground to the top of tire, when tire is on wheel and fully inflated. Or you can measure diameter in inches between the outside edges of rim and add 3 inches which gives you the tire size. For example, the illustration shows a rim measuring 25 inches from edge to edge, which takes a 28-inch tire, the standard size on men's and women's bicycles. Juvenile bicycles with 23-inch rims take 26-inch tires, or with 21-inch rims take 24-inch tires. Correct size of rim or wheel is the diameter in inches from edge to edge of rim.

General Ordering Instructions, Page 329

It Is Easy to Order from Ward's

Latest and Most Popular Motobike Saddle

Easy Riding

Motobike pattern with large seat 8½ inches wide and 10½ inches long; well padded with hair and covered with a good grade of soft brown Spanish leather, strongly sewed. Sturdy, steel bar frame and 4½-inch tempered steel springs are finished in lustrous black enamel. An extra, removable middle spring gives added comfort for the heavier rider. Saddle is adjustable so you can easily set it forward or back, or tilt it at any angle to give greatest comfort. The seat post clamp is large and strong. Order this saddle now at Ward's low price.

Skates with Shoes At Usual Price of Shoes Alone

Complete with Shoes

These Shoe and Skate Outfits were listed in our catalogue a year ago at $4.65. Compare that with today's price and you will appreciate how we saved our customers money when we placed an enormous order for thousands of skates some months ago. Our cost is less; your saving is greater. Compare our prices with others.

For Women and Girls

Shoes. High tops. Proper ankle support. 8-inch tops. The popular Goodyear welt. Soles strongly sewed.

Skates. Hockey pattern. Runners of hardened steel.

SHOE SIZES: 3 to 9. No half sizes. State size.

60 C 4926. $3.98 Postage, per pair, 14¢ extra

Order Half to One Size Larger Than Your Regular Shoe

$3.98

These Skates cost you less this season because our costs have been greatly reduced by placing our large order early. Our new low prices reflect this big saving. The usual high quality has not been sacrificed.

For Men and Boys

Shoes. Black box calf, tape reinforced. Goodyear welt soles; will hold their shape. Regulation height. Half inch heel. Strongly sewed soles. Soft felt padded tongue.

Skates. Standard hockey pattern, hardened steel runners with rounded toe and heel; top parts cold rolled steel. Nickel plated and buffed and securely riveted to shoes. SHOE SIZES: 3 to 11. No half sizes. State shoe size wanted.

60 C 4927—Per Pair ..... $3.98 Postage, per pair, 14¢ extra

Famous PLANERT'S Winner Brand Tubular Skates

Tubular Skates are the most popular style. Ward's sells thousands of pairs each year. Buying in large quanities gives us the advantage of lowest costs and enables us to sell you these genuine Planert Skates at a big saving over what you would usually have to pay.

Runners of carefully tempered steel to hold sharp edge are securely riveted to shoes. Soft pliable box calf shoes made comfortable and to fit well. Special arch supports, padded tongue and side reinforced with strong web tape. Long inside leather counter. Order one half to one size larger than your regular shoe size.

$5.98

Men's Hockey Skates. Suited for hockey, professional and general skating. Firm fitting shoe strongly reinforced. Special arch supports. Runners, 7/64-inch thick, made of tempered steel. SHOE SIZES: 5 to 10. No half sizes. State shoe size.

Genuine ALUMO Shoe Skates

Ward's Price $6.45 A Pair

Skate Easier and Faster on Alumos

The **only** Aluminum Skate. Very light and practically indestructible. Steel runner and aluminum body are molded together so firmly that sharpest hammer blows can not loosen them. Free from rivets, seams or joints; nothing to work loose, break, rust or come apart. Made of aluminum alloy that will not rust and keeps its satin finish indefinitely. Blades are hard tempered steel which warrants a keen edge at all times.

ALUMO Skates Are Riveted to ALUMO Goodyear Welt Skating Shoes

Of black soft genuine box calf made on lasts to insure good fit. Reinforced at the instep with stout wide web tape on each side. Provided with special arch support and padded tongue.

Inside Facts

In making an ALUMO skate the dovetailed runner is inserted in a mold into which molten aluminum alloy is shot, forming body part and uniting with runner, making a one-piece skate.

Alumo Hockeys for Women and Girls

Skates of standard hockey pattern, with satin finish tempered steel blade and aluminum body united into practically one piece. So light in weight, you can skate longer with less fatigue. "Rain-shed" Tourist Tent

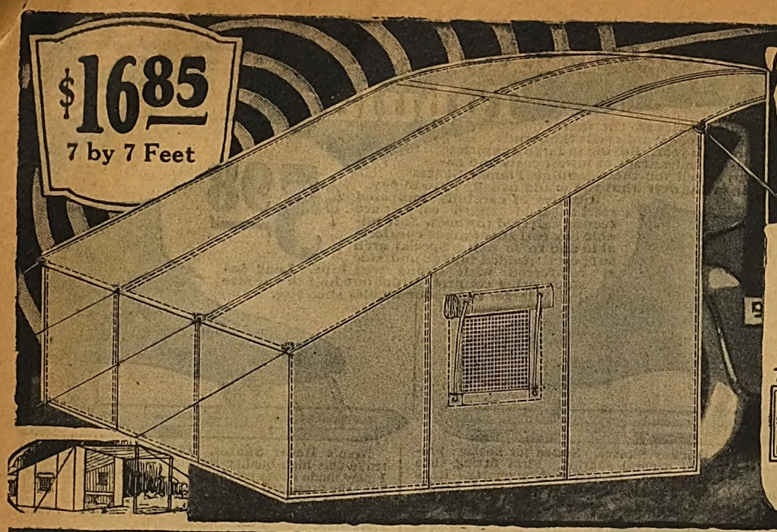
$16.85
7 by 7 Feet



With Extra Long Extension Flap

Which Is One Foot Longer Than Ordinarily Used on Tents

Rainsheds are made of special Khaki Watershed duck, waterproofed to resist heaviest rains. Sewed in canvas floor. Weight, 8 ounces per yard, 29-in. wide after treatment. Two 12 by 14-inch screened windows have storm curtains operated from inside. Height: Back, 3 feet; front, 6½ feet. Extension fly is 7 feet wide by 7½ feet long. Two storm curtains, 14 inches wide, make tent snug when extension fly is closed. Reinforced at corners and ridge. Complete with guy ropes and stakes.

Here are four reasons why Ward's has the greatest tent values to be found anywhere. 1. We sell more tents than any other company in the country. 2. We purchase for cash enormous quantities of canvas when prices are low. 3. We place tremendous orders during dull seasons when manufacturers are glad to give us extremely low prices in order to keep their factories busy. 4. Every tent must come up to our strict specifications or we don't accept it. Can be shipped by parcel post.

7 by 7 Ft.

The 7 by 7-foot size, as shown by the floor plan at the left, has room for 2 single size cots, a chair and table.

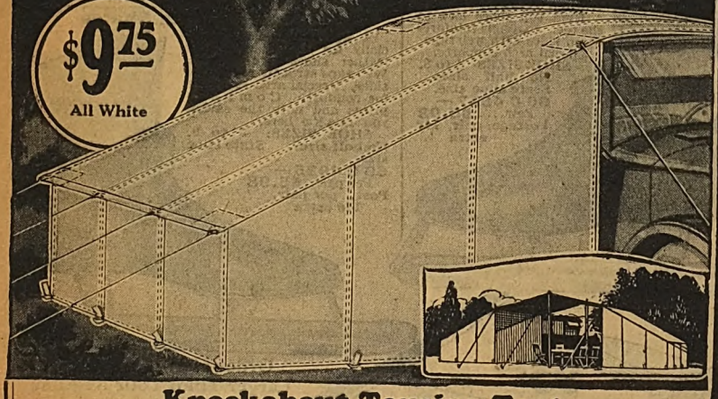
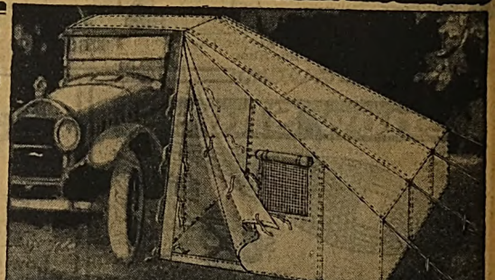
All White



Ideal Khaki Water Shed Auto Tent

$14.45
7 by 7 Ft. With Sod Cloth



For Coupes and Roadsters Only. The only Auto Tent which can be used conveniently with coupes and runabout cars without the use of poles. It may also be used with touring cars or with rope stretched between two trees. One band of duck 29 inches wide stretches over top of car and fastens on opposite side. Made of special waterproofed khaki duck. Two screened windows, 12 by 14 inches, fitted with canvas storm curtains operated by draw strings from inside tent. Both sizes have 3-foot back wall and canvas wall 6½ feet high next to car. Door at side has 4-inch door riser. With guy ropes and stakes. Packs into space, 12 by 24 inches. **Both tents and poles can be shipped by parcel post.**

460 C 9514—Size, 7 by 7 feet. With 8-inch sod cloth all around; door at side with 4-inch riser. Shipping weight, 25 pounds.....**$14.45**

460 C 9515—Size, 7 by 9 feet. With waterproofed floor cloth sewed in, making tent proof against insects and mosquitoes. Door at side with 4-inch door riser. Ship. wt., 30 pounds....**$17.95**

Jointed Wood Tent Poles

460 C 9524—6½-foot three-piece jointed, with galvanized ferrules. Shipping weight, per pair, 6 pounds. Per pair.....**98¢**

460 C 9525—3½-foot three-piece jointed, with brass ferrules for supporting back walls of auto tents. Shipping weight, per pair, 2 lbs. Per pair.....**14¢**

Knockabout Touring Tent

Compare the Knockabout specifications with those of tents being sold elsewhere, then compare the prices. You will readily see the great advantage of buying tents at Ward's.

Easy to Put Up

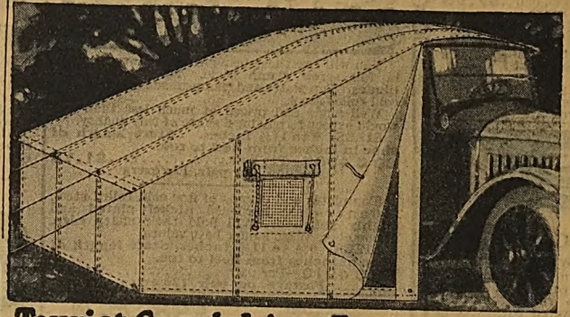
Knockabout Tents stand rough handling and fold into small space. When used with car, front flap is stretched over top and fastened to wheels or stakes on opposite side. Tent is then stretched and corners staked down. No poles are required when car is used. For an open front tent use jointed poles No. 460 C 9524 listed above instead of fastening tent flap to car. (See floor plan above for 7 by 7-foot tent.) For more than two persons, we suggest the use of two tents, one on each side of the car or with jointed poles and tents facing each other, as illustrated.

Choice of Two Styles

Two styles—either all white mildewproof, specially treated tent duck, or all khaki waterproofed duck. This duck is specially constructed for use in knockabout tents; weighs about 8 ounces (29-inch basis) after treatment. Size is full 7 by 7 feet; height, back wall, 3 feet; front, 6½ feet. Extension flap is full 6½ feet long and 7 feet wide. Seams all double stitched. Each tent reinforced at corners and ridge. Grommets for guy ropes and canvas loops for tent pegs. Complete with guy ropes, and stakes. Shipping wt., 22 pounds. **Can be shipped by parcel post.**

460 C 9511—
All white mildewproof duck.....**$ 9.75**

460 C 9512—
All khaki waterproofed duck.....**10.95**



Tourist Special Auto Tent

$24.75
7 by 7 Feet With Sod Cloth

The Tourist Special has features and improvements that you will find in no other tent. Made of a special closely woven tent drill dyed khaki and thoroughly waterproofed. Size, 7 by 7 feet with extension flap 7 feet wide and 8½ feet long. Can be used with a car and extension flap stretched over top of car, or it can be used with jointed poles.

Combines the Best Features of Touring and Wall Tents

Makes a double slope roof **Closed Tent** with guy ropes fastened to extra grommets in extension flap and drawn forward at an angle. See illustration No. 1 below at right. The tent closed is 10½ by 7 feet, with 4-foot 8-inch front wall, 3½-foot back wall, 6½ feet high at ridge. When each half of the divided front is snapped to extension flap which is stretched over a car or used with poles, it makes an open front tent 10½ by 7 feet; accommodates two double cots, leaving an 18-inch passageway between them.

Two screened windows, 12 by 14 inches, have canvas roll up storm curtains operated from inside. 3-inch door riser across side door and the front. **Sewed in sod cloth** keeps out crawling pests. Auto snap fasteners are used throughout. Tent size, 7 by 7 feet; convertible into full size 7 by 10½-foot tent when used with poles No. 460 C 9524 listed above. Complete with guy ropes and stakes. Each in a khaki waterproofed duck carrying bag. Ship. wt., 38 lbs. **Can be shipped by parcel post.**

460 C 9517.....**$24.75**

From Car to Camp in Ten Minutes

Stop your car anywhere. Get your Improved De Luxe or Tourist Special Auto Tent out of its durable waterproofed khaki bag, and in ten minutes you will have a comfortable camp. You can break camp just as quickly.

Either our 460 C 9517 or 460 C 9518 tents shown at the left can be used as shown in the three illustrations below. You can have a double slope roof closed tent, an open front tent with extension flap stretched over top of car, or a closed tent with the front flap extended as an awning.

1. With extension flap staked forward at an angle and front closed by auto snap fasteners and tie cords.

2. With divided front opened and snapped to extension flap which is stretched over top of car.

3. With front closed and extension flap extended at an angle to form sheltered open space in front of tent.

Auto-Tour Umbrella Tent

$31.95
7 by 7 Feet at Base

Roomy, Comfortable Extra Good Value

Tents of this style and quality usually sell for considerably more than Ward's low price. No detail of material or workmanship has been slighted in our Auto-Tour Tents. They are easy to set up or take down, look well, and are designed to provide all possible comforts and conveniences.

The metal rods spread the sides tightly and umbrella fashion forming high walls, ample head room and a strong, rigid tent. Center pole is jointed.

Choice of Two Sizes—Made of Strong Army Duck

Made of 8-ounce rain resisting shelter tent Army duck; olive drab in color. 8 feet high in center; 6 feet high at eaves. Heavy canvas, sewed in floor keeps out small animals and resists dampness. Doorway is 28 inches by 6 feet; flap of marquisette. Roll up canvas door when dropped serves as storm door or gives privacy.

Windows. Two 12 by 15-inch windows covered with marquisette. One on each side. Canvas roll up curtains. **Awning.** Six feet long and same width as front of tent at eaves. One 3-piece jointed center pole with four umbrella arms, guy ropes and stakes.

Two-party size. Is 7 by 7 feet at base; 4½ feet square at eaves; 8 feet high in center; 6 feet high at eaves. Has room for two single size cots, a chair and a table. See small illustration at the left. Shipping wt., 37 pounds. **Can be shipped by parcel post.**

460 C 9544.....**$31.95**

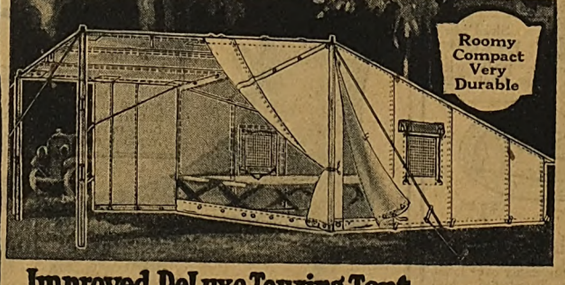
Four-party size. Is 9 by 11 feet at base; 5 feet 3 inches square at eaves. For two double cots, table and chairs. See illustration at right. Ship. wt., 50 lbs. **Can be shipped by parcel post in zones 1 and 2 only.**

460 C 9546.....**$42.75**

Four-Party Size Tent of Waterproofed Shelter Duck —without Center Pole

Has umbrella-like frame with detachable telescopic steel poles at each corner, from eaves to base. Made of waterproofed olive drab shelter duck, with waterproofed floor cloth sewed in all around. Two bobbinet screened windows, 15 by 18 inches. Tent with umbrella frame, four telescopic side poles, set of iron stakes, in waterproofed carrying bag. Shipping weight, 70 pounds. **Can be shipped by parcel post in zones 1, 2 and 3 only.**

460 C 9549—Size at base, 9 by 11 feet; 61 inches square at eaves; 6½ feet high at eaves. Has ample space for two double beds or cots, table and chairs. See illustration above at the right. Complete in carrying bag.....**$52.95**



Improved DeLuxe Touring Tent

$31.45
7 by 9 Feet With Floor Cloth

Designed specially for those who want a large, comfortable Tent. Has all the special improvements of our 460 C 9517 tent shown above but is made full 7 by 9 feet. Ample accommodations for four persons. Two double cots can be used when tent is closed leaving large space in center for table and chairs.

Quickly Converted into a Four-Party Tent

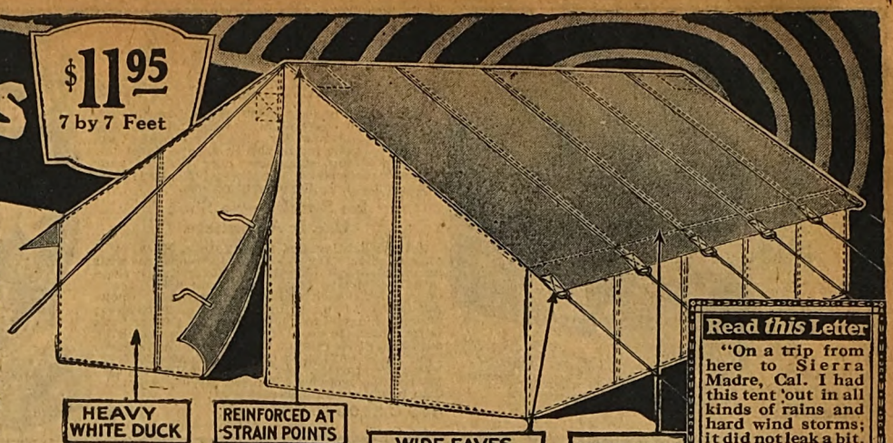
Made of special, closely woven tent drill, dyed khaki and thoroughly waterproofed. Size is full 7 by 9 feet with extension flap 7 feet wide and 8½ feet long which comes far down over side when stretched over car top. May also be used with jointed poles.

Height, back wall, 3 feet; front wall, 6½ feet. Divided front is the same as 460 C 9517 shown above. Size as closed tent, 12½ by 7 feet, with 3-foot back wall, 4-foot 8-inch front wall and 6½ feet high at center—giving you practically as much head room as a large size wall tent. Side door is provided with a 3-inch door riser and tie strings. Two screened windows, 12 by 14 inches, have canvas storm curtains operated from inside. Sewed in floor cloth; 3-inch door riser across front. Auto snap fasteners operated from inside close divided front and edges of extension flap. Complete with guy ropes and stakes. Size, 7 by 9 feet; convertible into 12½ by 7-foot tent when used with poles. No. 460 C 9524 listed above. Each in a heavy khaki waterproofed duck carrying bag with draw string. Shipping weight, 42 pounds. **Can be shipped by parcel post.**

460 C 9518.....**$31.45**

Genuine Kul-Dri Tents

$11.95 7 by 7 Feet



The Ideal Tent For Absolute Comfort and Protection

This Tent is exactly what the name means—it repels the sun, heat and rain, which means that the interior will always be cool and dry. The khaki duck top, weighing about 12 ounces per yard 29 inches wide after waterproofing, will shed rain as well as any tent made. No fly is needed. The full weight 8-ounce white side walls allow a circulation of air that is not possible with a tent made entirely of waterproofed material.

Kul-Dri Tents have 3-inch eaves so water running off top falls to ground—not on the side walls. This is a feature you very seldom find on tents selling anywhere near this price. Eaves are fitted with heavy D rings instead of small grommets. Kul-Dri Tents are full size, full weight and full height. We always give you the exact dimensions. Strongly sewed and reinforced at points where extra strain comes. We have devoted a great deal of time and effort to give you the best possible tent value and positively assure you that no one can sell tents of this style at lower prices without sacrificing quality, material or workmanship. Complete, with poles, stakes, guy ropes, ready to set up. Can be shipped by freight or express only.

Article Number	Actual Size Feet	Height Wall	Height Pole	Shipping Weight	Each
160 C 9563	7 by 7	3 feet	6½ feet	35 pounds	$11.95
160 C 9566	8 by 10	3 feet	7 feet	50 pounds	17.25
160 C 9568	9⅓ by 11⅔	3 feet	7 feet	57 pounds	20.45
160 C 9569	11⅔ by 14	3½ feet	8 feet	80 pounds	27.75

Ward's Kul-Dri Tents are priced $5 to $20 below the usual retail price for tents of this high quality.

Read *this* Letter

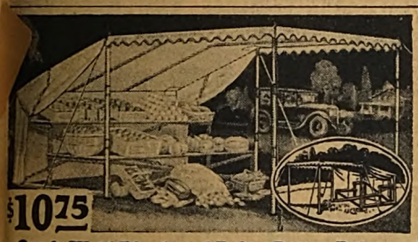
"On a trip from here to Sierra Madre, Cal. I had this tent out in all kinds of rains and hard wind storms; it did not leak a bit. It excels tents that cost $25 more."
Wm. J. Sharp,
Kane, Pa.
Printed by Permission

What We Mean by Full Weight Duck

The U. S. Government standard for 6, 8, 10 and 12-ounce duck is based on the weight of a "yard" 36 by 29 inches. Quite often 6, 8 and 10-ounce duck is sold for full weight 8, 10 and 12-ounce duck, basing that weight on the common square yard, 36 by 36 inches. All of our Wall Tents and Paulins are made of guaranteed government standard full weight 29-inch duck.

Our 8-ounce 29-inch duck is the same as is usually sold as 10-ounce on 36-inch basis. Likewise, our 10 and 12-ounce 29-inch duck is the same as 12 and 14-ounce duck on 36-inch basis. Ward's does not mark them on 36-inch basis when only 29-inch duck is actually used. We suggest therefore, that when comparing our tents and paulins with others, you make sure whether their weight is on 29-inch or 36-inch basis.

We use U. S. standard full weight 29-inch duck.



$10.75

Goods Well Displayed Bring Better Prices

This Tent will display your goods attractively if you build good display shelves. No shelves or racks are included as many prefer to build their own from lumber about the place. Illustrations suggest one plan.

Display Tent for Roadside Selling
This Booth Will Soon Pay for Itself

Join the hundreds of farmers and gardeners who are making money with roadside selling booths. Ward's Roadside Display Tent protects produce from rain or sun and makes your display attractive. Tent is 7 feet long by 4 feet 10 inches wide. Awning extends 6½ feet in front full width of tent and has 4-inch scalloped edge on three sides, with red trimming. Tent is 6½ feet high at front and 4 feet high at back. Easily set up or taken down. Made of durable 8-ounce white duck. Complete with guy ropes, stakes and two 4-foot poles for back wall. Front poles are extra as many prefer to cut their own. Shipping weight, 22 pounds. **Can be shipped by parcel post.**

All Khaki Waterproofed Duck Tent

Remember, Ward's low prices are the result of buying from the factory by the carload and selling direct to you, with only one small profit added to the manufacturer's price. These Tents are made throughout of heavy **waterproofed khaki** 29-inch duck, weighing about 12 ounces after treatment.

No fly needed as the waterproofed duck sheds water as well as any tent made, keeps heat out and relieves usual sun glare. Makes a cool, dry, comfortable tent at all times. Three-inch eaves help keep side walls dry because the water running off the top drops to the ground clear of the sides. Has large iron "D" rings, strongly sewed on, instead of small grommets, for tying guy ropes. Full height center and walls. Heavily reinforced at corners and ridge. All seams double stitched with stout thread to make tent strong and durable. Actual sizes are given instead of sizes usually advertised by tent makers. Furnished complete with ropes, poles and stakes, ready to set up. **Can be shipped by freight or express only.**

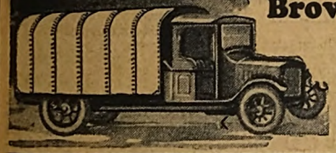
Brown Waterproofed Duck Covers



$2.90 6 by 8 Feet

For Wagons or Trucks Especially

For protecting produce, implements, trucks or wagons from sun and rain. Made of brown waterproofed canvas, about 10 ounces to the yard after waterproofing. Will not rot, crack or mildew. Has brass eyelets around edges so covers can be tied in place. They pay for themselves several times over within a short time in the goods saved from ruin through exposure. Such a cover serves many purposes; spread it on the ground when picnicing or use it as a floor cloth for the tent. **Can be shipped by parcel post.**

High Quality All White Wall Tents Full Weight

The most important feature of our tents is their high quality and full measurements: walls and center are **full height.** We tell you **exact** dimensions. Our 8-ounce 29-inch duck is the same as is usually sold as 10-ounce 36-inch basis. Likewise, our 10 and 12-ounce duck is the same as 12 and 14-ounce duck on 36-inch basis. We do not mark canvas on 36-inch basis when only 29-inch is actually used. We use U. S. standard full weight 29-inch duck throughout. Double stitched and reinforced at corners and strain points.

Shipping Weights

Weights of tents without poles: 7 by 7 feet, 25 lbs.; 9½ by 11⅔ feet, 40 to 45 lbs.; 11⅔ by 14 feet, 45 to 50 lbs.; 11⅔ by 16 feet, 50 to 55 lbs.; 14 by 20 feet, 60 to 65 lbs. Ridge pole weight, 22 ozs. to the foot. Pins, ¼ to ½ lb. each. Poles and pins are included in the price. Weight of all tents is figured on 10-oz. duck; 8-oz. duck will weigh ¼ less; 12-oz. duck, ¼ more than 10-oz. **Can be shipped by freight or express only.** Complete with poles and pins, ready to set up.

Heavy Canvas Covers

Guaranteed Full Weight 29-Inch Duck

Do not confuse these fine quality Canvas Covers with the inferior light weight covers sometimes offered as "bargains." Quite often 6, 8 and 10-ounce duck is sold for full weight 8, 10 and 12-ounce duck, basing that weight on the common square yard, 36 by 36 inches. Ward's Covers are made of **U. S. Government Standard guaranteed full weight white duck,** weighing 8, 10 and 12 ounces per running yard 29 inches wide, the same quality as usually sold as 10, 12 and 14-ounce on 36-inch width basis. The 9⅓ by 16-foot size is finished with canvas loops, the larger sizes with brass grommets around edges. All seams double stitched. Sizes given are before hemming. We furnish ropes to which weights can be tied. Shipping weights given are approximate and will vary slightly. **Covers up to 50 lbs. can be shipped by parcel post in all zones; 50 to 70 lbs. can be shipped by parcel post in zones 1, 2 and 3; over 70 lbs. can be shipped by freight or express only.**

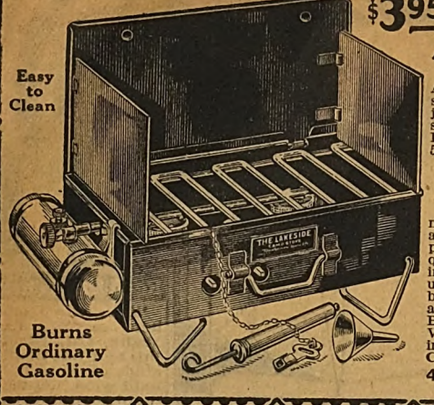
$3.95 It Has No Equal At Anywhere Near the Price



What campers and tourists always have wanted. A Stove that can be quickly folded up into small space or set up in a jiffy, anywhere. To pack up, just place tank inside the case, turn down the shields and top, clamp legs over top, and your Lakeside resembles a suit case only 9½ by 17⅜ by 5 inches and weighing only 12 pounds.

No Smoke—No Soot Use It Anywhere

An easy lighting, fast cooking stove. Burns ordinary gasoline. The superheated vapor burns with an intensely hot blue flame. Heavy gauge rustproof terneplate steel tank holds about one quart. Has back and side windshields. Cooking surface, 9 by 17 inches two large burners; unbreakable steel rod, hinged grate. One or both burners may be used. Size of flame can easily be adjusted. Stove rests on heavy wire folding stands. Body made of 24 gauge sheet steel enameled black. Valve key on chain. Air pump, funnel and simple instructions included. Shipping weight, 14 pounds. **Can be shipped by parcel post.**

460 C 8900 ..... **$3.95**

Lakeside Safety Camp Stove At a Very Low Price

New Lakeside Two-Burner Folding Camp Stove $5.65

Realizing the need for a Camp Stove that would cook meals quickly and be simple, safe and compact, we perfected the new Lakeside No. 1. Our price is from $2 to $5 lower than you are usually asked to pay for an ordinary stove which does not have Ward's exclusive features and guarantee.

Cooks fast or slow. Burns gasoline with blue flame as hot as a gas stove. Heavy gauge rustproof terneplate steel tank has two large burners with separate controls. Tank and burners slide into place as a unit; **Warming grate.** Back and side windshields. On stormy, windy days, this stove is a necessity. Heavy 24-gauge sheet steel case 10¼ by 18¾ by 5 inches deep. Enameled rich brown. Carrying handle. Firm wire stands. Most complete stove made. Large pump funnel and key included. Actual weight, 16½ pounds. Shipping weight, 18 pounds. **Can be shipped by parcel post.**

460 C 8965 ..... **$5.65**

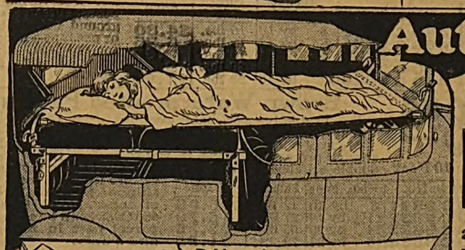
Auto Tour Bed



Folds up into a package 44 by 5½ by 4¼ inches. Easily set up or taken down. Weighs only 12 pounds

For Any 5 or 7-Passenger Touring Car or Sedan

$6.75

Those who enjoy touring will be delighted with this improved auto Tour-Bed and the low price at which we are able to offer it. Fits any five or seven-passenger car, either sedan or touring with removable front seat cushions.

The folding adjustable hardwood frame supports the cushions. Bed top is 70 inches long; 40½ inches wide at front; 45 inches wide at back with hardwood spreaders and adjustable fastening straps.

Top is 12 oz. khaki army duck. With this bed you will enjoy sleeping comfort, high off the ground with no fear of crawling pests or dampness. It appeals strongly to those who dislike carrying tents and cots. Ship. weight, 17 pounds. Can be shipped by Parcel Post.

460 C 9886—For cars with one-piece removable front seat cushion..... **$6.75**
460 C 9889—For cars with divided front seat with removable cushions..... **$6.85**

A Comfortable Bed for Auto Tourists For Touring Cars Only

$8.25

Makes a comfortable full size bed for two persons. Can be set up in three to five minutes in any five or seven-passenger touring car. Can not be used in coupes or sedans. Many use it as a double bed in a tent or as an extra bed at home. Two of these beds and a Knockabout tent similar to 460 C 9512, shown on Page 446 provide sleeping quarters for a touring party of four.

When Used In a Car You Sleep High and Dry, Safe Away from Crawling Insects

This Auto-Bed consists of three parts: Three wood rails hinged in the center, with heavy 12-ounce khaki army duck top attached and two adjustable telescopic cross bars. The center rail prevents sagging. The cross bars are adjustable for different widths of car bodies and are fitted with a simple device to insure the proper tension in the duck top. Bed is full six feet long and 48 inches wide at the back, narrowing to 39 inches at the front to fit all cars. Sets back of steering wheel in large cars; in small cars steering wheel projects through slotted flap in canvas top. Folds into space 3 feet by 7 by 7 inches. No tools are necessary to set it up. There is no strain on top or windshield. Rests on car body. Shipping weight, 25 pounds. **Can be shipped by parcel post.**

460 C 9883—For touring cars only..... **$8.25**

$2.18 Ansco Box Cameras

What fun it is to take good pictures with this Box Camera. Keep snapshots of your friends—of jolly picnic parties or camping trips, scenes around home.

These Ansco made Cameras require no focusing. They are always ready for instant use. Nothing complicated. Simple and easy to operate.

Lots of Fun—Good Pictures Too

Fitted with an automatic shutter properly timed for best results. A good single fixed focus lens which gives clear, sharp pictures if you are 10 feet or more from the object to be photographed. Takes fine snapshots when the sun is shining, and time exposures indoors or out when given the proper time. Smaller "stop" (size opening in front of lens) is available for time exposures or for intense sunlight. Two deep seated view finders—one for horizontal and one for vertical views.

Load, Aim, Shoot—and Wind the Film

You can load quickly and safely in broad daylight. Simply unsnap the close fitting, hinged back, pull out the convenient loading cone arrangement, take out exposed roll, insert new film.

Camera case of heavy reinforced fiber board covered with seal grain imitation leather. Ruby exposure window. Metal parts are highly polished nickel. Genuine leather carrying handle. Actual weight, only 14 ounces. Uses Ansco or other standard roll film, 6 or 12 exposures. A reliable box camera that you will be proud to carry with you. Directions included with each camera.

60 C 7708—No. 2 Ansco. Takes pictures 2¼ by 3¼ inches. Uses Ansco films No. 60 C 8232 listed below. For any standard roll film... **$2.18**

60 C 7711—No. 2A Goodwin Ansco-made. Takes pictures 2½ by 4¼ inches. Has folding winding key. Uses Ansco films No. 60 C 8234 or 8235 listed below. For any standard roll film... **$2.98**

Postage, each, 10¢ extra

The New 2A Buddie Camera

Uses Standard Roll Film

$1.98 Load It in Daylight Always Ready

Picture taking with the new Buddie Camera is great fun. No experience is needed. Anyone can take pictures with this camera. No adjustments to make. Takes picture 2½ by 4¼ inches. In bright sunlight, if objects are 10 feet or more distant and the camera is held steadily, every picture will be clear and distinct. The single fixed focus lens is good quality and gives fine results. Fiber case covered with black seal leatherette; leather handle. Can be loaded safely in broad daylight. Two deep-seated view finders. Uses standard roll film, or our Nos. 60 C 8234 or 60 C 8235. Instructions included.

60 C 7710—Postage, 10¢ extra..... **$1.98**

Small illustration at left shows metal loading cone and lightproof Buddie case. Well built in every way.

Premo Folding Cameras

Made by Eastman Kodak Co.

Premo Folding Cameras give you pictures as clear and sharp as those made with much more expensive cameras. The Premo is so simple to operate that you will be able to take good pictures from the start by following the instructions we furnish with each camera. Loaded easily and safely in daylight. Spool holding device holds film tight and prevents fogging and curling. When exposures are completed, spool is automatically raised for removal from camera.

Furnished with Meniscus Achromatic or the popular Rapid Rectilinear Lens. Kodak ball bearing shutter gives time, bulb, and instantaneous exposures of 1/25 and 1/50 second. Has reversible view finder which shows clearly how the picture will look and what is included; two tripod sockets, black leather bellows when drawn out, lock in the proper position. Metal rest holds camera steady in vertical or horizontal position. Strong aluminum case covered with imitation leather of lasting quality, seal grain finish. Uses Ansco or any standard roll film.

We Guarantee This to be the Best Camp Cot Made

Special Features Found in No Other Cot

$3.75

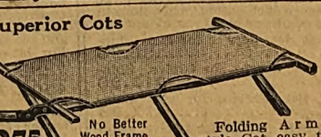
Ward's New TouRest Steel Cot is built so that the one-piece steel frame and legs can be unfolded as one unit in twenty seconds. No loose pieces to be lost. So light that a ten-year-old child can handle it easily. So strong that the frame will last a lifetime. Built so strain is evenly distributed. These and other exclusive features make Ward's TouRest Cot the best you can buy.

U shaped special analysis steel makes frame and legs light in weight yet as strong as necessary to stand hard use. Green enameled. Will not tip by sitting on edge or corners.

Natural color top of extra heavy imported cloth. Cotter pins at center of side rails allow removal or replacement of top. Size, 76 by 25 by 16½ inches high. Ship. wt., 20 lbs. Can be shipped by parcel post.

As Sides Open, Legs Let Down

Hinged End Rails Swing Into Place



Center Legs are Rigidly Braced

460 C 9635..... **$3.75**

Folding Double Cots and Camp Beds

$8.45

Genuine Telescope Double Cot

Very easy to set up. Just extend the strong hardwood frame with its enameled steel braces and hook the metal loops over the projecting metal clips. This stretches the heavy imported cloth top tight and the sleepers lie comfortably and level. Size open, 6½ feet by 48 inches; folded, 34 by 8 by 10 inches. Shipping weight, 30 pounds. Can be shipped by parcel post.

460 C 9663..... **$8.45**

Gold Medal Double Cot $9.65

For campers, tourists or for use in the home. Open, it is 52 inches wide; 78 inches long, and 18 inches high. Size folded, 5 inches by 10 inches by 3 feet 3 inches long. Frame is made of select well seasoned rock elm, thoroughly air dried, with heavy white duck bed top. Metal parts of heavy gauge steel, strongly braced throughout. Stands firmly and folds compactly. Center rail prevents the bed from sagging. Shipping weight, 32 pounds. Can be shipped by parcel post.

460 C 9674..... **$9.65**

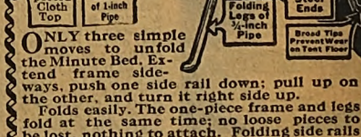
Air Pillow and Cushion for Camp

A camp Pillow or Cushion inflated with air. Made in three chambers, of rubber and fabric. Can be washed. Does not leak air as all seams are vulcanized, not cemented. Size flat, and not inflated, 14½ by 17 inches.

60 C 9968..... **$1.98**

Postage, 8¢ extra

The Minute Double Bed



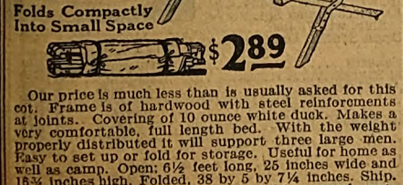
ONLY three simple moves to unfold the Minute Bed. Extend frame sideways, push one side rail down; pull up on the other, and turn it right side up.

Folds easily. The one-piece frame and legs fold at the same time; no loose pieces to be lost, nothing to attach. Folding side rails made of 1-inch steel pipe, ends of angle steel and rigid folding legs of ¾-inch steel pipe which have broad tips.

The heavy imported cloth is doubled in center, on each side are two 2-inch strips of strong webbing reinforcing it from end to end. This, in addition to twenty helical steel springs at one end, makes this as restful as any spring bed in your home. Does not sag in the center; the end tension prevents sleepers from rolling together. Size of bed, open, 6 feet 4 inches by 50 inches. Shipping weight, 50 pounds. Can be shipped by parcel post.

460 C 9670..... **$12.95**

Lakeside Single Camp Cot



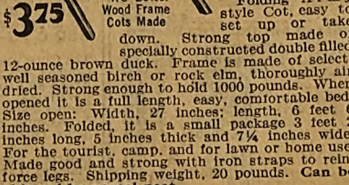
Folds Compactly Into Small Space

$2.89

Our price is much less than is usually asked for this cot. Frame is of hardwood with steel reinforcements at joints. Covering of 10 ounce white duck. Makes a very comfortable, full length bed. With the weight properly distributed it will support three large men. Easy to set up or fold for storage. Useful for home as well as camp. Open: 6½ feet long, 25 inches wide and 18¾ inches high. Folded, 38 by 5 by 7¼ inches. Ship. weight, 20 pounds. Can be shipped by parcel post.

460 C 9678..... **$2.89**

Superior Cots



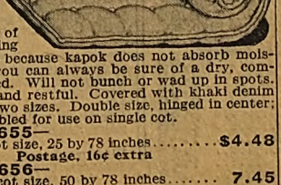
$3.75

No Better Wood Frame Cots Made

Folding Army style Cot, easy to set up or take down. Strong top made of specially constructed double filled 12-ounce brown duck. Frame is made of select, well seasoned birch or rock elm, thoroughly air dried. Strong enough to hold 1000 pounds. When opened it is a full length, easy, comfortable bed. Size open: Width, 27 inches; length, 6 feet 6 inches. Folded, it is a small package 3 feet 2 inches long, 5 inches thick and 7¼ inches wide. For the tourist, camp, and for lawn or home use. Made good and strong with iron straps to reinforce legs. Shipping weight, 20 pounds. Can be shipped by parcel post.

460 C 9673..... **$3.75**

Camp Bed Kapok Mattress $4.48



A light weight, fluffy Mattress that gives you greater comfort on your camping trip. Almost an indispensable part of your camping equipment because kapok does not absorb moisture and you can always be sure of a dry, comfortable bed. Will not bunch or wad up in spots. Very soft and restful. Covered with khaki denim ticking. Two sizes. Double size, hinged in center; can be doubled for use on single cot.

560 C 9655—Single cot size, 25 by 78 inches..... **$4.48**

Postage, 16¢ extra

560 C 9656—Double cot size, 50 by 78 inches..... **7.45**

Postage, 22¢ extra

Your Own Initial In Two Places on Each Piece

Ward's Special Initialed Dinner Set

112 Pieces—High Grade American Semi-Porcelain

An exclusive new pattern of beautiful American dinner ware, designed and made especially for Ward's. Ordinarily initialed dinner ware is expensive, but special contracts with one of the largest potteries in the country makes it possible for us to offer you this set at an exceptionally low price. Dinner sets of this size and quality usually sell at retail for at least $30 to $35. Only from Montgomery Ward & Co. can you buy this exclusive new pattern at this very low price.

Any initial on every piece marks this set as distinctly your own. You will indeed be proud of your table when it is set with this beautiful dinner ware. Each piece has two charming floral medallions. Rose, king's blue, green, gold and black give just the right color note against the creamy white ware and set off your initial to excellent advantage. An embossed design decorates the edges, which are also banded with gold. Blue lines outline the inner rims. Handles are gold traced.

112-Piece Set for Dinner, Breakfast or Supper—Service for 12 Persons

This set is good quality American semi-vitreous ware, with a durable body and hard clear glaze. First quality. The 112 pieces included in this set provide everything you need for complete service for twelve persons. Pieces included are listed below.

12 Tea Cups
12 Tea Saucers
12 Dinner Plates, 9-inch
12 Pie Plates, 7¼ inch
12 Bread and Butter Plates, 6-inch

Colonial Coin Gold Band High Grade American Semi-Porcelain

55-Piece Set
$13.98
Service for 12

The rich beauty of gold and white dinnerware has made this set a great favorite. You will be especially delighted with it when you realize how very low the price is compared with the quality. Our American semi-porcelain is made by one of the finest potteries in the country. All Ward's dinner ware is First quality. The richness of the soft, yellow coin gold on the creamy ware produces a very charming effect. The handles are half covered with gold and the sauce boat has a fast stand. Our large purchases make it possible to secure such exceptional values in high grade dinner-ware. **For list of pieces in sets, see Page 451**

Pure White Embossed American Ware

For general service, you can find nothing more practical than plain white Dinner Ware. The set shown here is the best quality American semi-vitreous ware you can buy, and is an exceptionally good value at our low prices. Although comparatively light in weight, it will not break easily even with hard usage. Especially desirable for the large family or boarding house. It will give excellent service for everyday use as it has a fine body and hard, clear glaze. Made in a popular shape, with attractively embossed edges and handles. You will appreciate our open stock service which enables you to order extra pieces at any time. Dinner ware of this quality can not be sold for less than our low price. **For list of pieces in sets, see below.**

Genuine Imported Bavarian China

Genuine Imported Bavarian China is light in weight, pure white in color and has a hard, lustrous glaze. It is so clear that when held up to the light you can see the shadow of your hand. The well known trade mark of H. & Co., makers of fine Bavarian China, appears on each piece and is your guarantee of high quality.

The shapes used in Bavarian ware are all produced by master designers. All our Bavarian China is first quality ware. We have selected as decorations the best of the popular new patterns. Their decorative colorings and artistic designs will delight you.

Our Bavarian China is imported direct from Selb, Bavaria, exclusively for Ward's. By selling it direct to our customers we are able to offer you this fine imported china at a big saving over usual retail prices.

Greek Key Border Design in Gold and Black

The beauty of the famous de Luxe shapes is charmingly accented by the popular Greek Key design which decorates this imported Bavarian set. The Grecian Key border is delicately traced in black between two narrow gold bands. The gold edges and the gold tracing on the handles are rich and effective. The china is genuine H. & Co. ware made in Bavaria and imported for Ward's. The pure white body is light weight, thin and has a very clear, hard glaze. When held up to the light you can see the shadow of your hand through it. For list of pieces in the sets, see below.

Copenhagen Blue Design—Embossed Body

56-Piece Dinner Set **$24.98**

Unusual Value—Imported German China

From another well known German pottery comes this attractive set of blue and white China in a quaint all over pattern. The china is light weight, translucent and delicately embossed as shown in an effect usually found only in expensive dinner ware. Has a clear hard glaze. The shapes are simple and attractive. A clever touch is the small knobs of blue and the blue line tracings on the handles. You will find this set especially attractive against the white of your table linen. **For list of pieces in sets, see above.**

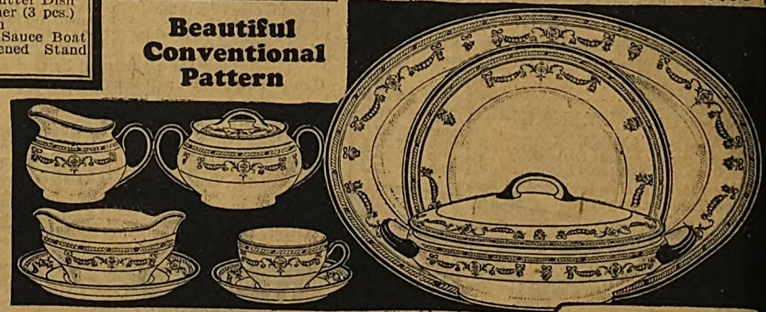
Beautiful Conventional Pattern



Genuine Imported Bavarian China

56-Piece Dinner Set **$42.85**

The work of a master designer is this beautiful conventional pattern. No black and white illustration can show you the rich beauty of the pure white china and the delicacy and charm of the design. The shapes are simple and dignified. Rich shadings of yellow, gold and rose are accented by touches of black in the conventional border and motifs. Gold lines circle the edges and are repeated in inner line tracings. Handles are half covered with gold. Genuine H. & Co. China, beautifully white and clear and all first quality. **For list of pieces in sets, see above.**

Genuine English Blue Willow Dinner Ware

Genuine Imported English Blue Willow Ware—the same 100-piece set which sold in our Catalogue No. 102 for $32.98. You can buy it now for only $23.98—a saving of one-third. We can offer such an unusual bargain only because we went direct to the producers, an old reliable English pottery, with a contract for a very large quantity of this dinner ware. This made possible big savings in their production costs and correspondingly big savings for you. English semi-porcelain has long been famous for its good quality. The interesting blue willow pattern is especially popular. At our new low price, it is one of the biggest values in imported dinner ware ever offered.

- 1 Pitcher, 1-quart
- 1 Pickle Dish, 9-inch

New Cameo Rose Pattern

The new artistic Cameo Rose pattern is an exceptionally fine example of the conventional border. Garlands of dainty roses with touches of delicate blue and green are twined against a rich ivory border. The beaded effect of ivory and black which decorates the edges is especially effective. The handles are gold traced. Shipping weight, per set, 85 pounds.

$11.75 43-Piece Set for 6 Persons

Imported German China
Garland Border Pattern

This German China Dinner Set has been selected as an excellent example of Ward's fine values in imported dinner ware. It is made in Germany by a pottery known the world over for good workmanship. The china is light weight, highly glazed, and so clear that when held up to the light you can see the shadow of your hand through it.

Seldom is dinner ware of this quality priced as low as our Garland Rose set. This design shows garlands of pink roses and green leaves with a border of French blue and tan. The handles on this set are gold traced.

43-Piece Set—Service for six persons, as follows:

6 Tea Cups	6 Coupe Soup Plates, 7½-in.	1 Rd. Open Vegetable Dish, 9½-inch
6 Tea Saucers	6 Sauce Dishes	1 Covered Sugar (2 pieces)
6 Dinner Plates, 9-inch	1 Platter, 14-inch	1 Creamer
6 Bread and Butter Plates, 6-inch	1 Oval Open Vegetable Dish, 9½-inch	1 Bowl, 1-pint

This pattern is also carried in open stock. A printed price list is sent with each set.
Shipping weight, per set, 48 pounds. Can be shipped by parcel post.

$7.98 44-Piece Set
Service for 8 Persons

American Semi-Porcelain
Floral Basket Design

Our American Dinner Ware is an excellent quality semi-porcelain. The body has a rich, creamy white color and a hard clear glaze similar to that found on imported china. Each piece bears the trade mark of a well known pottery.

For this special 44-Piece Set we have selected one of the most popular of the new patterns, a tasteful floral basket design combining French blue, rose, yellow and green. Blue tracings, applied by hand, outline the edges and handles.

This pattern is very attractive on the table, providing just the right color in the gay baskets of flowers and blue bowknots that tie the garlands. The 44-piece set in which it is offered includes service for eight persons as follows:

8 Tea Cups	8 Sauce Dishes	1 Open Sugar Bowl
8 Tea Saucers	8 Soup Plates	1 Oval Open Vegetable Dish
8 Dinner Plates, 9-inch	1 Cream Pitcher	1 Platter, 12-inch

This pattern is also carried in open stock. A printed price list is sent with each set.
Shipping weight, per set, 45 pounds. Can be shipped by parcel post.
450 C 107—44-Piece Set..... **$7.98**

$11.98 45-Piece Set Service for 8 Persons

Genuine Imported Bavarian China
Exclusive Embossed Pattern

Only in genuine Bavarian ware will you find china of this fine quality. The pure white body and hard, clear glaze make it beautiful and durable. At this price it is a fine value.

Delicate shadow embossing forms wide bands on each piece—a decoration usually seen only in very expensive china. Colorful roses and small blue flowers with touches of black make the garland border just inside the gold traced edges. Handles are gold traced. This 45-piece set includes service for eight persons as follows:

8 Tea Cups	8 Soup Plates	1 Cream Pitcher
8 Tea Saucers	8 Sauce Dishes	1 Covered Sugar Bowl (2 pieces)
8 Dinner Plates, 9-inch	1 Platter, 12-inch	1 Round Open Vegetable Dish

This pattern is also carried in open stock. Printed price list sent with each set.
Shipping weight, per set, 48 pounds. Can be shipped by parcel post.
450 C 130—45-Piece Set..... **$11.98**

Triple Coated White Enameled Ware

Handsome and durable White Enameled Ware. Made of excellent quality enameling steel, with three coats of acid and fireproof pure white enamel baked on by a special process. The porcelain enamel is fused into the steel under intense heat, giving a smooth glossy finish; easy to clean and most attractive in appearance. This ware is first quality and is backed by Ward's guarantee of Satisfaction or your Money Back. Sizes and capacities may vary slightly.

T. E. MALEY, Manager House Furnishings Dept.

THERE is no department in Ward's that enters more intimately into the daily home life of our millions of customers than the House Furnishings Department. The merchandise we sell is in daily use in the household. We feel that nothing has done more to make new friends and strengthen old friendships for Ward's than the conveniences, necessities and economies this department brings to the homemakers of America.

Ward's brings within the means of all the modern inventions and home labor savers that otherwise might still be enjoyed only by a few. The vacuum cleaner, pressure cooker, electric washing machine, sewing machine, modern aluminum utensils and fine imported chinaware are just a few of the great modern home necessities that Ward's offers you at prices far below the usual retail selling price of similar commodities.

In this Catalogue we present what I consider the finest and most complete line of house furnishings, chinaware and toys we have ever offered. I hope that every woman will feel that in ordering from this department she is dealing with men and women who are interested in her problems, and who are sincerely anxious to please and satisfy by giving the greatest possible values and the finest service you can get any where.

J. E. Maley

Windsor Steam Pressure Cooker

For Canning and Cooking

Recommended for CANNING MEATS as well as FRUITS and VEGETABLES

$11.85 10-Quart Size

Tested and Approved — Department of Household Engineering, Good Housekeeping Institute (now Conducted by Good Housekeeping Magazine)

THE Windsor sanitary, all aluminum Steam Pressure Cooker, although sold by us for much less than dealers ask, is guaranteed to be equal in every way to similar cookers sold for more money. It is practical for everyday cooking and can not be excelled for home canning. Highly recommended for meat canning. Meats and fruits canned in the Windsor will keep indefinitely.

Saves About Two-Thirds of Your Cooking Time

Canning of fruits, vegetables, meats and poultry prevents waste of food and provides appetizing dishes for the family during the winter months. Cooking meats or vegetables in a Windsor Steam Pressure Cooker is a positive method of completely destroying the bacteria which cause decay. Canned food so sterilized will retain its fresh flavor.

Time labor and materials used are too valuable to trust to the old slow methods of preserving. Meats can not safely be canned in any other way. With a Windsor Steam Pressure Cooker you can successfully use the simple cold pack system for fruits and vegetables. No other system retains the natural color and flavor so well. By this method both jar and food are sterilized together and prevents spoilage.

Cuts Cost of Food and Fuel

For everyday cooking, a Windsor Steam Pressure Cooker will cook a pot roast in only 45 minutes instead of two hours; pork and beans cook in 40 minutes instead of the usual three hours; pork tenderloin and potatoes can be cooked at the same time and ready to serve in 20 minutes after they are put on the fire. Tough meats come out tender and juicy. Steam under pressure breaks down the toughest tissues and fibers.

By cutting down the cooking time you also use only one-third or one-fourth as much fuel. No longer need you pay top prices for the choicest meats and young chickens. The cooker requires little attention. The food will not stick, scorch or burn.

Made to Last a Lifetime

Made of one piece of heavy cast aluminum. A steam gauge registers the pressure automatically and a petcock provides an outlet for steam or air. The safety valve prevents overpressure and makes the cooker absolutely safe. With cast aluminum meat rack, three aluminum inset dishes, five aluminum bails and a pair of steel lifters. Recipe book included which tells how to use the cooker and also contains helpful recipes and menus. **The 25-quart size can be shipped by freight or express only.**

Article Number	Capacity	Diameter	Depth	Holds Jars	Ship. Wt.	Each
486 C 1485	10 quarts	9 inches	9 inches	5 pts. or 3 qts.	18 pounds	$11.85

186 C 1488	25 quarts	12½ inches	13 inches	18 pts. or 7 qts.	35 pounds	21.90

A Size for Every Family

By using the three compartments, various foods can be cooked at the same time, and in about one-third the usual time.

Recommended by State Universities and Colleges as the best and safest way to can vegetables, fruits and meats.

$5.98 Wardway Fireless Cooker

Approved by Good Housekeeping Institute

Use this Wardway Fireless Cooker in your home or on camping trips. Easy to operate. Simply heat the soapstone, bring your food to a boil in the aluminum containers included, place all in the cooker and close. Hours later, your meal is piping hot and perfectly cooked. No need of a hot kitchen on summer days.

This cooker is of sheet steel, aluminum lined. Entire height, 13½ inches; diameter, 12 inches. Fitted with one 4-quart and one 2-quart aluminum kettle with covers. Soapstone, 7¾ inches diameter and aluminum mat. Tight fitting cover with vent. Bail for carrying. Complete cook book included; many recipes for appetizing dishes and full instructions. Household Butter Churn

99¢

Makes Churning a Pleasure

PRACTICAL Churn for home use. Churns quickly and is easily cleaned. All sizes except the two smaller have perforated drain cap which permits buttermilk to be poured out and water poured in for washing butter. Jar is crystal glass with rounded corners and large mouth—easily cleaned. Also used for merging fresh milk and butter. One pint milk and one pound butter churned a few minutes makes 2 pounds of butter. Extra glass jars can be furnished.

Many Household Uses

Splendid for mixing cake ingredients, beating eggs, whipping cream, or mixing salad dressings. Sanitary cast aluminum dasher. Instructions with each churn.

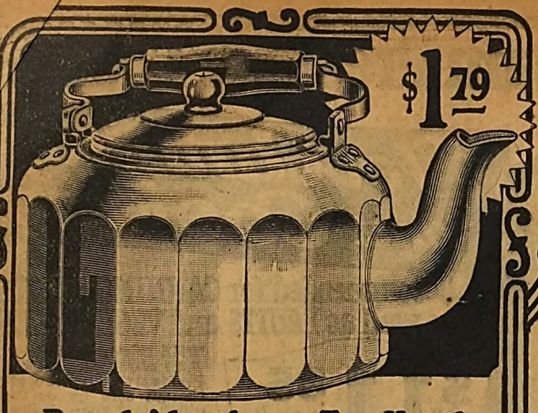
WARD'S ROYAL

Looks Better~Heats Evenly



$1.79

Royal Aluminum Tea Kettle
Colonial Design—Seamless Welded Spout—Heavy Weight

Made of heavy Royal Aluminum in colonial design. It is entirely seamless with large smoothly welded spout, which can be used in filling kettle. Cast aluminum ears securely riveted. Heavy bail with ebonized wood handle stays where you put it. Aluminum cover has ebonized knob. No joints to loosen or to collect dirt. The highly polished surface is easy to keep clean and sanitary. A serviceable tea kettle you will be proud to have in your kitchen. One of our very best bargains.

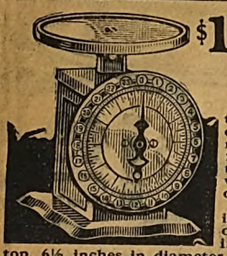
Household Scales
Dependable-Accurate

Why We Make Scales in Our Own Factory

Realizing that many more homes could enjoy the convenience of a household scale if a lower price could be obtained without sacrificing quality, Ward's determined to manufacture scales. The result is this splendid assortment of high quality, accurate spring scales at prices never before heard of for scales of this quality. We guarantee them to be strongly made, and just as accurate and as handsome in appearance as any scales you can buy, regardless of price. Spring scales are not legal in some states for trade use.

Priced Far Below Usual Retail Prices

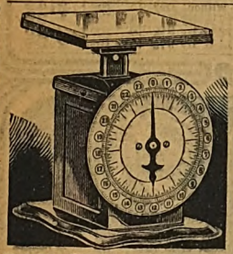


$1.29 Round Top Spring Scale

The low price on this Scale is possible only because it is made in our own factory. We guarantee materials and workmanship to be of the best.

All steel, finished in gray enamel. Size of base, 8½ by 6¾ inches. Round steel top, 6½ inches in diameter. Large bronze face with clear black figures. Weighs up to 24 pounds by ounces. A scale of this dependable quality can not be bought elsewhere for a price so low. Platform spring scales of this type are not legal in trade in most states. Shipping weight, 4 pounds. Can be shipped by parcel post.

486 C 2113.....**$1.29**



$1.59 White Tile Top Spring Scale

An unusually desirable Scale made of steel. Black enameled with large easily read figures on white enameled 6-inch dial. Weighs to 24 pounds by ounces. May be adjusted to allow for container. Height, 8½ inches. One of the best household scales that it is possible to produce. Not legal in trade in most states. Ship. wts.: 5 and 6 lbs.

486 C 2116—With white tile top.....**$1.59**

486 C 2117—With flat bottom tin scoop, 6½ by 11½ inches.....**$1.98**

Fine Quality Scale That Usually Sells for $3.50

Ward's Price $1.98

With Sanitary White Tile Top

IF the high prices usually asked have kept you from buying a good Household Scale, you will appreciate this bargain. It is guaranteed to be equal in every way to scales usually sold for about $3.50. We do not believe you can equal its value anywhere.

Well Made—Accurate

It is made of steel, beautifully finished in blue enamel. The 6½-inch dial is protected by a glass cover. It weighs up to 24 pounds by ounces, figures being indicated by large black numerals on a white enameled dial. The sanitary white tile top is removable for washing. Height of scale, 8½ inches. Broad, strong base. Thumb screw adjustment allows for container when weighing anything in pans or dishes. Accurate for household use, but being a spring scale it is not legal for trade in some states.

Shipping weight, 6 pounds. Can be shipped by parcel post.

486 C 2107.....**$1.98**

60-Pound Scale

$2.49

For those who have need of a Scale weighing more than 24 pounds, we recommend this scale. Weighs up to 60 pounds by ½ pounds.

Extra heavy, made of all steel, and enameled black. Top, 6½ inches square. Total height, 9 inches. Extra size base, 6¾ by 8⅝ inches. Dial 7 inches in diameter with clear figures and graduation marks. This high quality scale is made in our own factory; material and workmanship are the best. No better scale can be bought for this price. Spring scales are not legal in trade in most states. Shipping weight, 7 pounds.

486 C 2121.....**$2.49**

60-Pound Dairy Scale

Our Regular Price Was Formerly $4.75

$2.98

Fine quality Dairy Scale made in our own factory. All steel, black enameled case. Has 7-inch dial, marked with numerals up to 30 pounds; the pointer goes around dial twice, so that scale actually weighs up to 60 pounds by ⅒ pounds. 1 black pointer; extra adjustable red pointer to offset weight of container. Polished ring and hook. Shipping weight, 3 pounds.

86 C 2111.....**$2.98**

Milk Record Blanks

One hundred printed forms for weekly milk record of each cow. Shipping weight, 1 pound.

86 C 2114—100 forms...**98¢**

69¢ Dish Drainer

Made of heavily retinned wire. Basket for silver in center. Fits 14-quart round dish pan. Diameter, 15½ inches. Height, 4½ inches. Shipping weight, 2 pounds.

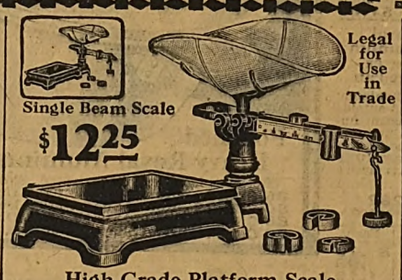
86 C 1848.....**42¢**

Single Beam Scale

$12.25



Legal for Use in Trade

High Grade Platform Scale

Whether you are buying or selling, accurate weights are a protection. These Platform Scales are accurate and legal in trade. Will weigh up to 30 pounds by ½ ounces in the large tin scoop, or up to 240 pounds by ¼ pounds on the platform. Pivots are of tool steel, carefully hardened. Platform is 10 by 14 inches. Scale is black enameled trimmed with gilt. With the double beam scale the weight of container may be balanced on the back beam and the net weight of grain or other substance to be weighed, indicated on the front beam. This convenience more than offsets the small difference in the prices of the single and double beam scales. Shipping weights: 65 and 59 pounds. Can be shipped by parcel post in zones 1, 2 and 3.

Article Number	Style Beam	Capacity	Each
486 C 2122	Double	240 lbs.	$14.95

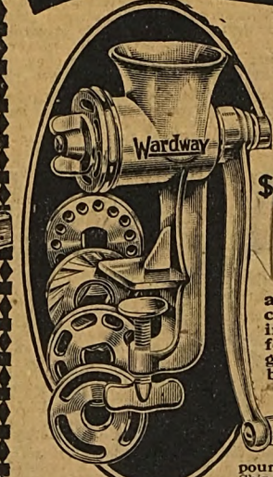
Hi[illegible]ality Food Chopper

You Can't Buy Better At Any Price



Three reversible cutting plates and one shredder and pulverizer are included.

WE have compared this Food Chopper in every way with similar choppers that sell for more money. We are convinced there is no better chopper made, regardless of price. Try it on our recommendation. Make any comparisons you like. If you don't agree that it is the greatest value of them all, you can return it and get your money back.

Made to Last for Years

$1.45

The body of the Wardway Chopper is cast in one piece, smoothly finished and heavily tinned. Easily taken apart for cleaning. Revolving scroll forces food against six straight edge slicing ribs before it reaches the cutting plates. Cuts raw meat easily. Has long handle and large, secure flat table clamp. Special offset construction and tight fitting bronze rear bearing prevent juices from dripping at handle. Cuts food fine or coarse with little crushing. Will grind nuts, shred horse radish or pulverize dry bread or crackers. Cutting plates made of carefully machined steel, very true and sharp.

As Easy on the [illegible] Daylight

Gasoline Wall Lamp

$6.48

If your ceilings are too high or too low to make a hanging lamp practical, use this Gasoline Wall Lamp. Nicely finished and will look well in any room. Double mantle burner gives a steady clear white light that is restful to the eyes.

Metal parts are nickel plated brass, highly polished. Fount holds 1¼ pints of gasoline and will burn from 6 to 8 hours on one filling. Fitted with an 8-inch white glass shade, beautifully embossed. Extends out 14 inches from the wall. This lamp is safe and easy to operate. Lights with a match. Burns steadily without smoke, odor or soot. Don't be without a good gasoline lamp when you can get one for so little money. Equipped with extra set of mantles, extra generator and tip, tip cleaner and set of instructions. Uses Junior mantles 50 C 956 listed at right. Shipping weight, 7 pounds.

450 C 958...$6.48

Read this Letter

"I received my Lamp several weeks ago. The generator is much ahead of other makes I use. Your mantles are much stronger than those I can get here, and also much cheaper."

Byron Barnard,
Beulah, Mich.

Printed with Mr. Barnard's permission

$6.95 With White Glass Shade

$12.98 With Art Shade

[illegible]tch Lighting Gasoline Table Lamp

Easy to Light—Safe—Economical

The heat of a match applied for fifteen seconds to the patent generator lights this lamp. No priming is needed. Gives a steady, powerful white light, restful to the eyes. No flickering, no smoke, no wicks to trim.

Perfectly Safe—Will Not Explode Even If Turned Upside Down

Safe. Will not explode if accidentally tipped over. Clean. No wicks, no oil, no smoke, dirt or odor; no chimney to clean. Economical. One filling of gasoline (2½ pints) is enough for 24 hours of continuous burning. Two mantles. Gives more light without objectionable shadows. Restful. Although powerful, this white light is easy on the eyes. Construction: Made of brass, nickel plated and polished. Height, 19½ inches.

Shade. White, translucent glass, simple artistic design; 10 inches in diameter. Uses mantles listed below. Shipping weight, 11 pounds.

450 C 951—Complete with extra generator, air pump, wrench and two mantles...**$6.95**

50 C 956—Extra Junior size mantles for above lamp. Ship. weight, 1 oz. 6 mantles.....**35¢**

Same Lamp with Art Glass Shade—Beautiful Living Room Lamp

Same construction as above lamp, but with artistic green Art Glass Paneled Shade instead of the paneled milk white glass shade. Artistically decorated with brass filigree work. Diameter of shade, 12 inches. Uses mantles listed above. A beautiful lamp for the living room library or dinning room. Shipping weight, 30 pounds. Can be shipped by parcel post.

450 C 950.....**$12.98**

Gasoline Hanging Lamp

$7.98

A convenient, handsome Gasoline Lamp for the living room. The hanging lamp is out of the way and throws its light to all parts of the room.

Metal parts are of nickel plated brass, highly polished. Fount holds 1¼ pints of gasoline. Lights in from 10 to 15 seconds with an ordinary match. Steady, white light easy on the eyes. Perfectly safe and easy to operate.

Equipped with extra set of mantles, extra generator tip and tip cleaner. If ceiling is high, use extension listed below. Diameter of shade, 8 inches. Entire length, 29 inches. Shipping weight, 10 pounds.

450 C 957.....**$7.98**

Pulldown Extension for Hanging Lamp

$2.98

A nickel plated Extension for use with the above hanging lamp. Lamp may be pulled down for lighting, spring then pulls it up out of the way. Extends 36 inches. Well made; strong spring. Length, closed, 9 inches. Shipping weight, 8 pounds.

50 C 917.....**$2.98**

Kerosene Reading Lamp

$3.98

Neat Embossed Design

Nickel Plated Angle Lamp

Give a Shadowless Light

The flame burns at an angle, throwing the brightest light downward through the clear glass globe. Opal glass upper chimney gives a soft light to the upper part of the room. Easy to light; simply raise the burner and apply the lighted match. No flicker, odor or smoke. The Angle lamp burns 20 hours on one quart of kerosene while the average lamp burns only 10 hours on this quantity. Finely nickel plated and polished, with embossed oil pot holder. Bottom globes of plain clear glass and chimneys of white ribbed glass. Entire length, 16 inches. Fitted with No. 3 flat wick burners. Shipping weight, 18 pounds. May be shipped by parcel post.

450 C 966.....**$9.95**

Safety Gasoline Lanterns

$5.89 Light with One Match

An improved generator makes it possible to light this Lantern in about the time required for an ordinary match to burn down half way. Uses gasoline, no alcohol needed in lighting. Safe, clean, handy and gives powerful white light of 300 candle power. Easily extinguished.

The Price Is Low

Lanterns of this high quality usually sell for much more than we ask.

Burns 13 Hours With One Quart of Gasoline

Lamp is well made. All brass parts, nickeled and polished. Genuine mica globe. Brass fount holds one quart. No grease, dirt, smoke or soot. Will not explode if dropped or upset. Windproof; made for outdoor use.

No Complicated Parts

Splendid for sportsmen and tourists and for farm, dairy and poultry farm use. Height, exclusive of handle, 14 inches. Base, 6 inches wide. Complete with extra generator, extra tip, tip cleaner, wrench, air pump, two mantles and instructions. Shipping weight, 5 pounds.

$18.98 Solid Oak Refrigerator White Enamel Lined Apartment Style

An excellent Refrigerator for the apartment or smaller home. It requires an unusually small amount of floor space, considering its roomy size. Food compartment in smaller size has one shelf; larger size has two shelves. Case is Golden Oak.

Equipped with Windsor hinges and compression locks. Food compartments are lined throughout with white enameled steel, the three-coat enamel giving 6 wall insulation a smooth durable surface. Special Windsor waste pipe and trap are easily removed and make it easy to keep the refrigerator clean. Doors fit snugly. Front baseboard lifts up.

Dimensions of Refrigerator

Inside dimensions of food compartment: 60-pound capacity, 18½ by 18½ by 13¼ inches; 110-pound capacity, 24¾ by 20¼ by 14½ inches. Ice compartment opening, 60-pound capacity, 17 by 11⅛ inches; 110-pound capacity, 23½ by 18 inches.

Solid Oak Three-Door Refrigerator White Enamel Lined

$14.98

Food compartments are lined with white enameled steel, the three coats of enamel giving a smooth durable surface. Perfect circulation of air.

The 6-wall insulation maintains an even, low temperature. Case is of Solid Oak, thoroughly seasoned and finished Golden. Has rounded inside corners. Smaller size has two food shelves; larger size has three removable food shelves. Automatic door locks and tightly interlocking doors make them practically airtight when closed. Drain easily removed for cleaning. Removable ice rack of galvanized metal.

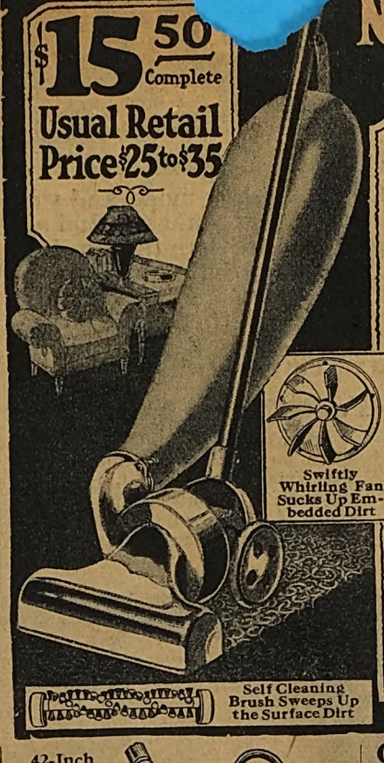
No Electricity Needed



Swiftly Whirling Fan Sucks Up Embedded Dirt

Self Cleaning Brush Sweeps Up the Surface Dirt

Costs Nothing to Operate

THE Wardway Non-Electric Cleaner works on the vacuum principle the same as an electric cleaner. Simply pushing it across the floor operates a high speed fan which creates a powerful suction that penetrates into the pile of rug or carpet and draws up every particle of germ laden dirt. A stiff, revolving brush picks up all surface litter. Your rugs and carpets are cleaned thoroughly, and without raising clouds of dust.

Cleans Like an Electric

This cleaner is being used successfully in thousands of homes which are not wired for electricity. It cleans almost as effectively as electric cleaners that dealers sell for nearly four times as much.

The construction is strong and simple. The rubber tired wheels are geared to a 5-inch ball bearing fan. When pushed with the easy, gliding motion of a carpet sweeper, the fan creates a powerful suction which sucks up the embedded dirt you never can touch with a broom.

Light—Easy to Run Always Ready

The Wardway Cleaner weighs only 8½ pounds, and is easily carried from room to room. Highly polished cast aluminum body is 7¼ inches high, built low to slide under furniture. Nozzle is 10½ inches long with 9-inch self cleaning brush inside. Dustproof bag quickly detached for cleaning. Black enamel wood handle, 42 inches long. Ship. wt., 11 pounds.

Can be shipped by parcel post.
486 C 525 ..... **$15.50**

To assure you of this unequalled value, our 30-Day Trial offer permits you to give the machine a thorough test in your own home. Send only $5 with your order and we will ship the machine at once. Use it for the family washing. Compare it with any high grade washer you know of for appearance, efficiency and low price. If you are not entirely satisfied and convinced that the machine is all we claim, write us for shipping instructions and we will return your $5 and all transportation charges.

Wardway Oscillator

WE guarantee the Wardway Oscillator to be a high grade washer in every detail. It is scientifically built, easy to use and a thoroughly practical washer. An exceptional value at our low price.

Wardway "B" Cylinder

AFTER testing many Cylinder Washers, w selected the Wardway "B" as one of th best machines of its type on the market t day. We absolutely guarantee its high quality

Well Known Wavelike Figure 8 Action

The Wardway Oscillator washes by the double wavelike action known as the Figure 8 (see illustration below). The swinging copper tub rocks like a cradle, tumbling the clothes over and sending torrents of hot suds through them fifty-five times a minute.

The copper tub is clamped in a cast cradle; no rivets to work loose and cause troublesome leaks. Machine is light running and almost noiseless. Gears are enclosed in a metal case and run in oil. Tub is 15 inches deep. Top opening is 12 by 17 inches.

Both tub and wringer may be operated at the same time. An automatic clutch release stops the tub always in a correct position. The all metal wringer swings to four positions and has a quick safety release. Cabinet has nickel plated handles and levers.

Specifications and Prices of the Wardway Oscillator

Tub. Capacity is six sheets, twelve shirts, or their equivalent. Heavy gauge polished copper, heavily tinned on the inside.

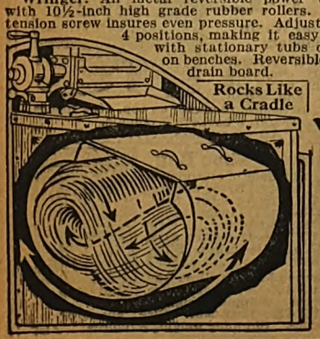
Wringer. All metal reversible power wringer with 10½-inch high grade rubber rollers. Single tension screw insures even pressure. Adjustable to 4 positions, making it easy to use with stationary tubs or tubs on benches. Reversible metal drain board.

Motor. Splashproof ¼-horse power electric motor of standard make. Operates both tub and wringer.

Cabinet. Heavy Armco rust-resisting sheet steel, enameled light gray with gold stripes. Angle iron corners. Levers, handles and pressure screw nickel plated. Two hinged doors give free access to drain faucet and mechanism of washer.

Frame. Of rigid angle iron. Occupies floor space 24 by 24 inches. Easy rolling casters.

Gears. High speed gears are enclosed in metal case and run in oil.



Wardway Oscillating Washer with Copper Tub

Equipped with 110-volt 60-cycle Alternating Current Motor. We can furnish other voltage motors at an additional cost of $4.00. Look at the brass plate on your electric meter to learn the voltage and cycles and whether your current is alternating or direct. Be sure to state all three on your order. Read "How to Order" on Page 491. For estimated total freight charges, see information below. Shipping weight, 300 pounds.

Thorough Cleaning Wardway "B" Cylinder Action

Simply put your clothes into the roomy cylinder of hot water and suds, turn on the electric current and at once the Wardway "B" begins its work. The cylinder revolves rapidly, reversing at every revolution, which produces an unusually efficient washing action and prevents tangling the clothes. Five stationary wood bars in the cylinde give a gentle rubbing motion that mak washing more rapid. You can trust delica lingerie to the Wardway "B"; yet it al washes heavy blankets, curtains and rag ru quickly and thoroughly. The Wardway "B makes wash day easy.

Specifications and Prices of the Wardway "B" Washe

Tub. Capacity is six sheets, twelve shirts, or their equivalent. May be had in rust-resisting Armco iron or heavy gauge high grade copper, tinned on the inside. See prices below.

Washes on the Dolly Principle

Be Sure to State Current, Voltage and Cycles

Satisfied customers from all parts of the country write and tell us of the splendid work done by the Wash Klean Washer. The reversing motion of the wood dolly swirls the clothes around in the suds and forces the water through every fiber of the cloth, carrying away all the dirt.

High Grade—Low in Price

At our price you can not afford to be without an electric washer. To make it easy for you to own this great labor saver, we are offering it for only $5 down and the balance in small monthly payments. You will say that it is the best investment you ever made.

Absolutely Safe—Easy to Use

The Wash Klean is absolutely safe to use; all gears are enclosed or placed in shielded positions, belt and pulleys are set under the tub. The all metal power wringer is the swinging reversible type. It starts when you press the foot lever and stops when you take your foot off; also controlled by top lever. Extra quality 10½-inch rubber rollers. Wringer gears completely enclosed. Capacity, 12 shirts or 6 sheets or their equivalent.

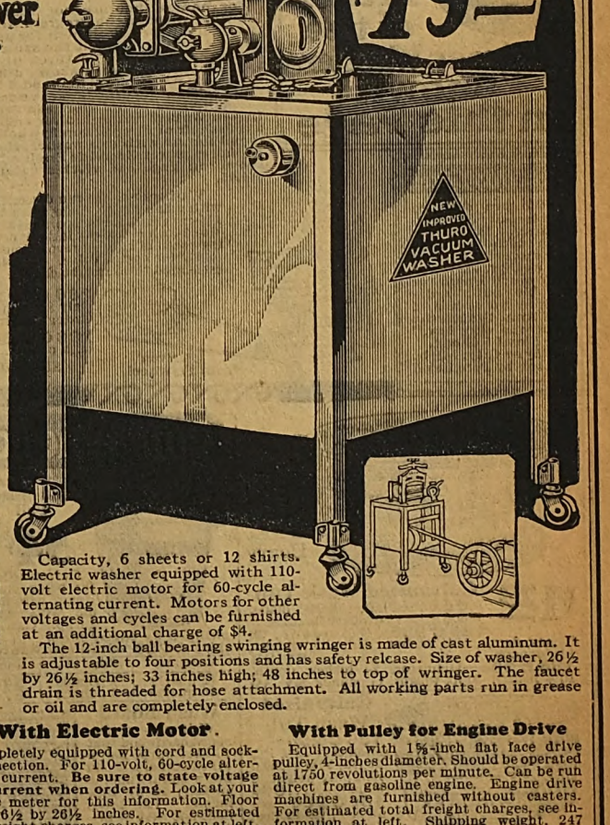
Improved Thuro Electric or Engine Power Vacuum Washer

Cash Price With Electric Motor

$79.95



The improved Thuro Washer with its strong steel cabinet and solid copper tub, is built to give you a lifetime of service to free you forever from the hard work of washday. You can do a big washing easily in a few hours, Ward's has not only brought down the price until it represents a great saving over what you would usually pay, but in addition we are offering this machine on small monthly payments so every home can easily afford an electric washer.

How the Improved Thuro Washes the Clothes

The improved Thuro washes by the famous vacuum principle. The strong suction created by the large 7½-inch square, cast aluminum cup drives the water through the clothes—literally forcing out the dirt. On the down stroke, the vacuum cup moves just enough to one side to shift the clothes gradually around the tub. This assures thorough washing of all the clothes. The operation of the Thuro is simple yet highly efficient. The clothes are washed clean without use of the wash board.

Double worm gear drive assures smooth easy operation. The outside of the washer is of strong automobile steel on a heavy angle iron frame. Heavy copper tub. Small illustration below shows action of vacuum cup in water. Vacuum cup on down stroke gives a ¼ turn to right and reverses ¼ turn to the left on the upper stroke. This motion shifts the clothes in the tub cleansing them thoroughly. The action is thorough and your clothes will come from the tub beautifully clean. Floor space required, 26½ by 26½ inches.

Capacity, 6 sheets or 12 shirts. Electric washer equipped with 110-volt electric motor for 60-cycle alternating current. Motors for other voltages and cycles can be furnished at an additional charge of $4.

The 12-inch ball bearing swinging wringer is made of cast aluminum. It is adjustable to four positions and has safety release. Size of washer, 26½ by 26½ inches; 33 inches high; 48 inches to top of wringer. The faucet drain is threaded for hose attachment. All working parts run in grease or oil and are completely enclosed.

The Vacuum Cup The Force That Dirt Can Not Resist

With Electric Motor

Completely equipped with cord and socket connection. For 110-volt, 60-cycle alternating current. **Be sure to state voltage and current when ordering.** Look at your electric meter for this information. Floor space, 6½ by 26½ inches. Ward's Progress Electric Washer

FOR real value, no moderate priced washer can rival Ward's Progress Washer. Hundreds of women tell us the Progress washes clothes better and more quickly than machines costing twice the price. Only $5 will put one of these washers in your home, on 30 days trial. Use it for your family washing for four weeks. Put it to any test you like. If you do not feel it is the best investment you ever made in convenience and economy, write us for shipping instructions. We will refund your $5 and all transportation charges. You buy your washer only after 30 days actual trial in your own home. The price of the Progress is so moderate that a few cents daily saving soon completes the easy monthly payments.

Made in Our Own Factory

The Progress is built in our own factory, to meet the need for a thoroughly efficient electric washer at a low price. It has the most effective washing action ever devised, yet it will not injure the most delicate garments. Test after test has proved its superiority. The Progress washes in a mere fraction of the time required by the old washboard method and without the hard work for you. It bears the stamp of approval of thousands of women who are using Progress Washers in their homes today.

Progress Features You Will Like

1. All metal construction—solid copper tub.
2. Large swinging gear driven wringer.
3. Handy lever controls and safety release.
4. Moving parts enclosed.
5. Superior washing action—can not injure clothes.
6. Backed by Ward's guarantee of satisfaction.
7. Low price—easy terms.

Simple—Easy to Operate

All moving parts are enclosed, making it almost noiseless and absolutely safe. It is easy to operate; convenient levers control the power for the tub and the swinging power wringer which also has a safety release. No complicated mechanism to get out of order. The simple working parts all run in oil or grease. It is thoroughly sanitary—made entirely of metal. It will not leak or rust. Tub is emptied by a convenient faucet drain. Swinging wringer is adjustable to seven positions, and may be used with stationary tubs also.

Superior Construction of the Progress Insures Good Service

Tub. Of heavy gauge, high grade copper—will not leak or rust. Easy to clean. Faucet drain is threaded for use with a hose. Capacity of tub is six sheets, twelve shirts, or their equivalent. Diameter of tub, 21 inches; height from floor, 33 inches.

Motor. Splashproof ⅛ horse power electric motor of standard make. Has bronze bearings. For use with 110-volt 60-cycle alternating current. Ten feet of insulated cord and attaching plug included. **We can supply other voltage motors at an extra cost of $14.**

Drive. Full gear drive, acknowledged by engineers to be the best and longest wearing mechanism for washing machines. The main gears run in oil, wringer gears in grease.

Swinging Wringer. Made of water resisting wood. Large reversible 10½-inch rollers. Quick safety release and control lever. Adjustable to seven positions. Has reversible drainboard.

Frame. Of heavy angle iron with gray enamel finish. Leakproof case encloses all moving parts. Floor space, 26 to 32 inches.

Look at the brass plate on your electric meter to learn the voltage and cycles of your current and whether it is alternating or direct and be sure to state all three on your order. Read "How to Order" on Page 491.

For estimated total freight charges, see information at left. Shipping weight, 215 pounds.

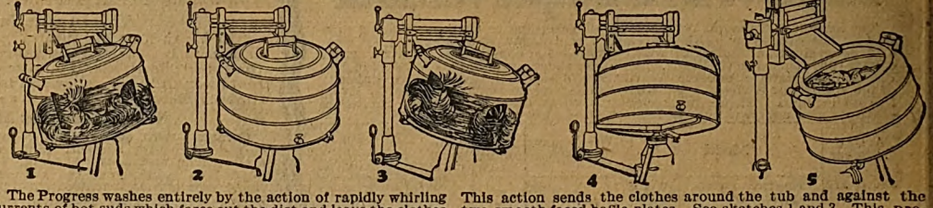
Shipped from Springfield, Ill.

How the Progress Washes Your Clothes



The Progress washes entirely by the action of rapidly whirling currents of hot suds which force out the dirt and leave the clothes spotlessly clean. Many machines with powerful washing action clean at the expense of the clothes. But the Progress can not possibly injure even the most delicate garments. Many women tell us they now wash fragile clothing in their Progress washers they never before dreamed of putting in a machine.

Sketches 1 to 4 show the way the Progress washes. Notice the continuous tilting of the tub that sends currents of hot suds rushing and whirling through the clothes 48 times every minute. This action sends the clothes around the tub and against the two smooth faced baffle plates. See sketches 1 and 3. This produces the perfect washing action—the nearest approach to hand rubbing ever devised.

Sketch 5 shows the wringer in position to wring the clean clothes out of the tub into the rinsing water. Rim around top of tub prevents water spilling on floor. Wringer swings to seven positions, making it easy to use with stationary tubs or tubs on benches.

Ward's Progress Engine Driven Washer

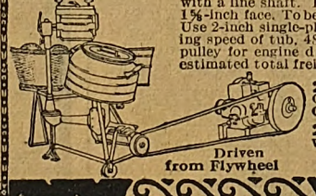
For homes that are not wired for electric lighting, we offer the Progress without electric motor and with attachment for use with engine power. This washer has the same construction and all the special features of the Progress Electric Washer shown above, differing only in its source of power. This model has two portable racks for holding basket and extra tub.

Small views below show the Progress Engine Driven Washer connected for engine drive with a line shaft or direct from flywheel. We recommend for use with this washer, the New Sattley 1½ horse power Gasoline Engine No. 289 C 5044 shown on Page 668 of this catalogue. Price, $39.95.

Our experts will gladly advise you in connection with your washer. In case you wish to use a gasoline engine you already have, be sure to tell us the make and horse power of your engine, also size of pulley and fly wheel, and the number of speeds to which it can be adjusted.

If at any time you wish to use your machine with electric motor your only expense would be a ⅛ horse power electric motor.

The two portable tub racks shown with washer are easily detachable. They may be folded up out of the way when not in use or removed entirely if you wish. Basket and tub shown on racks are not included with the machine.



Washers may be run direct from flywheel or be connected with a line shaft. Pulleys are 5 inches in diameter and have 1⅝-inch face. To be operated at 1750 revolutions per minute. Use 2-inch single-ply leather or canvas belt. Proper operating speed of tub, 48 revolutions per minute. Equipped with pulley for engine drive. Shipping weight, 197 pounds. For estimated total freight charges, see information above.

486 C 207 ..... **$4.75**

Save Time! Use the High Speed Old Faithful

$17.98 Wringer Not Included

You can wash with the Old Faithful by simply pushing a lever back and forth—no need of stooping over a wash tub and rubbing by hand. At every movement of the lever two curved wash boards move in opposite directions, with the clothes between them. This motion washes the clothes spotlessly clean. As dirt is loosened it settles into a separate chamber below the boards instead of being kept in the washing water. This dirt chamber is easily cleaned after the washing is done.

High Speed Ball Bearing Flywheel

Made of water resisting cypress with galvanized steel bottom. The high speed ball bearing flywheel is operated by cogwheels. The cogs are all protected for safety. Long double bearings make the machine easy to start and easy to run. Grooved pulley may be driven with electric motor. Hardware and castings are galvanized to prevent rusting. Height, 30¾ inches. Length, 35 inches. Width, 20¼ inches. Capacity, 12 shirts or 6 sheets. For estimated total freight charges, see Page 465. Shipping weight, 120 pounds.

186 C 148 ..... **$17.98**

Cyclone Vacuum Washer

Blue Ribbon Model

$15.00

Showing Construction of Vacuum Cups

Let this dependable Washer relieve you of the hard work of rubbing clothes by hand. All you do is push the easy moving handle back and forth. The Vacuum Cups work up and down on the clothes, never striking the same spot twice in succession. This agitation forces the dirt out of your clothes, and leaves them fresh and white. So gentle is the suction action, that not even the finest fabrics are injured.

Construction of the Cyclone

The small picture at the left shows the construction of the heavily galvanized vacuum cups. The tub is made of water resisting cypress wood. All moving parts are protected by guards. Has handy rack for attaching wringer. Firm stand is strongly braced to make it steady when tub is in action. Diameter of tub, inside, 21 inches. Height to lid, 29 inches. Capacity, eight shirts. Ship. weight, 90 pounds.

286 C 136 ..... **$15.00**

Shipped from Belvidere, Ill.

Elm Clothes Baskets

Made by hand of best rock elm, reinforced at top. Large handles, securely attached by strong wire. Strong, smooth heavy wood bottom. Now Every Home Can Have This Iron

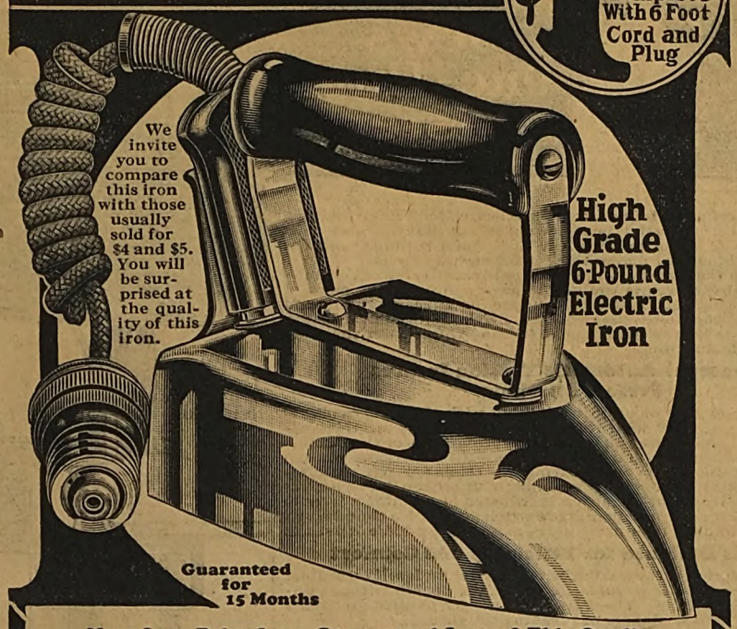
$1.95 Complete With 6 Foot Cord and Plug



New Low Price for a Guaranteed Iron of This Quality

AN enormous purchase of this particular article is one reason why we can offer it to you at this extremely low price. We bought six carloads of these irons; had them made during the manufacturer's dull season. If we had bought these irons in the usual way and in ordinary quantities, we would have to charge you almost twice the price we are now asking. Only from Ward's can you buy this guaranteed iron at such a low price.

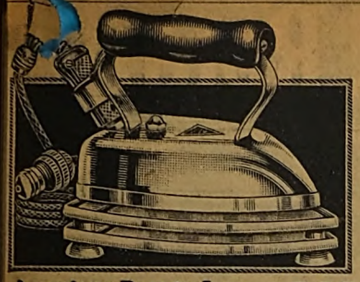
It Is the Greatest Bargain of Its Kind You Ever Saw

One-piece body is heavily nickel plated and polished. The firmly riveted handle is tilted to the "comfort angle," which prevents wrist strain. Ironing surface highly polished. Edges rounded to prevent wrinkling of material.

Tip back rest does away with stands and pads. Iron heats quickly and evenly clear to the tapered point. It holds the heat better and stays hot longer than most irons. We will replace any iron that does not give complete satisfaction for 15 months. Complete with 6-foot, Underwriters' approved asbestos covered cord, attaching plug and appliance plug which is removable at iron. Uses about 500 watts of electricity per hour—about 5¢ worth.

63 C 1806—For any 105 to 120-volt current.....$1.95
63 C 1803—For 32-volt farm plant current..... 2.05

Postage, 20¢ extra



American Beauty Iron

$5.95

Its fine construction and durability makes the American Beauty one of the best Electric Flat Irons you can buy. Ward's price saves you money. The polished, nickeled ironing surface glides easily over wrinkled fabrics, making ironing a pleasure. Heats to the very tip and gets into seams and frills. Black ebonized wood handle. Full six pound size. Has 6-foot detachable cord and attaching plug. For any 105 to 120 volt current. With stand for use when not ironing.

63 C 1807.....$5.95

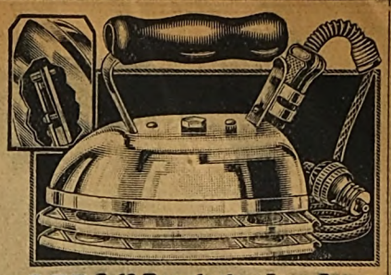
See Pages 586 to 594 for Other Electrical Supplies

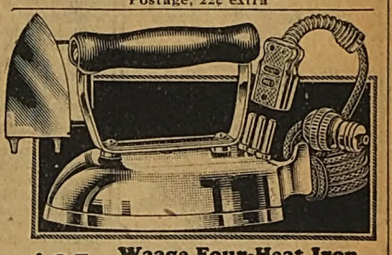


$6.75 Self-Regulating Iron Saves Clothes and Electricity Will Not Overheat

This Iron is the result of years of testing and experimenting. It is self-regulating. No longer need you turn off the current or remove the plug when the iron gets too hot. This iron does it automatically. The instant the iron starts to overheat, a thermostat, built into the iron, turns the current off. When the iron starts to cool, the thermostat turns the current on again. Just keep ironing, the iron always remains at the proper heat. Heats to the very tip. Standard 6-pound size. Has cool, ebonized wood handle shaped to fit the hand. Beautifully finished in highly polished nickel. Complete with stand for use when not ironing, 6-foot cord detachable at iron and attaching plug. For 105 to 120 volt **alternating current only.** Any number of cycles.

63 C 1808.....$6.75

Postage, 22¢ extra



$4.85 Waage Four-Heat Iron The Correct Heat for Every Use

Has a range of four heats. High for large, damp pieces, moderate for average work and two low heats for fine materials. An improved type of iron for the woman who is particular about her ironing. Just move the plug and have the heat you desire. For any kind of ironing. Standard 6-pound size. Splendidly balanced. Finished in highly polished nickel. Correctly designed point gets into ruffles and frills easily. Will do the most difficult ironing with ease. Fitted with tip-back rest for use when not ironing. No stand or pad necessary. Ebonized wood handle, shaped to fit the hand, always stays cool. Complete with 6-foot connecting cord and attaching plug. Cord is well made of the best insulating materials. Tested and approved.

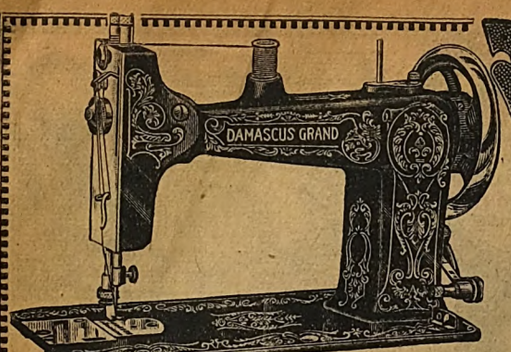
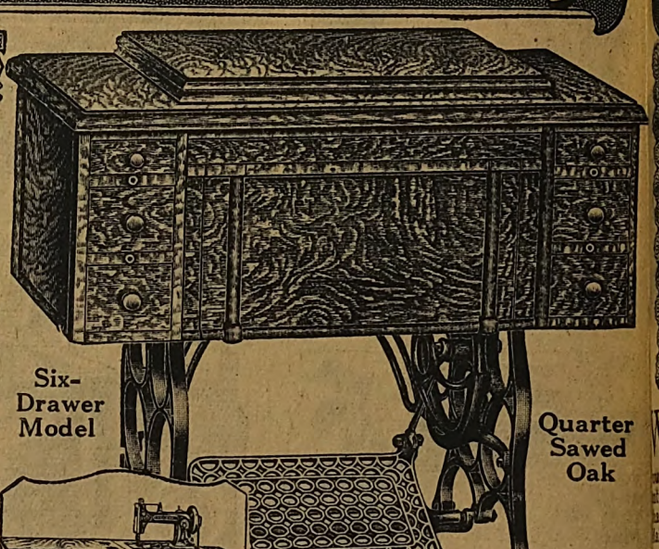
Damascus Grand Rotary



Sews One-Third Faster



Six-Drawer Model

Quarter Sawed Oak

THE rotary principle found in our Damascus Grand Rotary Sewing Machines is the finest type of sewing action that has ever been developed. It is the secret of the easy, quiet running, and the beautiful stitching that makes these machines so popular.

The rotary action is very simple. A single shaft revolves continuously in one direction. As the needle passes through the cloth, a small hook on this shaft catches the upper thread, carries it around the bobbin and completes the firm lock stitch. This simple action makes it possible for the Damascus to sew one-third faster than any cylinder shuttle machine.

Bobbin Race and Case

Showing Position of Bobbin Case and Foot

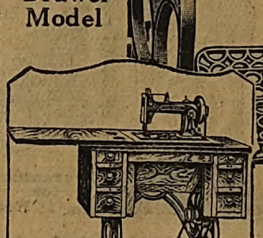
Damascus Automatic Tension Insures Perfect Stitching

You are always sure of perfect stitching with the Damascus. If you have ever struggled with the tension adjustment of other machines you will appreciate the wonderful convenience of the Damascus Automatic Tension. You can use any weight thread and you can sew on chiffon, silk or heavy overcoating. The Damascus tension automatically adjusts itself to produce a smooth, unbroken line of perfect stitching. The length of the stitch is adjusted by pushing a lever to the desired point on a plainly marked stitch gauge. No thumbscrew to bother with and the lever never works loose in the middle of a seam.

Stand Is Designed for Efficiency and Comfort

With the exception of the needle the whole machine is self threading. Two spool pins make it possible to rewind the bobbin without unthreading the machine. The automatic winder assures an evenly wound bobbin with no danger of breaking the thread.

The Damascus sewing stand is skillfully designed so you sit always in a correct, comfortable position. The extra large flywheel and ball bearings make the machine light and easy running.



Extra Quality Throughout Richly Grained Dark Oak

Usually, rotary sewing machines are higher in price because of their superior sewing action. For this Damascus model, however, our price is actually less then is asked for many ordinary machines. You get all the Damascus features without additional expense. It is fully guaranteed to give you complete satisfaction. The finely finished case is of richly grained quarter sawed oak, dark golden color, and highly polished.

The automatic lift brings the sewing head into position with a single easy movement, at the same time drawing the front panel up to give comfortable knee room for sewing. Has 18-inch measure imprinted on front of sewing table. Size, closed, 19 by 34 inches. A complete set of nickel plated Greist Attachments, twelve needles, six bobbins, thread cutter, screw driver, gauge, oil can (filled) and illustrated instruction book are included with each machine.

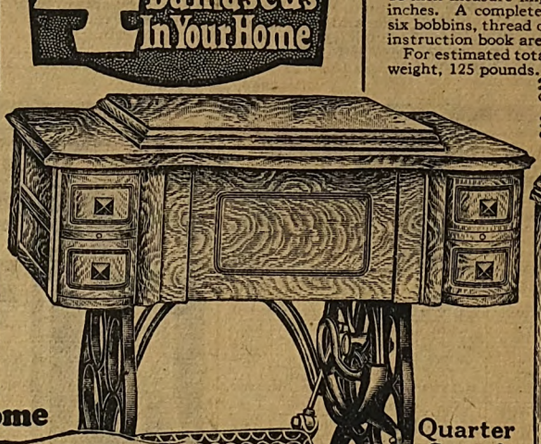
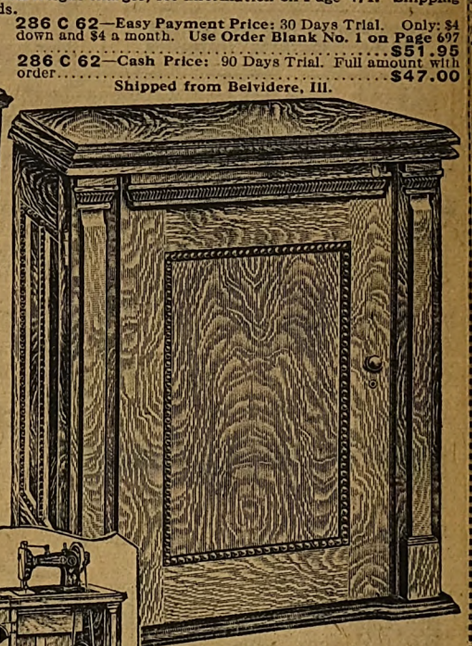
Genuine Mahogany

$4.00 Down Puts the Damascus In Your Home



Quarter Sawed Oak



Quarter Sawed Oak

Electric Damascus Model—Handsome Mahogany Console Case

$85.00 Cash Price

Of solid mahogany, designed in the beautiful Italian Renaissance style is this handsome cabinet. It is our finest electric sewing machine and one which we are justly proud to offer our customers at this low price. Comparison will show you that the usual price for cabinets of such unusual beauty and fine workmanship, equipped with an electric sewing machine of the high Damascus quality, is at least $135. Not only do we offer you this machine for just about half the usual price, but our Easy Payment Plan makes it possible for you to purchase it for only $4 down and $10 monthly. Guaranteed for 20 years against defects in material and workmanship.

Finest Material and Workmanship

Cabinet is built throughout of finest mahogany, with top and sides of five-ply veneer to insure its permanent fine appearance. Rich bands of embossing decorate the doors and upper edges. The legs are beautifully turned. Notice the substantial stretchers between the legs and the extra back leg which not only carry out the true Renaissance style but add solidity to the cabinet. Two front doors swing open allowing plenty of knee room; inside door has two pockets; small drawer and shelf inside cabinet for needles, attachments, etc. Equipped with our finest sewing head—the Damascus Grand Rotary, and a high grade electric motor. Size, closed, 28¼ by 18½ inches. Complete with control pedal and attaching plug. Also full set of nickel plated Greist Attachments and sewing accessories consisting of twelve needles, six bobbins, thread cutter, screw driver, gauge, oil can (filled) are included with complete illustrated instruction book. Look at the brass plate on your electric meter to learn the voltage and cycles and whether current is alternating or direct. **Be sure to state all three on your order. Read "How to Order" on Page 471.**

For estimated total freight charges, see information on Page 471. Shipping weight, 125 pounds.

An Unusual Value At a Low Price

A comparison with prices usually asked for Sewing Machines of this type will convince you of the exceptional value of this Damascus model. It has every Damascus feature to insure easy, swift sewing and is equally well suited for the use of the professional dressmaker and the home seamstress. Has our finest Damascus Grand Rotary Sewing Head, backed by our regular 20-year guarantee against defects of material or workmanship.

Convenient Automatic Headlift

The case is made of attractively grained, quarter sawed Golden Oak, highly polished. **The automatic headlift swings the sewing head into position as you raise the lid.** There is comfortable knee room for sewing and the high sewing arm gives a roomy sewing space. Convenient drawers hold sewing supplies and accessories. Has roomy treadle and well braced stand, correctly designed and just the right height to insure comfortable sewing position. Has 18-inch measure imprinted on front of sewing table. Size closed, 19 by 34 inches.

A complete set of nickel plated Greist Attachments, twelve needles, six bobbins, thread cutter, screw driver, gauge, oil can (filled) and illustrated instruction book are included with this machine.

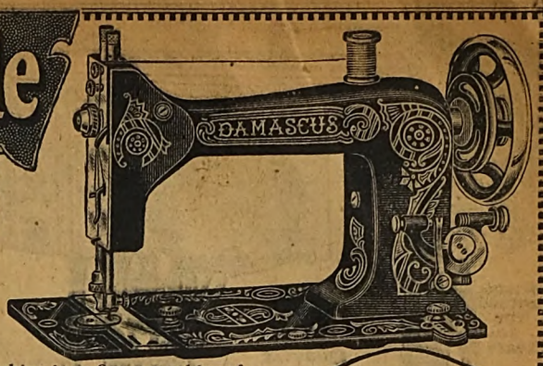
Damascus Vibrating Shuttle

Smooth Easy Action



Sewing Machine Guarantee

We guarantee that every Sewing Machine bought from Ward's has been accurately adjusted, carefully inspected and thoroughly tested with both silk and cotton thread. / We guarantee the materials and workmanship to be of the finest and will make good any defects that may develop due to faulty materials or workmanship during a period of 20 years from date of purchase. If, at any time during this 20 year period, it becomes necessary to send the machine to us for repairs on account of defects in workmanship or materials, we will put it in perfect condition without any cost to you.

WE guarantee that our Sewing Machines offered on these pages are as dependable in quality and will do as fine work as any sewing machine you can buy, regardless of price. Our 20-year guarantee accompanies every machine we sell. The fact that this guarantee is backed by the World's Oldest Mail Order House should mean a good deal to you.

Just About Half the Usual Price

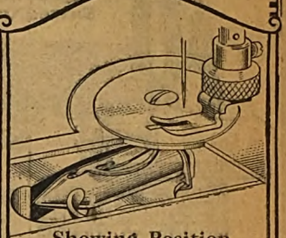
Because of their recognized superiority, sewing machines of the Damascus type usually sell for considerably more than others. The exceptional buying facilities of our organization, as well as the enormous number of these machines we sell every year, enables us to keep the price at a remarkably low figure. In fact, many of our customers tell us they would have to pay their local dealer more than twice the price we ask, for machines of the same type.

Our Liberal Trial Offer

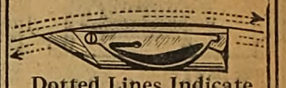
Nothing could be more liberal and convincing than our method of letting you try any Damascus Sewing Machine in your own home. Simply send only $4 with your order. We will ship any Damascus machine for your approval. Keep it four full weeks. Compare it with your neighbors' machines, or any other sewing machines you know of, for beauty, easy action, quality of work and for price. If you are not convinced that Damascus Sewing Machines offer you higher quality for the money, and better service than any other machine made, write us for shipping instructions. We will refund your $4 deposit and all transportation charges.

If you prefer to pay cash for your sewing machine, send the full purchase price with your order. Use the machine for 90 days—three full months. If you decide at the end of that time you do not want to keep the machine, we will refund the full purchase price and all transportation charges.

THE Damascus Vibrating Shuttle Sewing Machine is as fine a machine of its type as you can buy. It has many of the superior devices featured in the Grand Rotary, the main difference between this and the Damascus Grand Rotary being the type of sewing action and the shape of the shuttle. The Damascus Vibrating Shuttle machine has a large, nearly cylindrical shuttle enclosing a long bobbin. This shuttle travels back and forth, as the dotted lines in the small sketch indicate. The needle carrying the upper thread dips with each stitch, making a loop of thread through which the shuttle passes. The positive takeup draws the thread up snugly and forms a secure lock stitch. The shuttle is conveniently self threading and the shuttle carrier is adjusted to such smooth running that the machine operates with practically no vibration. It is simple and easy running and always does perfect stitching.



Showing Position of Shuttle and Sewing Foot



Dotted Lines Indicate Vibrating Action of Shuttle

Automatic Tension—Superior Adjustment

These machines are equipped with the Automatic Tension described on the opposite page. You need never give the tension a moment's thought; the automatic control adjusts the stitch perfectly to any weight thread or thickness of material. The stitching is always smooth and even. The improved presser foot holds any weight material smooth, while the positive feed carries the goods evenly under the needle.

The length of the stitch is easily adjusted by a convenient thumbscrew at the base of the sewing arm. A stitch gauge enables you to determine accurately just the size stitch you wish to use.

The ball bearing stand makes the machine easy running and is correctly designed for sewing comfort. You sit in a correct position and the extra high sewing arm provides ample working space to accommodate materials. A convenient measuring rule is imprinted on the front of the sewing table. The stand is equipped with easy rolling casters.

Read *this* Letter

"We purchased a Sewing Machine from you May 4, 1893, over 32 years ago. It is still in first class condition; looks well, runs smooth and easy. Sews perfectly in any fabric without dropping stitches. It has done all the sewing for the Schrock family all these years and we still have some of the original needles. I fully believe this machine would have cost twice as much from a local dealer."

Mrs. S. M. Schrock,
Shelbyville, Ill.
Printed with Mrs. Schrock's Permission

What You Can Do with Greist Attachments

With any sewing Machine you buy from Ward's, is included without charge, a full set of Nickel Plated Greist Attachments. With these simple devices you can make beautiful tucking, ruffles, braiding and all the other dainty finishings that one usually associates with professionally made clothes. And you will find them very easy to use. An illustrated instruction book tells you just how to use each attachment and describes the pretty things you can make. Set comes packed in a handsome case and includes: Ruffler, tucker, braider, five assorted hemmers, special foot, underbraider and shirring slide.

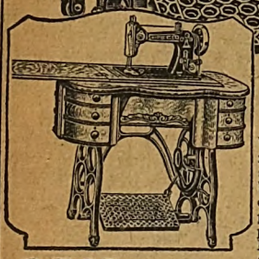
Windsor B Sewing Machines
Guaranteed Reliable



Windsor B Means Big Value

The 20-year guaranteed Windsor B head and the cabinet of richly grained quarter sawed oak make this one of the biggest sewing machine values ever offered. Especially appropriate is the cabinet design patterned after the famous Martha Washington sewing table. The rounded ends form six roomy drawers, while the same graceful lines are repeated in the slightly curved front drop. **Equipped with the automatic lifting device that brings the head into sewing position whenever the top lid is lifted.** An accurate 18-inch rule is imprinted on the front of the sewing table. Full set of nickel plated Greist Attachments is included with this machine; also twelve needles, six bobbins, thread cutter, screw driver, gauge, oil can (filled) and complete illustrated instruction book. Size closed, 18½ by 34 inches.

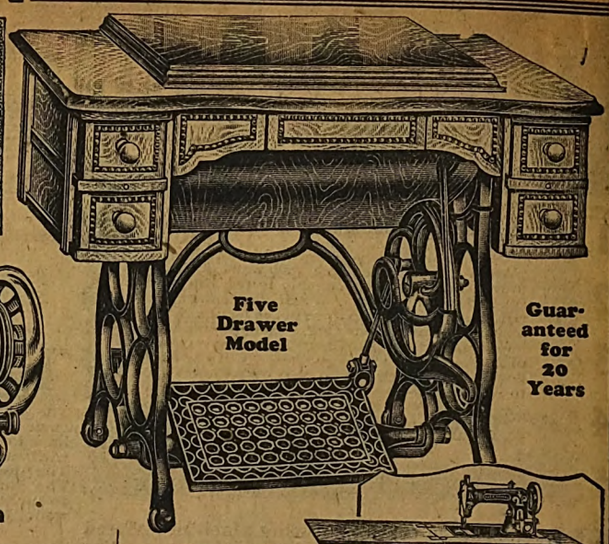
Windsor B Features

Their low price and good service more than justify the wide popularity of Windsor B Sewing Machines. They are always reliable, light running and easy to operate. They have the dependable vibrating cylinder shuttle. Positive feed and positive takeup insure even stitching. The improved disc tension is the same style found in many other well known machines. Automatic tension release prevents breaking thread when material is removed from presser foot. Stitch regulator is operated by handy thumbscrew in base of sewing arm. Automatic bobbin winder insures evenly wound bobbins. Windsor B sewing stands are ball bearing and arranged so you sit in a comfortable sewing position at all times. The extra high sewing arm provides ample space for handling materials when sewing. Windsor B Sewing Machines are sure to give good service and are backed by Ward's 20-year guarantee.

Our 20-Year Sewing Machine Guarantee

We guarantee that every Sewing Machine bought from Ward's has been accurately adjusted, carefully inspected and throughly tested with both silk and cotton thread. We guarantee the materials and workmanship to be of the finest and will make good any defects that may develop due to faulty materials or workmanship during a period of 20 years from date of purchase, absolutely without cost to you.

Satisfaction Guaranteed or Your Money Back



Reliable Windsor B At a Low Price

Compare this Windsor B with Sewing Machines usually sold at about the same price. You will find it superior in every way. The guaranteed sewing head has many special features and may be absolutely relied on for good service. The cabinet is substantially built throughout of solid oak, finished dark golden. The top lid is richly grained oak veneer; the drawers are decorated with embossed beading. The ball bearing stand is light running and enables you to sit in a comfortable position for sewing. An accurate 18-inch rule is imprinted on the front of the sewing table. Full set of nickel plated Greist Attachments is included; also 12 needles, 6 bobbins, thread cutter, screw driver, gauge, oil can (filled) and complete illustrated instruction book. Size closed, 18½ by 34 inches.

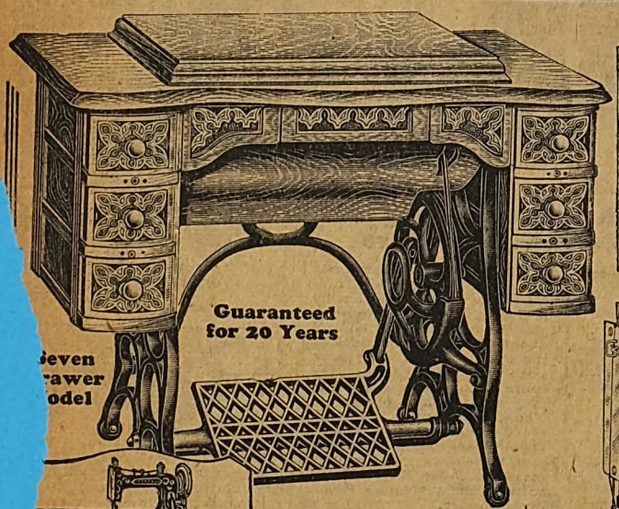
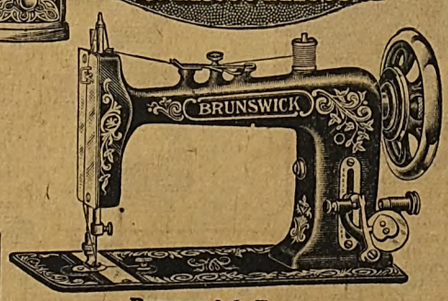
Brunswick Sewing Machines
Big Values at These Prices



Exceptional Value Choice of Cabinets

This Sewing Machine has become so popular with our customers that we are offering it in two models. The sewing head and general design are the same in both, but you may choose either the five or seven-drawer model, according to your space requirements. Built of solid oak, with the table and panels richly veneered. Finished throughout a rich golden color. The drawers and table front are attractively embossed. The front drawer in both models has special slots to hold bobbins. It also forms a convenient place for needles and other small accessories. With this machine is included a complete set of nickel plated Greist Attachments with instructions for their use; also twelve needles, six bobbins, thread cutter, screw driver, gauge, oil can (filled) and complete illustrated instruction book. Size closed, 18½ by 34 inches.

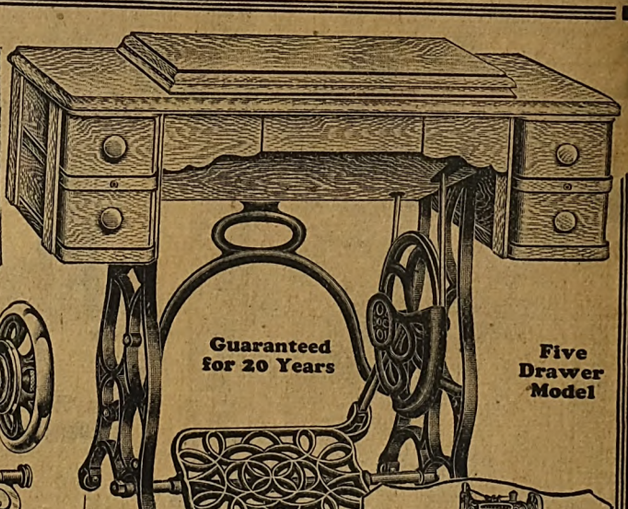
$28.95 Sold for Cash Only



Brunswick Features

The Brunswick Sewing Machines shown here are very exceptional values for the price. They can be depended on to take care of every sewing need for the average family and are an excellent choice if you want a reliable, low priced machine.

Mrs. S. O. Boardsmen of Middleton, Mich., writes that she has used her Brunswick for over 15 years and it is still in perfect order; does equally good work on fine silk and heavy stock canvas. All Brunswick Machines are backed by Ward's 20-year guarantee. They have the reliable vibrating shuttle sewing action with self threading cylinder shuttle. Tension control is at top of sewing arm; stitch regulator in base of sewing arm. Machine has positive feed and automatic bobbin winder. Presser foot holds goods firmly but must be adjusted for different weight materials. Stand has ball bearing drive wheel.



Our Lowest Priced Sewing Machine

Although exceptionally low in price, this machine carries our guaranteed Brunswick sewing head, described in detail at the left. The case is simple and substantially built of solid oak, finished bright golden. The stand is correctly designed to give you the greatest comfort in sewing. A comparison of this machine with others of similar types will convince you of the saving you make by buying from Ward's. And you are protected by our 20-Year Guarantee. A full set of nickel plated Greist Attachments is included with this machine; also twelve needles, six bobbins, thread cutter, screw driver, gauge, oil can (filled) and complete illustrated instruction book. Size closed, 18½ by 34 inches.

Letters From Our Customers Tell Us *How They Save*

Saved Over $4

"My last order to you amounted to $15.63. The same amount of Groceries would have cost me $20.42 here. So I saved $4.79 on just this one order.

"I like your groceries very much. And your service is wonderful. All orders are sent promptly, are well packed and reach me in good condition."

E. Brugman,
Des Moines, Ia.
Printed by Permission

Praises Quality

"The quality of your Groceries is excellent. Never in all our buying of groceries have we received such fine foods as we have from Ward's regardless of price.

"And I always make a saving by buying from you. I saved enough on one article to pay the entire freight charges."

S. Green,
North Creek, O.
Printed by Permission

Saves 50 Per Cent

"I received the order of groceries promptly. Everything was well packed and arrived in good shape.

"I think I saved about 50 per cent on my order for I am sure it would have cost me that much more elsewhere. Your Triangle Club and Thornward brands of canned foods are the best I have ever used." A. Martin,
Minier, Ill.
Printed by Permission

Prompt Shipments

"Allow me to thank you for the prompt shipment of goods and for the fine quality of same. Believe me, you will get my orders, for the Groceries gave unlimited satisfaction.

"I have never seen finer buckwheat flour, rice, cornmeal and coffee." W. Nelson,
Fordland, Mo.
Printed by Permission

Satisfaction

"It is both profitable and pleasant to trade at Ward's. Your groceries, as all your other lines, are entirely satisfactory, and the savings on many articles range from 10 to 75 per cent.

"My recollection of Ward's dates back more than 50 years and in that long time you have always served the people honestly and well."

R. Criswell,
Traer, Ia.
Printed by Permission

Saves on Coffee

"I know by experience that I save money by buying our Groceries from Ward's. Sometimes we save enough on Golden Ray Coffee to pay the express charges on the entire order. On my last order, I saved $7.58.

"All the foods we get from Ward's are of the highest quality."

C. Weimer,
Wabash, Ind.

No Better Pianos Made At These Low Prices

Easy Monthly Payments

THE superiority of the Windsor Piano over any other piano or player piano at this price, is that we build into our Windsor Pianos those quality features usually found only in instruments selling for from $50 to $100 more.

Strength is a necessary feature in a good piano, for it must stand the terrific pull of the piano strings and constant vibration.

These Are Windsor Quality Features

Six sturdy back posts form a firm, unyielding support for the sounding board, making it free from vibration, which often affects the tone. Sounding board of finest, seasoned spruce which because of its special manufacture improves with age, so the tone of a Windsor becomes richer and more beautiful with the years.

The tuning pins, which carry the strain of the strings are driven through spruce bushings into a solid pin block built of cross banded rock maple. Pins can never slip or sag, and endanger the tone of a Windsor. Full metal plate cast in a single piece.

Easy, responsive piano action—the same as used in the highest priced pianos—withdraws the hammer from the string almost instantly so notes struck in rapid succession produce clear, perfect tones. Strings are finest, tempered steel. Treble and middle registers have three strings carefully tuned. Bass strings are copper wound to produce full, pleasing tones.

Windsor case is solidly constructed of kiln dried seasoned hardwood, cross grained and glued under heavy pressure so it will never warp, shrink or split. Then it is veneered with Mahogany, Walnut or Oak, carefully selected for beauty of figure and color. Coat after coat of rubbed down varnish and a rich hand rubbed polish give it a wondrously lustrous, mirrorlike finish.

Every Windsor Piano is absolutely guaranteed for 25 years. A signed guarantee accompanies each instrument. You also have Ward's sterling pledge of Satisfaction Guaranteed or Your Money Back.

Try Any Windsor Piano for 30 Days in Your Home FREE—Pay for It on Easy Convenient Terms

The only satisfactory way to select a Piano is to hear it and play upon it. We let you use any Windsor in your home for 30 Days FREE trial. Simply fill in our Easy Payment Order Blank No. 1 on Page 697 and enclose $10 for down payment. You don't even need to pay the freight. We prepay it. And if you keep the piano, you pay it back.

At the end of the 30 Days FREE trial, send us the amount of the freight we have prepaid for you. Thirty days later make your first small monthly payment. If you are not satisfied with the piano, write us for shipping instructions. We will return what you paid.

Windsor Player Piano

You will save at least $50 on this Windsor Player Piano. Instruments of such tone and beauty seldom sell for less than $450. The player mechanism is easily operated: plays any standard rolls. Levers control time and tone; automatic tracking device insures perfect playing; transposing device changes key of any music. Handsome case is double veneered with Genuine Mahogany, Walnut or Oak, hand rubbed to a mirrorlike French polish. Strong piano hinges and pedals are solid brass. Height, 54 inches; width, 62 inches; depth, 27½ inches. For estimated total freight charges, see information at bottom of page. Shipping weight, 835 pounds.

Our Finest Player Piano

Tone is the true test of piano quality. The clear, fine, full tone of the first note you strike on this splendid Player will tell you that it is an instrument far above the average for its price. Special care in selection of materials, and details of construction produces a player which compares favorably with those selling for $75 to $100 more.

The Perfect Reproducing Player

Every member of the family will use and enjoy this Player Piano. Its perfectly balanced pedals make it exceptionally easy to play; expression levers are simple, easy to operate and convenient to reach; automatic tracking device keeps roll running true over tracker bar; transposing device to change key for singing. Player mechanism is the simplest, most modern type; plays any standard rolls; all tubes are fiber covered metal.

The handsome, graceful case is built up, layer on layer. It can not warp and endanger the tone of your Windsor. Veneered with Genuine Burl Walnut, figured Mahogany or Oak, hand rubbed to a perfect French polish. New Empire top does away with the disfiguring top hinge. Strong piano hinges and pedals are solid brass; keys are genuine ivory. Height, 54½ inches; length, 60½ inches; depth, 28 inches. For estimated total freight charges, see information below. Shipping weight, 880 pounds.

Lowest Prices for Pure Tone Violins

Ideal Violin Outfit for Beginners

Violin
Bow
Case
Strings
Rosin
Instruction Book
Chart

The beginner should have a good Violin, but it need not be an expensive one. This is designed especially for first lessons. It is light, but strongly made with clear, sweet tone surprising in an instrument at this price. We can sell this student outfit at this price because we buy them by the thousands, direct from the makers.

Everything the Beginner Needs

It is an exact copy of the Stradivarius. Back and sides are of maple; front of straight grained, seasoned spruce. Tailpiece, fingerboard and pegs are ebonized. Bow is of flexible Brazil wood with ebonized frog trimmed with German silver. This outfit includes everything the beginner needs—sturdy cardboard case, set of student strings, rosin, fingerboard chart and instruction book.

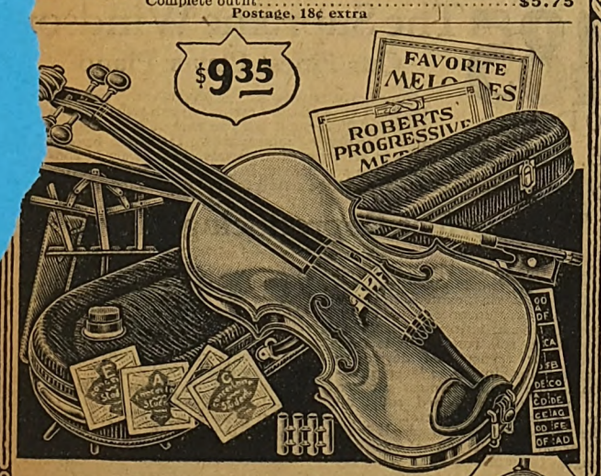
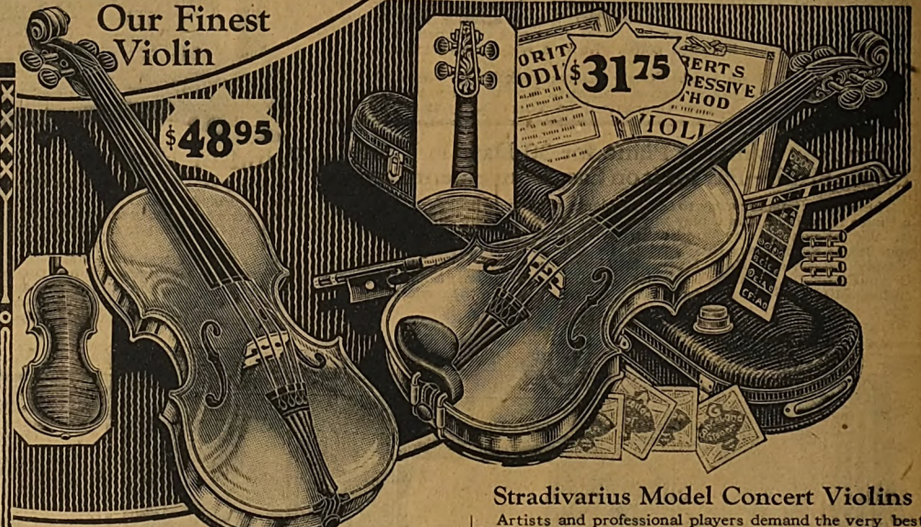
Postage, 18¢ extra



Celebrated Stradivarius Model

An exact copy of a genuine Stradivarius, for years the violin most favored by musicians. Back and sides are of maple; front is of even grained spruce, all thoroughly seasoned and finished deep, ruddy brown, shading to amber. Tailpiece, fingerboard and pegs are ebonized. Bow is of polished Brazil wood, with leatherette grip and ebonized frog, pearl trimmed. Musician's complete outfit includes imitation leather case, felt lined; set of imported gut strings; instruction book; chin rest; tuner; rosin; fingerboard chart; music stand and music stand bag.

51 C 706—Complete outfit.....**$9.35**
Postage, 28¢ extra



The Masterpiece is our finest Violin. It is made throughout by hand of carefully chosen thoroughly seasoned woods. Faultless workmanship and perfect design give it the full, powerful tone that a professional musician demands.

A Wonderful Hand Made Violin

Front is made of fine, straight grained spruce with a highly polished oil finish. Two-piece back, sides, neck and scroll are of grained maple, perfectly matched and beautifully figured. Tailpiece, fingerboard and pegs are genuine ebony. A beautiful violin with full, rich satisfying tone, designed for the professional player. Complete with imported gut strings.

51 C 734 .....**$48.95**
Postage, 16¢ extra

Stradivarius Model Concert Violins

Artists and professional players demand the very best Violins that can be made, and this is designed to meet their needs. It is made especially for us by the skilled violin makers of Markneukirchen, Germany, and our price is just half what you would pay for such an instrument if you bought it elsewhere.

Stradivarius Model—Concertone

It is an accurate copy of the famous Stradivarius; faultless workmanship and care in selecting the finest woods give it a full, beautiful concert tone. Top is of seasoned spruce; back, sides, neck and hand carved scroll are of flamed maple, in deep brown, shading to rich amber. Fingerboard, fluted tailpiece and pegs are genuine ebony. Professional outfit includes Brazil wood bow, imitation velvet lined, leather case, finest German gut strings, tuner, chart, instruction book and book of selections.

Best Reproductions of the Old Masters

The Violin you buy from Ward's will cost you about a half or a third what you must pay elsewhere for an instrument of the same quality. Our buyers go in person to the most skillful violin makers of Europe; and by buying direct in such huge quantities, we can give you these remarkably low prices on violins of unusual beauty of tone and finish.

Each one is a true reproduction of the finest violins ever designed. All are made of well seasoned woods. In the higher priced models you get the benefit of extreme care in the choice of fine old woods, greater skill in construction. You can expect more at Ward's, in the volume, brilliance of tone and beauty of construction of your violin.

Stradivarius Model

Full toned and beautifully finished, Stradivarius Model Violin for concert or orchestra playing. Made of finest seasoned woods, perfectly matched and polished. Front is spruce; back, sides and neck are maple, finished deep, reddish brown. Tailpiece, fingerboard and pegs are ebony. Outfit includes: Fine Brazil wood box, pearl trimmed ebony frog; imitation black leather case, lined with velvet; set of German strings; instruction book; book of selections; chin rest; rosin; tuner, and fingerboard chart.

Learn to Play Hawaiian Music

That haunting Hawaiian music which sounds difficult, is really very easy to play. The Hawaiian Guitar is like any other guitar in general construction, and is played practically the same. The weird, wailing effect of Hawaiian music is produced by a steel bar which you slide along the strings when playing.

$5.50

6-String Hawaiian Guitar

Body is of solid birch; neck is hardwood. The entire instrument is finished a rich walnut brown, rubbed to a satiny polish. Fingerboard is ebonized with inlaid position dots. Top edge and soundhole have narrow border of inlaid mahogany and white holly. The outfit includes instruction book; set of picks; steel bar and an extension nut.

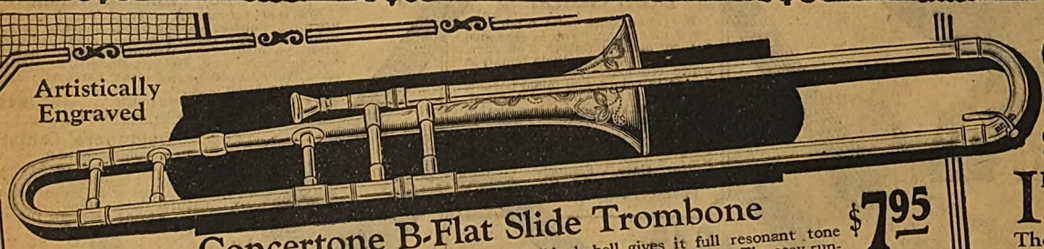
High Quality Band Instruments

Artistically Engraved



Concertone B-Flat Slide Trombone

$7.95

This is the greatest Trombone value we have ever offered our customers. Knowing that the trombone is one of the most popular instruments in band or orchestra, our buyer, while in Europe, purchased such a large quantity of these instruments that we can sell them at this remarkably low price. No details have been overlooked in making this an instrument of unusual tone excellence, considering its low price.

It is made of the finest brass, and offered in three finishes—polished brass, polished nickel, and silver plated with gold plated bell. Bell is artistically engraved. Perfectly balanced and easy to play. Medium bore with 7-inch bell gives it full resonant tone suitable for band or orchestra. The easy running slide is fitted with nickel silver stocking, airtight and long wearing. Overlapping sleeve at upper end prevents splashing. Built in low pitch, B-flat. German silver mouthpiece, music lyre and instruction book included.

Compare the Quality and Price See What You Save

IN nearly every community and in almost every organization of men or boys, there is enough musical talent to organize a good Brass Band. There is no more popular organization in any city than its brass band. It is a necessary part of the life of every community. A big obstacle to forming such organizations has been the cost of the necessary instruments. Realizing this, our musical instrument department decided to bring within the reach of all such organizations, quality Brass Band Instruments at prices fully one-fourth less than dealers usually ask. This was possible because we buy direct and sell direct and take but one small profit. We buy for seven great stores, serving millions of people. The average dealer, selling a few instruments each year, can not possibly offer you such low prices.

Made from Our Own Specifications

But we were not content with only the saving that our large purchases would make possible. So we sent buyers over to the great musical instrument centers of Europe, where the very best instruments are made. We provided specifications for the instruments most popular in the leading American brass bands. Then we placed orders for tremendous quantities. The saving we made is astonishing; and it explains why we can sell you band instruments of a quality we are exceedingly proud to recommend and guarantee, at prices from one-quarter to one-half below what dealers must ask you.

Every Concertone Instrument Is Fully Guaranteed

When you buy a Concertone Band Instrument you are protected by Ward's well known guarantee that you must be thoroughly satisfied with your instrument or your money will be refunded.

Plating Takes Ten Days

Your instruments will reach you clean and bright. We do all our plating and polishing after your order is received. This requires about ten days.

Beauty Features of Concertones

Every Concertone Band Instrument is beautifully finished and engraved with an artistic design. Each valve is tipped with an inlaid button of pearl.

Organize a Band—Let Ward's Save You Money on Your Instruments

Get the musicians of your community together and organize a Band. A band is always in demand, and it is well paid for its services. Our price for a complete band outfit is one-quarter to one-half less than the total cost if each member bought his instrument separately from a dealer.

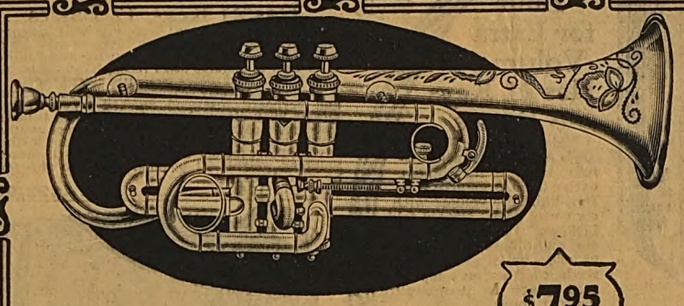
"I have played several makes of European cornets, but I prefer your Leader Concertone Cornet to any other. The tone is beautifully clear and brilliant, and it is so easy to play. You are right in claiming it is the best instrument on the market for the price."

Henry Johnson,
Columbus, Ind.

Printed with Mr. Johnson's Permission

This is just one of the thousands of letters from pleased customers, telling their satisfaction with Ward's Concertone Instruments.



$7.95

Our Leader
Concertone Cornet

B-Flat Cornet—Long Model

To secure the finest Cornet that could be sold for $7.95 our buyer went to the foremost manufacturer of band instruments in Europe and had this instrument made according to our specifications.

You will say it is a wonderfully fine cornet for this low price. It is graceful in proportion and has a rich, full and even tone. Made in bright brass, polished nickel or silver plated finishes. Tubes are properly drawn to medium bore, which makes it easy to blow. Valves are ground smooth and true; and are easy, noiseless and unfailing in action. Finger buttons are pearl and bell is engraved. Built in B-Flat low pitch with quick change to A. Mouthpiece, music lyre and instruction book included. Length, 17⅜ inches. Diameter of bell, 4⅛ inches.

Professionals Who Demand the Best Use and Endorse Concertone Instruments

It is our aim to produce Band Instruments which will meet, and satisfy the rigid demands of the professional musician. Concertone Professional models are being used and highly praised by skilled musicians throughout the country, and they well deserve this praise.

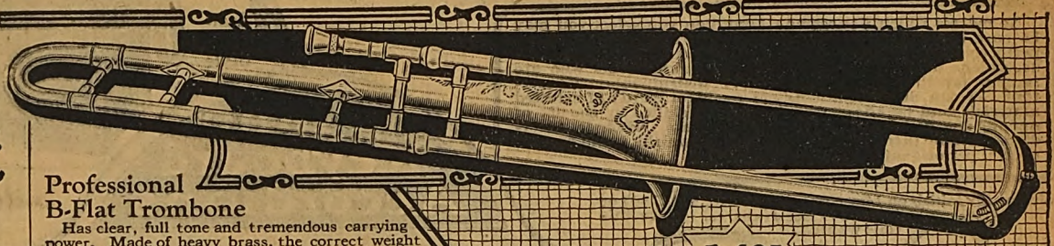
They embody the latest and most scientific development in band instrument design. Every instrument is made from the finest, flawless brass, of the correct gauge to produce a full, clear tone. It is finished throughout not alone for beauty but for endurance as well.

Correctly Designed for Perfect Tone

Concertone Professional Cornets and Trumpets have the boxed valves of the short, light type, which insures easy, faultless action.

The bore is carefully tapered and proportioned to give sweet, full tone and long carrying power. The bells are heavy and will not "blast" or "crack" the tone under the hardest usage.

Every Concertone Instrument, regardless of price, is carefully designed for perfect balance, easy playing, rich full tone, and the lasting satisfactory service which the musician expects from a good instrument.



$14.95

Professional B-Flat Trombone

J. L. MITCHELL, Manager Music Department.

THE final test of a good instrument is its TONE. The tone quality depends entirely upon the materials used and the care and skill with which the maker has worked.

No matter how perfect the design of a violin or piano or brass instrument, if the maker chooses inferior wood or metal or if he shapes it improperly or joins it badly, the tone of his instrument can not fail to be flat and unmusical.

It is a point of pride with us that every instrument we sell is fine through and through. We entrust their manufacture only to makers who are known the world over for the tone excellence of their instruments. We set rigid standards for quality of materials and workmanship and we accept only the best.

When an instrument is shown in our Catalogue you can be sure it has passed our test for tone excellence.

It is deceiving to try to judge the quality of Ward's instruments by comparing our prices with those of other music houses. Remember, we are buying direct from the makers, in the huge quantities necessary to supply millions of customers. Our prices as a rule are twenty-five to fifty per cent lower than you will pay elsewhere for instruments of the same quality.

J. L. Mitchell

The regular price for Grey Gull Records is 55¢ each. So you can see what a bargain this is—three of these fine records for only 85¢; less than 29¢ each. Ward's is the only store offering Grey Gull Records at this low price. All records are 10-inch unless otherwise stated.

Cecilian Phonographs With Compartment for Your Radio Set

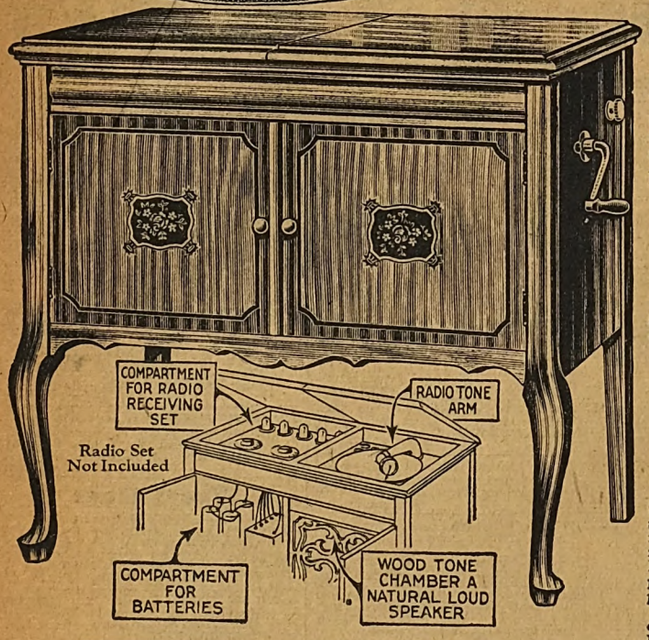
Special Radio Tone Arm Without Extra Charge

EVERY Cecilian Phonograph shown on this page is equipped with the new Cecilian Radio Tone Arm, which permits you to attach almost any radio loud speaker unit to your phonograph and utilize its superior tone chamber as your loud speaker.

In addition, we have provided space in each of these cabinets for the installation of a complete radio receiving set. No radio equipment is included, as most people prefer to select their own. By purchasing one of these Cecilian phonographs and having your favorite radio set built into it, you will be able to enjoy all the convenience and utility of both instruments in one handsome cabinet. In the upright cabinets it is necessary to take out some of the removable record shelves, providing ample space for the radio.

New Radio Tone Arm

This shows opening at side of Tone Arm, where any standard radio loud speaker unit can be connected. This enables you to use your Cecilian tone chamber as the loud speaker for your radio.



Cecilian Console with Separate Radio Compartment

Cecilian—a Quality Phonograph

The widespread popularity of the Cecilian is due to its fine appearance, excellent construction and beauty of tone. It reproduces the human voice or any musical instrument with a natural quality that makes you forget you are listening to a phonograph.

Plays Every Disc Record

This perfection is the result of untiring experiments which have developed the best design in reproducer and tone chamber. The Cecilian Tone Chamber is built of seasoned woods and is scientifically shaped to bring out the volume and tone quality most pleasing to hear. The Cecilian tone arm and reproducer faithfully reproduce the finest shades of voice or instrument.

The Cecilian reproducer is adjustable and will play all makes of disc records.

Ward's Guarantee

Every Cecilian Phonograph is fully guaranteed. Unless you are thoroughly satisfied with the instrument, its appearance and your saving, your money will be refunded.

Tudor Model Phonograph with Space for Radio Set

Nothing you could buy for your home will bring more lasting satisfaction than our beautiful Tudor Console Phonograph. This is the newest and most popular development of the phonograph—a cabinet in which phonograph and radio may be combined. The top compartment is divided in the center; on one side is the Cecilian phonograph and record cabinet; on the other side a wood panel, 11 by 16½ inches, upon which to build a radio receiving set. We also list below a bakelite panel to fit this cabinet. Tone chamber in the center may be used as loud speaker. Ample space is provided for batteries. Radio tone arm can be connected to any radio loud speaking unit and adjusted to radio or phonograph as you desire. Cabinet is beautifully veneered in figured Mahogany or Walnut. Has all Cecilian quality features; dependable double spring motor; adjustable reproducer which plays all disc records; new Radio tone arm and Cecilian all wood tone chamber.

Assortment of needles and five 10-inch double face records—ten selections—included. Select records from Pages 484 and 485. Height, 34 inches; width 35 inches; depth, 21 inches.

Cecilian Phonographs

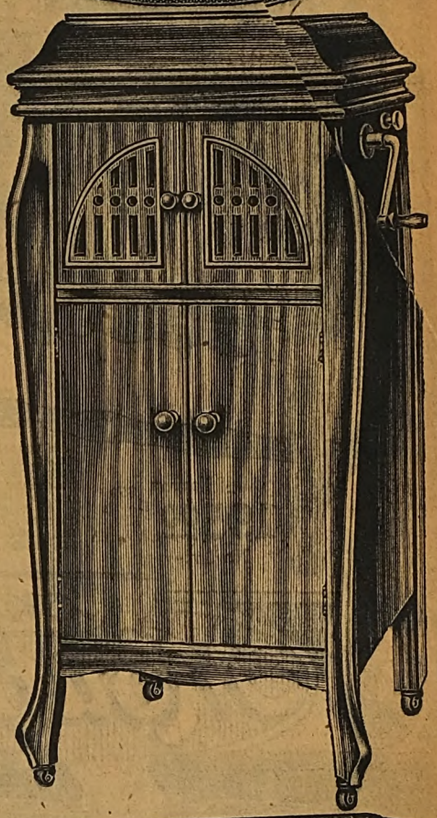
The secret of Cecilian tone quality is the all wood tone chamber, scientifically constructed of seasoned spruce. When a radio set is combined with the Cecilian phonograph, this tone chamber makes a perfect loud speaker.

THE Cecilian Phonograph is its own best salesman. Once you have heard its sweet, mellow tone, its perfect reproduction of the human voice or any musical instrument, you will realize that the Cecilian ranks easily with the highest priced phonographs.

We have spent years in perfecting this fine instrument. We have built and rebuilt its tone chamber until now tone and volume are flawless. We have found the most perfect type of tone arm and reproducer, the finest, most dependable motor. We have designed the most graceful and artistic cabinets, so that every Cecilian is at once a wonderful musical instrument and a beautiful piece of furniture.

And now we offer the Supreme Cecilian, a phonograph without a rival at its price. You might pay $25 to $50 more for an instrument, and yet not have half the satisfaction, the pleasure or the pride you will derive from your Cecilian.

And our easy payment terms, our generous free trial offer, make it possible for every home to own and enjoy the finest in musical instruments—the Cecilian.



Try It in Your Home for 30 Days

Choose the Cecilian Phonograph you like best. Send the small down payment stated in the description, and try the phonograph in your home for 30 days. This trial costs you nothing. At the end of 30 days if you are not thoroughly satisfied with its quality and your saving, write us for shipping instructions. We will refund your deposit and all transportation charges you have paid.

Pay for It on Ward's Easy Terms

Only five dollars brings a Cecilian Phonograph into your home. Small payments a month make it yours. Send the cash down payment with your order. At the end of 30 days send first monthly payment. This Cecilian Phonograph will be paid for almost before you realize it.

This Cecilian Phonograph Has No Rivals at Its Price

An outstanding value. A sweet toned Cecilian Phonograph in the Queen Anne style—the most popular model yet produced, and at a price which makes a Cecilian possible for every home. The handsome cabinet is made from seasoned hardwood, with top, panels and doors genuine Mahogany or Walnut and Quartered Oak veneers, rubbed to a rich finish. Our popular two-door style makes it very attractive.

Designed to Combine with Radio

The Queen Anne Console Phonograph is specially designed to be combined with a radio receiving set. The top compartment is divided in the center; on one side is the Cecilian phonograph; on the other side a wood panel 11 by 16½ inches, upon which a radio set may be built. Tone chamber with tone modulator device is in the center with compartments on either side for batteries or record albums. The Cecilian Radio tone arm is quickly adjusted for radio or phonograph. This instrument has all the Cecilian refinements of our highest priced instruments. It is driven by a strong double spring motor, absolutely noiseless and even running. The adjustable reproducer plays all disc records perfectly.

Assortment of needles and five 10-inch double-faced records—ten selections—included. Select records from Pages 484 and 485.

For estimated total freight charges, see information above. Shipping weight, 125 pounds.

663 C 586—Mahogany.. $195.00
663 C 587—Walnut..... 195.00

The Cecilian Phonograph

The handsome Console Cabinet is in Tudor style, veneered in beautifully figured walnut or mahogany, finished in the new two-tone effect. Hand rubbed finish. Top of the radio compartment opens on balanced hinges, bringing the radio panel into position.

Ward's Cecilian is known as one of the sweetest toned Phonographs made. The powerful double spring motor is silent and even running, and has a special governor and expression control. Only one winding necessary for several records. Adjustable reproducer plays all records.

It is equipped with the new Radio tone arm, which has an opening in the side to which the radio loud speaker unit is attached. It requires but a moment to make this connection when you wish to use the radio set. The Cecilian specially designed tone chamber makes a perfect loud speaker for the radio set.

We include five 10-inch double faced records, ten selections—which you may select from Pages 484 and 485, an assortment of needles and an instruction book.

Ward's Super Airline 5-Tube Radio Set and Cecilian Phonograph Combined in a Tudor Console Cabinet $195.00

Even those who can afford to buy both instruments separately, will appreciate the many advantages of the Combined Radio Receiving Set and Cecilian Phonograph. It takes just one-half the space of the two separate instruments. The beautiful console cabinet conceals all wires, batteries and accessories, including the built in Loud Speaker.

For those who desire quality instruments in keeping with their furnishings, this combination set will prove most satisfying both in appearance and in service.

Ward's price for this combination is far below the total cost if you bought them separately.

The Super Airline Radio Set

The Super Airline is a very selective five-tube three-dial control Radio Receiving Set. It will give you excellent results in any locality, bringing in distant stations clear and loud. Because all batteries and wires are concealed from view, it does not give your home that disorderly appearance found around so many other radio sets. All three dials read alike for a given station. Record the dial settings. If you again wish to hear the same station, turn them to the recorded numbers; and if the station is broadcasting, you will hear it. The tone chamber of the Cecilian phonograph is used as a loud speaker. The set is complete—there is nothing extra to buy. Equipment included consists of Airline 6-volt 90-ampere hour storage "A" battery, 90-volt Airline "B" battery, five C-301A or UV-201A tubes, head phones, and complete parts for an efficient antenna.

Shipped from Cincinnati in 15 to 30 days

Strong Fireproof Safes

$35.85

The walls of our Safes are made of one continuous heavy steel plate, electrically welded to heavy steel front and back. This gives remarkable strength as well as attractive appearance. Front doors are massive and strong. Heavy hinges with nickeled tips. Secure bolts and tenon and groove arrangement will hold the door securely, even if hinges were knocked off.

Non-pickable Yale combination lock on door practically does away with the danger of any one not knowing the combination from gaining entrance.

A special cement filling between the walls makes them solid and fireproof. We put your name on safe in gold letters without charge when so ordered. This usually causes a slight delay, but shipment is made at the earliest possible moment. For estimated total freight charges, see information above.

Now is the Time to Buy Your Radio Set

Satisfied with the Airline

"We are satisfied that we have the best Radio Receiving Set made, and we made a real saving by buying from Ward's. The lonesomeness of the farm is gone. Radio is a Godsend and should be in every home."
Chris. Eisenlohr,
Motley, Minn.
Printed with Mr. Eisenlohr's Permission

TO BE without Radio NOW is depriving yourself and family of the benefits of the most wonderful discoveries that science has given to mankind. Anyone anywhere can enjoy radio without fee or license, and without any great expense for equipment. It requires no particular knowledge or skill. Radio brings into even the most isolated homes a wealth of information, instruction and entertainment that no other invention has made possible.

Radio has been highly perfected. A good Radio Receiving Set, bought from a reputable maker, is as safe an investment today as an automobile. The principle and design of the present day radio receiving set is well established. Millions of dollars have been invested in broadcasting stations, designed especially to work with present day radio equipment. Present day radio receiving sets will be standard for many years to come.

Saved $50 at Ward's

"The Airline Radio Receiving Set that I purchased from Ward's has given the best of service. Stations from Oakland, Calif., to Springfield, Mass., are brought in loud and clear. The set would have cost me $50 more if purchased here."
R. W. Sullivan,
Hillsdale, Kan.

Free Service

Our Experts Will Help You Gladly-Any Time

C. J. MANNING
Manager Radio Service Department.

ANY time you want to ask any questions about radio, just write us a letter, address it to "Radio Department" and send it to whichever of our seven big stores is nearest you. We have radio experts at each place and will be very glad to help you and you will receive a prompt reply. We want you to feel free to write us whenever and as often as you please. You do not have to be the owner of an Airline set to get this service; it is free to all.

Sometimes a little advice, which our radio experts will cheerfully give at any time, may save you a lot of trouble. Do not hesitate to ask us any questions you wish. With every radio set we give an instruction book which explains every detail of the installation and operation. Our sets are especially designed to be easy to install and operate. No knowledge of radio or mechanical ability is necessary. Ward's Airline Receiving Sets will give you service as reliable, complete and satisfactory as any set you can buy at any price. They will cover distance as great, give as much volume, clearness and selectivity and look as attractive in your home as most of the sets selling for double Ward's prices. Ward's radio equipment is the reliable kind of merchandise you can expect from a company that has successfully practiced the Golden Rule in business for over 53 years.

C. J. MANNING.

How to Select the Airline Set Best Suited to Your Needs

Airline Radio Sets are of two general kinds: those that operate from storage batteries and Those using dry cells. Where a choice between two kinds is possible and you are buying a set using more than one tube, it pays to buy a storage battery set, as it gives the most consistent good service. Where no facilities are at hand for charging a storage battery, dry cell sets can be used and will give splendid results. So far as clearness and distance are concerned, the results are about equal to those with storage battery sets. The storage battery outfits, however, give more volume and steadier service. Even if you have no electricity in your home, you can usually have a storage battery charged at a garage or automobile service station when necessary at small expense.

If you live in the country or a small town and there is no big broadcasting station close by to interfere, you can get splendid results and cover great distances with any of our Airline Radio Sets. If you live close to a big broadcasting station, say within 15 or 20 miles, you will need a very selective set, such as our Airline Conqueror or Airline Explorer. These sets are made to tune through interference and bring in the stations you want to hear, even when the nearby station is broadcasting. All Airline sets are so adjusted that you find the same stations at the same dial setting always. The following outline describes our different sets briefly, giving the characteristics of each.

Four Guaranteed Sets to Choose from All Fully Described in This Catalogue

Airline Junior. Uses one tube and head phones with dry cell equipment only. Covers great distances and gives good volume on stations up to 500 miles distant. Under favorable conditions, stations at much greater distances will be heard very clearly. A fine set to begin with and a favorite in thousands of homes. It is very easy to operate, can be used as a portable set and is sold at a low price. Same stations will always be found at the same dial setting on this set. See Page 494 for particulars.

New Airline De Luxe. Uses 3 tubes. Furnished with either dry cell or storage battery equipment. This set was especially designed by us for use on farms and in small towns, where there is no serions interference from nearby broadcasting stations. Gives remarkably fine tone and great volume. We do not know of any radio set better adapted for use in country homes. They are simple to operate and stations are always found at the same dial setting. With this set, under favorable conditions, you should hear all of the big broadcasting stations in the country, many on the loud speaker. See Pages 492 and 493.

Airline Explorer. Uses 5 tubes and storage battery. Not adapted for dry cell use. This set is very selective and will give remarkable results anywhere. Gives clear tone and great volume. All 3 dials take about the same setting and the same station will always be found at the same dial setting. See Page 491.

Airline Conqueror. Our finest 5-tube set with the new simplified single dial control. This set is the easiest to operate, the most selective and in every way the finest radio set we can sell you. Furnished with either storage battery or dry cell equipment. No matter where you live this set will give you all the results you could expect from any set you could buy. You will find this beautiful set fully described and pictured in colors on the back cover of this catalogue.

This Guarantee Given With Every Airline Set

Airline Radio Sets Are Sold On 30 Days Trial

Radio equipment which gives satisfactory service over a 30-day trial will continue to do so indefinitely. Ward's liberal radio guarantee gives you an opportunity to try any of Ward's Airline Receiving Sets in your own home for 30 days.

Airline Radio Set Guarantee

WE guarantee every Airline Radio Receiving Set to cover distances as great, give as much volume, clearness and selectivity, and give service as reliable and satisfactory as any similar radio set you can buy, regardless of price. We allow you 30 days in which to thoroughly test the set and decide if it is satisfactory. If within that period you decide you are not perfectly satisfied, write us for shipping instructions, and we will refund all you have paid, including transportation charges.

Satisfaction Guaranteed or Your Money Back

Radio Benefits

What Radio Brings Into Your Home

What You Can Hear

8:45 A.M. Car lot shipments and the receipts of stock and grain last 24 hours with early live stock and grain quotations.
9:45 A.M. The weather forecast. Butter and egg market.
10:45 A.M. Latest market quotations. On Sundays the sermons from various churches.
12:30 P.M. The weather forecast repeated. Market quotations.
1:45 P.M. Markets and the weather forecast repeated.
3:00 P.M. Music and good lectures. Butter, egg, poultry and cream markets. Club work for girls.
3:30 P.M. Musical entertainment.
6:00 P.M. Dinner music. News and market bulletins.
6:45 P.M. Bedtime stories.
8:00 P.M. to 1:00 A.M. Lectures, speeches, grand opera, news bulletins, band music, orchestras, plays, etc.

THE Radio Program given above is a example of what you can hear over th radio almost any day. Clean, wholesome e tertainment and important information now broadcast daily from over 500 powerf broadcasting stations. With an Airline R ceiving Set you can listen to this whenev you like, no matter where you live. You ca select the program that suits you best. Fu thermore, with these sets, it is only necessa to remember the dial setting if you want hear the same station the next day or at an time in the future.

Think of being able to tune in the late stock and grain quotations every mornin Imagine the thrill of hearing the voice of t President of the United States, or the roar racing motor cars on a big speedway; baseball and football games, play by pla direct from the field.

With Airline sets you can hear these an many more interesting things as clearly though they were in your room. On Su days, when the weather prevents you fro going to church, you can tune in the sermo you like best from one of the big ci churches. In winter, when the nights a long, you and your family can enjoy orch tras, bands, singers, speakers, and even who operas and comedies broadcast direct fro the big theaters.

For those who are crippled or ill, rad opens up a new world of information an entertainment. Wm. M. Jardine, Secretary Agriculture, says: "The importance of rad on the farm can not be exaggerated. The far er's receiving set is a most convenient an efficient means of promptly acquiring info mation regarding the weather, crop con tions, market news and innumerable facts value in his work, as well as a source of e tertainment."

Long Distance 5-Tube Set "Airline Explorer"

Greatest Radio Value Offered Anywhere

Very Selective—Easy to Tune

LONG DISTANCE, extreme selectivity, astounding volume and bell-like clear tone, combined with remarkable tuning ease and exceptionally attractive appearance—all at such an amazingly low price make the Airline Explorer an outstanding radio value. Never before has a radio set combining all these features been offered at such a low price. By careful design, improved construction and the correct use of the best radio principles, we have produced a receiver that is a true musical instrument and a most dependable performer. Only at Ward's can you get such a Guaranteed quality radio set at prices so low.

The Best 3-Dial Control Set We Could Build

We have spent months planning these attractive models for you. We have searched the radio market to find all the latest worthwhile radio improvements. Judge for yourself—try the Airline Explorer in your home for 30 days. Compare its appearance, tone quality, selectivity, volume and price. Compare its ability to get distance and its wonderful tuning ease with that of other sets costing twice as much. If it is not equal to or better than any other radio set of this type, regardless of price, you may return it and all the money you have paid, including transportation charges, both ways, will be refunded to you.

Walnut Finish Cabinet Built In Speaker

The Airline Explorer is mounted in a good looking walnut finished cabinet, size 29 by 12 by 10 inches high. Space is provided in cabinet for "B" batteries. All wire connections are made at back of cabinet eliminating entirely the disorderly appearance about so many other radio sets. The Airline Guaranteed Loud Speaker is mounted behind a handsomely designed grill backed by a golden colored silk screen. Neatly engraved tuning dials are mounted on a highly polished grained walnut finish panel with an attractive design etched in silver gray around edge.

Easy to Install No Experience Needed

No mechanical or electrical experience is needed to install the Airline Explorer. No soldered connections to be made—the only tools you need are a screw driver and a pair of pliers. Simply read and follow the simple complete directions included with each set. All battery wires are connected to the set before shipping—all you do is attach the plainly marked wires to properly designated batteries, erect your antenna, insert the tubes, turn the dials and immediately begin enjoying radio reception. The entire installation can easily be made in an hour by an inexperienced person.

Set Only $76.50 Without Table With All Equipment

Read this Letter

"We received the Airline Radio set at 4:30 and at 6:00 o'clock we were receiving from KDKA. The easiest set to install and operate I ever saw. We had an Airline De Luxe for a year but we wanted a 5-tube set."

Mr. Leon S. Peabody, Muskegon Heights, Mich.

Printed by Permission.

Loud Speaker Model and Radio Table Complete with All Equipment No Extras to Buy $91.00

Features Found Only in the Airline Explorer

Extreme Selectivity

The Airline Explorer is an unusually selective set. It allows you to select the program you want without interference from other broadcasting stations. You can cut through nearby high powered stations and bring in programs clear and loud from great distances. Because of this the Airline Explorer gives exceptionally good results in large cities where several broadcasting stations are operating at one time. On the farm or in the small town this means added volume, greater distance and easier tuning.

The Easiest Set to Operate—All Broadcasting Stations Already Recorded for You

With this set you get a list of all broadcasting stations, showing the wavelengths on which they broadcast. Also a chart showing the actual dial settings required to "tune in" on each wavelength. Suppose for example, you read in your local paper that at 8 o'clock a certain station will broadcast on a 400-meter wavelength. Simply turn to your chart, notice the dial settings required to "tune in" this wavelength. Then at 8 o'clock set your dials accordingly. The station will come in clear and strong. All tuning has already been done for you. No set could be easier to operate than the Airline Explorer.

Travel Over the Country with an Airline Explorer

Radio and atmospheric conditions permitting, the Airline Explorer can be depended upon to receive programs from broadcasting stations in all parts of the United States and Canada. Most of these will be heard on the loud speaker, others on the head phones.

Full, Clear and Mellow Tone

Selectivity, easy tuning and long distance mean absolutely nothing without clear tone. The true test of any radio set is in its ability to reproduce the programs exactly as they are broadcast. All that the radio world knows about "lifelike reproduction" is embodied in this receiving set. We can not give you better tone value.

Fine appearance means nothing without tone quality—to please the eye is easy. But only tone—full, clear and mellow—can please the ear. Let your ear be the judge. Try this radio set in your home for 30 days. See opposite page for our liberal 30-day trial offer.

Size of Table, 36 Inches Long by 30 Inches High by 16 Inches Wide

The Convenient Radio Table

To further increase the beauty and utility of the Airline Explorer we have combined it with our finest radio console table. The table is finished to match the set, in beautifully grained Walnut. Table open at back. Plenty of space provided to hold storage "A" battery, battery charger, etc. The end panels and the handy drawer are finished in the popular two-tone effect. The bowed center provides plenty of leg and knee room when tuning. Attractively turned legs in a pleasing design help make this combination more than a radio set—it is a handsome piece of furniture you will be proud to own.

Airline Explorer with Built-in Loud Speaker

163 C 179—Set only. No Table. With Tubes, Batteries, Head Phones and Antenna equipment. Shipping weight, 150 pounds..... **$76.50**

163 C 186—Airline Explorer Console Model without equipment for use with your own tubes, batteries and antenna equipment. With built-in loud speaker. Shipping weight, 100 pounds..... **$87.50**

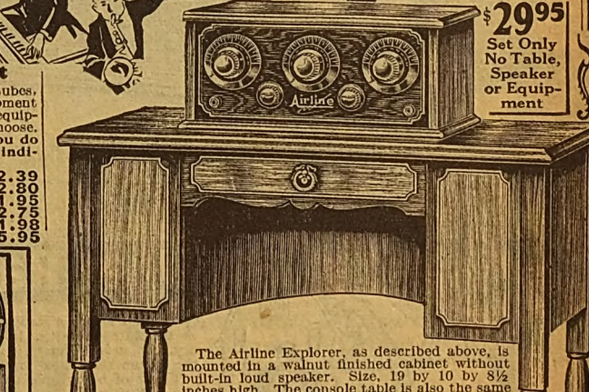
Special Notice To Those Who Already Have Some Radio Equipment

So that you may use your present tubes, batteries, head phones, or antenna equipment we allow you to deduct the price of such equipment from the price of any set you may choose. State in your order the equipment you do not want and subtract amounts as indicated below.

For each tube, deduct	$ 2.39
For each "B" battery, deduct	1.80
For storage "A" battery, deduct	1.95
For antenna equipment, deduct	2.75
For head phones, deduct	1.98
For separate loud speaker, deduct	5.95

Complete Equipment Included

The equipment included with the Airline Explorer is illustrated above. It consists of Airline 6-volt 90-ampere hour storage "A" battery, two Jumbo Airline 45-volt "B" batteries, five Cunningham or Radiotron tubes, and Airline Special head phone. Also antenna equipment consisting of 100 feet copper antenna wire, 50 feet lead-in wire, new style lead-in, 25 feet flexible connecting wire, lightning arrester, insulators and lead-in connector screws. The instruction book contains tuning chart and tells you how to operate and install your set.



The Airline Explorer

$88.35 Complete with Table, Loud Speaker and Equipment

$29.95 Set Only No Table, Speaker or Equipment

The Airline Explorer, as described above, is mounted in a walnut finished cabinet without built-in loud speaker. Size, 19 by 10 by 8½ inches high. The console table is also the same as furnished with the loud speaker model shown above. Small shelf in back holds loud speaker. Complete equipment includes Airline loud speaker shown on page 497.

New Airline De Luxe

Our Best 3-Tube Radio Set Built Especially For the Farmer

Very Easy to Operate
Stations Already Recorded

WITH this Radio Receiving Set you get a list of all broadcasting stations showing the wavelengths on which they broadcast. There is also a chart showing the actual dial settings required to tune in on each wavelength. Suppose, for instance, you read in your local paper that a certain station will broadcast at 8 o'clock on a 400-meter wavelength. Simply turn to your chart and notice the dial settings required to tune in this wavelength. Then at 8 o'clock set your dials accordingly. The station will come in clear and strong. All tuning has already been done for you. No radio set could be easier to operate than the Airline De Luxe.

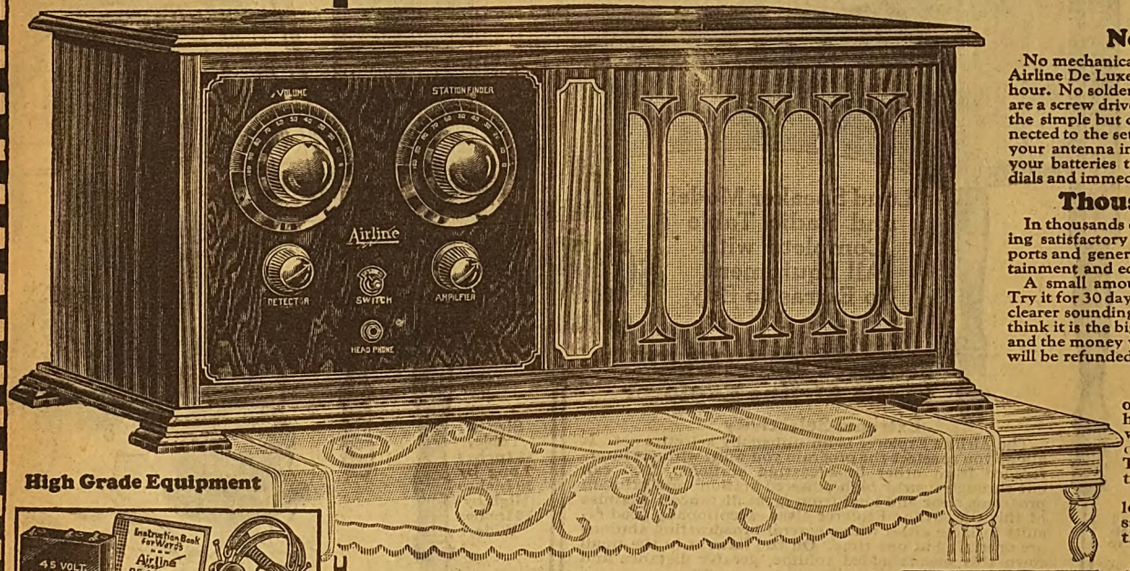
$72.00 Cash Price

Complete with All Equipment

Nothing Extra to Buy

EVERY farm home needs a Radio Receiving Set. This improved Airline De Luxe, which now contains the latest development of the radio industry, is a regenerative, non-interfering set combining great distance, volume, tone quality, simplicity of installation and tuning, and handsome appearance with low price and small operating cost. It is the most selective 3-tube radio set you can buy. Will give very good results during the daytime for reception of market and weather reports and covers extremely long distances at night.

It is made to give exceptional results when used where large broadcasting stations are many miles away, and where ability to get distance and volume is especially important. Under these conditions it will give results equal to the larger and much more expensive sets used in cities like Chicago and New York.



Easy to Install
No Experience Needed

No mechanical or electrical experience is needed to install the Airline De Luxe. The entire installation can be made in about an hour. No soldered connections to make—the only tools you need are a screw driver and a pair of pliers. Simply read and follow the simple but complete directions. All battery wires are connected to the set before you receive it—all you have to do is erect your antenna in some convenient and proper location, attach your batteries to plainly marked wires, insert the tubes, turn the dials and immediately you are enjoying radio programs.

Thousands of Satisfied Users

In thousands of farm homes the Airline De Luxe is now giving satisfactory daily service—bringing market and weather reports and general news bulletins during the daytime and entertainment and educational features in the evening.

A small amount with your order puts this set in your home. Try it for 30 days. If it is not more satisfactory, better looking and clearer sounding than any radio set you ever heard, if you do not think it is the biggest 3-tube radio value ever offered, return it and the money you have paid, including transportation charges will be refunded.

Beautiful Walnut Finish Cabinets

The De Luxe set is mounted in a beautiful ornamental Walnut finished cabinet which holds all dry cells and "B" batteries. All wire connections are made through the back of the cabinet—no wires or loose ends show. These features eliminate entirely that untidy appearance of so many other radio sets.

The particular model shown at the upper left has a built in Airline Loud Speaker of the same guaranteed construction and design as the Airline Loud Speakers shown on Page 497.

High Grade Equipment

The above illustration shows batteries, tubes, headphones and instruction book supplied with all models of the Airline De Luxe.

Nothing Extra to Buy

The equipment included with the Airline De Luxe consists of three Radiotron or Cunningham tubes; 6-volt 90-ampere hour storage battery or four dry cells; 90 volts of Airline "B" battery and Airline Special head phones. Also parts for erecting an efficient antenna as described on page 493 and complete instruction book. The set is complete with all equipment ready to install.

Attractive Control Panel

The control panel is finished in polished grained walnut with attractive silver gray etched lettering and pleasing design around edge. The two large highly polished dials are neatly engraved in white enamel. Knobs are also highly polished with indicating arrow engraved in white enamel. The loud speaker is mounted behind a pleasingly designed grille, backed with a golden colored silk screen. Size of cabinet, 25½ inches long by 12 inches high by 12 inches deep.

Technical Description

Airline De Luxe is a non-radiating, low loss three-circuit tuner with an adjustable aperiodic primary. Spider web inductances. Licensed under Armstrong Pate nt No. 1,113,149 for Amateur and Experimental use only.

Complete **$69.00** Cash Price

Without Built In Loud Speaker

The Airline De Luxe shown at the left is exactly the same as the set shown above except it does not have the built in loud speaker. If you buy this set complete with equipment, we furnish the Airline Junior Loud Speaker on Page 497. If you have your own loud speaker, or prefer to choose some other than The Airline Junior, deduct for speaker as shown below. This set is also mounted in a serviceable walnut cabinet of great beauty. Has attractive two-tone panels at each end. Storage battery cabinet has space in it for the "B" batteries and in the dry cell model both "A" and "B" batteries may be contained. All wire connections are made through the back of the set; no wires or loose ends exposed. Size of cabinet, 12 inches high by 12 inches deep by 25½ inches long.

Use Easy Payment Order Blank No. 1 See Page 697

Storage Battery Equipment Recommended

We recommend, whenever possible, the use of storage battery equipment, as storage battery tubes are slightly more reliable and sometimes give greater distance and more volume. Storage batteries are easily charged at home with a Battery Charger such as we show on Page 496 or any battery service station will charge your battery at small cost.

163 C 160—Storage Battery Type Set with tubes, batteries, head phones and antenna equipment. Ship. wt., 165 lbs. **Cash Price $79.00**

For each "B" battery deduct $2.50
For each dry cell "A" battery deduct ..... 33¢
For storage "A" battery deduct $1.98
For antenna equipment deduct $2.75
For head phones deduct $1.98
For loud speaker deduct $5.95

What Radio Means to the Farmer

"The market is going down, boys; better not ship that wheat."

TO the Farmer a Radio Receiving Set is an absolute necessity. In no sense is it a luxury. As an investment it will EARN more for the farmer than most anything else he can buy.

Think of being able to tune in at various times during the day and get market quotations on live stock, grain, hay, butter, eggs, poultry, vegetables and other farm products. Think of having daily information regarding shipments and receipts. Think of being advised by agricultural broadcasting stations when to hold, when to sell. Think of getting daily weather forecasts enabling you to plan your farm work, protect your crops against frosts and wind storms, keep stock near home when bad weather is expected. Think of the stock and crops that can be saved by having advance information about disease and pests and advice on how to combat them.

Count the many benefits you will derive from listening to lectures and discussions from leading agricultural colleges about farmers' problems.

Let us give you some definite examples of how radio information is right now serving farmers:

The U. S. Department of Commerce states that $10,000 worth of crops were recently saved in one small section of Illinois by giving farmers advance notice of a cold wave.

In Wisconsin station WLBL, operated by the State Deparment of marketing, recently broadcasted the news that there is a short cabbage crop and suggested that listeners hold their cabbage for a better price. Station WLBL reports that they know of a case—only one of many—where a farmer who had a radio set and who, therefore was acquainted with the recent development in the cabbage market, got $800 more for a crop of equal size than did his neighbor who had no radio set.

Clifford Farmer, a farmer of Greene County, Missouri, in the May issue of Successful Farming tells of a neighbor who made $200 extra by following broadcast radio advice and holding his carload of cattle three days longer than the intended loading day. Another neighbor of Mr. Farmer's says that he saved $30,000 worth of apples two years ago when he heard through his radio that a cold wave was coming and got out his smudge pots and saved his crop.

Station WCCO at Minneapolis has, among others, a letter reading as follows: "We listened to your radio broadcasting market reports for two weeks and then by following your suggestion sold our hay at the top of the market making about $250 more than some of our neighbors who did not have a radio set."

These are only a few examples. Similar occurrences happen every day all over the country. We repeat, that considered solely from a business standpoint the purchase of a Guaranteed Airline Radio Set is the best investment a farmer can make.

For business, pleasure, education, profit—you need a Guaranteed Airline Radio Set.

It Is Easy to Order from Ward's. See Page 329

Beautiful Airline Furniture Models

$15.00 Down and $17.50 A Month

Practical - Convenient - Ornamental

ALL Airline Radio Receiving Sets are enclosed in ornamental cabinets that add much to the appearance of the home. This is particularly so with these beautiful Airline furniture models. All batteries are contained in special compartments within the cabinets. All wire connections are made at the back where they do not show. There is nothing to detract from their fine appearance. Not only useful, but extremely ornamental as well.

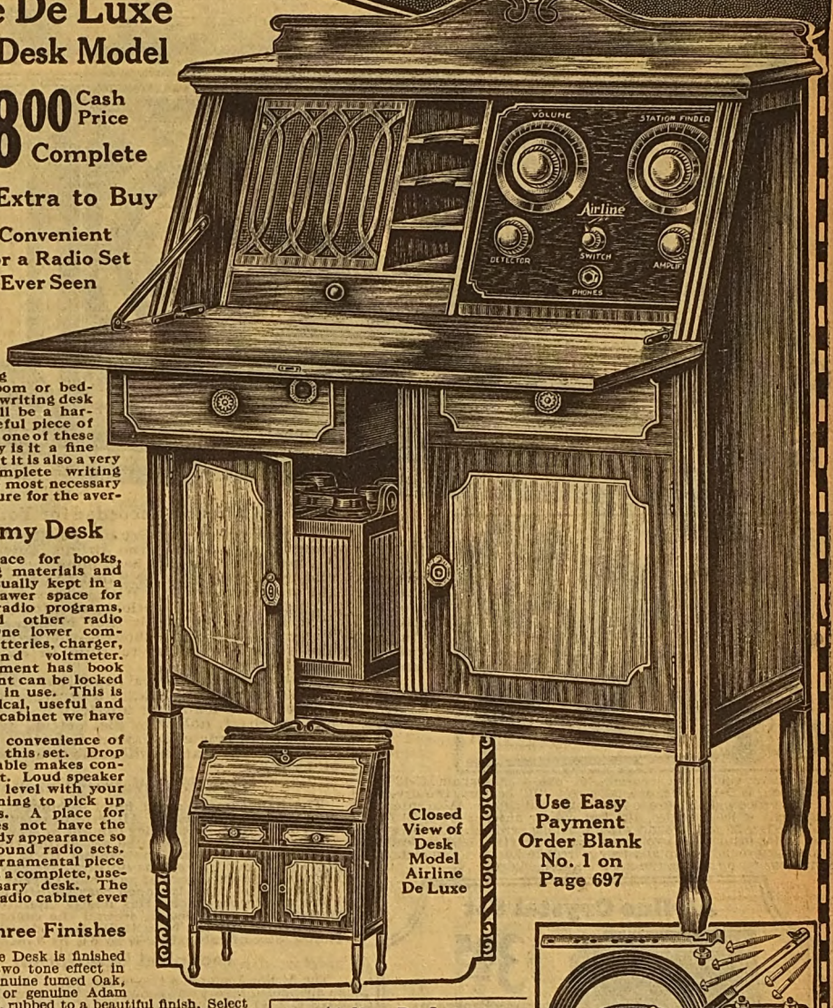
Airline De Luxe Writing Desk Model

$128.00 Cash Price Complete

Nothing Extra to Buy

The Most Convenient Mounting for a Radio Set We Have Ever Seen



Radio Receiving Sets are usually installed in either the living room, dining room or bedroom. Here is a writing desk cabinet that will be a harmonious and useful piece of furniture in any one of these rooms. Not only is it a fine radio cabinet but it is also a very useful and complete writing desk, one of the most necessary pieces of furniture for the average home.

Big, Roomy Desk

Plenty of space for books, records, writing materials and other things usually kept in a desk. Also drawer space for head phones, radio programs, magazines and other radio equipment. One lower compartment for batteries, charger, hydrometer and voltmeter. Other compartment has book shelf. Drop front can be locked when set is not in use. This is the most practical, useful and complete radio cabinet we have ever seen.

Think of the convenience of tuning in with this set. Drop front writing table makes convenient arm rest. Loud speaker is built in on a level with your ears. No straining to pick up distant stations. A place for everything—does not have the disorderly, untidy appearance so often found around radio sets. It is also a fine ornamental piece of furniture and a complete, useful and necessary desk. The most practical radio cabinet ever designed.

Our Finest 5-Tube Set Shown in Colors on the Back Cover of This Catalogue

The Airline Conqueror

Our finest Radio Receiving Set. Five tubes and only one dial to tune. It is described and illustrated in colors on the back cover of this catalogue. The model shown here is mounted in the most beautifully finished console cabinet that we could build. It is an exceptionally fine piece of furniture and a very handsome and convenient mounting for the radio set. You may purchase this set on Easy Payments; and, like all Ward's other radio sets, try it in your own home for 30 days.

Airline Radio — What the Airline Trade-Mark Means to You

High Quality, Guaranteed Performance

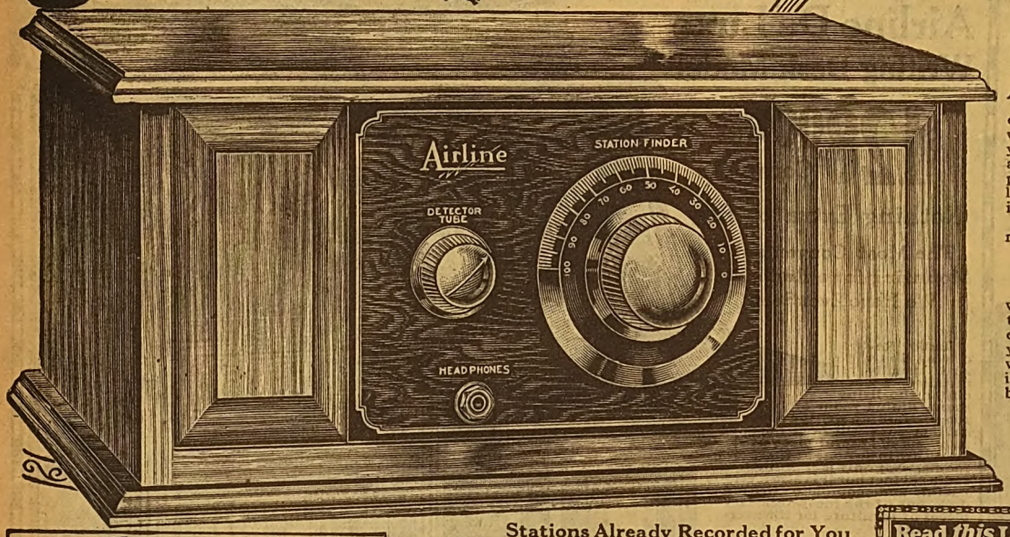
THE Airline Trade Mark is your guarantee of absolute radio satisfaction. It is placed only on radio sets and parts that have passed the most rigid laboratory tests—apparatus that has proved by actual performance, to be of the high standard of quality set for all Ward's merchandies. In building radio sets we have profited by the results of years of research and experimenting.

The correctly designed sets and parts we offer you embody only those principles accepted by radio experts as standard. In selecting a radio set from Ward's you are sure of getting one that will remain standard in principle. Novelties which mean only added cost without increased efficiency have no place on Ward's radio sets. It is safest and best to buy your radio set or equipment from an old, reliable concern that has a reputation for square dealing and good, dependable merchandise.

Our unusual 30-Day Trial Offer protects you and is evidence of our confidence in the high quality of Ward's radio sets and equipment. The Airline trade mark on radio merchandise means finer appearance, better performance, and greater all around radio satisfaction than you can purchase elsewhere at any price.

Airline 1-Tube Single Dial Control Junior Set

$19.95 Complete With All Equipment Nothing Extra to Buy



A LONG DISTANCE one-tube Airline Radio Receiving Set that wi give excellent results. It combines handsome appearance, natur tone, low price and small operating cost with extreme simplicit of tuning. Only ONE dial to tune. As all batteries are containe within the cabinet it makes an ideal set for portable use. Take it wit you on your auto or camping trip. It can be set up quickly. Jus attach the antenna wire to a nearby tree, connect the ground wire to pump or run it into a lake or stream, plug in the head phones an listen in. A splendid gift, and an exceptionally fine set for shut-ins o invalids.

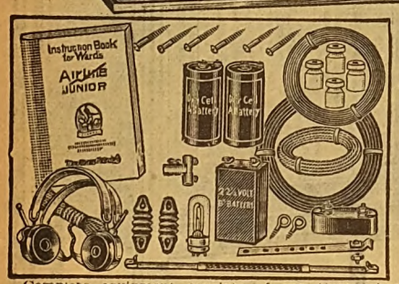
Radio and atmospheric conditions permitting the Airline Junior wi receive from stations up to 1,000 miles distant.

Anyone Can Install It—No Experience Needed

We include with all Airline radio sets complete instructions plainl worded so anyone can understand them. In about an hour's time wit the aid of only a screw driver and a pair of pliers, you can complete th entire installation. The battery wires are all connected to the set, whe you receive it—all you need do is erect the antenna, connect the batter wires to the plainly marked batteries, and insert the tube. Then plu in the headphones and turn the Station Finder. You will immediatel begin enjoying programs. So easy that anyone can do it.

Programs Clear and Loud on Head Phones

If you do not feel that you can afford one of the larger Airline Radi Sets, there is no need to miss the benefits and pleasures of radio The Airline Junior will bring them to you, no matter where you liv It requires the use of head phones and we include one se of Airline Special head phones, but two or more pairs ma be used at the same time if desired. The programs ar heard about as loudly as you hear your neighbor's voic over the telephone. If, later you wish to use a lou speaker, you may add the Airline Amplifier shown below



All Equipment You Need Is Included with the Airline Junior. Nothing Extra to Buy

Complete equipment consists of one Cunningham C-12 or Radiotron WD-12 tube, one 22½-volt "B" battery, two dry-cell "A" batteries and high grade 2000-ohm head phones. Also antenna equipment which includes, 100 feet copper antenna wire, 50 feet lead in wire, 25 feet ground wire, lightning arrester with screws, two aerial insulators, two screw eyes, new style lead in, lead in connector ground clamp and four porcelain knobs. Complete instructions for operating the set are also included.

Stations Already Recorded for You

No Radio Receiving Set can possibly be easier to operate than the Airline Junior. All tuning has already been done for you and by turning only ONE dial you select the station you wish. With every set we include a list of all stations, showing the wave lengths on which they broadcast. There is also a chart showing the actual dial settings required to tune in each wave-length.

If you see in your local paper that a certain station will broadcast a program at 8 o'clock on a 400-meter wavelength, refer to your chart, note the dial setting required for 400 meters, set your dial at that point and the station will come in strong and clear.

Beautiful Walnut Cabinet

The handsome Walnut finish cabinet is designed to hold ALL the batteries. All wire connections made at back of cabinet, where they can not be seen.

This is the only one-tube set having this handsome ornamental cabinet. The cabinet itself is a very fine piece of furniture and, as no wires are exposed, the set adds to the appearance of any room in your home.

The control panel is sloped back slightly giving a more attractive appearance. Has neatly engraved dials and etched silver gray design around the edges—a pleasing contrast against the beautifully grained walnut finished panel. Size of cabinet, 15⅜ by 8⅜ by 8 inches high.

Technical Description

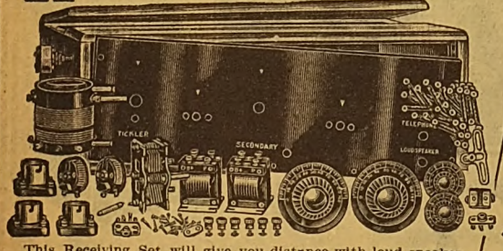
Quality Kits for Those Who Enjoy Building Radio Sets

BUILDING your own Radio Sets is great fun and splendid radio instruction. The most popular types of unassembled Airline sets are shown here. We have made their assembly so easy that anyone can do it in a few hours' time. We have done all the hard work for you—there is absolutely no soldering to do and no holes to drill. The only tools you need are a screw driver and a pair of pliers. The wires are all cut to the proper lengths and are fitted with connectors to go under the binding posts. All you have to do is mount the instruments on the already drilled panel, connect the wires as shown in the instruction book and slip the panel into the cabinet. The set is then ready to operate. No previous radio experience is required.

$21.95 3-Tube Three-Circuit Tuner



This Receiving Set will give you distance with loud speaker volume and good selectivity. It is a combination of both the Amplifier and the one-tube three-circuit tuner shown at the right. Radio engineers claim this circuit can not be excelled for general reliability and dependable volume.

What the Complete Kit Includes

The complete parts consist of three bakelite base, metal shell sockets; one 10-ohm and one 20-ohm rheostat; two 2-inch rheostat dials; one Airline 23-plate low loss variable condenser one Airline three circuit tuner; two 3-inch tuning dials; two Airline unshielded amplifying transformers; grid leak and grid condenser; one double and one single circuit jack; 6 binding posts; necessary wires cut to length and fitted with connectors; one single hole condenser adapter; one battery switch; necessary wood screws; one 7 by 18 hard rubber panel already drilled; one baseboard and an attractive Adam Brown mahogany finished cabinet, size 7 by 18 inches. Ward's price is far below that usually asked for this quality. Shipping weight, 25 pounds.

363 C 256—Complete unassembled, three-tube, three-circuit Tuner Kit. For use with your own tubes, batteries, loud speaker and antenna..... **$21.95**

$11.65

Two-Stage Audio Frequency Amplifier

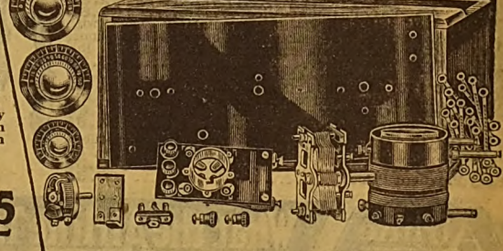
This two-tube two-stage Amplifier can be added to the one-tube set at the right or to any other one-tube set to make it into a 3-tube set and give it loud speaker volume. The high grade parts used insure a maximum of pure, sweet and natural tone and big volume, even on distant stations. Like Ward's other unassembled sets it can be put together by any one in a short time. Our low price saves you at least one-third on these high grade parts.

What the Set Includes

The complete parts consist of two Airline unshielded Audio Frequency amplifying transformers; one double socket with five binding posts already mounted; one 20-ohm rheostat; one 2-inch rheostat dial; two input binding posts; one open circuit jack; all necessary wires, cut to length and fitted with connectors; one 6 by 10½-inch hard rubber panel with holes already drilled and a handsome 6 by 10½-inch cabinet handsomely finished in Adam Brown. Shipping weight, 15 pounds.

363 C 255—Complete unassembled Amplifier Kit. For use with your own tubes, batteries and loud speaker..... **$11.65**

One-Tube Three-Circuit Tuner $9.95



A splendid head phone Receiving Set that will give excellent results. It is the ideal set for the beginner in radio construction and any boy will appreciate it as a gift. The three-circuit construction makes it quite selective and the set brings in stations at great distances with remarkable clearness. All the hard work has been done—all holes drilled and wires cut to proper lengths and fitted with connectors; no soldering. Anyone can put it together in a very short time.

What the Complete Kit Includes

Complete parts consist of one Airline three-circuit tuner; one Airline 23 plate low loss variable condenser; one panel mounting socket unit with three binding posts already mounted; one 20-ohm rheostat; one 2-inch rheostat dial; two 3-inch tuning dials; one grid condenser and leak; one open circuit jack; all necessary wires cut to proper length and fitted with connectors, 6 by 16-inch hard rubber panel with all holes already drilled and a handsome Adam Brown Mahogany finish cabinet, size 6 by 16 inches. Ward's prices save you money. Shipping weight, 20 pounds.

363 C 254—One-tube unassembled three-circuit Kit. For use with your own tubes, batteries, head phones and antenna..... **$9.95**

$1.98 All Types

In accordance with our 53 year policy of never sacrificing quality to make a low price, we offer you only genuine Radiotron or Cunningham tubes. We have compared and tested over twenty different brands of the so-called independent or "outlaw" radio tubes, and found that they would not stand up under test. They burned out quickly and lost their sensitivity. They did not give the volume or the distance of the standard tubes shown here.

63 C 5225—UV-200 6-volt Detector Tube.....**$1.98**

63 C 5226—UV-201A 6-volt Detector and Amplifier.**$1.98**

63 C 5228—WD-11 1½-volt Detector and Amplifier. **$1.98**

63 C 5229—WD-12. Same as above, with standard base **$1.98**

Postage, each, 10¢ extra

About Price Changes

The regular retail price on Cunningham and Radiotron tubes is $2.50 to $3.00. Should this established price be reduced to less than $2.50 at any time, we will lower our prices to one-fifth less than the new list price. Should the list price be increased, we will during the life of this catalogue, continue to sell tubes at our established price of $1.98.

New Tube Models

If at any time during the life of this catalogue the Radio Corporation or Cunningham should add any new models to their present line, and should you wish to order them simply send us the trade number of the new tubes and remit in payment one-fifth less than the manufacturer's retail price, adding 10¢ per tube for postage.

Our Tube Guarantee

Every Radio Tube is tested before shipment and is guaranteed to be perfect. If you follow our instructions and use reasonable care, there is little danger of tubes being burned out. We trust to your fairness not to return tubes for credit or adjustment except in case where the tube arrived in damaged or imperfect condition. We can not be expected to replace tubes burned out through mistakes or accidents due to no fault of ours.

Genuine Cunningham Tubes

Genuine Cunningham Radio Rubes have been standard radio equipment for years. In all characteristics they are exactly like the Radiotron Tubes shown at the left. Both Cunningham and Radiotron Tubes are made in the world's largest radio tube factories and contain all the latest improvements known to high grade tube manufacturing. Ward's prices save you money.

Put Your Set in a Console Cabinet

$37.50

Genuine Solid Walnut Console Cabinet

Popular Two-Tone Finish

A Console Cabinet Worthy of The Best Radio Set You Can Buy or Build

WALNUT has long been recognized as one of the very best woods for fine furniture. This Genuine Walnut Console Cabinet in the popular two-tone finish, is a really fine piece of furniture as well as a convenient mounting for your radio set. Built by master workmen. It is one of the finest console cabinets we have ever seen.

It combines great beauty with convenience. There is more than enough room in the three lower compartments for batteries, battery charger and other accessories. All connections can be made inside cabinet; no wires or loose ends are exposed. You will be proud to have this cabinet in your best room.

Will Hold a Standard Size Set

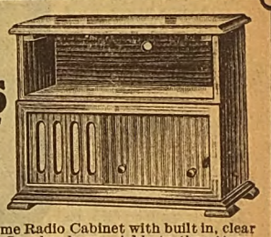
Any present day standard radio set can be built into the top compartment which will take a 7 by 33-inch panel. Will take a smaller panel by blocking the ends. Large enough for a superheterodyne. Top closes down and protects set from dust. Front leaf opens flat and acts as an arm rest or writing space when set is in operation. Bottom is divided into three compartments. One is 17 by 12 in. high; the other two are each 17 by 6 in. high. Cabinet is 37½ inches long by 13 inches deep by 39 inches high, over all. Has neatly designed antique bronze ring pulls on doors and front leaf. Hand carved scroll work finished in relief gives a neat decorative effect. Shipping weight, 90 pounds. Can be shipped by freight or express only.

163 C 825.....**$37.50**

Showing the Console Closed

When radio set is not in use, the doors may be closed and the top dropped down and locked to protect it from dust and to hide it from view. The artistic and graceful design makes the cabinet a handsome piece of furniture you will be proud to have in any room in your home.

Loud Speaker Cabinet



$11.95 — 7 by 21 In. Mahogany Finish Holds "B" Batteries

A handsome Radio Cabinet with built in, clear toned Loud Speaker horn. Adds to the attractiveness of your radio set. Well made and finished in hand rubbed Adam Brown Mahogany. Mouth of loud speaker horn is covered with a neat grille backed with a silk screen. With clip for attaching loud speaker unit. No unit included.

Airline RADIO BATTERIES

Guaranteed for 2 Years

Specially Made for Radio Use

Storage Batteries Can Be Shipped by Freight or Express Only

Features of Construction

Illustration No. 1 below shows the usual thickness of the plates in the ordinary auto storage battery.

No. 1.

Illustration No. 2 below shows the thickness of the plates in the **Airline De Luxe Radio Storage Battery.** Only the finest cedar spacers are used. This battery is as perfect as we know how to build it.

No. 2.

Also Furnished with Molded Cover

DeLuxe batteries are made exactly as illustrated in a heavy, hard rubber box which is acid proof and sweat proof and will last indefinitely. It is fine looking and suitable for use in the home. Molded-in handles are extra strong. Wing nuts are provided on each of the terminals for ease in connecting wires. Each model is furnished with or without a molded hard rubber lid to match, as shown in center illustration.

With Hard Rubber Case

Hard Rubber Box Extra Heavy Plates Scientifically Constructed

$7.95 50 Ampere Hour Size without Lid

No Finer Radio Battery Made at Any Price

AIRLINE De Luxe Radio Storage "A" Batteries give much better results than ordinary storage batteries, and are far superior to dry cell equipment for radio use. For finest radio results we recommend the use of one of these De Luxe Radio Batteries. The ordinary auto battery is designed for constant heavy discharging and frequent recharging. Therefore, the plates are made thin. Such batteries, if not used steadily and recharged often, will break down. Radio use often greatly shortens the life of a good auto battery and the results are poor.

The De Luxe Radio Battery has extra heavy plates, specially constructed to stand the very slow discharge, long intervals of idleness and irregular charging periods, to which the radio battery is subjected. They give the finest results possible; no internal noises, no variations in current.

The Price Is Very Low for the Service These Batteries Give

We guarantee the De Luxe to give 2 years of satisfactory service for radio use. This is from six months to a year longer than the guaranteed life of most storage batteries. If properly cared for, the De Luxe battery will give many years of perfect service and radio reception which can not be excelled.

Finest Quality Loud Speakers

Airline RADIO Loud Speakers

Natural Tone~ Full, Clear Volume

Handsome Appearance

Unless your radio set has more than one tube, loud speakers and loud speaker units will not give satisfactory service.

Airline Mammoth Loud Speaker

$7.45

Ward's largest Airline Loud Speaker. It is purposely made tall to provide for a long, deep throat. This construction results in wonderfully clear reproduction, exceptionally true and natural tone and will give soft tones or tremendous volume. We have combined with it an improved adjustable loud speaking unit. None of those metallic sounds and discords and jumbled, mushy sounds characteristic of so many speakers, are heard in the Mammoth.

Beautiful Stippled Finish

The stippled gold finish of the Mammoth makes it one of the best looking loud speakers we have ever seen. The Mammoth is also finished in stippled black if you prefer.

The bell of the gracefully curved horn is 14 inches in diameter. Height of speaker, 28 inches. Weighted base prevents tipping. Fitted with 5-foot connecting cord.

463 C 773—Gold... **$7.45**
463 C 774—Black... **7.45**
Postage, 26¢ extra

See Bottom of Page for Connecting Plugs

Airline "Nightingale" Loud Speaker

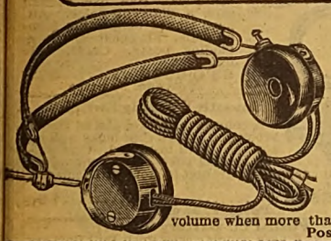
$8.95

The perfect enjoyment of broadcast programs requires the master touch of faithful reproduction such as found in Airline Loud Speakers. The Airline Nightingale is the most graceful of the upright types. It combines surprising volume and natural tone with handsome appearance and low price. The correctly designed gracefully curved deep throat gives to the broadcasting the sweet, full, mellow tones so much desired in radio reception.

Pure Tone, Great Volume

The adjustable loud speaker unit in combination with this correctly shaped horn gives the greatest possible volume with a total absence of the usual unpleasant harshness. Finished in either stippled gold and black, or attractive black crackled leatherette. Bell diameter, 13½ inches; height, 21½ inches. With 5-foot cord. See bottom of page for plugs.

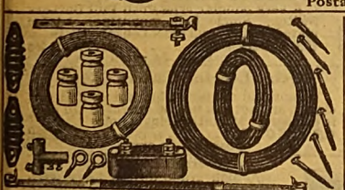
463 C 789—Gold and black. **$8.95**
463 C 791—Black leatherette... **8.95**
Postage, 26¢ extra



$2.95 Airline De Luxe Head Phones

The biggest Head Phone value we ever offered. The Airline De Luxe gives greater volume and purer, sweeter tone than many head phones selling for more than double our price. Well made and very neat in appearance with genuine bakelite shells and caps. Metal parts are nickeled and polished. Very sensitive, perfectly matched phones. Adjustable web covered head band with 5-foot connecting cord.

63 C 5157—2000 ohm... **$2.95**
63 C 5158—3000 ohm. Gives slightly more volume when more than one set of head phones is used. **$3.45**
Postage, each, 10¢ extra



Complete Parts for An Efficient Antenna

Best radio results depend on efficient antenna. This outfit contains all the parts necessary for the construction of a reliable antenna. It consists of 100 feet copper antenna wire, 25 feet ground wire, 50 feet connecting wire, lightning arrester, 4 knobs, 6 screws, 2 aerial insulators, 2 screw eyes, new style lead-in, aerial connector and ground clamp.

63 C 5146—Complete outfit... **$2.75**
Postage, 22¢ extra

Airline Special Head Phone

$1.98

Our Airline Special Head Phones, modeled after one of the best known and best made head phones on the market today, give remarkable volume and tone quality. Ward's price saves you about one-half. Perfectly matched and extra sensitive. Light in weight and comfortable. Aluminum shells and composition caps. Adjustable web covered head band. Complete with 5-foot connecting cord.

63 C 5188—2000 ohm... **$1.98**
63 C 5189—3000 ohm. Gives slightly more volume when more than one set of head phones is used... **$2.25**
Postage, per set, 10¢ extra

You Can Not Buy Better Quality

DO not be misled by these low prices on Airline Loud Speakers. We unqualifiedly guarantee every Airline loud speaker to be equal or better in tone quality, volume and appearance than nationally advertised speakers selling for two or three times as much. Regardless of price, we positively could not make our Airline speakers better.

At our factory is a pile of discarded loud speakers, almost 400 of them. These are speakers of various makes and our own experimental models that were tested and discarded because they were not up to the high standard we have set for Airline quality. The Airline speakers now listed in this Catalogue are the final result of months of experimenting. They are the best we can build, and we are mighty proud of them.

All of the Airline Speakers shown herein combine especially low price with superfine quality; and by superfine quality we mean excellent tone, proper volume and handsome appearance.

And remember—Airline Loud Speakers are sold only at Ward's.

$5.95

The Airline Junior Loud Speaker

Through the throat of the Airline Junior each delicate shading of the human voice, every note of an instrument comes to you exactly as it was created by the artist. Of the same shape and construction as the Airline Nightingale shown at the left but slightly smaller. The loud speaker unit is adjustable, enabling you to have exactly the tone and volume you desire. Finished in handsome stippled gold and black or attractive stippled plain black. Diameter of bell, 10¾ inches, height, 19 inches. With 5-foot connecting cord.

463 C 793—Gold and black... **$5.95**
463 C 794—Plain black... **5.95**

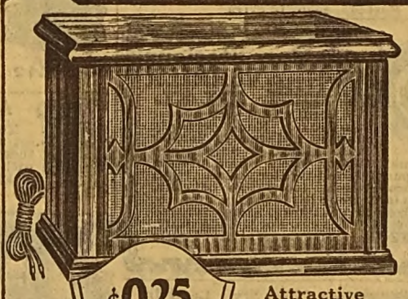
For Those Who Prefer a Cabinet Type Speaker



$9.25

Attractive Walnut Finish

Airline Cabinet Talker

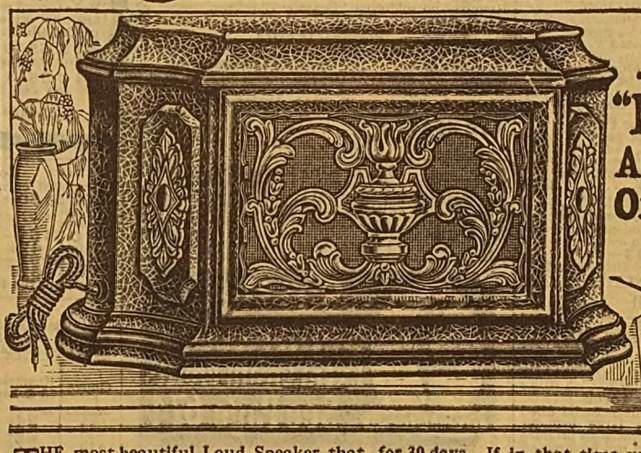
A beautiful cabinet type reproducer combining attractive appearance with mellowness of tone and proper volume.

The same knowledge of sound wave principles—the same improved construction that makes all Airline speakers superior, is embodied here to make this Cabinet Talker the finest of its type to be found anywhere. The saving we offer you makes this reproducer doubly attractive.

Beautifully Finished Cabinet

The loud speaking horn, with adjustable unit is effectively concealed behind the pleasingly designed grill. The attractive screening of golden colored silk further increases the beauty of the Walnut finished cabinet which is rubbed to a highly polished finish. The Cabinet Talker is a fitting companion for the finest radio set. Size of cabinet, 9¼ inches high; 11 inches wide and 12½ inches long. With 5-foot connecting cord. Phone plugs listed on bottom of page.

463 C 795... **$9.25**
Postage, 18¢ extra



Airline "Music Box" A Cabinet Speaker Of Rare Beauty

$14.85

THE most beautiful Loud Speaker that has ever been built. Nothing could possibly be more artistic, more attractive, more ornamental. It is entirely different from every other loud speaker. To really appreciate it, you must see it. So we make you this offer: order this Airline Music Box today enclosing remittance. Examine it in your own home surroundings. Use it for 30 days. If in that time you are not fully convinced it is the finest and most beautiful speaker you have ever seen or heard—if you are not thoroughly delighted with it in every way—write us for return instructions and we will immediately refund the purchase price and all transportation charges.

Most Beautiful Loud Speaker in America

Grecian design—graceful but dignified. Hand painted—old gold finish tinted lightly with green and black. Blended in harmonious polychrome effects. Front grill is an extremely handsome carving, and is backed by golden silk cloth screen. Delightfully figured side panels. Equipped with our finest Airline adjustable reproducing unit. Felt base prevents scratching. Cabinet is 17 inches long, 10 inches high and 10 inches deep. With 6-foot connecting cord. For plugs see bottom of page.

463 C 797... **$14.85**
Postage, 26¢ extra

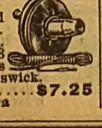
High Grade Unit

$3.10

An excellent moderately priced Loud Speaker Unit. Polished nickel finished metal case, diameter, 2¾ inches. Fits all phonographs except Brunswick. With 5-foot cord.

63 C 781... **$3.10**
Postage, 8¢ extra

Atlas Unit



Nationally known Loud Speaker Unit, priced low. Adjustable double diaphragm. Bakelite case. Diameter, 3 inches. With 5-foot cord. Fits all phonographs except Brunswick.

63 C 770... **$7.25**
Postage, 8¢ extra

Radioceive Unit

Adjustable Loud Speaker Unit that gives remarkable results. In neat nickel plated metal case, 2½ inches in diameter. With 6-foot cord.

63 C 775... **$2.65**
Postage, 8¢ extra

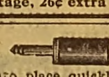
$2.65

Rhamstine Needlephone Unit

Makes any phonograph a loud speaker. Phonograph needle rests on slotted reed of unit giving maximum volume to your radio. Polished nickel case, 3 in. in diameter. With 6-foot connecting cord.

63 C 784... **$7.75**
Postage, 8¢ extra

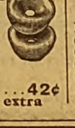
Low Priced Automatic Plug



Phone tips snap into place quickly. Slight pressure on prongs releases phone tips. Fiber barrel, 1¼ ins. long.

63 C 5245—For 1 pair phone tips... **35¢**
63 C 5246—For 2 pairs phone tips. **40¢**
Postage, each, 3¢ extra

Head Phone Cushions



Made of extremely soft sponge rubber. Very comfortable. Excludes all external noises. Fits all head phones. Relieves pressure on ears.

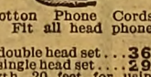
63 C 6093—Per pair... **42¢**
Postage, per pair, 4¢ extra

Improved Plug

Requires no screw driver. Thread phone cord through large hole and insert tips. Can not pull out. Molded composition. Metal parts brass. Fits standard jacks.

63 C 6073—Post., 3¢ ex... **25¢**

Receiver Cord



Mercerized cotton Phone Cords. Length, 5 feet. Fit all head phones except Brandes.

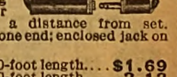
63 C 5385—For double head set... **36¢**
63 C 5390—For single head set... **29¢**
63 C 5391—Length, 20 feet for using speaker a distance from set... **96¢**
Postage, 3¢ and 6¢ extra

Two-Cord Plug

A good, low priced Plug. Takes two sets of head phone tips. Metal parts brass. Fiber barrel. Fits standard jacks.

63 C 6792... **45¢**
Postage, 3¢ extra

Extension Cord



For placing head phones or loud speaker at a distance from set. Standard plug on one end; enclosed jack on other end.

63 C 5392—10-foot length... **$1.69**
63 C 5393—30-foot length... **2.12**
63 C 5394—50-foot length... **2.55**
Postage: 6¢, 8¢ and 10¢ extra

A Personal Message to Those Who Build Their Own Radio Sets

WHEN you order Radio Parts from Ward's you are assured of high quality as well as low prices. Quality is our first consideration.

With fifteen years of practical radio experience, I know exactly what good parts mean in a radio set. I know that you can not get maximum distance, volume or selectivity unless the parts are made of the finest materials designed along approved principles. To secure such parts for you, I have personally visited many factories, inspecting their materials and methods of manufacture. Only parts of the very best quality are selected for our catalogue. In addition, every part is thoroughly tested in our radio laboratory, under actual operating conditions.

This eliminates all guesswork for the set builder. You know before you buy that the part you select will give satisfactory results. Ward's prices are surprisingly low for high quality radio parts. You save at least one third of the usual retail selling price of parts of equal quality.

D. S. HILL,
Buyer, Radio Department.

Smooth Working Rheostat

Three-hole panel mounting Rheostat with attractive knob.

63 C 6401—6-ohm for C-300 and UV-200 tubes.....33¢
63 C 6400—10-ohm for C-11, C-12, WD-11, WD-12 tubes.33¢
63 C 6408—20-ohm for one C-301A or UV-201A tube.....33¢
63 C 6411—30-ohm for C-299 or UV-199 tubes used on dry cells.....33¢

Brachstat Control

79¢ Automatic control for your tubes. Laboratory tests show Brackstats to give better control of tubes than rheostats.

63 C 5956—For C-11, C-12, WD-11 or WD-12 tubes.....79¢
63 C 5957—For C-301A and UV-201A tubes. 79¢
63 C 5958—For C-299 and UV-199 tubes....79¢
Postage, each, 3¢ extra

Airline 3-Circuit Tuner

$1.98 Fixed primary and secondary windings on 3-inch black fiber tube. Tickler rotates inside secondary winding. Covers all broadcasting waves. Shaft, ¼ inch. Tuner, with a .0005 mfd. variable condenser, rheostat and socket makes complete tuning unit. Height, 5 inches.

63 C 5502.....$1.98
Postage, 8¢ extra

89¢ Low Priced Variocoupler

For use in single circuit sets or with two variometers. Wound with silk covered wire on a non-warping 3-inch fiber form. For panel mounting. Requires only one hole. Has ¼-inch shaft. Has 10 taps for fine and coarse tuning. Covers all broadcast waves.

63 C 5998.....89¢
Postage, 8¢ extra

89¢ Low Priced Variometer

May be used in pairs with the coupler listed above, or by itself in a crystal, or single circuit set. Wound with silk covered wire on a non-shrink fiber form. Rotor to match. Smooth running bearings. Size, 3¾ by 3 inches. Single hole mounting. Has ¼-inch shaft.

63 C 5997.....89¢
Postage, 8¢ extra

$1.59 Variocoupler

Bakelite Variocoupler for either table or panel mounting. Has 10 taps for coarse or fine tuning. Wound with silk covered wire on genuine bakelite forms. 180-degree coupling. Shaft is ¼ inch. For all broadcast waves.

63 C 6313.....$1.59
Postage, 8¢ extra

For More Volume Use the Airline

$2.19 This Audio Frequency Transformer is made especially to our specifications.

The windings are carefully insulated and wound on a shell type core of thin sheets of steel. Tones reproduce true at maximum volume.

63 C 6264—6 to 1 ratio.....$2.19
63 C 6265—3½ to 1 ratio.....1.95
Same as above but encased in a metal shell.

63 C 7018—3½ to 1 ratio.....2.29
Postage, 6¢ extra

$1.59 Our Special Radio Frequency Transformer

Built on a new principle which overcomes capacity effects and changes in the load. Mounted in a bakelite case with binding posts plainly marked. Built for panel or shelf mounting. Low in price because of quantity production and efficient engineering. Any number up to four may be used.

63 C 6546—For use with C-301A or UV-201A tubes.....$1.59
63 C 6547—For use with UV-199, C-299, C-11 and C-12 tubes.....$1.59
Postage, 5¢ extra

13¢ Attractive Composition Dial

An exceedingly neat and attractive Dial. Large fluted, tapering knob gives firm grip for easy tuning. Molded of black composition. White filled scale, engraved 0 to 100 over 180 degrees on 3 and 4-inch dials and 0 to 270 degrees on 2-inch dial. Beveled edge. All sizes have holes to fit ¼-inch shafts.

63 C 5790—Diameter, 2 inches.....13¢
63 C 5791—Diameter, 3 inches.....15¢
63 C 5792—Diameter, 4 inches.....21¢
Postage, 2¢ extra

26¢ Genuine Bakelite Dial

A beautiful Dia made of genuine bakelite—practically unbreakable. Has finely engraved scale filled with white enamel. Scale is graduated 0 to 100 over 180 degrees. Evenly corrugated knob insures a firm steady grip when tuning. Very neat and attractive in appearance. The black glossy finish makes a very pleasing contrast against the plainly marked white engraving. For ¼-inch shafts.

63 C 5231—Diameter, 4 inches.....47¢
Postage, each, 3¢ extra

Brass Bushings for Dials

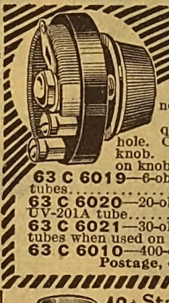
Adapts dial for ¼-inch to ⅜-inch shaft.

63 C 5233—Each.....3¢
Postage, each, 1¢ extra

Get More Stations Airline VERNIER DIAL

A Vernier Dial with no lost motion. Runs perfectly smooth and steady. Vernier ratio is 20 to 1. Small knob turns small rubber wheel which presses against panel giving vernier action. High grade composition, looks like bakelite. Dial with large knob is 4 inches in diameter and gives direct tuning. Scale engraved 0 to 100 over 180 degrees. For ¼-inch shaft.

63 C 5520.....89¢
Postage, 4¢ extra



SINGLE HOLE MOUNTING Airline Rheostat

Saves much time and many measurements. No panel screws needed. Our prices is very low. Mount your Rheostats quickly by drilling only one hole. Genuine bakelite base and knob. White engraved. Arrow on knob.

63 C 6019—6-ohm for C-300 and UV-200 tubes.....49¢
63 C 6020—20-ohm for one C-301A or UV-201A tube.....59¢
63 C 6021—30-ohm for C-299 or UV-199 tubes when used on dry cells.....69¢
63 C 6010—400-ohm Potentiometer..79¢
Postage, each, 4¢ extra

48¢ Standard Base Socket

Base is made of molded bakelite. Binding posts are molded into base. Plainly marked, strong, side and bottom type contact springs.

63 C 6434.....48¢
Postage, 3¢ extra

32¢ C-11 or WD-11 Socket

A Socket of unusually strong construction. Bronze contact springs make a wiping contact on tube lugs insuring a positive connection. Binding posts plainly marked. For C-11 or WD-11 tubes only.

63 C 6412.....32¢
Postage, 3¢ extra

Adapter for C-299 Tubes

You can use your C-299 tubes in any set with standard sockets if you have these adapters. Moulded composition with strong spring contacts. Knurled lip makes handling easy.

63 C 5203.....34¢
Postage, 4¢ extra

Genuine Molded Bakelite Airline Variometer

$1.98

Circuits using Variometers have proved their worth time and again. This high grade variometer is sold at a surprisingly low price. Made of molded bakelite. Stator is in two pieces with the windings firmly fastened. Minimum clearance meaning greatest selectivity. Rotor construction is similiar to stator. Wound with cotton covered wire. All metal parts are nickel plated. For either panel or table mounting. Size, 5 inches in diameter. Set of diagrams included. Shaft, ¼ inch.

63 C 5891—Variometer.....$1.98
63 C 5892—Variocoupler to match. Has 10 taps for coarse and fine tuning...$1.98
Postage, 8¢ extra

Genuine Bakelite Airline Sockets

A high grade genuine bakelite Socket at an amazingly low price. Electrically and mechanically strong. Reinforced at strain points. Heavy bronze springs give positive contact. Nickel plated binding posts are plainly marked.

63 C 5540—For standard base tubes..23¢
63 C 5541—For C-299 or UV-199 dry cell tubes.....23¢
Postage, each, 2¢ extra

23¢

Positive Contact Jack

These specially constructed Jacks are well made with strong springs. Nickeled mounting bushing. Takes all standard plugs. Mounts by drilling only one hole in panel. Fitted with tinned soldering lugs. Especially low priced. Guaranteed satisfactory.

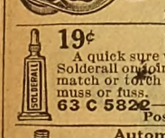
Set of 8 Binding Posts marked Ant., Gnd., A+ A-, B+ B-, Tel., and Tel. Markings engraved on composition top in white enamel. Complete with machine screw.

63 C 5577—Per set.....29¢
Postage, per set, 3¢ extra

Resin Core Solder

A safe, non-corrosive Solder for radio use.

63 C 5833—About 4-ounce roll..19¢
Postage, per roll, 2¢ extra



19¢ Solderall

A quick sure way to solder. Put a drop of Solderall on joint to be soldered heat with a match or torch and job is done. Clean. No muss or fuss.

63 C 5822—Per tube.....19¢
Postage, 2¢ extra

Automatic Blow Torch

Consists of two cylinders to be filled with alcohol. Lighting large cylinder automatically generates force to produce long, needlelike flame which can be directed to exact spot to be soldered. Metal parts brass nickel plated. Height, 5½ inches.

63 C 5876.....$1.19
Postage, 5¢ extra

89¢ Do Better Neater Work

This handy Electric Iron will make soldering easier and more pleasant. Has 3/16-inch flat tip which heats quickly, holds more solder and will get into joints impossible for most irons to reach. Durable heating element. Ebonized wood handle. Length of iron, 12 inches with 6-foot cord and plug.

63 C 5850—For any 110-volt current.89¢
63 C 5853—For any 32-volt current.98¢
Postage, 10¢ extra

Electric Soldering Iron

Has removable ⅜-inch copper tip. Nechrome resistance element wound on lavite core. Shell is brass with ventilated steel shaft, insuring a cool handle at all times. Length, 12 inches. Wood handle, natural finish. With 5-foot cord and attaching plug.

63 C 5856—For any 110-volt current.$1.19
Postage, 10¢ extra

57¢ Enclosed Crystal Detector

Has glass case to protect crystal. Cat whisker controlled by rod through top. Binding posts and screw holes. Base diameter, 2 inches. No crystal included.

63 C 6531.....57¢
Postage, 6¢ extra

New Style Lead In

Fits under closed window. Can be bent into any shape to fit ledge. Insulated to prevent grounding on wet sills. Does away with porcelain tubes and holes through window sash. Positive connectors on ends. Requires no soldering. Length, 17 inches.

63 C 6263.....13¢
Postage, 1¢ extra

Ground Clamp

A new style Ground Clamp for attaching to any ground rod, radiator or water pipe up to 2 inches in diameter. Sharp steel points pierce coating of grease, rust or dirt and give positive contact.

63 C 5964.....19¢
Postage, 2¢ extra

Storm King Lightning Arrester

A protection to your apparatus during electrical storms when the ground switch is not thrown. Made of porcelain with brass binding posts, Size, 4½ by 1⅜ inches.

63 C 6641.....64¢
Postage, 6¢ extra

Porcelain Aerial Insulator

High grade, glazed porcelain, deeply corrugated. Holes in ends. Very strong. Diameter of both sizes, about 1½ inches.

Reliable Low Loss Variable Condenser

$1.79 Ward's finest Condenser. A laboratory instrument that costs no more than an ordinary condenser. Gives more distance, volume and selectivity. Gets the most from your set. Has special porcelain insulation set well out of the field. Laboratory tests show losses too small to measure on laboratory instruments. Aluminum end plates grounded to rotor. Four hole mounting. Rotary plates are cut to straightline wavelength curve. Condenser can be used for a wave meter or to make a calibrated set. Pigtail connection, easy running thrust bearing. Has ¼-inch shaft. We use this type of condenser in our finest radio set—the 5-tube single dial control set shown on the back cover. We selected it only after we had thoroughly tested, by actual operation in the set, a number of condensers and found this to be the best.

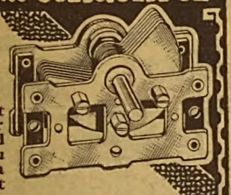
Airline Variable Low Loss Condenser



$1.19
For Better Reception
The greatest Condenser value offered anywhere. You too, can have a low loss set at these prices.

Strongly Built—Approved Design
Low Loss Condensers are the latest addition to better radio apparatus. They give more volume, sharper tuning and greater distance. A set is no better than the condenser. Buy this one and be sure. Embodies all of the accepted low loss features. Non-warping insulation strips are well out of the field. Rotor is grounded, no body capacity. Positive contact. Rigid plates are accurately spaced. Aluminum end plates with brass bushings in which shaft turns. Tension adjustment screw and lock nut. Binding posts on rear may also be used for mounting radio frequency coil. Requires four holes for mounting. Has ¼-inch shaft.

Use Airline Guaranteed Parts Save at Least 1/3

Tuned Radio Frequency Amplification is the key to greater distance and a more selective set. A kit of these Low Loss Radio Frequency Transformers, used with other standard parts, listed on these pages, can be made into a set that will give distance, volume and selectivity equal to many 5-tube sets advertised at from $60 to $75. All dial readings alike for any one station. Our low prices save you money.

$7.95

Kit consists of three basket weave coils mounted on low loss variable condensers. Coils are self supporting, insuring lowest loss. Wound with silk covered wire. Condensers have metal end plates and insulation placed well out of field. Wiring diagram included. A kit of this type and quality usually sells for $17.50.
63 C 5796—Complete set of parts.....$7.95
63 C 5798—Set of 3 coils only.....2.49
Postage: 24¢ and 14¢ extra

Radio Blueprints

Build Your Own Set
Radio Instruction Plans that are up to date, not too technical and very helpful to the amateur who is building his own radio receiving set. Everything is made clear and thoroughly explained so that you can easily build a set from the plainly marked blueprint included with each set of plans.

You Can Buy This Fine Bedroom Set on Easy Payments

THE dresser, bed, vanity and chest of drawers of this bedroom set are all pieces of furniture that you will be proud to have in your home. The Walnut veneers give this Tudor set a lasting beauty and its fine construction assures long service. Your choice of two finishes, the regular hand rubbed American walnut, or the newer French walnut, a lighter color. This beautiful walnut veneer bedroom set is offered to you at a price only slightly above the manufacturer's cost. This set can not be bought elsewhere at a price so low.

Even though a person sees the actual furniture, unless he is familiar with the woodcraft line, he can not determine just how well the article is made or the quality of materials used. You take no chance when buying from Ward's because of our positive guarantee that this furniture is of exactly the high quality illustrated and described. Read our Easy Payment Terms on opposite page. Use Order Blank No. 1 on Page 697.

The tops of dressers, vanity and chest of drawers are of sturdy five-ply Walnut veneer construction. Fronts and ends veneered to match. Posts and frames hardwood. Bottoms absolutely dustproof. Vanity and dresser mirrors are fine plate glass, securely mounted. All four pieces are attractively decorated with gold inlay lines and antique silvered drawer pulls. Ornamental beading around mirrors, head of bed and bottom rails of the dresser, vanity and chest of drawers. Easy rolling casters. **For estimated total freight charges see information on Page 503.**

Bow End Bed. Width, 54 inches, (full size). Height of head end, 50 inches. Metal side rails. Bedding and spring not included.

42-Inch Dresser. Plate mirror, 28 by 22 inches. Top, 42 by 20 inches.

36-Inch Dresser. Plate mirror, 22 by 18 inches. Top, 36 by 18 inches.

Vanity Dresser. 2 roomy drawers on each side. Center plate mirror, 36 by 16 inches. Adjustable side plate mirrors, 28 by 8 inches. Base, 43 by 18 inches. Height, 63 inches.

Chest of Drawers. Top, 34 by 18 inches. Five full width easy sliding drawers provide ample space for many articles of clothing.

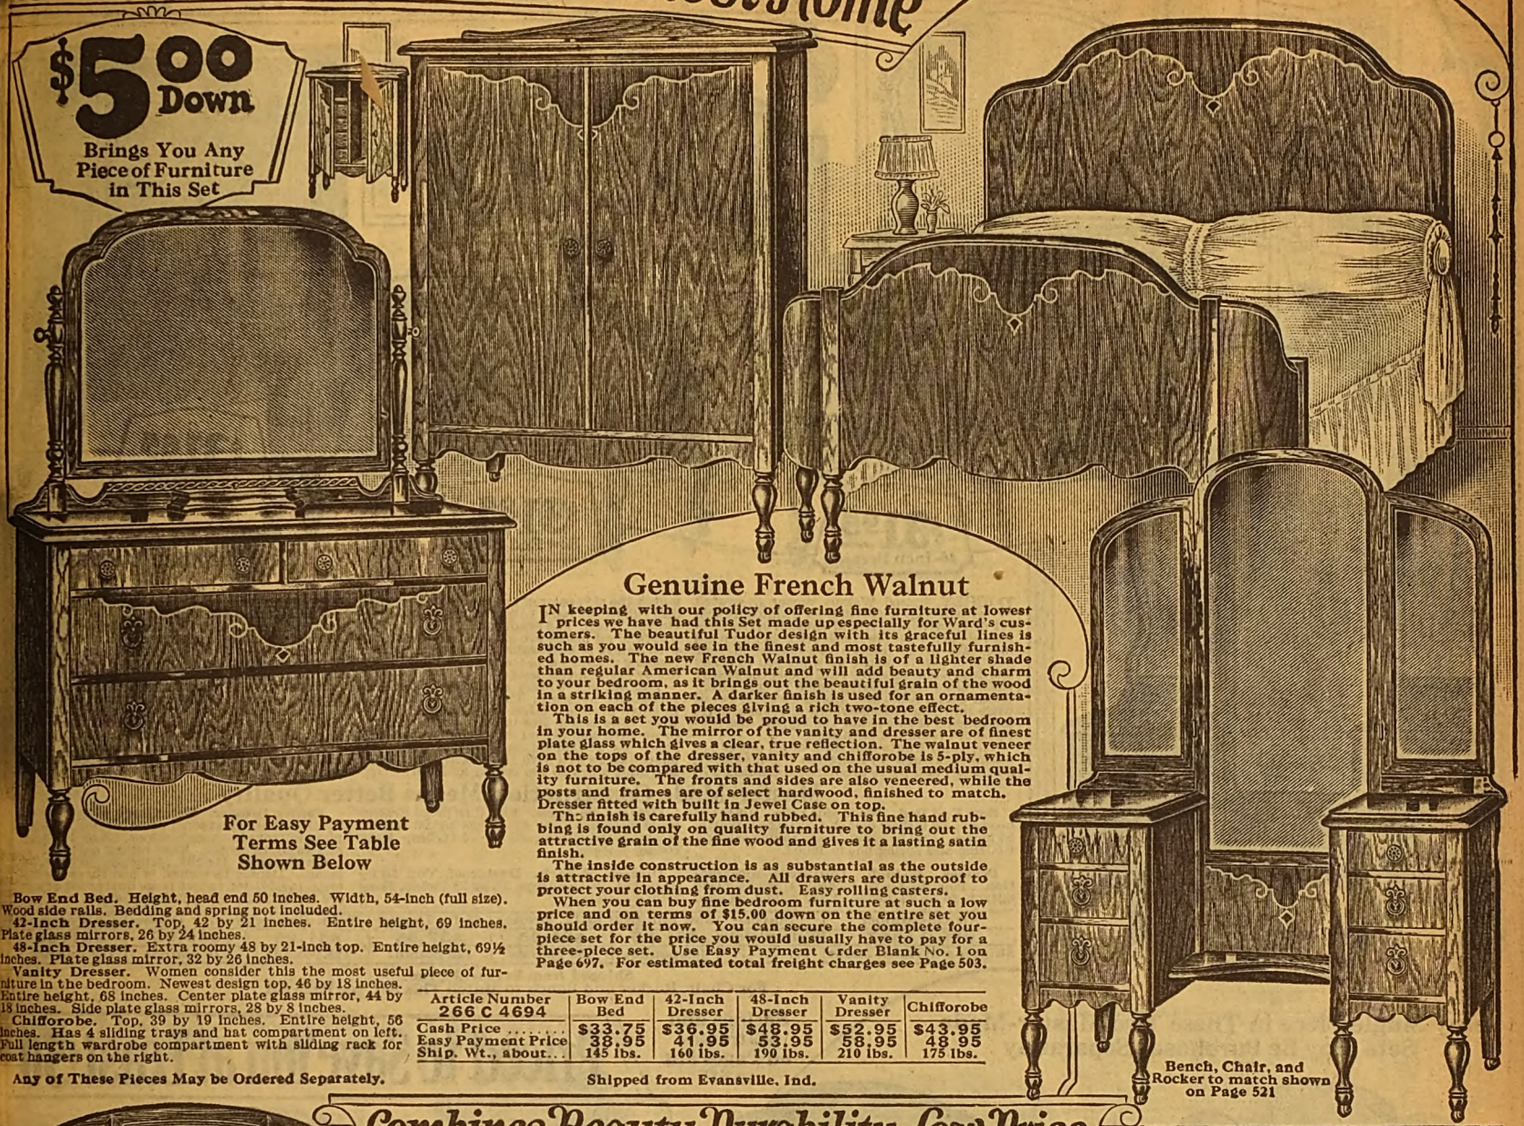
Good Enough for the Finest Home

$5.00 Down
Brings You Any Piece of Furniture in This Set



Genuine French Walnut

IN keeping with our policy of offering fine furniture at lowest prices we have had this Set made up especially for Ward's customers. The beautiful Tudor design with its graceful lines is such as you would see in the finest and most tastefully furnished homes. The new French Walnut finish is of a lighter shade than regular American Walnut and will add beauty and charm to your bedroom, as it brings out the beautiful grain of the wood in a striking manner. A darker finish is used for an ornamentation on each of the pieces giving a rich two-tone effect.

This is a set you would be proud to have in the best bedroom in your home. The mirror of the vanity and dresser are of finest plate glass which gives a clear, true reflection. The walnut veneer on the tops of the dresser, vanity and chifforobe is 5-ply, which is not to be compared with that used on the usual medium quality furniture. The fronts and sides are also veneered, while the posts and frames are of select hardwood, finished to match. Dresser fitted with built in Jewel Case on top.

The finish is carefully hand rubbed. This fine hand rubbing is found only on quality furniture to bring out the attractive grain of the fine wood and gives it a lasting satin finish.

The inside construction is as substantial as the outside is attractive in appearance. All drawers are dustproof to protect your clothing from dust. Easy rolling casters.

When you can buy fine bedroom furniture at such a low price and on terms of $5.00 down on the entire set you should order it now. You can secure the complete four-piece set for the price you would usually have to pay for a three-piece set. Use Easy Payment Order Blank No. 1 on Page 697. For estimated total freight charges see Page 503.

For Easy Payment Terms See Table Shown Below

Bow End Bed. Height, head end 50 inches. Width, 54-inch (full size). Wood side rails. Bedding and spring not included.

$23.95 Cash Price

$5.00 Down and Five Dollars a Month Pays for Any Piece in This Set

$31.95 Cash Price

COMPARE this set with any you have seen selling for $30 to $50 more. Compare it in finish, in design, in construction, in appearance—make any comparison you wish. Only then will you realize what a remarkable value we are offering. You will agree it is no longer necessary to pay high prices for good quality substantial furniture for your home. Then, too, we are giving you the opportunity of paying a small amount down and making easy monthly payments if you do not find it convenient to pay all cash.

Notice the attractive two-tone finish in your choice of regular American Walnut veneer or the new French Walnut, a popular lighter shade than the regular American Walnut. The two-tone ornamentation is of a darker shade than the balance of the finish as shown in illustration above.

No detail of workmanship has been slighted to make a lower price. The tops of dresser, vanity dresser and chifforobe are of five-ply Walnut Veneer. The sides and front are also veneer and the frames and posts are select hardwood finished to match. The veneer construction permits the use of finer graining and insures longer wear as the wood will not warp or crack. Plate glass mirrors are used on dresser and vanity dresser. Dustproof bottoms on dresser, vanity dresser and chifforobe protect your clothing and keep it clean. Easy rolling casters on all pieces. Since you can buy this furniture at such a low price and on easy terms you should order enough pieces now for a complete set for your bedroom and enjoy the comfort and beauty of an appropriate well furnished home.

Bow End Bed. Height head end, 50 inches. Width, 54 inches. Metal side rails. Bedding and spring not included.

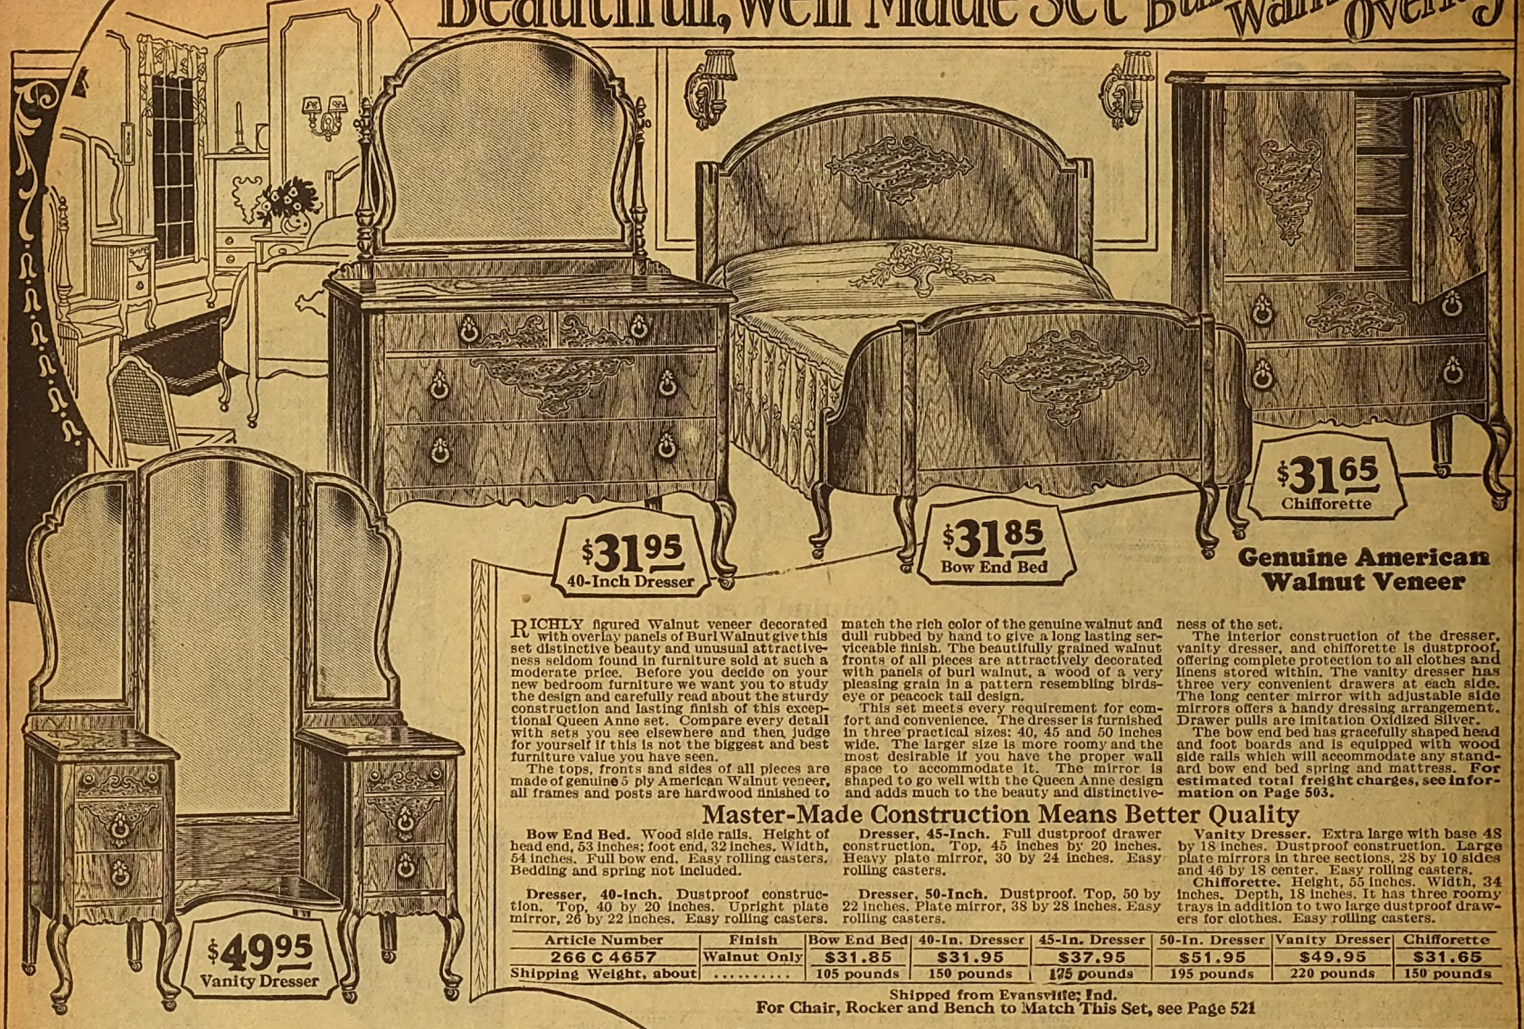
Beautiful, Well Made Set Burl Walnut Overlay



Genuine American Walnut Veneer

RICHLY figured Walnut veneer decorated with overlay panels of Burl Walnut give this set distinctive beauty and unusual attractiveness seldom found in furniture sold at such a moderate price. Before you decide on your new bedroom furniture we want you to study the design and carefully read about the sturdy construction and lasting finish of this exceptional Queen Anne set. Compare every detail with sets you see elsewhere and then judge for yourself if this is not the biggest and best furniture value you have seen.

The tops, fronts and sides of all pieces are made of genuine 5 ply American Walnut veneer, all frames and posts are hardwood finished to match the rich color of the genuine walnut and dull rubbed by hand to give a long lasting serviceable finish. The beautifully grained walnut fronts of all pieces are attractively decorated with panels of burl walnut, a wood of a very pleasing grain in a pattern resembling birds-eye or peacock tail design.

This set meets every requirement for comfort and convenience. The dresser is furnished in three practical sizes: 40, 45 and 50 inches wide. The larger size is more roomy and the most desirable if you have the proper wall space to accommodate it. The mirror is shaped to go well with the Queen Anne design and adds much to the beauty and distinctiveness of the set.

The interior construction of the dresser, vanity dresser, and chifforette is dustproof, offering complete protection to all clothes and linens stored within. The vanity dresser has three very convenient drawers at each side. The long center mirror with adjustable side mirrors offers a handy dressing arrangement. Drawer pulls are imitation Oxidized Silver.

The bow end bed has gracefully shaped head and foot boards and is equipped with wood side rails which will accommodate any standard bow end bed spring and mattress. **For estimated total freight charges, see information on Page 503.**

Master-Made Construction Means Better Quality

Bow End Bed. Wood side rails. Height of head end, 53 inches; foot end, 32 inches. Width, 54 inches. Full bow end. Easy rolling casters. Bedding and spring not included.

Dresser, 40-inch. Dustproof construction. Top, 40 by 20 inches. Upright plate mirror, 26 by 22 inches. Easy rolling casters.

Dresser, 45-Inch. Full dustproof drawer construction. Top, 45 inches by 20 inches. Heavy plate mirror, 30 by 24 inches. Easy rolling casters.

Dresser, 50-Inch. Dustproof. Top, 50 by 22 inches. Plate mirror, 38 by 28 inches. Easy rolling casters.

Two-Tone Finish

English Tudor Design

THE quiet dignity of the Tudor Period style has been fashioned into this good looking Bedroom Set. Its underlying Master-Made construction, the well arranged built in features, and its simple beauty make it a set that will give satisfaction for many years.

Genuine American Walnut Veneer

The attractive two-tone hand rubbed finish gives the graceful lines and proportions of this set even greater beauty. Tops, fronts and sides are Genuine Walnut Veneer, frames and posts hardwood finished to match. The grain has been carefully matched to bring out all the beauty of the wood. Examine the illustration closely. Note the many convenient features; the grooved outline decorations on drawer fronts and bed panels; the beautiful overlay of a darker shade in a closely striped veneer; the delicately curved lines of the mirror with its attractively shaped turned posts and antique silvered adjusting fixtures which hold it in the desired position. The drawers have antique silvered pulls, strongly attached with lock screw inside. See the full length mirror in vanity dresser with the two handy, adjustable side mirrors on strong hinges ready to be moved to any desired angle.

The big Chifforobe is unusually roomy and well arranged. Concealed by the closed doors is a full length wardrobe compartment with trolley for coat hangers, and four roomy drawers for clothes, with a handy hat compartment above. This is an extremely convenient piece of furniture that will be appreciated all the more after you have used it. All pieces in this set have dustproof bottoms. In designing and building this set we have tried to give you the finest value possible. We do not believe you can buy pieces of this quality elsewhere at these low prices.

Master-Made Construction Means Better Quality

Master-Made construction means well built, of high grade materials. The low price is possible only because we bought a very large number of these sets knowing the popularity of this handsome Tudor design. The quality is excellent throughout.

Bow End Bed. Bow end gracefully curved, and braced. Metal side rails. Height, head end, 50 inches. Width, 54 inches. Easy rolling casters. Bedding and spring not included.

48-Inch Dresser. Large adjustable plate mirror, 28 by 32 inches. Top, 48 by 22 inches. 3 top drawers and two full width drawers below. Easy rolling casters. Dustproof top and bottom.

42-Inch Dresser. Plate mirror, 22 by 28 inches. Size of top, 42 by 20 inches. Two top drawers and two full width drawers below. Dustproof bottom. Easy rolling casters.

Vanity Dresser. Center shelf allows plenty of knee room, while seated. Six drawers; extra high center plate mirror, 44 by 18 inches. High adjustable side plate mirrors, each 28 by 10 inches. Entire width, 48 inches. Entire height, 73 inches. Easy rolling casters.

Chifforobe. Four drawers, hat box and long clothes compartment. Sliding clothes rack. Top 38 by 20 inches. Easy rolling casters.

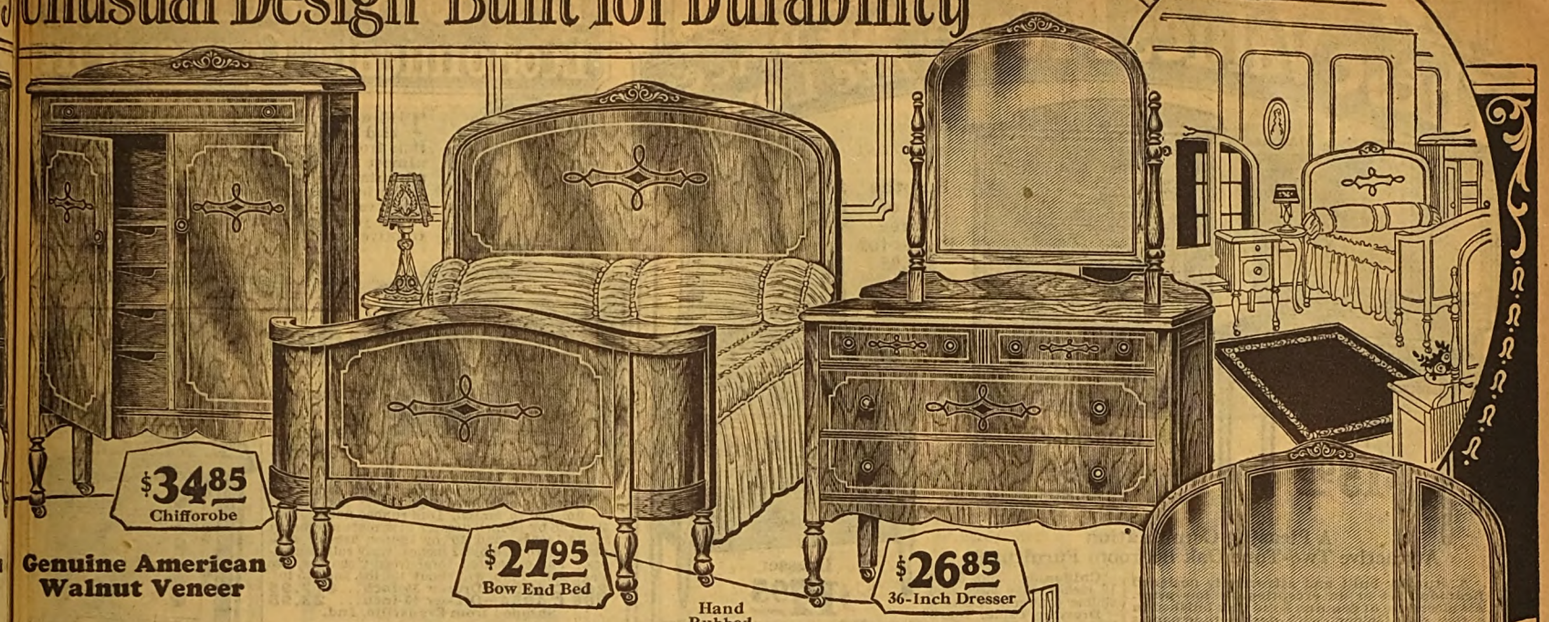
Unusual Design—Built for Durability



Genuine American Walnut Veneer

YOU will be greatly pleased with this beautiful American Walnut Veneer Bedroom Set in the popular Tudor design. Made to furnish every convenience necessary for a practical, serviceable bedroom set. The rich finish of genuine walnut veneer is tastefully relieved with a contrasting black conventional design and Ivory panel outlines on all pieces. Tops are of genuine five-ply veneer and fronts and sides are of three-ply veneer—with a pleasing hard rubbed finish. You will find this style neither plain nor too extreme. This set will look just as well in your home 10 years from today as it will now. Every piece is strongly made and braced at every point of strain. All frames and corner posts are of solid hardwood finished to match the beautiful walnut veneer.

The Ivory line panel decorations and the carved top rails on all pieces add to the distinctiveness of the design. All drawer and door knobs are wood with Mother of Pearl inlaid centers, a feature seldom found in a set sold at such a moderate price. The black conventional panel designs are the same pattern as used on some of the most exclusive and expensive sets manufactured. Although the price is unusually low considering the quality, workmanship and materials, it combines all the things which you really desire in a bedroom set—attractive appearance, convenience and service. Drawers are tightly made; dustproof and easy sliding. Vanity, chifforobe and dresser have dustproof bottoms. All pieces have easy rolling casters.

The Betsy Ross Cedar Chest $10.98

One of the greatest money saving values in this catalogue. You can't buy a stronger, more attractive Cedar Chest anywhere at nearly so low a price. A true Colonial pattern. Built throughout of solid Tennessee red cedar which is finished smoothly in a natural color. The top is hand polished and is handsomely bound with genuine copper trimmings and studded with brass nails. Interlocking joints as well as an inner molding on the lid make this chest absolutely dustproof, mothproof and vermin-proof.

This chest will save you much money every year for it will give perfect protection to your clothing, furs and valuable linens.

Four largest sizes are fited with Yale locks and all sizes are equipped with easy rolling casters. A large bag of cedar shavings included with each chest.

$15.95 Ivory Enamel Finish

Bed, Spring and Mattress

Complete Outfit Bed, Spring and Mattress

A BED, Spring and Mattress complete for about what you would expect to pay for the bed alone. It is more economical to buy a complete outfit than purchase the pieces separately. Built for perfect sleep and long service. 1½-inch continuous posts.

Mattress. Center filling of curly excelsior, top and bottom padded with heavy layers of good grade cotton felt. Covered in durable art ticking evenly and firmly machine tufted. Size, 54 by 76 inches. Actual weight, 45 pounds.

The comfortable steel fabric spring is included with bed. Fabric of spring elevated 6 inches above the side rails. The ends of the spring are fastened firmly to the frame by 58 highly tempered springs making a yielding comfortable bed. No side rails are required as the spring fits into head and foot of bed. Height, including casters: head end, 50 inches; foot end, 34 inches. Width, 54-inch only.

Couch Bed and Mattress

Felted Cotton Pad

This style Couch Bed is very popular, not only for its comfort giving features, but for the simplicity and ease with which it can be changed into a bed to comfortably accommodate two persons. Made in two sections, one sliding under the other out of sight, when used as a couch. With an easy pull it is quickly transformed into a bed. The frame is strongly constructed of angle steel. Both sections have a twisted link wire fabric spring which is attached to the frame at both ends by 52 strong coiled springs. The 18-pound mattress is made of genuine felted cotton, covered with a good grade of green denim and attractively tufted. Firmly sewed with box edges. It is hinged through the center and folds to fit the couch. Casters. Durable Gray Enamel finish bed. Size as couch, 24 by 72 inches; as bed, 45 by 72 inches. Height, 16½ inches. Shipping wt., couch bed and mattress, about 81 lbs.

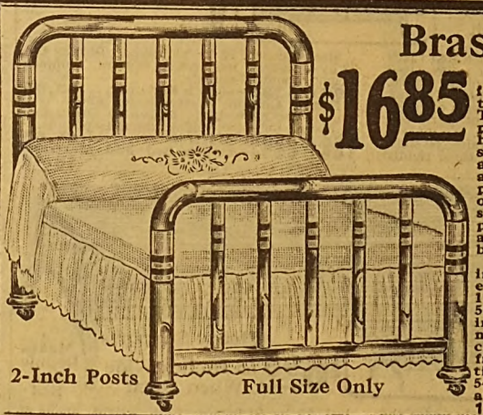
Brass Beds

$16.85



2-Inch Posts — Full Size Only

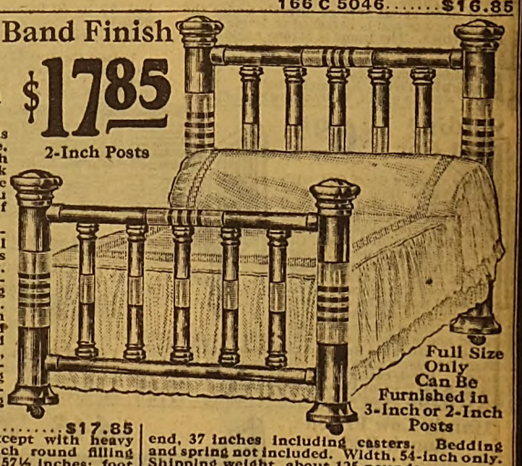
More beautiful, better in finish, and more durable than the average bed of this kind. The full size 2-inch continuous posts as well as the oval fillers have the popular ribbon band satin finish. The brass tubes are all steel lined for strength and service. This construction prevents denting and marring of the brass finish and greatly strengthens the bed. The pressed steel corner locks and angle iron side rails make the bed firm and rigid.

Two-inch posts, five 1¼-inch oval filling rods in each end. Bottom cross rod, 1¼ by 1 inch. Height of head end, 50½ inches; foot end, 33½ inches. Bedding and spring not included. Easy rolling casters. For estimated total freight charges see information at bottom of page. Width, 54-inch only. Shipping weight, about 80 pounds.

166 C 5046..... $16.85

Satin Ribbon Band Finish Four-Post Colonial Design

$17.85



2-Inch Posts

Full Size Only Can Be Furnished in 3-Inch or 2-Inch Posts

No Better Brass Beds are made than these. Compare our prices with what dealers usually ask and you will find that the same quality will cost you from one-third to one-half more than our low prices.

The attractive satin ribbon band finish on all posts and fillers produces a rich and striking effect. Made strictly of brass tubing with an inner tubing of steel, not easily dented.

Posts are 2 inches in diameter with 1-inch round filling rods. Height, head end, 55½ inches; foot end, 35 inches including casters. Bedding and spring not included. Width, 54-inch only. Shipping weight, about 91 pounds.

166 C 5120..... $17.85

Same as above bed except with heavy 3-inch posts, and 1¼-inch round filling rods. Height of head end, 57½ inches; foot end, 37 inches including casters. Bedding and spring not included. Width, 54-inch only. Shipping weight, about 125 pounds.

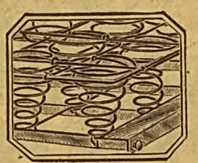
$22.95 Ivory Enamel Bed, Spring and Mattress

Comfortable Coil Spring 50-Pound All Cotton Mattress and Steel Bed



Coil Spring Construction

2-Inch Posts

THIS is one of our greatest bargains. A complete bed outfit that will give long years of service. More restful than many beds because of the deep coil springs with large tempered spiral coils held firmly in place by rigid supporting cross wires. Finished in Ivory Enamel, Vernis Martin (Gold Bronze) or American Walnut. Finishes are baked on and then given several coats of transparent lacquer. Two-inch continuous posts joined to 1⅛-inch bottom cross rods; five upright filling rods, ¾-inch in diameter. Side rails of spring have pressed steel corner locks and fit perfectly into grooves in corner posts. Height, head end, 50 inches; foot end, 34 inches. Easy rolling casters.

Mattress. Center of clean cotton, covered on top, bottom and sides with a thick layer of fresh genuine felted cotton insuring a comfortable sleeping surface. Machine tufted, imperial roll edge. Floral art ticking. Size, 54 by 76 inches. Actual weight, 50 pounds.

Bed, Coil Spring and Mattress. 54-inch (full size) only. Shipping weight, about 158 pounds.

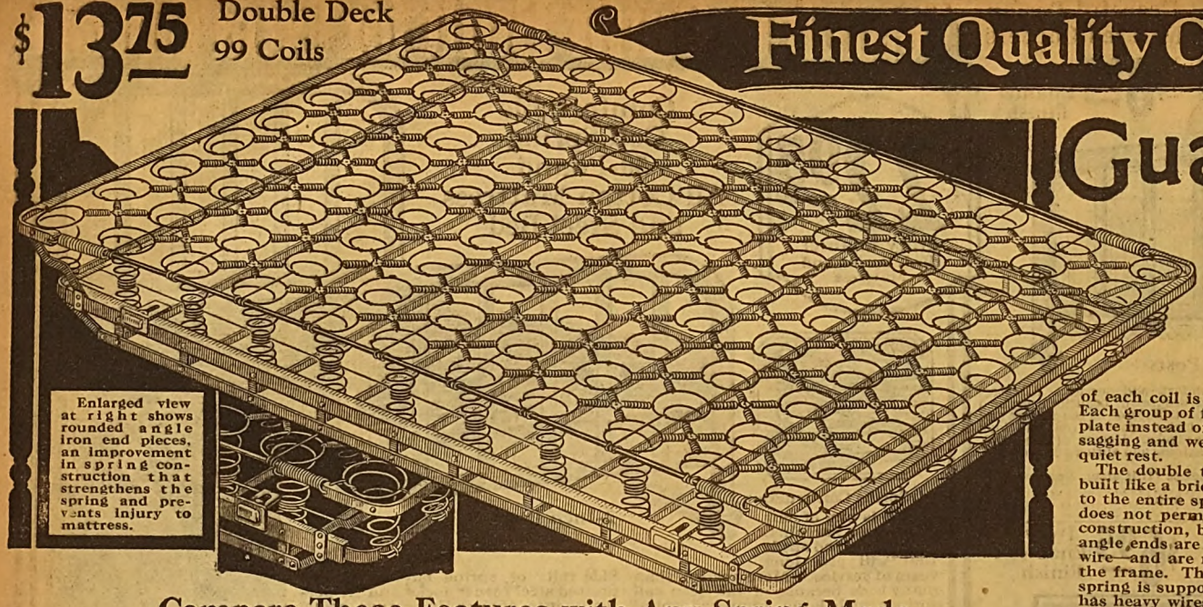
$13.75 Double Deck 99 Coils

Finest Quality Coil Spring

Guaranteed for 20 Years

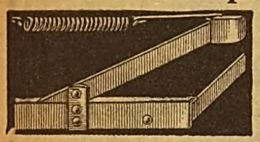


Enlarged view at right shows rounded angle iron end pieces, an improvement in spring construction that strengthens the spring and prevents injury to mattress.

WARD'S finest double deck Coil Bed Spring, guaranteed for 20 years of satisfactory service. The spring construction is composed of 99 double deck coils fitted with 320 cross coils. The heavy double deck coils which support and conform to every contour of the body are 9 inches deep. The top of each coil is firmly tied by four coiled cross springs. Each group of four springs is attached to a small square plate instead of being crossed. This prevents side sway, sagging and wear, does away with all noise and assures quiet rest.

The double truss bottom frame is an extra support built like a bridge to give greater comfort and strength to the entire spring. The shape of the bow end springs does not permit the use of this double truss bottom construction, but all other features are the same. The angle ends are rounded and made of steel—not simply wire—and are rigidly braced against the angle sides of the frame. The heavy border wire on each side of the spring is supported by large coils at each end, and also has heavy wires fastened securely to the second row of large coil springs on each side. These new features keep the edge of the spring in shape and prevent sagging.

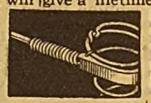
Compare These Features with Any Spring Made



Rigid Corner Braces prevent side sway, a fault often found in springs of inferior design and construction.

Sturdy Frame, which is essential to perfect comfort, is a feature not usually found in springs sold at this low price.

Ninety-Nine Double Deck Coil Springs of oil tempered Premier steel wire make this an exceedingly restful spring that will give a lifetime of satisfactory service.



Tempered Coil Springs hold the heavy side rods firm and level. No permanent sag can develop.

Small Coil Springs above, attached to a metal plate, connect the tops of the double deck coils.

Adjustable Brackets at each corner, make the spring suitable for use on wood or metal bedstead.

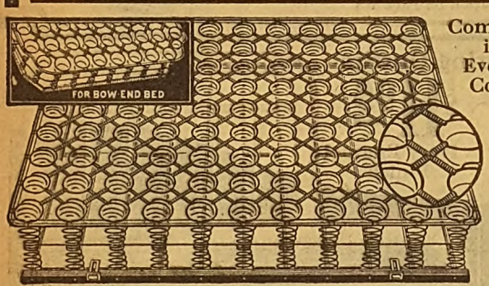
Flat Center Braces hold every double deck coil firmly in an upright position. Cross wires intertwine at the bottom of each coil. This construction absolutely prevents the coils from slipping and getting out of alignment.

Usually Retails for at Least $5 More

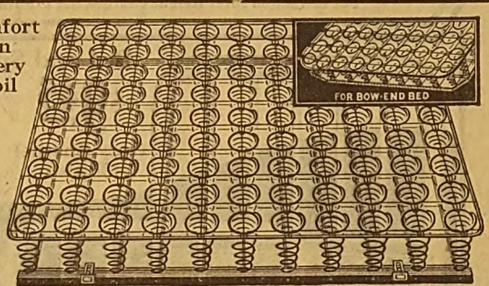
Compare every feature of this Spring with any other spring made and you will find that you actually save from $5 to $8 and in addition get better quality and greater comfort. Buying a good spring of this kind means an investment in added comfort and rest for at least 20 years. Fits any bed with wood or steel side rails and is furnished in two styles, for straight or bow end beds. Finished in washable baked on gray enamel that is sanitary and very easy to keep clean. Every part is of the very best construction and built to last. Shipping weights: 72, 77 and 83 pounds.

WIDTHS: 39, 48 or 54 inches. State width wanted. Read "How to Order" below.

166 C 5401—For straight end bed.....$13.75
166 C 5402—For bow end bed.....14.25



Comfort in Every Coil



99 Double Deck Coils In This Bed Spring $9.45

Much, if not all, of the refreshing vigor that follows a good night's rest is due to the spring on which you sleep.

This spring is built on the double deck principle which makes it flexible and holds it in shape after years of use. It has 99 nine-inch coils of heavy tempered steel wire, fastened at the bottom to flat cross rods, and connected at the top by coil springs. This makes the surface yielding and smooth. Center wires running lengthwise and crosswise, hold each coil firmly in position. Small coil springs at the top are inter-locked, making a surface that gives in all directions, yet holds its shape. A heavy border wire with rounded corners keeps the spring square and even. Adjustable side brackets permit the spring to be used on either wood or metal beds. Finished in gray enamel. Shipping weights: About 57, 67 and 74 pounds.

WIDTHS: 39, 48 or 54 inches. State width wanted. Read "How to Order" below.

166 C 5489—For straight end wood or metal beds..$9.45
166 C 5490—For bow end wood or metal beds..... 9.95

Reinforced Single Deck Spring—Heavy Wire Edges $5.95

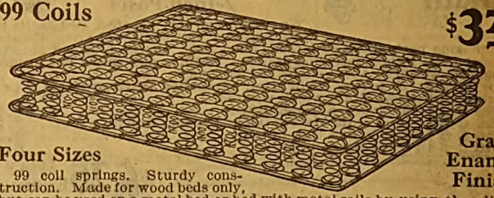
The strong angle iron frame is reinforced at the bottom by nine steel slats which brace the whole spring and give it much more supporting power. The 99 coils are fastened at the bottom to these and are firmly held in place at the top by heavy cross wires. A heavy border wire around the edges holds the spring in shape at all times. This is another part of the construction of this spring that insures long service under continuous use. You seldom find these features in a good spring sold at so low a price. This spring is made for both bow end and straight end beds—of either all wood, all metal or wood and metal construction. Five sizes, ranging from 36 to 54 inches, make it easy to fit any style or size of bed. Gray Enamel finish. Shipping weights: 40 to 54 pounds.

WIDTHS: 36, 39, 42, 48 or 54 inches. State width wanted. Read "How to Order" below.

166 C 5432—For straight end wood or metal beds.. $5.95
166 C 5430—For bow end wood or metal beds..... 6.45

Soft and Springy for Wood Beds

99 Coils $3.75



Four Sizes

Gray Enamel Finish

99 coil springs. Sturdy construction. Made for wood beds only, but can be used on a metal bed or bed with metal rails by using the adjustable slats shown at the bottom of the page. A heavy border wire edge holds the spring in shape and keeps the bed neat. For straight end wood beds only. Neat gray enamel finish is easy to clean. Shipping weights: 22 to 29 pounds.

WIDTHS: 40, 46, 50 or 52 inches. State width wanted. Read "How to Order" below.

166 C 5407.....$3.75

Five Sizes

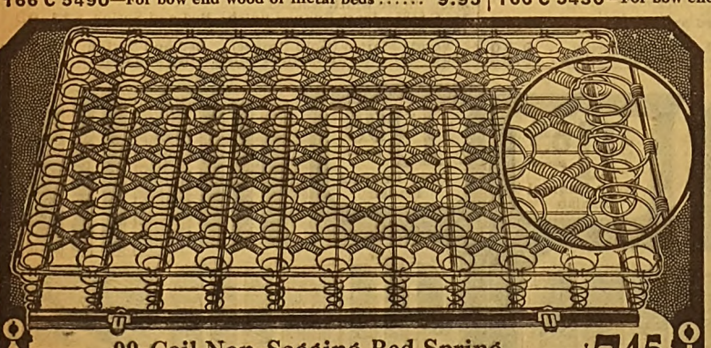
Low Priced $2.19

Heavy Border Wire

The sleeping surface of this Spring is composed of 120 steel coil springs tied at top and bottom with intersecting cross wires. Strong border wires around top and bottom edges hold spring in shape. For straight end wood beds only, but may be used on metal beds by use of the adjustable slats shown at bottom of page. Brown finish. Shipping weights: 15 to 25 pounds.

WIDTHS: 34, 40, 46, 50 or 52 inches. State width wanted. Read "How to Order" below.

166 C 5410.....$2.19



99-Coil Non-Sagging Bed Spring $7.45

This Spring invites the weary body to deep, restful sleep. Imagine your weight distributed over 99 deep, springy steel coils, held under constant tension by 160 connected spiral springs. These springs are firmly held in place by ten diagonal cross supports of 1-inch steel, made even more rigid by five connecting horizontal supports, holding the whole spring in firm position. This construction makes the entire surface of this bed one perfect unit that yields readily to the weight of the body. The steel coils are held at all edges by a 7/16-inch border wire which firmly supports the spring surface and prevents bending out of shape, loosening or sagging.

It is built on a 1⅜ by ⅞-inch steel frame. This fine spring is equipped with adjustable metal side brackets which permit it to be used on either metal or wood beds. Finished in Gray Enamel.

WIDTHS: 39, 48 or 54 inches. State width wanted. Shipping weights: 50, 57 and 60 pounds. Read "How to Order" at right.

166 C 5435—For straight end wood or metal beds.....$7.45
166 C 5436—For bow end wood or metal beds.....$7.95

Bow End Spring showing coils, spiral springs, heavy border wire and angle steel end.

How to Order

Bed Springs

It is easy to find the size you need. To determine the width of Spring for metal bed, simply measure from **outside edge** of one side rail to **outside edge** of other side rail. Springs for metal beds may be used also for wood beds with steel side rails.

To find the width spring required for wood beds with wood side rails, measure the length of one of the slats.

All our springs are standard length and will fit any bed.

General Ordering Instructions on Page 329.

It Is Easy to Order from Ward's

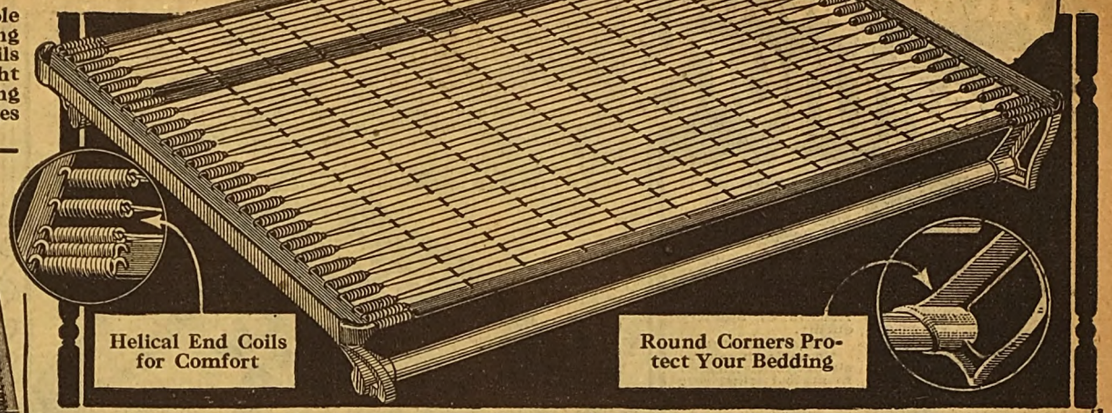
The Spring That Will Not Sag

Seven Strands Hollow Cable Wire

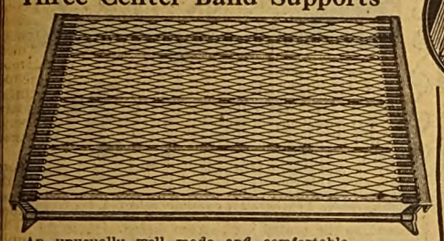
$6.95



Cable Fabric Sagless Wire Spring

THE sagproof construction of this Cable Fabric Wire Bed Spring insures long satisfactory service. The end helical coils hold cable wires firm and equalize weight over the entire spring, preventing sagging in any part. Steel side bands keep edges firm and straight.

Diamond Link Fabric Spring Three Center Band Supports



An unusually well made and comfortable Spring that will give you long service. Surface fastened to ends by 60 flexible coils. Five steel bands, each 1¼ inches wide hold the spring in shape and prevent sagging. Has 15/16-inch oval steel side rails. Malleable corner castings elevate the surface four inches above side rails. Gray enameled finish. For straight end metal beds only. Shipping weights: about 42, 45 and 49 pounds.

$4.45

WIDTHS: 39, 48 or 54 inches. State width wanted. Read "How to Order" on opposite page.

166 C 5314 ..... $4.45

For Bow End or Straight End Wood or Metal Beds

The twisted hollow steel wire cables made up of seven strands are more yielding than solid single wires, and the completed fabric is more pliable and comfortable. The wire cables are held together by clips and fastened to the steel ends of the frame by extra strong specially tempered coil springs. A broad, flat steel band takes the place of the cable on each outside edge so the spring will not sag down on the side rails when you sit on the edge of the bed.

These steel bands are held to the frame by two tempered springs at each end. They form part of the fabric surface and hold it in shape even after long service. The side rails are of 1½-inch oval steel tubing. Strong malleable iron castings are practically indestructible, and have double shanks (see small illustration at right) for connecting the side rails to the angle steel ends strongly and securely. The sleeping surface is elevated 6 inches above the side rails. Finished in French Gray Enamel baked on. Shipping weights: about 48, 52 and 55 pounds.

WIDTHS: 39, 48 or 54 inches. State width wanted. Read "How to Order" on opposite page.

166 C 5310—For straight end wood or metal beds..... $6.95
366 C 5311—For bow end wood or metal beds..... 7.95

Ward's All New Clean Selected Feathers

Purified by Special Process

Hen Feathers
By our special process of handling, Hen Feathers are curled and made soft and fluffy, and you may be sure when you buy hen feathers from us they will give more comfort than might be expected of similar feathers of ordinary quality.

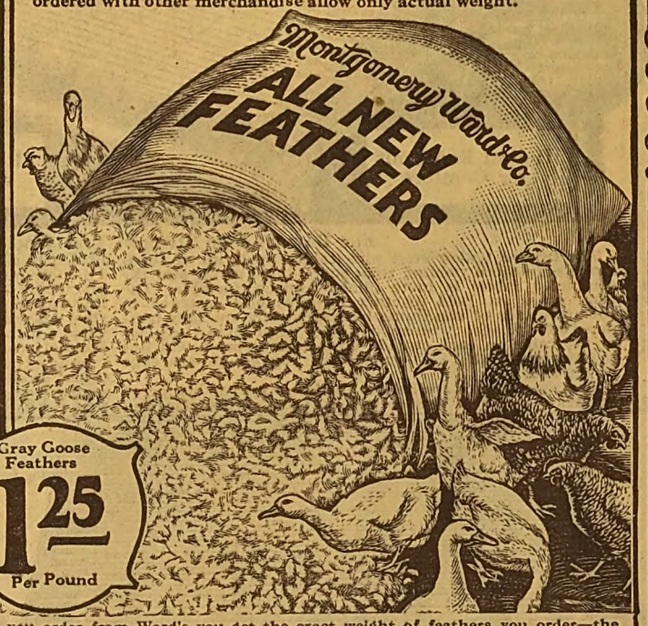
Goose Feathers
Goose Feathers have all the qualities needed to make lasting, soft pillows and are often mixed with duck or hen feathers in making feather beds and pillows. Goose feathers are light and airy and will not become flat or lumpy.

Duck Feathers
The Downy plumes of Duck feathers are used for our best pillows. They are soft, yet retain a springy curl and do not cling together as the down feathers of some fowls. In producing high grade pillows we often mix duck feathers with goose, or with goose and hen as their buoyant properties liven any mixture with which they are used.

WARD'S Imperial Pillows are made in one of the most modern and most sanitary pillow factories in the country. After Imperial Feathers are steam sterilized they are dried quickly by powerful fans. This fast drying process also curls every feather. And while the air blast is blowing them about the drying room, all loose quills, pin feathers, scales and other hard cuticle, drop through screens in the floor. The feathers are left a downy heap, light, soft, fluffy and clean. No scalded or butchers' feathers are used in Ward's Imperial Pillows.

We remove all quills, stems and heavy feathers, which makes more downy feathers, plumper pillows and more comfort pound for pound and dollar for dollar. All Ward's pillows comply with the sanitary bedding laws of all states.

Add 2½ pounds to weight of pillows shipped in package alone. If ordered with other merchandise allow only actual weight.



Gray Goose Feathers
$1.25 Per Pound

Bulk Feathers To Renew Your Old Pillows

When you order from Ward's you get the exact weight of feathers you order—the bag is not weighed in. The weight of the bag would make quite a difference if it were counted as part of the weight of the feathers. Our feathers are weighed entirely separate from the bag and you get your full money's worth.

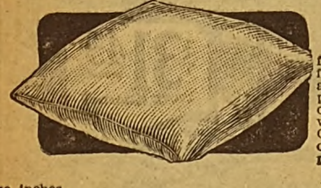
All the feathers listed below represent the best and truest values possible, because we describe the exact kind and quantity of feathers in every instance. All feathers absolutely free from quills, pin feathers, coarse feathers, and scales. They make plumper, softer ticks and pillows. For shipping weight of bulk feathers, add from 2 to 8 ounces to actual weight.

Exact Proportion of Feather Mixtures

	Net Weight of Feathers				
	1-Pound Bag	2-Pound Bag	3-Pound Bag	5-Pound Bag	10-Pound Bag
Hen Feather Mixture. About one-quarter white and three-quarters colored. All new, dry picked, pure, clean and odorless. Treated by our special process, making them exceptionally buoyant. **466 C 5905**	$ .25	$ .50	$ .75	$1.25	$2.50
Light Colored Hen Feathers. Good quality mixture of two-thirds white and one-third colored Hen Feathers, all especially treated and curled. These are the best Hen Feathers obtainable. **466 C 5906**	.39	.78	1.17	1.95	3.90
Duck and Hen Feathers. Mixture of equal parts of Duck and Hen Feathers, make very comfortable pillows or feather beds. Specially treated. **466 C 5904**	.63	1.26	1.89	3.15	6.30
Colored Duck Feathers. Highest quality Colored Duck Feathers are all clean, new and buoyant, and specially treated. Will make soft, comfortable pillows. **466 C 5907**	.98	1.96	2.94	4.90	9.80
Goose and Duck Feathers. Mixture of one-half Gray Goose and one-half Colored Duck. As for buoyancy and comfort, a high quality mixture. All new, clean, dry picked feathers. **466 C 5909**	1.18	2.36	3.54	5.90	11.80
Gray Goose Feathers. The highest quality obtainable, except for the color. Absolutely clean, new, soft and springy. Have great buoyancy. **466 C 5911**	1.25	2.50	3.75	6.25	12.50
White Goose Feathers. Fleecy, buoyant, in the highest degree. All new, clean and the pick of all Goose Feathers. Light and springy, our finest grade. **466 C 5912**	1.33	2.66	3.99	6.65	13.30

Duck and Goose Down in Bulk

Duck Down. Two-thirds Genuine Duck Down with one-third Hen Down. All new, clean, dry picked, curly. **466 C 5913**	1.25	2.50	3.75	6.25	12.50
White Down. A mixture of one-half White Goose Down with one-half White Hen Down. Really exceptional softness and buoyancy at a price made possible by the use of the Hen Down. **466 C 5914**	1.65	3.30	4.95	8.25	16.50



Sofa Pillows 29¢

The Mattress With the Longer Life

Extra Layer of Cotton Felt in Center

Here Is the Secret of Its Longer Life and Greater Comfort

THIS illustration shows how Master-Made extra center filled Mattresses are constructed. After the regular mattress has been built to size, with layer upon layer of fine felted cotton, the center is padded with additional layers of cotton, which builds up the mattress just enough to make a smooth, even sleeping surface when the bed is occupied. This extra padding means longer wear and greater comfort.

$11.95
50-Pound

3-Row Side Stitching

Drill Ticking Every Quality Feature That Makes a Mattress Lastingly Comfortable

Extra Padding

This Mattress is built to give greater comfort and longer service than any other mattress at its price. It is made of layer upon layer of clean, new, carefully selected felted cotton, with extra layers of padding at the center where the hardest wear comes. Close machine tufting holds this filling firmly in place so it does not thin, lump or sag. The heavy Imperial roll edge and triple rows of side stitching insure a trim, permanently firm shape. Rounded corners and strap handles make it easy to turn. Strong drill cover. Shipping weight, 3 pounds more than actual weight.

Article Number	Size	Actual Weight	Each
166 C 5658	54 by 76 inches	50 pounds	$11.95
166 C 5659	48 by 76 inches	54 pounds	11.85
166 C 5660	39 by 76 inches	35 pounds	11.75

4-Row Side Stitching

Extra Filling in Center $13.95

Scientifically constructed of new, clean materials, this Mattress will retain its comfortable softness for years.

Fluffy layers of best quality new felted cotton are built together into a soft, springy, cushion like body. On top of this is soft cotton padding, built up from the edges to the center, so the mattress is heaviest and most springy where the greatest wear comes. This prevents thinning or lumping, and assures an even cushion for the body, which is necessary for healthful, restful sleep.

This mattress is machine tufted and has an extra deep Imperial roll edge with four rows of side stitching to hold its firm shape. Covered with strong, floral art drill ticking with plain sateen border. Rounded corners and strap handles make it easy to turn.

This is one of our very best mattresses and we are glad to recommend it to our customers not only for its comfort, but because it is a fine value. Shipping weight, 3 pounds more than actual weight.

Article Number	Size Inches	Actual Weight	Each
166 C 5655	54 by 76	50 pounds	$13.95
166 C 5656	48 by 76	45 pounds	13.70
166 C 5657	39 by 76	35 pounds	13.40

$9.98
50-Pound

Extra Center Padding Means More Comfort—More Wear No Hollow Spots

Built with exactly the same care as the higher priced models. Layer upon layer of clean, fluffy, springy felted cotton with extra padding in the center, makes it strongest where the wear is greatest, insuring far longer service than you usually get from a mattress at this price. Just as comfortable and restful a mattress is selling at a much higher price. The best mattress you can buy at this price. Uniformly machine tufted, which prevents lumping or hollow spots. Made with heavy roll edges, and neat rounded corners. Strap handles make it easy to turn. Stout drill cover is in attractive floral design. Shipping weight, 3 pounds more than actual weight.

Article Number	Size	Actual Weight	Each

Lots of Comfort at a Low Price

Roll Edge

We consider this one of our very best values in a low priced all felted cotton Mattress, for it has all the Master-Made quality features which insure comfort and long life. Made of soft, sanitary felted cotton, uniformly machine tufted, and covered with a firm, durable art ticking. This mattress is built with the same care and exactness as our higher priced mattresses. It is the best quality, we believe, that has ever been sold at so low a price. You will pay much more elsewhere for equal quality. Its neat rolled edges, rounded corners, and firm, level surface give it the appearance of mattresses selling at a much higher price.

We recommend this mattress wherever a comfortable all felted cotton mattress is desired at a low price. Good quality floral art ticking. You will find it an unusual value. Ship. wt., 3 lbs. more than actual weight.

Number	Size Inches	Actual Weight	Each
166 C 5630	54 by 76	50 lbs.	$7.85
166 C 5631	48 by 76	45 lbs.	7.75
166 C 5632	39 by 76	35 lbs.	7.65

All Cotton Felt Top and Bottom

We take special care in the making of these low priced Mattresses. You will find that this one will give you a comfortable bed and long service.

Every inch of it is made from new, clean material, which conforms to the sanitary bedding laws of every state. The center is of clean cotton material, covered at top, bottom and sides with fresh, genuine felted cotton. Only the best materials, the most careful workmanship and the cleanest filling is used in making this mattress. Quality and comfort are the outstanding features at a low price. This filling will not lump; for close uniform machine tufting holds it securely in place. The neat rolled edges and rounded corners give a trim looking bed, and the strong, firm stitching insures long wear. Covered with good art ticking in a pretty floral design. Shipping weight, 3 pounds more than actual weight.

Genuine Kapok Moistureproof Verminproof

Kapok is a pure vegetable product grown in the East Indies. This Mattress material is soft and silky in texture, fluffy and clean and also moisture-proof and vermin-proof. It makes the lightest, softest mattress possible to build, combining strength and long life with lightness, ease of handling and great comfort. These features have made Kapok recognized as the most comfortable mattress filling known.

Ward's Kapok mattresses are Master-Made throughout which means the very best of materials are used and an exceptionally high grade of workmanship guarantees your absolute satisfaction. Durable floral art drill ticking. It is closely machine tufted, made with heavy Imperial roll edges, and rounded corners. Strong strap handles are stitched to the edges of the larger sizes to make them easy to handle.

The full size Kapok mattress weighs 20 pounds less than a felted cotton mattress. Ship. weight, 3 pounds more than actual weight.

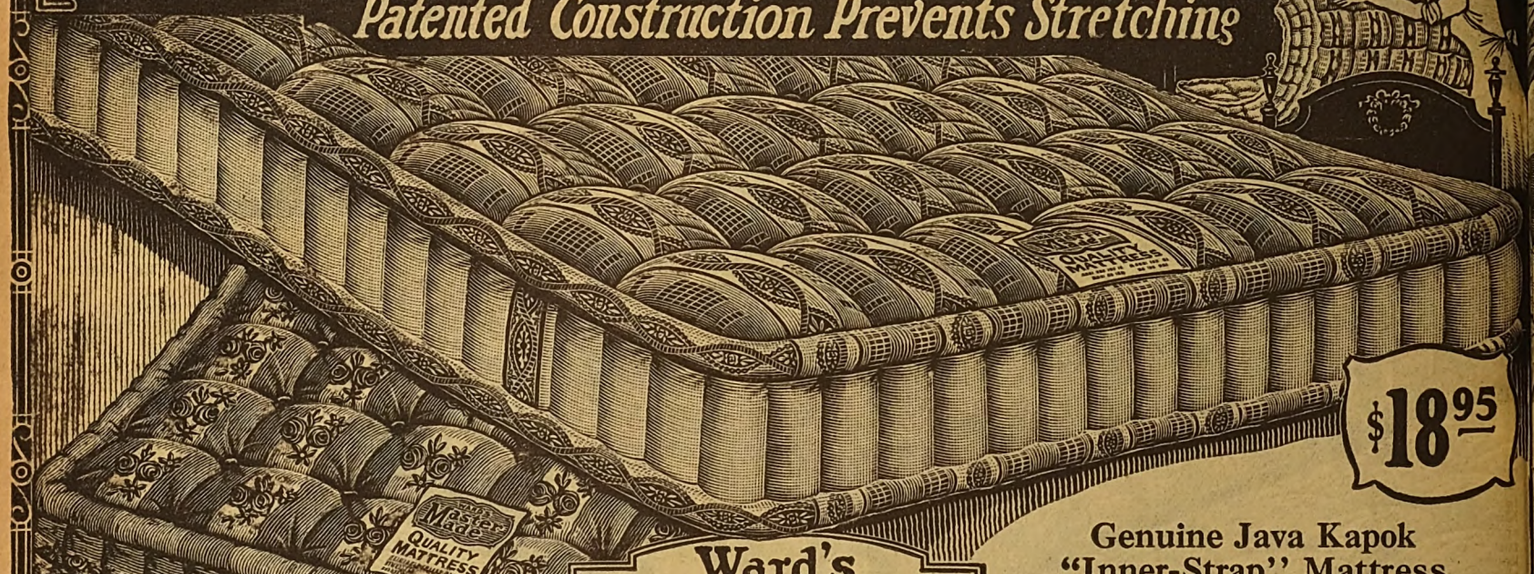
The Mattress That Holds its Shape

Patented Construction Prevents Stretching



$18.95

$22.95

Four Row Side Stitching

33-Pound Genuine Java Kapok Mattress

A larger, thicker and heavier Mattress than you usually find with genuine Japara kapok filling. It weighs 3 pounds more than the usual good kapok mattress and the difference is easily noticeable in the increased comfort and restfulness it provides. Inner-Strap construction.

Four rows of side stitching keep the edge springy and firm. The heavy sateen floral art ticking makes a beautiful appearing mattress. All corners are neatly rounded. Because of the roll edges on both top and bottom, beds are easier to make and mattress always has a trim appearance. It is so light you can turn it over every day almost as easily as a comforter. Loops sewed on the sides make it still easier to handle. Tightly packed filling yet very soft and springy. Remember, this is not a cotton felt mattress—kapok is much softer, lighter and more fluffy than cotton. Shipping weight, 3 pounds more than actual weight.

Article Number	Size	Actual Weight	Each

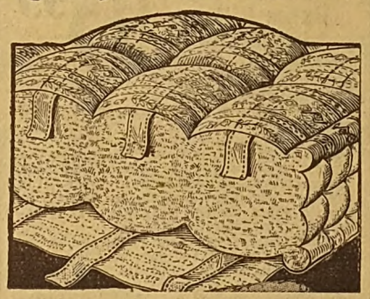
Ward's Exclusive Mattresses

Why they will never stretch



EVERY Master-Made Inner-Strap Mattress will remain true to shape and will not sag in one place, bulge in another or overhang the edge of the bed. Inner-Strap construction assures you a mattress that will always retain its original form.

Wide, reinforced bands are sewed on the inside of the ticking on both top and bottom, preventing the mattress from spreading or widening. These straps hold the filling in place and prevent bulging or unevenness. The mattress will always remain soft and comfortable. This construction is more expensive than the ordinary kind, but it insures greater comfort and gives your bed a neater appearance.

Genuine Java Kapok "Inner-Strap" Mattress Soft—Fluffy—Downy

A light weight, soft, buoyant Kapok Mattress that gives you every sleeping comfort you could possibly desire. Made with genuine Inner-Strap construction assuring you that it will hold its shape through constant use. Kapok, sometimes called silk floss, is a pure, clean vegetable product of fine, silky material which comes from the rendoe tree in Java. This remarkable mattress filling is fluffy as cotton and as soft as down. The reasons for its popularity as a mattress filling are many. The extremely light weight makes the mattress easy to turn and handle. Fine for outdoor sleeping because kapok does not absorb moisture, in fact, it sheds water like a duck's back. And being a vegetable product objectionable to vermin, you are never troubled with bugs or vermin, which in itself is a great advantage. With a kapok mattress you can be sure of the greatest sleeping comfort as it remains soft and pliable. Where a good light weight mattress is desired, kapok has no superior.

Light in Weight—Easy to Handle

This 30-pound kapok mattress is equal in size to a full 50-pound felted cotton mattress and is more yielding. Because of this light weight you can turn it almost as easily as a comforter. Four loops sewed on the sides make turning even easier. The Imperial roll edge keeps the sides of your bed trim and neat. Attractive floral art drill ticking with plain sateen border of a good quality covers the mattress. Shipping weight, 3 pounds more than actual weight.

Article Number	Size	Actual Weight	Each
166 C 5762	54 by 76 inches	30 pounds	$18.95
166 C 5763	48 by 76 inches	27 pounds	18.65

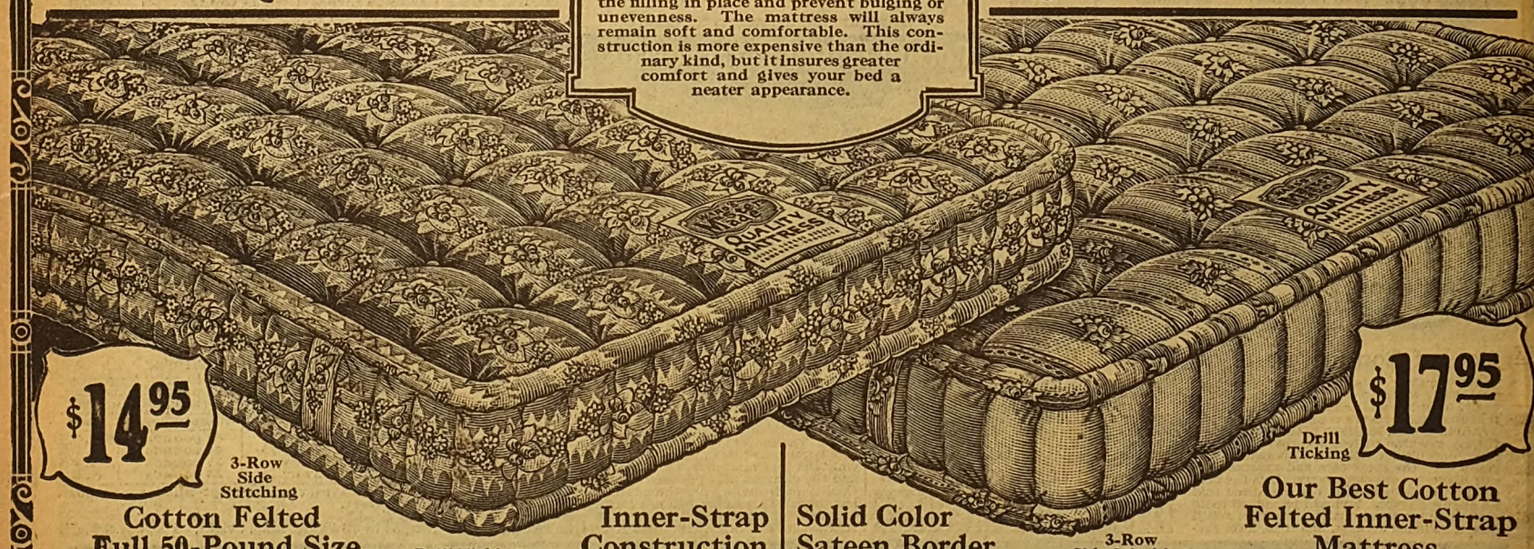
Layers of Pure Cotton Felt



$14.95

3-Row Side Stitching

$17.95

Drill Ticking

Cotton Felted Full 50-Pound Size

See how uniformly and evenly spaced are the tufts on these Mattresses. The rows of smoothly rounded, cushiony tufts on which your body lies make your bed much more comfortable and springy than possible with an average mattress. These tufts can not sag, and you know that helps much to make your bed neat looking.

Every Master-Made Mattress with Inner-Strap construction will remain always true to shape and will not sag in one place, bulge in another, or overhang the bed. This method of construction assures a mattress that will always retain its original form. The Imperial roll edge makes our mattresses more durable and attractive, and helps them to hold their shape. That, together with the Inner-Strap construction, is why we guarantee to replace any mattress on this page if it spreads or widens.

Each mattress that we sell is guaranteed to be made of the best materials possible for the money invested. We use nothing but new, sanitary fillings.

Drill Ticking

Inner-Strap Construction

This popular mattress has a floral art drill ticking. The material and handsome floral art design are the same in the border as in the cover. This mattress weighs 50 pounds and is filled with a select grade of felted cotton. It also has the Imperial roll edge with 3 rows of side stitching which keeps the mattress in shape. It is firmly and neatly sewed all around. A high grade mattress that you can use for years and which will prove its excellent value every year you use it. Shipping weight, 3 pounds more than actual weight.

Solid Color Sateen Border

3-Row Side Stitching

Nothing is more invigorating or refreshing than a good night's sleep. Without restful sleep you can not have perfect health. The one thing most important to restful sleep is comfort. And comfort in sleep can be found only if you have the proper sleeping foundation.

One night's sleep on a Master-Made Mattress will convince you that with this mattress you can enjoy sound, refreshing sleep. It is made of many thicknesses of pure fluffy cotton, fresh and clean, felted into smooth even layers. These layers are built one upon the other to form a deep, downy mass, then compressed to the proper thickness to give a soft, yielding, restful surface.

It has extra heavy drill ticking with an attractive floral design. The handsome sateen border is in a solid color and harmonizes beautifully with the ticking. The Imperial roll edge with its three rows of side stitching—an extra row, by the way—gives you a better looking mattress with a firm edge, as well as one that makes a neat appearing bed. Side hand loops at each corner of the mattress make it easy to remove or turn over. This mattress has all of the qualities which are necessary for securing perfect, restful sleep.

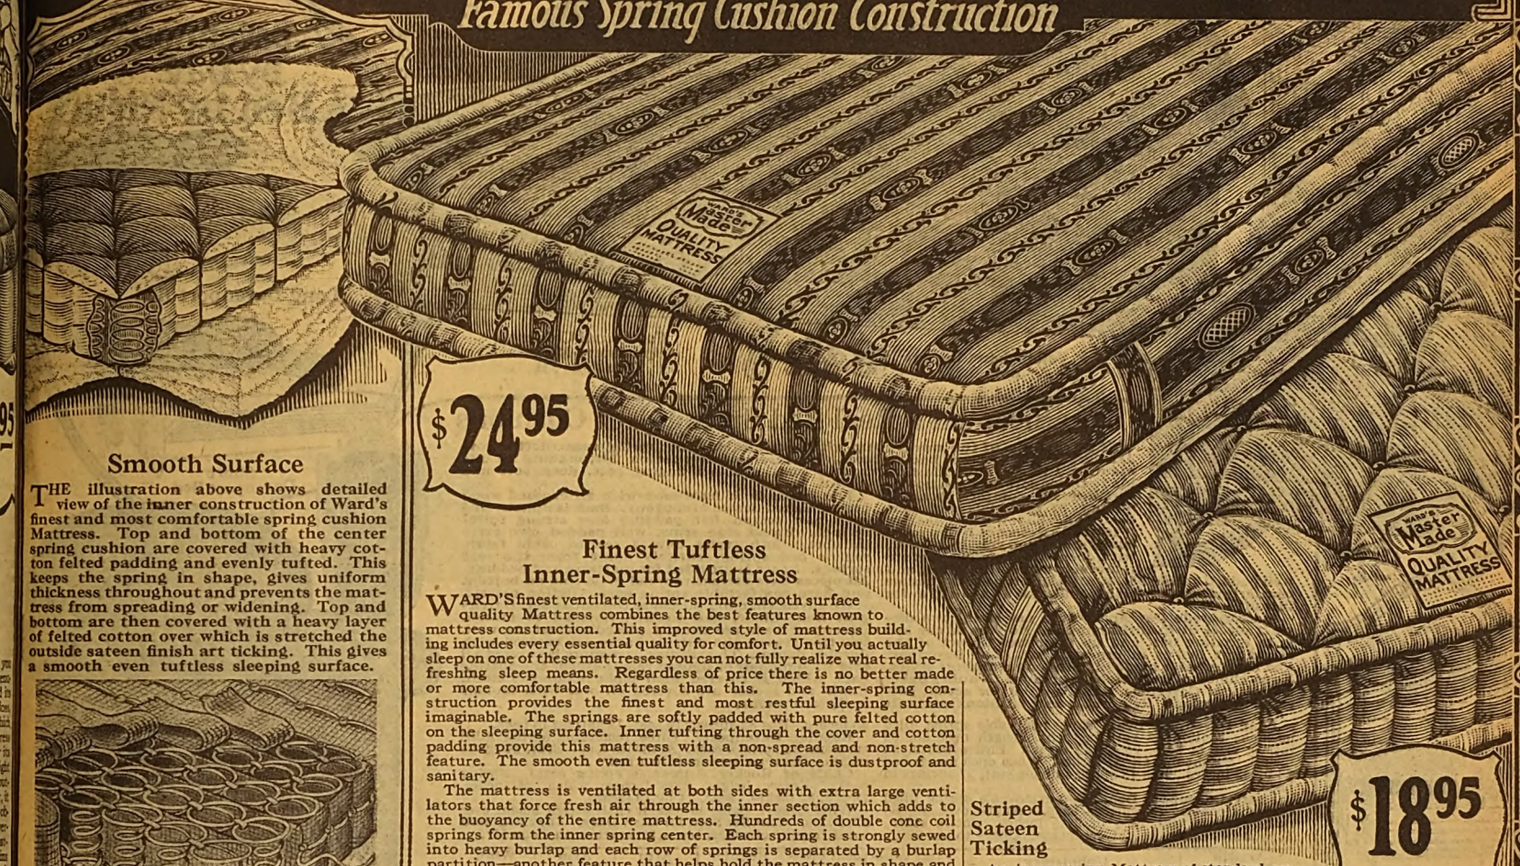
Most Comfortable Mattress Made

Famous "Spring Cushion" Construction



$24.95

Smooth Surface

THE illustration above shows detailed view of the inner construction of Ward's finest and most comfortable spring cushion Mattress. Top and bottom of the center spring cushion are covered with heavy cotton felted padding and evenly tufted. This keeps the spring in shape, gives uniform thickness throughout and prevents the mattress from spreading or widening. Top and bottom are then covered with a heavy layer of felted cotton over which is stretched the outside sateen finish art ticking. This gives a smooth even tuftless sleeping surface.

Spring Filled Cushion Center

The spring cushion center is composed of hundreds of oil tempered steel springs securely fastened and tied four ways, both top and bottom making eight connections to each spring. These springs are covered with strong burlap. Each row of springs is separated by a burlap partition. These springs are noiseless and and very yielding.

Finest Tuftless Inner-Spring Mattress

WARD'S finest ventilated, inner-spring, smooth surface quality Mattress combines the best features known to mattress construction. This improved style of mattress building includes every essential quality for comfort. Until you actually sleep on one of these mattresses you can not fully realize what real refreshing sleep means. Regardless of price there is no better made or more comfortable mattress than this. The inner-spring construction provides the finest and most restful sleeping surface imaginable. The springs are softly padded with pure felted cotton on the sleeping surface. Inner tufting through the cover and cotton padding provide this mattress with a non-spread and non-stretch feature. The smooth even tuftless sleeping surface is dustproof and sanitary.

The mattress is ventilated at both sides with extra large ventilators that force fresh air through the inner section which adds to the buoyancy of the entire mattress. Hundreds of double cone coil springs form the inner spring center. Each spring is strongly sewed into heavy burlap and each row of springs is separated by a burlap partition—another feature that helps hold the mattress in shape and makes the spring action absolutely noiseless. Covered in a high grade woven striped sateen and made with Imperial Roll edge. Easily handled as special hand grips are sewed into each corner. Each mattress securely wrapped and crated and shipped to reach you in perfect condition.

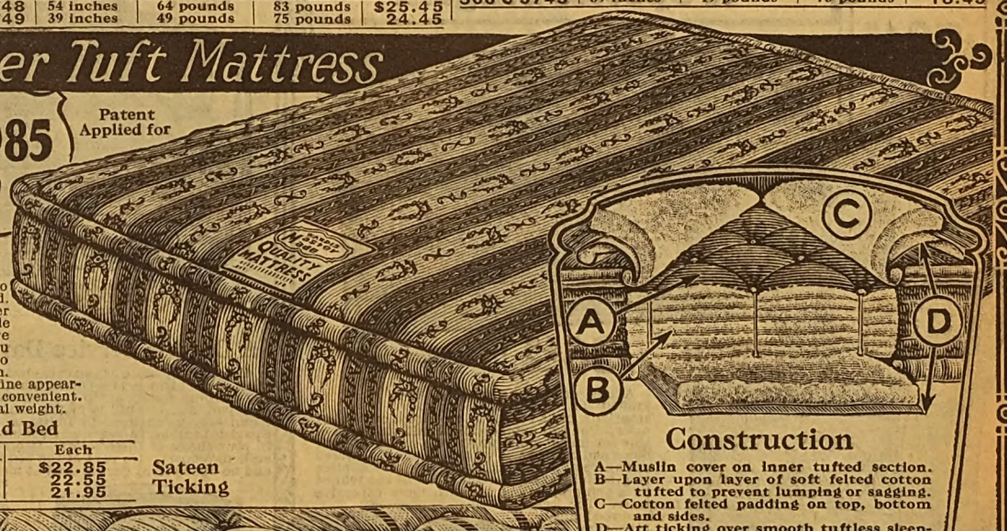
Smooth Surface Inner Tuft Mattress

$22.85

Patent Applied for



Ward's Exclusive Sanitary, Tuftless Sleeping Surface

A new and better Master-Made Mattress combining all the advantages of our famous inner-strap construction with no exposed tufts. This inner tufted mattress is not only superior to tufted mattresses but is also more comfortable and better made than mattresses with a smooth surface having no inner tufting. It will not spread because the cotton will not become loose or lumpy as mattresses without the inner tufting.

Many layers of clean, sweet, high grade new cotton felt are built into a soft, fluffy mass and covered with a heavy quality muslin and tufted. Then cotton felt is placed over the billowy tufting, forming an under surface padding. By this simple process the inner tuft mattress is made perfectly smooth and will not lump or get out of shape. After you have used this mattress and enjoyed its comfort you will wonder how you could ever be satisfied with any other style of mattress. There are no exposed tufts to become filled with dust or get in an unsanitary condition. The Imperial roll edge and neatly rounded corners add much to its fine appearance. Strong sewed on side handles make turning the mattress easy and convenient. Sateen finished art ticking. Shipping weight, 3 pounds more than actual weight.

Sateen Ticking

Construction

A—Muslin cover on inner tufted section.
B—Layer upon layer of soft felted cotton tufted to prevent lumping or sagging.
C—Cotton felted padding on top, bottom and sides.
D—Art ticking over smooth tuftless sleeping surface.

Canadian Sea Moss Roll Edges

$6.95 — 45 Pounds

A good grade Mattress that will give service and comfort equal to others costing much more. Center filling of Canadian sea moss, a vegetable fiber of great value in the building of low priced mattresses. It is a strong curly fiber which will not lump. The layer of curly sea moss is overlaid on top, bottom and sides with clean, new, felted cotton covered with fancy art ticking. Roll edges. Shipping weight, 3 pounds more than actual weight.

Article Number	Size	Actual Weight	Each
166 C 5520	54 by 76 in.	45 pounds	$6.95
166 C 5521	48 by 76 in.	40 pounds	6.85
166 C 5522	39 by 76 in.	33 pounds	6.75
166 C 5523	36 by 76 in.	30 pounds	6.65

Cotton Felt Top and Bottom

$5.65 — 45 Pounds

A Mattress that has been priced low but will give good service and long wear. Center filling of this mattress is curly excelsior. On both sides, and top and bottom of mattress are heavy layers of good grade cotton felt, covering the center layer completely and insuring a soft comfortable bed. Covered with durable woven ticking evenly and firmly machine tufted. Shipping weight, 3 pounds more than actual weight.

Article Number	Size	Actual Weight	Each
166 C 5609	54 by 76 in.	45 pounds	$5.65
166 C 5610	48 by 76 in.	40 pounds	5.55
166 C 5611	39 by 76 in.	33 pounds	5.45

Our Lowest Priced Mattress

$4.48

Our lowest priced Mattress made with care and just as comfortable as many selling at a higher price. Made of new clean excelsior, very curly and springy, with layers of felted cotton on top, making a comfortable soft sleeping surface. The ticking is a durable grade of striped woven material. Deep, uniform machine tufting. Shipping weight, 3 pounds more than actual weight.

Article Number	Size	Actual Weight	Each

Ward's Master Made Saves the Cost of an Extra Bedroom

Genuine Baker Cut Velour or Mohair

Velour Long Davenport Bed $84.75

For Actual Colors of Upholstery Material See Page 541

A Davenport by Day A Bed by Night

Long Davenport Bed

Short Davenport Bed

$31.95

You Sleep on a Real Bed Spring; Not Cushions

MADE by one of the world's largest and best known manufacturers. This Master-Made Davenport Bed can not be equalled for comfort, beauty, quality of materials and construction, and low price. By day it is as fine a piece of living room furniture as you could wish for, with deep soft cushions that are removable and spring filled, and well padded spring backs. At night it provides a most comfortable bed which is always available for instant use.

Master-Made Davenport Beds are really two distinct pieces of furniture in one. No part of the bed is in daytime use, and no upholstered part of the Davenport Bed is in use at night. The Davenport Bed illustrated is made in both long and short styles. Your choice of two Mohair or three Genuine Baker Cut Velour Coverings. See Page 541 for actual patterns and colors. Removable seat cushions are built up with comfortable inner spring construction covered with layers of new cotton felt, making an unusually comfortable lounging seat, deep, soft and restful.

The frame is of hardwood with all exposed wood parts finished Brown Mahogany. Back is upholstered with new cotton felt padding over strong spiral springs. Broad side arms, well padded give extra comfort. Both styles have a restful cable fabric sagless bed spring, entirely apart from the seat springs. Space is provided for mattress and bedding. All pieces have attractive wood moulding on bottom and have comfortable spring edge. Gliding casters.

We advise that you purchase the entire set, Davenport Bed, Chair, and Rocker, finished to match. Davenport beds are usually placed against the wall. For this reason the outside backs are covered with durable denim. The regular davenport is covered all over with mohair or figured velour except the outside back which is covered with plain velour to match. Chair and rocker are covered all over with mohair or figured velour.

Long Davenport Bed. Three removable spring filled cushions contain 42 springs each. Length over all, 92 inches; size of seat, 76 by 23 inches. Entire width, 35 inches. Height overall, 34 inches. When open makes bed 72 by 48 inches. Has 48 springs in the seat, 27 springs in back.

Short Davenport Bed. Two removable spring filled cushions contain 56 springs each. Length over all, 68 inches; size of seat, 52½ by 21½ inches. Entire width, 32½ inches; entire height, 34 inches. Opens to bed 72 by 48 inches. Has 32 springs in seat, 12 springs in back.

Regular Davenport. Three removable spring filled cushions, 36 springs each. 81 inches long. Seat, 64 by 21 inches. Does not convert into a bed.

Chair or Rocker. Removable spring seats. Spring backs. Entire height, 32½ inches; width, 34 inches. Depth, 32 inches. Seat, 21 by 19 inches.

Wing Chair. Same as regular chair except height over all, 36 ins. **This Set Sold for Cash Only. For estimated total freight charges, see information on Page 517.**

A Special Bargain

$78.45 3-Pieces Complete

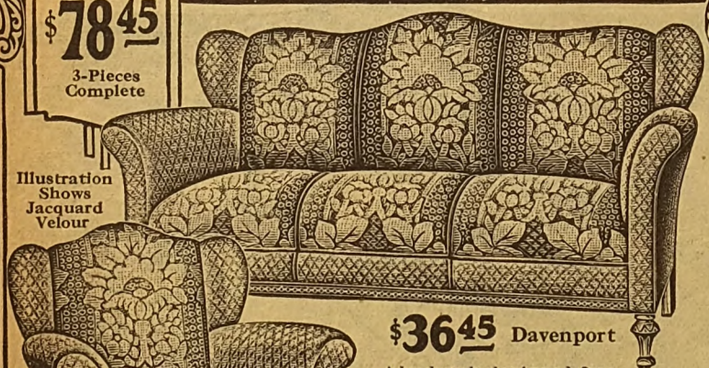

Illustration Shows Jacquard Velour

$36.45 Davenport

A handsomely designed Overstuffed Living Room Set, substantially built to sell at an exceptionally low price. You will appreciate the unusual value of this set much more when you see it in your home and compare it with similar sets offered elsewhere at much higher prices. Each piece is gracefully shaped, and has all of the refined lines and proportions of much more expensive furniture. The legs are hardwood, finished Mahogany and made in Tudor period style. The comfortable backs and seats are filled with spiral steel springs, heavily padded with clean cotton. Your choice of Figured Blue Jacquard Velour, with arms and front in plain Jacquard or Figured Blue Genuine Baker Cut Velour all over. The Davenport is covered all over with Jacquard Velour or Blue Genuine Baker Cut Velour, except on the outside back which is covered with plain Velour to match. Rocker and chair are covered all over with Jacquard Velour or Blue Genuine Baker Cut Velour. All pieces shipped taken apart to save you freight. Easily set up. For estimated total freight charges, see information on Page 517.

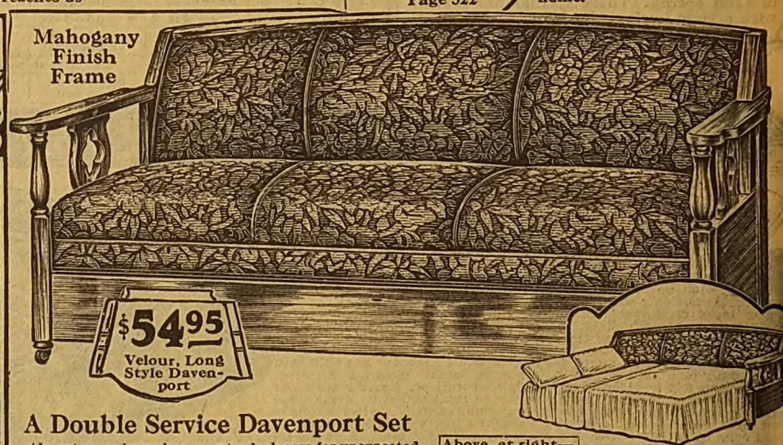
Mahogany Finish Frame



$54.95 Velour, Long Style Davenport

A Double Service Davenport Set

Almost every home has an extra bedroom for unexpected guests. At night it is a comfortable double size bed. In the morning simply grasp the convenient strap, give an easy pull, and the bed is folded completely out of sight. Beautifully upholstered in Imitation or Genuine Brown Spanish Leather Tapestry or Genuine Baker Cut Velour, in your choice of three colors. It occupies no more space than the old style davenport. No part of the bed is visible or in use during the day and no upholstered part is used at night. Master-Made davenport beds and upholstered chairs are the product of a famous manufacturer and built of the best materials. Our prices are from one-third to one-half less than the average retail prices. The frame is of select hard wood finished Brown Mahogany. Equipped with noiseless glides.

A Davenport by Day—A Bed at Night

THE beauty of a Living Room Set combined with the added convenience of a spare bed when the occasion arises. Or if you prefer this set may be had with the regular stationary davenport. Picture how much more comfortable and inviting your home will be, with these pieces with their gently arched backs, gracefully curved arms, and distinctive Queen Anne style feet. All seats have excellent springs built into the frames—springs specially made to give the utmost comfort and lasting service. Each removable seat cushion contains many high grade spiral wire springs placed close together and securely tied and heavily padded. All seats have soft spring edges. All exposed wood parts finished in Brown Mahogany. Covered in figured Baker-cut velour (as illustrated) in blue, brown or taupe or in floral design tapestry in blue, gold and old rose. Mohair sets are upholstered in rose taupe, a walnut brown. For actual colors of upholstery materials, see Page 541.

Tapestry sets are covered with the same material all over except bed davenport which has durable denim outside back. Figured velour and mohair sets are covered with figured Baked-cut velour or figured mohair except outside back of regular davenport which is covered with plain velour to match and bed davenports which have outside backs covered with durable denim. For estimated total freight charges see table at bottom of page.

Master-Made Construction Means Comfort

Davenport Bed. This davenport is 90 inches in length and 36 inches in depth overall. Size of seat, 76 by 23½ inches. 48 springs in seat, 27 springs in back and 42 springs in each removable seat cushion. Opens to a full size bed, 48 by 72 inches. Entire height, 33 inches. Casters.

Regular Davenport. Same design as Davenport Bed. Entire length and width, 77 and 34 inches. Seat, 64 by 21½ inches. 40 springs in seat, 27 springs in back and 36 springs in each cushion. Does not convert into a bed. Casters.

Chair and Rocker. Deep spring seats, backs and comfortably padded arms. Thirty fine springy coils in removable cushion. Seat, 21 by 18 inches. Height of back from seat, 17 inches. Entire height, 35 inches.

Fireside Chair. The back is higher than the back of regular chair. Wing on each side to support the head when you relax or sleep. Seat, 21 by 18 inches. Height of back from seat, 20 inches. Entire height, 38 inches.

A Small Down Payment Brings You Any Piece of Furniture on this Page Pay Balance on Easy Terms

A Spare Room at No Extra Cost

Either of these Davenport Beds can easily be converted into a double size bed that will comfortably accommodate two persons. As a regular davenport either style will give unusual comfort and will add beauty to your home. Be sure to order a Mattress from Page 522. When not in use as a bed the mattress can be folded inside, free from dust and out of the way.

Use Easy Payment Order Blank No. 1 on Page 697.

Long Style $56.85

Comfortable Davenport Bed Set

Long or Short Style

Short Style $46.85

ONLY a small payment down brings this handsome Davenport Bed, Chair and Rocker into your home for you to use and enjoy. You pay for them as you use them. Why wait until you have money saved to buy the furniture you need and want today? It is much easier and just as businesslike to use your credit and pay on easy terms. Take advantage of this opportunity—have a comfortable, practical bed davenport set in your home now. Read easy payment terms above at right.

The complete davenport set makes a living room attractive and homelike and the bed davenport practically adds another room to your home.

Sturdy and Comfortable

This set is an exceptional value. It is built throughout of seasoned, carefully selected Oak, finished Golden Waxed or Fumed.

Careful workmanship has been used in each piece and the artistic design is very pleasing. The large size of these pieces makes it possible to build a great amount of comfort into them.

The long davenport seat is built up over thirty-six oil tempered spiral springs with top filling of moss and cotton. Seats of arm chair and rocker and davenport are spring filled, and the backs of all pieces are fully cushioned and attractively curved. Upholstery in your choice of Brown Imitation Spanish Leather or Brown Genuine Spanish Leather. A single, simple operation changes the davenport into a bed. A fabric-wire bed spring is built into the davenport, and you sleep on spring and mattress just as in a regular bed.

The Davenport Bed
Serves by day and by night

Long Style Davenport Bed $99.50

Thousands of our customers have found that our Master-Made Davenport Bed gives them an extra room when needed. It serves by day as a comfortable davenport with no suggestion of having a double bed with a sagless cable fabric spring concealed within.

If you prefer you may order the regular davenport without the concealed bed feature as quoted below. Note the wide pillow arms, spring filled and comfortable. This set offers a choice of three attractive Baker-cut velour coverings or two patterns in durable Mohair. Figured Baker-cut velour or mohair is used all over on all pieces in this set with these exceptions: Outside back of regular davenport covered with plain Velour to match; bed davenports have outside backs covered with durable denim—these pieces are usually placed against the wall. For actual colors and patterns of materials see color illustrations shown on Page 541.

Legs and rockers are of hardwood finished rich Brown Mahogany. **Davenport bed mattresses are shown on Page 522.**

Master-Made Construction Throughout

Davenport Bed. Has full spring edge, 48 deep oil tempered coil springs in seat and 27 springs in back. These springs are built up with high grade filler covered with new felted cotton to afford greater comfort. Arms are built up in the same way. Each loose cushion is filled with 42 closely assembled fine wire coil springs. Length over all, 96 inches. Size of seat, 76 by 22½ inches. Opens into a full size bed, 48 by 72 inches. Height of back from seat, 17 inches; Entire height, 35 inches. Sliding casters.

Regular Davenport. Same as davenport bed except entire length is 81 inches; entire height, 34 inches; seat, 64 by 22 inches and has 40 springs. Made without bed construction.

Arm Chair or Rocker. Has 12 heavy wire springs in seat and 9 springs in back. Removable spring seat cushion same construction as cushions in davenport bed. Width over all, 36 inches; between arms, 19 inches. Depth of seat, 22 inches. Sliding casters on chair.

Wing Chair. Known as the Fireside Chair. Has 12 heavy wire springs in seat and 12 in back. Graceful wing extensions of back at just the right angle for solid comfort. Width over all, 36 inches; depth of seat, 22 inches. Height of back from seat, 20 inches. Entire height, 38 inches. Sliding casters.

Like Adding an Extra Room

$11.85

UNEXPECTED visitors and every bedroom occupied. But you need not be embarrassed if you have one of these Davenport Beds. For it is a davenport, bed and spare bedroom all in one. Looks just like any other high grade davenport; but what a difference. It conceals a big, roomy bed ready for instant use. Think what this means to you. No need to crowd the rest of the household; no sleeping on couch or sofa. You don't even need an extra bedroom. It is an article of many uses as well as a beautiful piece of furniture for your home. Because it is intended to serve a double purpose, great strength has been built into these fine davenport beds so they will give years of service. It is a necessary piece of furniture in practically every home.

Genuine Leather Makes a Durable Covering

$23.95 Rocker

$59.95

For Actual Color and Pattern of Velour See Page 541.

Long Style Davenport Bed

A Master-Made Davenport Bed, with all pieces to match. Soft springs and cotton padding in the back and seat make it very comfortable. The one-piece seat of the davenport is seamed to resemble 3 individual seats. No part of the upholstery is in use when davenport bed is opened up to make a full size bed at night.

A Restful Bed at Night

Concealed inside is a specially designed double size bed with regular bed spring. There is a space for a mattress and the bed clothes, and they remain out of sight during the day. No part of the bed, spring or mattress is in use when used as a davenport. Mattress and bedding not included. For mattress, see Page 521.

The long size is 23 inches longer than the short size. For this reason the short size bed is more compact, opens straight out, with the head of the bed at the back of the davenport.

Long Davenport. Select hardwood frames. Length overall, 92 inches; width over all, 36 inches; seat, 76 inches by 22½ inches; height, 34 inches. Opens to bed, 72 by 48 inches; 48 springs in seat and 27 in back, all securely fastened. Strong wire fabric spring.

Short Davenport. Length over all, 68 inches; seat, 52½ by 21½ inches; height, 34 inches. Open, 72 by 48 inches. Has 32 springs in seat and 12 in back. Strong wire fabric spring.

Chair and Rocker. Cotton padded Have 6 springs in seat and 6 in back. Heavy hardwood frames. Height, 34 inches. Width, 34 inches; seat, 19 by 21½ inches; height of back from seat, 16 inches.

Colonial Quartered Oak Davenport Bed Set

For actual color and pattern of velour used on this set, see Page 541

Mattress and Bedding not Included

A fine set of Living Room Furniture, as sound and substantial in construction as it is attractive in appearance. Choice of long or short style davenport bed; either style makes a full size double bed when open. Economical because of its beauty and comfort in your living room and the ease with which this room can be changed into a bedroom within a few moments. Frames of select hardwood, reinforced and block braced; faced with beautiful Quartered Oak Veneer; side panels of solid Quartered Oak. Spring seats and cushioned backs. Upholstered with Brown Genuine or Imitation Spanish Leather, Genuine Baker Cut Blue Figured Velour or Black Genuine Leather. Golden Oak finish. To change davenport into a full size double bed requires only a single easy movement. Just as easy to change back into a davenport. Fabric bed spring, made comfortable by the many coil springs which support it at each end. Plenty of room inside to fold up mattress and bedding. Bed section is open and sanitary; air circulates freely beneath it. Suitable mattresses for use in this bed-davenport are shown on Page 522.

Spring Seat and Back

Ward's Finest Overstuffed Rocker

$31.95 Tapestry

Our very best Upholstered Rocker; one that will remain beautiful and give comfort and satisfaction for years. It will be the rocker that everyone in the house will prefer using. The cost is one-third to one-half less than like quality usually sells for. Choose the covering that will harmonize best.

Three choices of upholstery—Tapestry in a rose, gold and blue combination on a black background; Velour in a blue two-toned effect; or Brown Genuine Spanish Leather.

Fine workmanship and material; built sturdy and strong. The famous Marshall Springs, with extra quality padding, give lasting service and fine appearance. Nine big springs in seat. Removable cushion, 20 by 21 inches, contains 63 deep, comfortable Marshall spiral springs. Back inlaid with springs and overstuffed. Height of back from seat, 26 inches. Hardwood frame and runners finished in Mahogany. Shipping weight, about 125 pounds.

Reclining Back and Foot Rest

A very comfortable, adjustable reclining back Rocker, upholstered in Leather or Imitation Leather. With the foot rest and reclining back it makes one of the most satisfactory and restful pieces of furniture obtainable. This is a good looking, medium sized rocker sturdily built, but not so heavy that it is cumbersome to move. The back is adjustable to three positions by means of a metal rod which fits into three slot adjustments. The back and extra deep spring seat are well padded. Legs and runners finished in Mahogany. Kiln dried, hardwood frame, well built. Size of seat, 19 by 20 inches. Height of back from seat, 28 inches. Entire height, 41 inches. Shipped taken apart to save you freight; easily set up. Shipping weight, about 75 pounds.

Comfortable Head Rest Spring Seat and Padded Back Solid Oak Frame

Medium size Rocker for your living room. Pleasing in appearance and in good taste. It will withstand much hard usage and give you years of good service. A very good value for the small price that Ward's asks for it. The price is much lower than if you purchased the same quality elsewhere. The spring seat and padded head rest add both to the looks and comfort of this rocker. The seat is built over deep coil springs, giving unusual comfort. Three supports under the wide arm rests add strength and beauty to the chair. Frame of Solid Oak, finished Golden. Upholstered in attractive, durable Brown Imitation Spanish Leather. Size of seat, 18½ by 19 inches. A comfortable and restful piece of furniture that will help to make your home a pleasant and inviting place to live in. Height of back from seat, 23½ inches. Shipped taken apart to save you freight; easily set up. Shipping weight, about 40 pounds.

A Special Set at a Special Price!

$39.50

Spring Seat Construction

Davenport $19.65

You may have your choice of three styles of upholstery: Brown Imitation Spanish Leather, Blue Imitation Leather, or Brown Genuine Spanish Leather.

Comfortable Spring Seat

NOT for many years have we been able to offer Overstuffed Furniture of this quality at a price so low. The price of this entire set—davenport, arm chair and rocker—is actually less than is usually asked for the davenport alone. These pieces are sturdy, yet comfortably and gracefully built. Both the rocker and arm chair have wing style backs; all three pieces have roll arms and spring seats. The seats and backs are well padded and will make a comfortable living room set.

Roll Arms

Chair $10.85

$10.95 Rocker

Strongly Constructed

Davenport. Entire length, 61½ inches. Size of seat, 53½ inches by 20½ inches. Entire height, 36 inches. Full spring seat construction well padded. Shipped taken apart to save you freight; easily set up.

Wing Arm Chair. Has a comfortable spring seat. Size of seat, 20 by 20 inches. The back extends up 23 inches from the seat. Shipped taken apart to save you freight; easily set up.

Wing Rocker. The same spring seat construction is used in the rocker as in the other two pieces. Shipped taken apart to save you freight; easily set up. Seat, 20 by 20 inches; entire height, 37½ inches; height of back from seat, 23 inches.

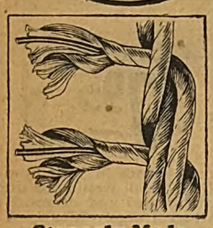
Fiber Reed Furniture that Beautifies any Home



Strongly Made Fiber Reed

Master-Made Fiber Reed is spun on special machines which transform long strips of tough fibrous material into a smooth, hard surfaced fiber cord. A tough steel wire is concealed in the center, making the finished material unusually firm and strong. Each piece of Master-Made Fiber Reed Furniture is woven over a hardwood frame to give uniformity in shape and greater strength.

Upholstering Colors

Dark Brown Reed furniture is upholstered in cretonne in a floral pattern of green, tan and rose on a gray background. All Ivory Enameled and Frosted Blue Reed furniture is upholstered in a floral pattern cretonne in red, blue and black on a tan background.

Davenport $32.95

Settee $23.95

Fernery $5.95

Table $6.95

Chair $13.65

Rocker $13.75

Spring Filled Seats and Backs

This illustration shows the spring seat and back construction. Coil springs of this type are more comfortable than padded seats and backs, and hold their shape longer.

Dark Brown Finish

Master-Made Fiber Reed furniture is very distinctive and will harmonize with the setting of any room in the home. It gives a freshness and brightness to any room with which it is furnished. It is built over strong, seasoned hardwood frames which are well reinforced and braced. All cross strands of fiber reed have steel wire centers, insuring great strength and flexibility.

Davenport, Settee, Chair and Rocker are built with removable spring seat cushions and also spring backs. Finished in rich Dark Brown. The cushions and backs are upholstered in beautiful Floral Art Cretonne. We have not sacrificed quality in any way to make the attractive price.

Add Beauty and Color to Your Home

Davenport. Loose cushion spring seat. Length over all, 69 inches. Seat is 60 inches long, 22 inches deep. Cushions made in three sections. Height of back from seat, 22 inches. Spring back.

Settee. Shown in oval insert. A very attractive piece of furniture for your living room, porch or sun parlor. Loose cushion spring seat. Seat, 39 by 20 inches. Height of back from seat, 22 inches. Spring back.

Rocker. Well made and comfortable. Loose cushion spring seat, 19 by 19 inches. Height of back from seat, 22 inches. Spring back.

Table. Diameter of top, 26 inches. Height, 27 inches.

Arm Chair. A good looking chair with loose cushion spring seat, 19 by 19 inches. Height of back from seat, 22 inches. Spring back.

Fernery. Adds to the beauty of any room. Fitted with metal pan. Ferns not included. Length, 28 inches; width, 11 inches; height, 28 inches.

High Back and Roll Seat

$4.95

This substantially built Fiber Reed Rocker will make a welcome addition to the furniture of any home. It is shaped to give a great deal of comfort. Broad back, shaped seat and roll arm rests. The sturdy hardwood frame is covered with carefully woven fiber reed which is very durable. One of the features of this rocker is its light weight. Top and sides of back, arm rests and front posts are made of one continuous piece of fiber, giving the chair added strength and sturdiness. **Dark Brown finish.** Seat, 19 by 17 inches. Height of back from seat, 27 inches. Shipping weight, about 18 pounds.

166 C 487.....$4.95

Comfortable Pad Seat

$10.65

For porch or living room you can not find a more pleasing Rocker than this attractively designed Fiber Reed Rocker. It is very comfortable, and is built to give long satisfactory service. Seasoned hard maple frame, strongly braced, over which is woven the tough fiber reed. All upright strands that bear strain are reinforced with steel wire centers, making the rocker strong and durable. Loose pad cushion and upholstered back are covered in attractive floral cretonne. Seat has six steel coil springs. **Dark Brown finish.** Seat, 19½ by 19½ inches. Height of back from seat, 22 inches. Shipping weight, about 30 pounds.

166 C 499.....$10.65

Removable Spring Seat

$11.95

Notice the broad, curved back which gracefully shapes itself into the comfortable arm rests of this Fiber Reed Rocker. Also notice the seat cushion which is filled with coil springs. These features make this a rocker which is even more comfortable than you would imagine. You can use this rocker in your living room, bedroom, sun parlor or porch. The removable spring seat is covered in an attractive art cretonne. Finished in rich **Dark Brown.** Size of seat, 19 by 19 inches. Height of back from seat, 21 inches. Shipping weight, about 30 pounds.

166 C 430.....$11.95

Spring Seat and Back

$12.95

Choose this comfortable, inviting Fiber Reed Rocker for your home. It is suitable for use in the living room, bedroom, sun parlor, or on the porch. Back and seat covered in artistically colored floral Cretonne upholstering. Removable coil spring cushion seat. The wide padded spring back insures great comfort. This rocker will look well wherever you may place it. Finished in **Dark Brown.** A rich shade that blends with any colors. Hardwood frame covered with long wearing reed fiber. Size of seat, 19 by 20 inches. Height of back from seat, 23 inches. Shipping weight, about 35 pounds.

166 C 429.....$12.95

Our Newest Pattern

$13.75

Nothing will add more to the comfort of your home than a good Rocker. This well made Fiber Reed Rocker is constructed to give the greatest ease. The removable upholstered seat contains 13 coiled steel springs. Comfortably shaped arm rests. The hardwood frame is covered with tough fiber reed. A suitable rocker for your living room, bedroom, sun parlor or on the porch. Our low price will save you money. The seat and padded back are covered in an attractive floral Art Cretonne. Size of seat, 20 by 19 inches. Height of back from seat, 22 inches. **Dark Brown finish.** Shipping weight, about 30 pounds.

Your home will be more cheerful with flowers. This Genuine Reed Fernery provides ample space for flowers and ferns. Very attractive design. Made with handles. Metal pan included. Height, 31 inches. Size, 28 by 11 inches. **Brown finish.** Shipping weight, about 20 pounds.

166 C 479.....$4.98

$2.98 Genuine Reed

Fernery

Reed Fernery that will add beauty to your home. Metal container for flowers. Size, 28 by 11 inches. Height, 28 inches. Attractive **Brown finish.** Shipping weight, about 16 pounds.

166 C 481.....$2.98

Nothing about the appearance of this handsome Library Table even suggests the large extra leaf concealed under the top. Extended it makes a large convenient game, card or dining table. The extended size is 36 by 48 or 36 by 60 inches, depending on size purchased.

$31.85 English Tudor Design

Your living room will be more attractive and more useful if you have this combination Library and Dining Table. As a library table the top is 22 by 48 inches or 22 by 60 inches, whichever size you desire. Extended the top is 36 inches by 48 or 36 by 60 inches. Top has grooved line design. Built with Genuine 5-ply Mahogany or Walnut veneer tops with balance of construction hardwood, finished to match. Shipped taken apart to save you freight. **For estimated total freight charges see information on Page 526.** Shipping weights; 110 and 120 pounds.

48-Inch Top		60-Inch Top	
166 C 2298—Mahogany	$31.85	166 C 2300—Mahogany	$34.85
166 C 2299—Walnut	31.95	166 C 2301—Walnut	34.95

Simple and Easy to Change

A simple pull at each side opens the top revealing the concealed leaf.

A light lift at one end brings the extra leaf into position ready for use.

With leaf in place the top is pushed together and the table is ready for use.

Tables That Serve a Double Purpose At Little More Than the Price of One

NOW you can get double service from your Library Table. This new style table can be converted into a large dining table by simply sliding open the top and pulling into place the concealed leaf below the surface. Very practical for serving a few guests in the living room. These tables are especially convenient for use in small homes and apartments where the living and dining room are one.

This style of Table will harmonize with most any style of furnishings. The double service and convenience afforded by the extension feature make it an unusual value. You have a library table and also a dining table that will accommodate six to eight people.

A Dining Table at No Extra Cost

$29.85 Italian Design

This Italian Renaissance design combination Library and Dining Table will serve a double purpose at the price of a single table. Genuine five-ply Walnut or Mahogany veneer top with frame and legs of hardwood finished to match. Top, as a library table 22 by 48 inches, as a dining table 36 by 48 inches. You will find so many uses for this type of table. Top has grooved line design. Shipped taken apart to save you freight; easily set up. **For estimated total freight charges, see information on Page 526.** Shipping weight, about 110 pounds.

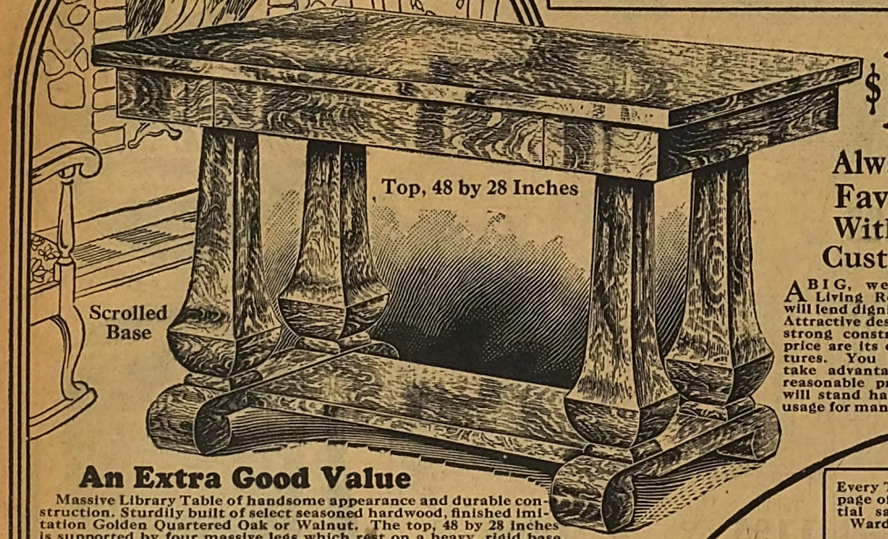
Strongly Built Library Tables



$15.95

Always a Favorite With Our Customers

A BIG, well constructed Living Room Table that will lend dignity to your home. Attractive design, good finish, strong construction and low price are its outstanding features. You will do well to take advantage of this very reasonable price. This table will stand hard and constant usage for many years.

An Extra Good Value

Massive Library Table of handsome appearance and durable construction. Sturdily built of select seasoned hardwood, finished imitation Golden Quartered Oak or Walnut. The top, 48 by 28 inches is supported by four massive legs which rest on a heavy, rigid base. The legs are 5½ inches in width at the largest part. Handy drawer. The superior quality and construction of this table when compared with others of similar design selling at about the same price, makes this a very unusual bargain. Shipped taken apart to save you freight; easily set up. For estimated total freight charges, see information at bottom of page. Shipping weight, 110 pounds.

Beautiful
Two-Tone Finish

60 by 20 Inches

Ward's Finest Davenport Table

This handsomely designed Living Room Table is in every respect Ward's best davenport table. The top is made of five-ply mahogany or walnut veneer, neatly trimmed in a darker finished wood, which gives a beautiful two-tone effect. The rich, dull finish in either mahogany or walnut gives an effect found only in davenport tables of highest quality. Top is 60 by 20 inches with beveled edge and cutaway corners. Legs are made of select hardwood, gracefully designed and finished to match the top. They are unusually strong and securely fastened at both top and base. Shipped taken apart to save you freight; easily set up. For estimated total freight charges, see information on opposite page. Shipping weight, 100 pounds.

$12.85 Mahogany Veneer Top

Queen Anne Design Davenport Table

This graceful design of long Davenport Tables is becoming more popular every day. The gently tapering curved legs, the dainty design of the stretchers and the delicately shaped edge, all combine to give it distinction. It will add greatly to the appearance of any room. The price of this table is exceptionally low for the fine materials and careful workmanship. Suitable for your library or living room. Top, 60 by 18 inches, is of genuine five-ply Brown Mahogany or Walnut Veneer in a dull rubbed finish. Rounded corners and beveled edge; legs of select hardwood, finished to match the top. Although dainty in appearance this table is really very strong. The legs are rigidly braced by the stretcher at the bottom and firmly built in at the top. Shipped taken apart to save you freight; easily set up. Shipping weight, about 59 pounds.

Top 54 by 18 Inches

English Tudor Design Table

Tables of the English Tudor Design have become very popular because they can be used in any room and they harmonize with any other style of furniture. One of the features of this design is the use of just two handsomely cut legs of wood, heavy construction. This table is made throughout of select hardwood and finished in either a dull rubbed mahogany or walnut. Top is 54 by 18 inches. Stretcher running between the two posts not only adds to the appearance but provides more support for the table. Here again we offer you a high quality table of dignified design at an extremely low price. Shipping weight, 70 pounds.

Burl Panels, Carved Moldings

Genuine French Walnut Veneer

Wards Finest Dining

America's greatest value in a complete Dining room Set. Offered to you at fully one-fourth to one-third less than you would have to pay elsewhere. Sold on easy payments if desired. Furnished only in the new French Walnut finish, a lighter shade which brings out the full beauty of the wood. Notice particularly the sturdy construction and fine workmanship of this English Tudor Set and you will be convinced that here is a dining set not often found at so reasonable a price. The complete set consisting of chairs, buffet and table shown above and the serving cabinet and china cabinet shown on the opposite page, will add much to the attractiveness of your home.

The English Tudor design is beautifully brought out in the shaped tops, carved moldings, turned and fluted legs as well as by the artistic use of the richly grained walnut veneer with burl decorations. All exposed surfaces are veneer construction to prevent warping, chipping or cracking. Frames and posts are hardwood finished in Walnut.

Strong, Comfortable Chairs

Chair seat is 18¾ by 15 inches. Arm chair seat, 21 by 17 inches. Height of back from seat 20 inches. Genuine Walnut veneer back panel. Balance of chair made from durable hardwood, finished French Walnut. Removable slip seat. **Upholstered in Blue Genuine Leather or Floral Tapestry,** which harmonizes beautifully with the furniture. State whether leather or tapestry is wanted. Shipping weights: 16 and 25 pounds.

This beautiful Queen Anne Design Set will make any dining room cozy and attractive. The tops and doors on the table, buffet and cabinet are of five-ply Genuine American Walnut Veneer, hand rubbed. The ends and drawer fronts are of Walnut Veneer also; the legs are select hardwood, beautifully finished to match. If your dining room is quite roomy, the larger size oblong table will give it the dignity and beauty that well proportioned furniture brings. If your dining room is not so large, the small table is the one that you will want. You can feel assured that you are getting a popular design, and very good quality.

Diamond Striped Overlay Panels

The beautiful two-tone effect, the design and finish of this master-made set will be greatly admired. The darker panel overlays of closely striped Walnut Veneer and the dark veining and edges are some of the latest decorative features. Drawer pulls are of Antique Silver.

Room Set

Genuine French Walnut Veneer

This fine English Tudor design Dining Room Set is exceptionally well made with well matched, beautifully grained genuine American Walnut veneer combined with the best hardwood, the same materials and construction used in many of the most expensive sets you see in retail stores. The tops and fronts of all pieces are genuine five-ply walnut veneer and the ends of the china, buffet and server are built up of three-ply veneer. All frames, posts and legs are hardwood finished to match the French walnut. The characteristics of the English design are fully brought out in the massive legs and carved decorations. The beauty of the richly figured walnut is greatly increased by the use of burl walnut veneer overlay panels. Door and drawer pulls finished in antique silver. You can have this set in your home by paying only a small amount with your order and the balance in small monthly payments.

Lined and Divided Tray for Silver in Center Drawer of Buffet

This exclusive Tudor Design Dining Room Set is a fine example of our exceptional furniture values. It is built with all the care and attention to detail, with all the craftsmanship that might be expected in a set selling at a much higher price.

It is built from solid hardwood throughout, veneered on tops, fronts and ends with regular American Walnut, dull rubbed, or the newer French Walnut, a lighter shade which brings out the beauty and grain of the natural wood. The sunken panel front, on buffet, china cabinet and server, is edged with a beautiful deep tone moulding that gives the set a pleasing distinction. These panels are covered with closely stripped beautifully matched veneers. Edges of all pieces are also finished in a darker contrasting tone.

You can enjoy any single piece or this entire set of Dining Room Furniture in your home while you pay for it on small monthly payments. By purchasing a good set of furniture on small monthly payments you can buy better quality, and you will get more service and pleasure out of your investment. This Easy Payment Plan enables you to buy the best.

Remember, when you buy furniture at Ward's you get full value for every dollar you spend; and you get the best merchandise it is possible to give without sacrificing quality.

Why be Without Good Dining Room Furniture

Genuine Trio-Tone Walnut Veneer

60 or 66 Inch Buffet

6-Foot Extension Table

Complete 11-Piece Suite, Including Mirror and 66-Inch Buffet

$190.00

NOTHING adds more to the beauty and comfort of the home than a cheerful, well furnished dining room of this fine Master-Made set. The beauty of design, the expert workmanship, and the fine durable finish will be a constant source of pleasure and satisfaction to the entire family.

Complete Set

Consists of table, buffet, china cabinet, server, five straight and one arm chair and mirror.
266 C 3581—Complete set with 66-inch buffet. Shipping weight, 925 pounds..... **$190.00**
266 C 3598—Complete set with 60-inch buffet. Shipping weight, 910 pounds..... **$183.50**
Shipped from Evansville, Ind.

A Very Popular Dining Room Set

Dining Room Furniture of this quality, design and finish is selling in the larger cities for from $350 to $450 for the 11-piece set. We buy for cash, in large quantities and sell to you direct, greatly reducing the price.

It would be difficult to find a design more attractive or popular than the English Tudor. It is a design that will not go out of style quickly. In this set a very pleasing contrast is provided by the beautiful three-tone effect. The legs and beveled edges are dark, dull rubbed to harmonize with the Walnut finish. The decorative panels and outlines, as indicated in the picture, are of a dark shade, and the other, the regular American walnut, slightly lighter in color.

Tops and fronts are five-ply Genuine American Walnut veneer, which is superior to the solid walnut because of its freedom from warping or cracking. All frames and posts are hardwood, finished to match. In the end panels where great strength is not needed, three-ply veneer is used. Drawers are three-ply veneer, full boxed in construction, and are dustproof. Chairs are well braced and strong.

While any of these pieces may be ordered separately, we recommend that you purchase the complete set because of the greater beauty and satisfaction derived from having every piece match. For estimated total freight charges, see information on Page 531.

Any of These Pieces May Be Ordered Separately

Illustrations show how this Table is easily extended to full size when company comes. The top is opened by an easy pull; the concealed leaf is then raised into position. Takes but a few moments to make the change.

Illustration at Left Shows Extra Folding Leaf

Illustration at Right Shows Table Extended to Its Full Length

Ward's New Style Extension Dining Table

$29.85 Extra Leaf Concealed Below Top

You never have to hunt up the extra leaves when company comes if there is one of these new style Queen Anne Extension Tables in your home. To extend the table a slight pull opens the top; the concealed extra drop leaf can then be raised into place with one hand—so very simple that a child can easily operate it. The folding section is made so it is solid and rigid in construction. The patented folding extra leaf is entirely concealed from sight beneath the top when not in use. Table has genuine five-ply Walnut Veneer top with attractive two-tone decorations. Select hardwood frame and legs finished to match. A well made and beautifully finished piece of furniture, designed to make your home more convenient and attractive. This style of table, although new, is very popular and can be found in many of the best furnished homes. Our price is exceptionally low for such high quality of materials and workmanship. Your choice of 48 by 42-inch oblong top which extends to 5½ feet; or 54 by 42-inch top which extends to 6 feet. Shipped taken apart to save you freight; easily set up.

A High Grade Cabinet on Convenient Easy Terms

Cash Price
$41.85
White Enamel

Sanitary White Enamel or Rich Golden Oak

THE busier you are in your kitchen the more you will appreciate a Master-Made Cabinet. Once it becomes your daily servant you will wonder how you ever got along without it. Built of seasoned Golden Oak, with interior of upper section white enameled, with slide-out top surfaced in either nickel or white porcelain enamel. Or in hardwood, white enameled throughout, with white porcelain enameled top. An attractive feature is the great amount of drawer and cupboard space this cabinet gives you—far more than usual. Five roomy drawers in the base with a large drawer for linens, just above the big utensil cupboard.

You Can Do More Work in Less Time

Utensil cupboard has sliding metal tray, sliding wire shelf, both removable and metal pan rack on door. Metal cake box in bottom drawer at right. A canvas back, easy rolling shutter closes up the front with a slight pull and keeps dust from the interior. Included are five airtight glass spice jars with aluminum tops; rolling pin holder, tilting sugar jar with nickeled top and metal scoop. Convenient file hooks, coin and check tray and card rack, glass tea and coffee jars. The big, 40-pound capacity flour bin is white enameled, has sifter bottom and a glass window. Attractive floral design on outside of door panels.

Doors have strong nickeled hinges and catches, and latch tight. Cutting board for bread and cake is 14 by 20 inches and slides out under table top. Meat chopper block and bracket at right of cabinet. Table top is 40 by 25 inches and pulls out to a working space of 40 by 36 inches. Size of cabinet over all, 70 inches high, 40 inches wide, 25 inches deep. Groceries and dishes shown are not included with cabinet. Shipping weight of cabinet, about 210 pounds. For estimated total freight charges, see Informaton on Page 535.

WARD'S Master Made

$39.75
Cash Price

THERE is no need to wait until you have saved the full price of this compact, labor saving Kitchen Cabinet. Simply send us $5 and your order and save yourself many tiresome steps in the kitchen. You can pay the balance in easy monthly payments of $5 each. One of the chief advantages of this Master-Made Cabinet is the large amount of space it provides for keeping groceries, pots, dishes, and cutlery within easy reach, and close together. Everything remains clean, and safe from mice and ants. Think of the years of service you will receive from this convenient cabinet. We sell thousands of Kitchen Cabinets each year. Our customers are always pleased with the high quality and low prices of our cabinets as compared with prices they have to pay elsewhere.

Why Be Without a Good Cabinet?

Time lost means energy wasted. Wasted motions tire you out as much as actual work. That's why this Master-Made Cabinet is such a real kitchen economy. A full sliding top of clean, white porcelain enamel pulls out to work on—40 inches wide by 36 inches deep. Stainproof, acidproof, won't chip or crack, extremely sanitary—cleans with a wet cloth. Front has a pull down shutter that keeps out dust and is easier to operate than a door. Working equipment of cabinet is very complete. Swinging glass sugar jar has metal cap and shut off; 5 glass spice jars and two for tea and coffee. Big white enameled, 40-pound flour bin, with sifter, swings down for filling, and has window front. Special bracket and block for meat grinder. Sliding bread board. Metal bread and cake drawer with sliding metal lid. Attractive art glass door. Coin tray and recipe list. Removable wire shelf. Sliding metal tray in bottom, wire rack on door. Partitioned cutlery drawer. Ant proof casters.

Comfortably Equipped for Easy Housework

Height, 70 inches; width, 40 inches. Stands out from wall 25 inches. Made of Solid Oak, Golden finish, with interior of upper section white enameled. Send your order and $5 now.

Use Easy Payment Order Blank No. 1 on Page 697. Dishes and Groceries shown not included. For estimated total freight charges, see information on Page 535. Shipping weight, 250 pounds.

Save at Least $30 Get Better Quality

$39.95 Golden Oak

Large Size, 48 Inches Wide
More Convenient Than a Pantry

QUALITY and price considered, we believe this to be the greatest Kitchen Cabinet value in America. You will find no kitchen cabinet at anywhere near this low price offering as many features as this Master-Made model. Cabinets identical in construction and equipment are sold in the retail stores today for $70 to $75. We are sure if you will make the comparison, you will find these facts to be correct. Not only do we save you from $30 to $35 on your cabinet, but in addition we include the 7-piece aluminum set shown below absolutely free with each cabinet. The best proof that we can give you of the worth of this cabinet is the fact that the Good Housekeeping Institute's seal of approval is stamped on every cabinet.

Golden Oak or White Enamel Finish

Made of hardwood, beautifully finished in clean, sanitary, White Enamel throughout, or of Solid Oak Golden finish, with interior of upper section white enameled.

Rolling curtain front and attractive art glass doors. The 40-pound capacity flour bin lowers for easy filling. Window front shows when you need more flour. The handy sifter is within easy reach. Glass swinging sugar jar.

Base has sliding wire shelf and white enamel metal tray. Metal-lined bread box. Ant-proof casters.

Convenient want lists, recipe lists, coin holder, card and book rack and hooks for filling bills, 5 spice jars and 2 tea and coffee jars. Extending table top of porcelain enamel, draw out cutting board, handy food chopper block and swinging towel bars. The extended table surface is 48 by 36 inches; closed, 48 by 27 inches. Entire height of cabinet is 71 inches.

For estimated total freight charges, see information below. Shipping weight, about 300 pounds.

Lloyd Loom Carriage

Woven of Continuous Strands of Finest Wicker

No Loose Ends to Scratch Baby's Hands

Read *this* Letter

"We are delighted with the Carriage. It is the same carriage dealers are asking $40 and $50 for here. We could not have done better if we had been there to pick it out ourselves. You may be sure Ward's will get all our orders."

Glenn C. Crow,
Fort Dodge, Ia.
Printed with Mr. Crow's Permission

$23.95

For Your Baby A Beautiful Carriage

DESIGNED and specailly made for Ward's by the Lloyd Looms, makers of high quality Baby Carriages. We confidently believe you can not find its equal for beauty, comfort and excellent construction anywhere for the low price we offer here. This carriage is loom woven of continuous strands of finest wicker, no loose ends to scratch baby's hands or tear his clothing. It is roomy, easy riding because of its fine oil-tempered springs, and softly cushioned throughout. Genuine corduroy storm shield and upholstering.

Features of Comfort and Sturdiness

Reversible gear holds body of carriage in perfect balance and makes it easy to turn it so baby can face in either direction. Continuous pushers extend full length of body under springs to front axle, adding great sturdiness to the whole carriage. Width of seat, 15 inches; inside length of body with back reclined, 35 inches; with back up, 23 inches. Heavy 12-inch artillery wood wheels with solid ½-inch rubber tires. Strong foot brake. Shipping weight, about 85 pounds.

Curb Wheels

Adjustable Back and Hood

Baby will enjoy his outings in this comfortable Sulky. Light weight, convenient and easy to handle. Loom woven by the famous Lloyd process of continuous wicker strands. The strong steel frame is supported by oil tempered springs. Adjustable back and hood for baby's comfort in any position. Hood is lined with imitation rep. Has strongly reinforced enameled gear, small curb wheels and two 10-inch wire wheels with ½-inch rubber tires. Has confining strap and flap for footwell to support feet. Width, 13 inches; length with back reclined, 34 inches. Shipping weight, 50 pounds.

166 C 6048..... $11.95

$21.75

Genuine Corduroy Lining

Windows in Hood Reversible Body

Beautiful Fiber Reed Carriage

This comfortable Carriage has a roomy body, resilient springs, reclining back and deep, sheltering hood. The reversible gear makes it possible to turn the body of carriage so that baby may face in either direction. Lined with genuine corduroy. Storm shield is included. Gracefully shaped hood has windows in side and sliding fixtures at sides makes possible easy adjustment of hood in any position. Continuous steel pusher and strong foot brake make the carriage easy to manage on the street. Has a deep footwell. Notice especially the graceful curve of the front of carriage and the deep hood. Width of body, 17 in.; inside length with back reclined, 36 in. length with back up, 28 in. Has 12-inch heavy artillery wood wheels with ½-inch rubber tires. Shipping weight, about 75 pounds.

F. E. DEUBERT, Manager
Furniture and Rug and Lace Curtain Departments.

I AM sure all our customers will be interested to know how carefully our buyers investigate every important furniture market in this country. Ward's Master-Made Furniture must come up to our specifications in every detail of construction and workmanship. These specifications govern the selections of the materials and every manufacturing process. The actual cost to make Master-Made Furniture is the basis on which we price it. This means that you get furniture of the best quality built under exacting requirements at a price no higher than you usually pay for ordinary furniture.

We make it easy for you to own fine furniture at a small initial cash outlay by selling many of our best sets on the Easy Payment plan. This is just one part of our service to help you have a beautiful home at a moderate cost.

I hope you will read carefully every page in this department and notice the many excellent values.

Every home furnished by Ward's is a comfortable and economical home, which always makes a happy home. I feel that our buyers, in always providing for you the best furniture, are carrying out our policy "Quality considered, we are never undersold."

Sincerely,

F. E. Deubert.

Manager.

Our Most Popular and Practical Kitchen Cabinet

The woman whose kitchen work is made easier with a Kitchen Cabinet begins each new day with time gained from the start. In the cabinet shown on opposite page we have included features of excellence not found in any other cabinet.

You have a choice of White Enamel or Golden Oak finish. The white enamel cabinet is built of select seasoned hardwood, and is finished in white enamel inside and outside.

Beautiful Finishes

If you choose the golden oak cabinet, you are equally certain of beautiful appearance, long service and durability. It is made of select Genuine Oak, built sturdily and carefully, up to Master-Made standards of construction, and the interior of upper section is finished in white enamel.

Large lowering flour bin which will hold forty pounds of flour, has sifter and hinged metal cover. Window front so you can see at a glance when it needs refilling. Swinging sugar jar, with metal cap and metal automatic dispenser. One coffee, one tea, and five spice jars—all with metal covers. Metal bracket and block for food chopper. Nickel plated towel rack. Upper cupboard with wood shelf and art glass doors. Lower cupboard of upper section closes with roll curtain front. Three convenient small drawers. Removable bread board.

Many Conveniences

The base has four drawers, each a different size, lower one containing ventilated metal cake and bread drawer with sliding metal lid. Extra large cupboard with removable wire shelf. Metal tray on bottom pulls out, bringing pots and pans within easy reach. Pan racks on doors. Antproof, easy rolling casters.

All the doors are equipped with automatic latches, and the drawers with metal pulls. All hinges, latches and pulls are heavily nickel plated. Doors and drawers are dustproof another feature. The porcelain enameled table top can be extended to provide a large working surface. It is stainproof and acidproof. Easy Payments of $5 down and $5 a month. Use Easy Payment Order Blank No. 1 on page 697

48 Inches Wide—Golden Oak or White Enamel Finish

The large size of this Cabinet provides added storage capacity and a larger table top—two most desirable features. Entire height, 73 inches. Height of table top from floor including casters, 31 inches. Size of table top when closed, 48 by 27 inches; extended, 48 by 37 inches. Dishes and groceries are shown to illustrate the uses of the cabinet, and are not included. Shipping weight, about 300 pounds. **For Estimated Total Freight Charges, see Information on Page 535.**

Blue Tile Pattern Ward-o-leum

We never before offered a blue and white tile pattern at a price so low. These small squares are the most popular design made in floor coverings of this type. Especially clear, distinct colors; only the best quality paint is used on this sturdy felt base. Absolutely waterproof and unharmed by ashes, and stains of any kind. Use it in your kitchens, bath rooms and pantries. One of the biggest special bargains in this book. Width, 6 feet. Shipping weight per running yard, about 8½ pounds.

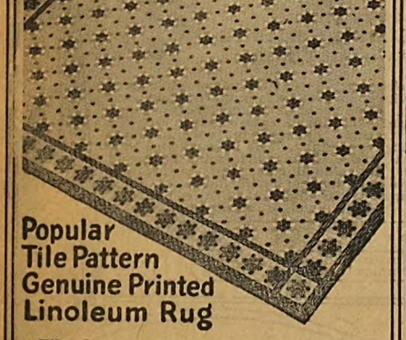
E Walnut Brown and Gold Mohair. The newest color for overstuffed furniture. Used on sets that you will see in the finest homes. Serviceable material for Davenport Bed Sets. Furnished on any of our sets.



Popular Tile Pattern Genuine Printed Linoleum Rug

Tile floors have always been exceedingly popular, but they cost so much that only wealthy people could afford them. Now Ward's is offering a good looking tile pattern in a genuine linoleum rug at an almost unbelievably low price. Much more sanitary than a real tile floor since its smooth surface has no cracks to collect dust and germs. Then, too, it is noiseless and springy to walk upon because of the good grade of cork in its body. Skillfully made from the finest quality burlap, cork, linseed oil and heavy durable paint; it will not show signs of wear for years. Its charming pattern in blue and white is especially appealing because of its neat simplicity. We can not recommend this linoleum rug value too highly.

Linoleum Rugs Shown in Colors on Opposite Page—Described Below

We know that these are as low as any prices offered anywhere in America for genuine Linoleum Rugs. No printed or inlaid rugs manufactured are better quality than these. Only the finest materials, tested many times for their strength and perfection are used. Read about our Linoleum on Page 544.

From the kitchen to the bedrooms, from the attic to the living room, these linoleum rugs will make most satisfactory floor coverings. Designed by experts in modern home furnishings, the colorful patterns are in excellent taste.

Since every size made is listed here, fitting almost any room will be easy. They are all seamless.

Remember too, that all they need to keep them clean is an occasional light mopping. They always lie perfectly flat on the floor.

$12.95 9 by 12 Feet **F** Special Feature Value

For years we have sold this genuine printed linoleum Rug to large numbers of thoroughly satisfied customers. It has the small allover design that is particularly favored by modern experts in home furnishings. With its blends of brown, tan and blue it will harmonize with draperies and wood work of any shade. You will not be so tired after working in your kitchen if you use this rug. Springy and restful to walk on as it is made of the best grade of cork composition. It has sturdy burlap base and a thick paint surface.

The Famous Gold Seal CONGOLEUM Rugs

Shown in Colors on Opposite Page-Described Below

GENUINE Gold Seal Congoleum Rugs—the very same rugs that you see advertised everywhere for more than our low prices. And remember that all of these rugs are of finest quality—perfect in every way and not "seconds."

Congoleum Rugs Cost Less at Ward's

Our low price is simply the result of our going direct to the manufacturers and making a special offer for many thousands of these rugs to be delivered as fast as they could make them. And we paid cash. Naturally we made a great saving, and we always pass our savings on to our custmeors. It will be a genuine economy to order several now.

No More Scrubbing or Beating

Gold Seal Congoleum Rugs are easy to clean and keep clean. An occasional light mopping is all they ever need since dirt can not penetrate the firm, smooth waterproof surface. Stainproof and waterproof—neither the base or surface are harmed by ashes or liquids of any kind. The sturdy felt base is covered by a special paint which does not crack.

Every housekeeper knows that Gold Seal Congoleum Rugs are much cleaner and more sanitary than woven rugs and carpets. They have artistic patterns in the season's newest colors. The saving you make justifies ordering from Ward's.

Skillfully made by expert workmen. Materials and workmanship are exactly the same in these rugs as in all Gold Seal Congoleum Rugs. They hug the floor without fastening and never curl up at the edges. Seamless.

All of these patterns are reproductions of expensive woven rugs. Their bright cheerful colors will add real beauty to your dining room, living room, kitchen or bath room. At this low price no unsightly bare floor space should remain uncovered.

Each rug comes to you fresh and clean in a separate dustproof carton. Every rug bears a double guarantee—a guarantee by the manufacturer and also by Ward's.

Extra Heavy Ward-o-leum Art Carpet

Decorative, Economical, Waterproof — Makes Housework Easy

$6.98 9 by 12 Feet

Notice Our Wide Range of Sizes

Many women greatly prefer Art Carpet to any other floor coverings. It has no seams and that is where wear first begins to show and dirt collects. Then, too, you can lay it without the bother of cement or tacks since it stays as flat on the floor as rugs do.

Expert designers found the main pattern for this carpet in an expensive hand made Oriental wool rug. Clear shades of blue, rose, ivory, green and brown, are on its lustrous rich taupe ground.

Absolutely waterproof, an occasional light mopping keeps it clean and fresh. Built for hardest wear, from the best felt, oils and paint obtainable.

Save several dollars by ordering your Art Carpets from Ward's while prices are so low.

Extra Heavy Ward-o-Leum Rugs

Tests Prove They Have 20% to 50% More Surface Paint Than Any Other Felt Base Rugs

Shown in Colors on Opposite Page-Described Below

WE feel sure that Ward-o-leum Rugs are better than any other printed felt base floor covering at any price. Careful tests of the six leading brands of felt base Rugs show that Ward-o-leum Rugs weigh more per square yard, and have a paint surface from 20 to 50 per cent thicker than any other felt base composition Rug. The patterns are bright and distinctive. Every Rug we sell is absolutely first quality, perfect in every way.

You need a smooth floor covering so that you can have a clean, sanitary kitchen. You need a Rug that will blend with furnishings in your living room, dining room or bedroom. Here you will find the proper Rug for every purpose.

Guaranteed to Give Satisfaction

Ward-o-leum Rugs are absolutely waterproof as neither steaming hot nor ice cold water can harm them. Stains from food, ashes, dirt or grease are quickly wiped away. They require no tacking nor cementing to make them lay flat.

K

Its blue field, overlaid with a flower and leaf design in soft, rich colors makes this a delightful Rug for any of your rooms. And it is so convenient and economical to use where wear is hardest. It is thoroughly waterproof.

Article Number	Size, Feet	Shipping Weight	Each
172 C 3505	9 by 12	About 54 pounds	$ 9.95
172 C 3506	6 by 9	About 28 pounds	5.98

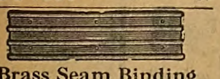
Linoleum Supplies

Brass Linoleum Edging

Use it to protect the linoleum in doorways or where the edges are subject to hard wear. Made of solid brass. Will not rust. Tacks included. Width, about ⅝ inch. Will greatly prolong the life of your linoleum. Shipping weight, per foot, 1 ounce.

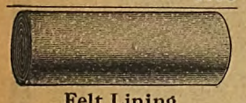
72 C 1880—Per foot.....4¢



Brass Seam Binding

This Seam Binding of solid brass will not rust. Protects seams as well as giving an attractive finish. Tacks included. Width, about ¾ inch. Ship. weights, per foot, 2 ounces; 150 feet, 5¼ pounds.

72 C 1885—Per foot..$.02
150 feet..2.65

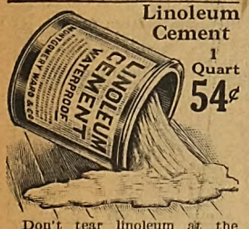


Felt Lining

For Linoleum or Carpets

Heavy Felt Lining which greatly prolongs the life of linoleum or carpets. Holds the heat in winter. Insulates against heat in summer. Width, 36 inches. Shipping weight, per yard, 1 pound; per roll, 50 pounds.

472 C 4253—Per yard..$.07
50 yards..3.25



Linoleum Cement

1 Quart **54¢**

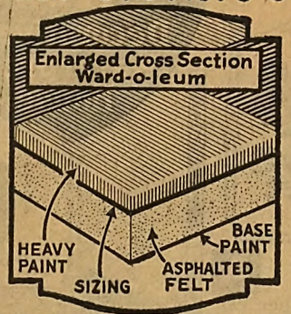
Don't tear linoleum at the seams by tacking it down. Cement holds it to concrete, wood, iron or tile floors. Waterproof. Use one quart of cement for ten yards of seams or for five square yards where the entire linoleum is cemented down. Apply with brush. Ship. weight, 3½ pounds.

86 C 885—
1-quart.....54¢

Super Ward-o-leum-Extra Heavy

20% to 50% More Surface Paint Than Any Other Felt Base Floor Covering

Shown in Colors on Opposite Page-Described Below



This diagram shows just how Ward-o-leum looks under a magnifying glass. The thick layer of asphalted felt, and the heavy surface paint mean long life.

Sold by the Running Yard

Ward-o-leum is sold by the running yard. This means that for one yard of the 6-foot width you get 2 square yards of Ward-o-leum; for one yard of the 9-foot width you get 3 square yards of Ward-o-leum. Please remember this when comparing prices and when ordering the proper quantity for your floor. See "How to Order" at bottom of page.

Why We Recommend Extra Heavy Ward-o-leum

1. Because of Its Superior Wearing Quality. Super Ward-o-leum has 20 to 50 per cent more paint on its surface than any other felt base floor covering, according to expert analysis. Only the best grade of thick paint is used. That is why the surface of Super Ward-o-leum wears long and evenly. The body of Super Ward-o-leum, made of long fiber rag felt thoroughly saturated with asphalt, is sturdy but flexible. It will not melt or stick to the floor.

2. Because It Is Waterproof. Neither hot or cold water will harm Ward-o-leum's base or surface. Stains from ashes, dirt or grease are quickly cleaned from the bright surface with just a few strokes of a damp cloth or mop.

3. Because the Patterns Are Distinctive. Colorful and rich looking, Super Ward-o-leum has been designed by specialists in interior decorating. Unusually lustrous and bright because of the heavy paint.

4. Because It Is Easy to Lay. Since Ward-o-leum needs no tacking or cementing except at seams and in the doorways, it is easy to lay. You simply place it flat on the floor and it will always stay in place.

5. Because It Is Moderately Priced. We feel sure that no other store in America can offer this high quality floor covering at such a low price. Send for samples and make your own comparisons.

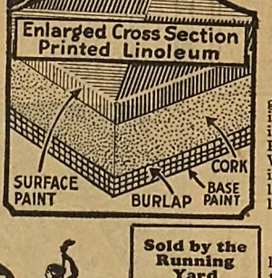
Printed Linoleum At *Lower Prices* Than Are Offered Anywhere For This Quality

Shown in Colors on Opposite Page-Described Below



Genuine Linoleum

One of the greatest bargains in this Catalogue is this Genuine Printed Linoleum.

$1.56 Running Yard 6 Feet Wide **172 C 3957**

We are confident our prices are the lowest in America for this quality of Linoleum. Also no printed linoleum regardless of the price will give you longer wear or look more attractive.

Unusually Durable Structure

Made by the largest nationally advertised linoleum manufacturers, our linoleums are constructed to give years of wear. Only the finest cork, paint, linseed oil and burlap obtainable are used in it. The illustration at the left will show you how they are combined into the smooth firm linoleum surface and base. Powdered cork, mixed with linseed oil makes it springy and restful to the feet, pliable and easy to lay. Thick heavy paint with a rich luster makes the surface durable, smooth and very easy to keep clean, with just a light mopping and occasional varnishing. And the tough burlap base prevents tearing and adds to the linoleum's wearing strength.

Sold by the Running Yard

For one yard of 6-ft. width you get 2 square yards; 7½-foot width, 2½ square yards; 9-foot width, 3 square yards; 12-foot width, 4 square yards.

Linoleum and Ward-o-leum

The table below shows the number of yards required in the widths in which it is most economical to cover an entire floor with Linoleum or Ward-o-leum. These figures include the necessary allowances for matching. If your size of floor space is not listed, state the size in your order and send money for the next larger size listed; we will then ship correct yardage and refund the difference. If your room has any irregularities such as window bays or fire places, send us a diagram giving extreme length and width of room, also the location and size of all offsets. From this we will estimate the amount of floor covering needed. Unless otherwise ordered strips will be shipped in one piece cut to run either length or width of the room, whichever cuts to best advantage. Complete instructions on how to lay Linoleum or Ward-o-leum are sent with each shipment. We carry a complete range of widths.

General Ordering Instructions on Page 329.

It Is Easy to Order from Ward's

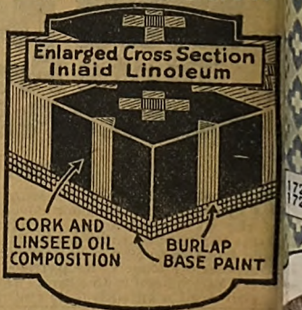
Inlaid Linoleum-Makes the Most Permanent Floor Covering

INLAID Linoleum lasts almost indefinitely. That's why it is absolutely the most economical floor covering that you can buy. These colorful patterns which are so attractive, can never wear off. Each design is laid just like an individual tile and extends through to the burlap base. Only the finest cork, linseed oil, and firm burlap are used in Inlaid Linoleum. We sell the two kinds, Molded and Straight Line, which are described below. Wise housekeepers are laying inlaid linoleum in every room. It is much less expensive than hardwood floors and it does not need frequent refinishing. It has no cracks to become filled with dust and germs and if given an occasional waxing is always easily cleaned by a light mopping.

Sold by the Running Yard

Our Inlaid Linoleum is sold by the running yard. Remember that for one yard of 6-foot width, you get 2 square yards; one yard of 12-foot width, 4 square yards.

Shown in Colors on Opposite Page Described Below



These colorful patterns can not wear off. They are built like tile clear through to the sturdy burlap base. The cork and linseed oil composition makes it springy and noiseless.

Molded Inlaid Linoleum

$2.19 A Running Yard 6 Feet Wide **172 C 4159**

Great skill is needed to mold the various patterns together into the smooth, durable Molded Inlaid Linoleum texture. Each rich color in a separate mold—perfect to a fraction of an inch—is firmly built onto the burlap base.

Many people prefer the slightly shaded, irregular effect which molded linoleum designs have, because it is so artistic.

Our prices on Molded Inlaid are lower than you can find elsewhere, and yet no molded Inlaid Linoleum is better.

U 172 C 4211—Width, 6 feet. Ship. wt., running yard, 11 pounds.....$3.15

Z 172 C 4165—Width, 6 feet. Ship. wt., running yard, 11 pounds....$2.39

Straight Line Inlaid Linoleum

As clean cut as the finest tile floor, Straight Line Inlaid Linoleum is especially attractive. Many people prefer it because each line of its distinct pattern is perfectly straight and even and it makes an especially neat looking floor covering. The complete design is cut, laid and pressed into the burlap base by great automatic machines run by experts. Smooth and firm in texture all the way through. Only the finest materials are used in this straight line inlaid linoleum and yet it is priced remarkably low.

AA 172 C 4153—Width, 6 feet. Shipping weight, running yard, 12 pounds.....$2.99

Why Tapestry Brussels Rugs Are So Practical

1. **Very Easy to Keep Clean, as Their Looped Pile Surfaces Are Smooth**
2. **Woven for Long Wear from Pure Worsted Wool Yarns**
3. **Priced Far Below the Usual Retail Prices of Rugs of Their Quality**

Shown In Colors on Opposite Page—Described Below

If you could see these Tapestry Brussels Rugs being made, the extreme care that is given every step in the process, you would be amazed at the low price Ward's asks for them. Experts choose the long worsted yarns with the same skill that they select the material for more expensive rugs. All the wool is imported from cold rocky countries where severe weather has produced sheep with heavy, long fleece, excellent for rugs.

"We always buy the very finest dyes produced," recently declared a manufacturer of Ward's Rugs. "Although they cost more we believe we are repaid as we have no delays in production due to dyes that run or colors that won't come true." The yarn is steamed at a high temperature for thirty minutes after being dyed to insure fast colors.

A Do Not Miss This Bargain

Save money by ordering this Rug now. One of our most popular designs—a colorful medallion pattern in natural shades. Snugly woven into a looped pile from long worsted yarns. Because we bought in huge quantities at a slack time in the factory's work we are able to give you this very special bargain. Seamless.

Article Number	Size Feet	Ship. Wt. About	Each
172 C 2025	9 by 12	23 lbs.	$16.95
172 C 2026	11¼ by 12	31 lbs.	21.85

B Looks as If It Cost Much More

One of our biggest and most popular values in a good looking Tapestry Brussels Rug. Such designs and rich color combinations are usually found only in much more expensive rugs. Its worsted wool face is woven from sturdy selected worsted yarns into a looped pile surface. Patterned in quiet shades of brown, rose and blue with a blue ground in border. Seamless.

Article Number	Size Feet	Ship. Wt. About	Each
172 C 2048	9 by 12	25 lbs.	$17.95
172 C 2049	8½ by 10½	20 lbs.	16.85
172 C 2050	11¼ by 12	31 lbs.	24.50

C Fashionable with Its Taupe Ground

Curving figures and scrolls in soft shades of rose, blue and brown are used on this taupe background. Woven closely from choice worsted yarns of firm long strand into a wear resisting surface. We know that you will save money by buying this rug at Ward's now. Seamless.

Article Number	Size Feet	Ship. Wt. About	Each
172 C 2125	9 by 12	29 lbs.	$22.95
172 C 2126	6 by 9	15 lbs.	12.25
172 C 2127	7½ by 9	19 lbs.	15.95

172 C 2129	11¼ by 12	35 lbs.	29.95
72 C 18	27 by 52 in.	2 lbs.	2.15

D Soft, Rich Coloring in This Design

Really distinctive—its rich shades of golden brown, blue and rose and its antique design strongly suggest the patterns in Oriental rugs. And it will give excellent service, too, since it has a much closer and firmer weave than most tapestry brussels rugs. One of the best inexpensive floor coverings that you can buy. Seamless.

Article Number	Size Feet	Ship. Wt. About	Each
172 C 2225	9 by 12	30 lbs.	$24.95
172 C 2226	4½ by 7½	9 lbs.	9.45

172 C 2229	11¼ by 15	47 lbs.	41.85
72 C 22	27 by 54 in.	2 lbs.	2.45

E Its Brown Shades Will Not Readily Show Soil

You can not afford to miss this bargain if any floor in your home needs a new Rug. Pure worsted wool yarns make the close looped pile surface and it is closely and firmly woven to give long service. Its small attractive figures in browns are suitable for any room. A practical rug as it will not readily show soil or wear and its smooth, looped surface is easily cleaned. Seamless.

Article Number	Size Feet	Ship. Wt. About	Each

G Our Finest Tapestry Brussels

Our very best quality Tapestry Brussels Rug with a smooth close weave of finest worsted yarns. And it is also our most distinctive pattern in our low priced rugs. You will like these Oriental figures in old Chinese red, blue and ivory on a soft tan ground. And it will give you exceptional service. Seamless.

Article Number	Size Feet	Ship. Wt. About	Each
172 C 2237	9 by 12	30 lbs.	$26.95
172 C 2238	8¼ by 10½	24 lbs.	24.95
172 C 2239	11¼ by 12	38 lbs.	34.85

H Here Is a Very Economical Choice

When you can buy such a handsome Rug at this price it is true economy to order several even if you do not actually need them right now. Its pattern is very suitable for any room with its warm blends of golden brown, green and blue. An even texture woven from well spun worsted yarns of uniformly long wearing strength. Seamless.

Article Number	Size Feet	Ship. Wt. About	Each
172 C 2145	9 by 12	23 lbs.	$16.95
172 C 2146	8¼ by 10½	19 lbs.	14.95
172 C 2147	11¼ by 12	29 lbs.	21.95

J Save Money by Ordering This Rug

Even in this group of unusually big values this Rug stands out as a very special bargain. Its very simplicity makes it rich looking, and its taupe, blue and brown coloring is clear and distinctive. Sturdily woven from pure worsted so that it will give you long wear. If you have bought rugs before you know that seldom can you find such quality at this price. Seamless.

Article Number	Size Feet	Ship. Wt. About	Each
172 C 2007	9 by 12	25 lbs.	$19.95
172 C 2009	11¼ by 12	31 lbs.	26.75

K Restful, Small Allover Design

A neat pattern of which you will not tire. Touches of blue and ivory enliven this richly blended brown background. Use this rug in rooms where the wear is severe as its worsted looped pile surface will stand up well under constant service and not readily show soil or signs of wear. If you need a new rug for any room, do not overlook this bargain. Seamless.

Article Number	Size Feet	Ship. Wt. About	Each

L Especially Popular with Our Customers

Because it costs so little, looks attractive and will give such long service, this Rug is one of our biggest sellers. Many of our customers have told us how much they liked it. On its clear sand ground are graceful figures in soft blues, rose and brown. Long wearing yarns in a smooth, reliable looped pile. Seamless.

Imported Seamless Tapestry Brussels Rug

colorful and handsome design, this Rug will make any room seem cozy and cheerful.

A Special Purchase Makes This Low Price Possible

It has been years since we have been able to offer a Tapestry Brussels Rug at a price so low. We doubt if we can ever repeat this value.

Its decorative medallion pattern is exceptionally rich and colorful. Deep shades of blue and green are most prominent in the medallion and border, with lighter ivory shades in the ground. Firmly printed on a sturdy jute face this rug will give splendid wear.

Jute Velvet Small Rugs

G Clustered in leaves and scrolls of green, the deep red blossom of a natural looking rose makes the attractive printed pattern for this Rug. The background is ivory and taupe, closely woven into a jute pile face on a substantial back. Size, 27 by 54 inches. Ship. weight, about 3 lbs.

72 C 232 ..... $2.10

A Specially Worthwhile Bargain

C Popular conventional allover pattern in this Velvet Rug which will harmonize with any furnishings and draperies. The soft pile surface giving an almost silent tread is well cushioned by its well woven body. Only select wool yarns, spun many times to give them special strength and fineness, were used in its manufacture. Values such as this are not often obtainable, so examine your floor coverings and order rugs for every room possible, while these low prices are effective. Here is proof that much expense is not necessary to furnish your home attractively if you take advantage of Ward's big bargains. Seamless.

Why Velvet Rugs Have A Rich Nap

SINCE you can not actually feel the nap of these Velvet Rugs before you order them, we want you to know just how they are made so that you can realize how soft and firm they are.

Huge looms have several round wires, the length of the machine. Lustrous, imported wool yarn is looped over these wires in much the same way that stitches are cast on a knitting needle, except that the whole row of loops is cast on at once. At the end of each wire is a little razor like knife which deftly slits the loops, leaving a double row of upright tufts called the pile. Steaming and shearing machines leave the pile smooth and even.

But there is another big reason why the velvet rugs Ward's offers have a particularly good nap. We make such great purchases that we can insist on every process in the manufacture that gives rugs better quality. Only expert weavers who served apprenticeships in a factory weaving school make these rugs. Pure wool from many foreign countries has been carefully chosen for a blend that gives all the desired velvet pile qualities—springiness and softness of fiber.

Our finest velvet rugs, close and heavy, are listed on the lower section of this page. We know that they are the best quality you can buy anywhere at this price. Whatever your rug requirements may be you will find that you can save money by ordering from Ward's.

Ward's Finest Velvet Rugs

Usually Called Wilton Velvet

Seamless, Thick and Heavy

Shown in Color on Opposite Page—Described Below

XVII Century Persian Pattern

H Fine Velvet Rug, with blue colorings and figures which are characteristic of the best of XVII Century Persian design. Has a mosaic edging and wider border pattern with attractive center field of panels and trellis work. Made of select wool yarns woven onto a heavy back into a soft pile that cushions the tread. Harmonizing linene fringe except on the small sizes. Seamless.

Article Number	Size	Ship. Wt. About	Each
172 C 2645	9 by 12 ft.	34 lbs.	$32.95
172 C 2646	7½ by 9 ft.	23 lbs.	23.95
172 C 2647	8¼ by 10½ ft.	26 lbs.	30.95

72 C 407	27 by 54 in.	3 lbs.	2.85
72 C 408	36 by 72 in.	5 lbs.	5.45

Rich Colorful Figures

J Colorful with soft tints which will harmonize with any furnishings, this fine Velvet Rug has most of the famous Sarouk pattern from which it was copied. The Sarouk Tribe were the master rug weavers of Persia. Its soft, velvety surface pile, on which you walk with quiet tread, is backed by a well made under structure. You may be sure it will wear well. Finished with fringed ends except small sizes. Seamless.

Our Best Velvet Rug

K There is beautiful coloring in this first quality Velvet Rug. The pattern is a modern adaptation of an Antique Turkish motif. The rug has a soft, deep pile, luxurious to step upon. Select wool yarns with a heavy understructure mean added beauty and long life. Also available in rug runners of the same fine quality. All sizes are finished with fringed ends. Seamless.

72 C 446	2¼ by 12 ft.	10 lbs.	12.95

Especially Popular with Our Customers

L You will not tire of the soft balance of colors in this Velvet Rug or its pattern of panels and trellis work. We recommend it for long service, because of its soft velvety pile surface and substantially woven understructure which will not curl up and interfere with doors. Very distinctive in appearance, this floor covering makes a fitting background for the furnishings of a comfortable home. A very exceptional value at our price. Finished with fringed ends, except small sizes. Seamless.

Article No.	Size	Shipping Weight	Each
172 C 2660	9 by 12 feet	About 34 pounds	$32.95

72 C 406	36 by 72 inches	About 5 pounds	5.45

An Unusually Soft Rich Pile

M Copied from a Persian tapestry, this fine Velvet Rug has kept much of the beauty of coloring and pattern of the original. Woven closely of lustrous, smooth wool yarns into a deep thick pile that is soft and restful to walk upon. Its firm back adds to the rug's wearing strength and prevents it from curling up at the edges. With such soft, rich shades of tan it is sure to harmonize with any furnishings. Send some to relatives or friends as gifts for Christmas or other occasions. All sizes fringed. Seamless.

Axminster Rugs You Feel Their Deep Soft Nap With Every Step

Have Plenty of Small Rugs

It is stylish and very practical to use many Small Rugs in your home. Save wear on your large floor coverings by placing them where there is most walking. We list a large variety and all are neatly made and of excellent quality

Shown in Colors on Opposite Page—Described Below

FEW people realize one of the greatest advantages of Axminster Rugs. They are the only rugs made, except the hand woven Orientals, that can have an unlimited number of colors. Designers make full use of this advantage of the Axminster looms; and in planning the patterns they employ an unusual number of colors. Even low priced Axminsters have as many as one hundred and fifty different shades. So many color blends add to the rich appearance of the rugs. Another distinctive feature of Axminsters is their high close pile of upright tufts of yarn. Unusually restful to walk upon because of their thick nap.

$31.95

9 by 12 Feet

Seamless Axminster Rug Colorful, Distinctive Pattern

THE huge quantities of this handsome Axminister Rug that we sell each season have made possible our unusually low price. Because of the simple, effective pattern and the rich color throughout its design, this Rug is suitable for many of your rooms. The sand background with its distinctive figures of blue, rose, green and ivory makes a rich looking combination of color. Its high surface pile is comfortable to walk upon.

Well made in every way by thoroughly expert weavers from yarns spun and dyed with the greatest care. You can be sure that the rug is of uniform wearing strength as all the yarns are dependable. Chemists have accurately tested the dyes to be sure that the colors are fast.

Do not miss this opportunity as we know you will be completely satisfied with this rug in any room in your home. All sizes of this rug are seamless except the 11¼ by 12-foot size, which is seamed.

Chinese Star Pattern

Now when Rugs woven with Chinese designs are so very popular everywhere we are offering you this richly colored Axminster at a remarkably low price. We are absolutely sure that you can not find so good looking and durable a rug elsewhere for so little money. Chinese star flowers in blue, ivory, brown and black on a sand tan ground. Thoroughly satisfactory high nap and back which will stand hard wear. All sizes are seamless except the 11¼ by 12-foot size which is seamed.

B Restful, Neat Looking Allover Pattern

For the woman of good taste who likes her Rugs simple but interesting looking, this Axminster rug is one of our biggest values. We have priced it very low, but it is a decidedly good wearing quality for which we are sure you would have to pay much more if you ordered it elsewhere. You will find its wool pile surface soft and comfortable to walk upon. And its pattern is the kind of which you will not tire. Its blue border contrasts effectively with the shaded brown and tan ground and is entirely suitable for any room. Seamed.

72 C 747	27 by 52 in.	3 lbs.	3.25

C Oriental Design of Persian Origin

With its shadow pattern—so often found in the ancient court carpets of Persia—this Oriental design is remarkable for this price. Modern designers have brought out its delicate figures in clear shades of coral, ivory, blue and brown on a taupe ground. Then, too, rare skill has been shown in weaving quality into the rug. It has a rich, velvety pile of select wool yarns with a firmly woven understructure of strength and durability. Seamed.

72 C 791	36 by 63 in.	4¼ lbs.	6.65

D For Those Who Like Flowers

Designed specially for those who love flowers and like to see them reproduced on their rugs. With the exception of the center medallion and the square chain border this pattern is made up of flowers of many varieties and shades. Almost any draperies and furnishings will harmonize with this rug's browns, rose shades, greens and lighter tones. It will make your rooms seem cheerful and cozy with its clear rich coloring. Only wool yarns chosen for their strength and carefully prepared are woven firmly and securely onto its face. Has a substantial back and a soft surface pile. Seamed.

72 C 699	27 by 52 in.	3 lbs.	3.35
72 C 697	36 by 63 in.	4½ lbs.	5.75

E Here Is a Distinctive Chinese Pattern

Usually such distinctive color blends as these are found only in very expensive Rugs. Here is the famous tree pattern with the short stems and seven branches, representing the seven days of creation. Since Oriental designs are now the most popular this attractive, durable rug is a wise choice for any room. When you walk on its soft, high nap, you will scarcely believe that it could have cost you so little. By ordering large quantities of them when the factory needed business we can give our customers this big value. Seamed.

F Our Finest Axminster Rug in Quality and Design

Divide the cost of this specially fine quality Axminster by the many years of service it will give. Then you will realize how really economical it is. Its unusual beauty and its close high nap will always give you far more pleasure and pride than ordinary rugs. Pure Chinese design from the square chain border bands and lantern figures to the urns, gems and flowers covering its taupe center field. It has a thick high nap, woven to last on the finest Axminster looms in America from choicest wool yarns. Seamed.

G Has an Unusually Thick, High Pile

Superior quality Axminsters like this cost very little more than ordinary ones and they outwear the lighter weight rugs by many years. Our sales on this rug have been enormous because customers realize that it really pays to buy this specially fine quality. Restful and luxuriant to walk upon with its high pile surface and substantial back. No color is more fashionable than this rich shade of taupe. Seamed.

H One of Our Most Fashionable Patterns

Anyone can have the rare beauty of Oriental patterns at an almost unbelievable low price by ordering this Axminster. With its pretty sand-tan field covered with shades of green, old rose and brown, and its Oriental shadow figures it is in excellent taste. It has a high pile pure wool surface and a closely woven body that gives it great natural strength. One of our biggest rug bargains as it will give you real satisfaction and save you money. Seamed.

J A Very Decorative Colorful Design

On account of the great variety of colors, tints and shades in the wreath design, this Rug will harmonize with almost any draperies. Has an especially decorative border band with flowers and gem figures artistically combined. Carefully woven into a firm surface of high grade wool yarns of uniformly strong wearing quality. You will like its deep pile surface—not only does it cushion the tread but it looks very rich. All sizes are seamless except the 11¼ by 12-foot size which is seamed.

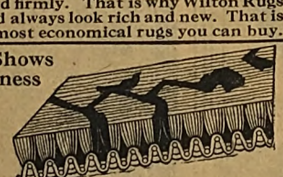
Genuine Wilton—The Rugs That Last a Lifetime That's Why They Are The Most Economical Rugs You Can Buy

IF you could watch every step in the making of genuine Wilton Rugs you would be convinced of their remarkable value. As the wools must give a silky sheen and rich luster to the rugs, only the longest and finest are selected and spun into a 4-ply strand. Expert weavers, trained in special weaving schools for years, guard every movement as the shuttles weave closely and firmly. That is why Wilton Rugs last almost a lifetime and always look rich and new. That is why they are by far the most economical rugs you can buy.

"Our patterns and colors have all the artistry of the ancient Oriental rugs," a rug designer remarked, "since we copy them from the finest rugs that are now preserved in museums." But the designers also understand perfectly the needs and tastes of the modern woman. These rugs have all the qualities that you want in the rugs for your home—charm, durability, and comfortable softness; yet they are within the means of almost every housekeeper.

Shown in Colors on Opposite Page—Described Below

K Illustration Shows Actual Thickness of Rug



Chinese Pattern in Rich Fashionable Colors

We are quite certain that this is the lowest priced genuine Wilton Rug offered anywhere. Taking the figures from an expensive ancient Chinese pattern, expert designers have worked out this handsome pattern. Flowering sprays of soft rose, ivory and blue, shapely vases and urns, and a harmonizing central medallion figure—all have a rich oriental tone. And yet this rug conforms in every way to the modern ideal of perfect floor covering.

Its lustrous, velvety wool pile will softly cushion the tread, and its firm substantial back will give it added wear resisting qualities. Finished neatly with a harmonizing 3-inch linene fringe. Lays perfectly flat on the floor. Seamed.

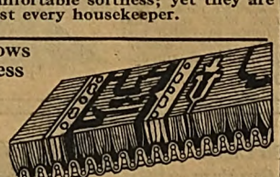
72 C 562	27 by 54 in.	About 4 pounds	6.95

L Illustration Shows Actual Thickness of Rug



Silky Texture and a Thick High Pile

For centuries the world's most beautiful Rugs were made in the Orient. And only the wealthiest homes could afford them. Now this fine domestic rug, with much of the beauty of the Orientals, is offered by Ward's at a price within the reach of all.

Its simple pattern shows the accurate blending of symbols in ancient Oriental art with new forms of modern design. Leaves, scattered blossoms, urns and shapely medallions cover the taupe colored center. It has a deep luxurious pile face made soft with high grade wool yarns, and its heavy back gives great strength. Ends are richly finished with a 3-inch linene fringe. Seamed.

Silky Pile

The Finest, Most Durable Rug That Ward's Offers

Our finest Rug with a soft, silky sheen, rich in the designs and colorings of the Orient. Antique foreign rugs seem an unnecessary extravagance, even to those who can afford them, when a rug so distinctive as this Wilton is priced so reasonably. No color is now so fashionable for a rug as this taupe background with its richly shaded jaspé effect. The delicate tracery of its figures is in a variety of softly blended rose and blue tones. Its pure worsted wool face and extra thick, luxurious pile are so closely woven that they will last almost a lifetime. Springy, strong and of long, firm fiber these imported worsted yarns are the same quality which the Orientals always used. A thick linen fringe, 4 inches deep, neatly finishes the edges. The most worthwhile rug value that you can find anywhere. Seamed.

Japanese Rice Straw Rugs
Unusually Strong—Double Warp

$4.45 9 by 12 Feet

$4.95 9 by 12 Feet

Japanese Rice Straw

Only the finest rice straw, selected for its wearing strength, is woven into this sturdy texture, making this Rug a remarkable value. A really distinctive design—a central medallion of green and brown and smaller designs in brown, all set off by outlines of black. It has a tan background and a green border. Neatly and securely bound edges.

Article No.	Size, Feet	Ship. Weight	Each
172 C 3383	9 by 12	About 22 lbs.	$4.95
172 C 3384	6 by 9	About 11 lbs.	2.60
172 C 3385	8 by 10	About 17 lbs.	3.75
72 C 1385	3 by 6	About 4 lbs.	.92

Japanese Rice Straw

Warm, rich greens are used on a background of lighter green, with just enough deep blue and brown in the pattern to give it a soft glowing effect. These are strong rice straw rugs, woven by skilled Japanese makers with a heavy double warp that insures long satisfactory wear. Since our price is now so exceptionally low, it will be a real economy to order several for your bedrooms, living room, dining room and porches.

$4.75 9 by 12 Feet

Article Number	Size Feet	Shipping Weight	Each
172 C 3378	9 by 12	About 23 pounds	$4.75
172 C 3379	6 by 9	About 11 pounds	2.50

72 C 1383	3 by 6	About 3 pounds	.89

Japanese Matting Rugs

We sincerely believe this is the strongest, most attractive Rug of its kind you can buy anywhere for a price so low. Quality has in no way been sacrificed to make possible this special value. Take advantage of this opportunity to replace any of your worn rugs for little money.

Long Wearing Quality

Painstaking workmen in Japan have made this rug of choicest Japanese rice straw. They wove it closely with a heavy double warp for extra strength and smooth firm texture. All edges are neatly bound with a sturdy blue tape.

Oriental Pattern

Since its design is simple, this artistic Rug is in perfect taste for any of your rooms. Has a lovely old Oriental medallion pattern and unique figures. Finished with a pretty border design. Clear rich brown and two shades of Japanese blue are on the natural tan ground.

Article Number	Size Feet	Shipping Weight	Each

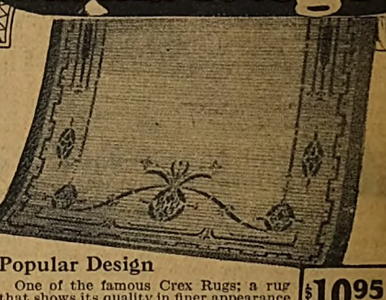
Genuine CREX Durable Wire Grass Rugs



$3.89 9 by 11⅔ Feet

A Stylish Wide Border

You will like the delicate tracery of this design and its neat harmonizing border. Against these clear distinct shades of brown, green and blue, your furniture will look exceptionally attractive. Its border is in the wide style now so popular. Exceedingly popular with our customers as it is a strong imported quality woven firmly from choice materials. Add a fresh new appearance to some room. Seamed.

Cheerful Colors In This Pattern

Those bright and cheerful colors—red and green—stand out clearly against a tan back ground in these Matting Rugs. A brilliant Oriental medallion is combined with small corner figures and an interesting border in this good looking design. Only imported long wearing straw is woven into this smooth texture. As it is carefully made and bound firmly at the edges it will last a long time. Seamed.

72 C 1487—Per yard ..... 55¢

Carpeting

We will gladly estimate the cost of floor covering for any room in your home. This service is absolutely free, and obligates you in no way.

Whether you simply ask for a free estimate or send us your order for a carpet, you should furnish a diagram of the room with the exact measurements. If the room has bay windows, a fireplace, or any other irregularities in its shape, show them on the diagram and state exact dimensions of each. Also state whether you want strips to run the length or width of the room. Unless specified, we cut carpet the long way of room. Allow about 1½ yards of carpeting for waste for every twenty-five yards.

We Will Sew Your Carpet

For sewing Ingrain or Rag Carpet, add 3¢ per yard extra. For Velvet Carpet, add 4¢ per yard extra. Allow three-quarters of a yard extra for mitering and $1 for sewing Hall Runners.

How to Find Carpet Needed

If a room is square or oblong and has no irregularities in its shape, the table below will show how much material you need. If the dimensions of your room are not in the list, allow enough carpeting on your order for the next largest size. We do all matching and cutting free of charge.

Size of Room	27-Inch Carpet Needed	36-Inch Carpet Needed
9 by 9 feet	13 yards	9½ yards
9 by 12 feet	17 yards	12¾ yards
9 by 13 feet	18½ yards	13¾ yards
9 by 14 feet	19⅔ yards	14¾ yards
9 by 15 feet	21 yards	15¾ yards
10 by 10 feet	16¼ yards	12½ yards
10 by 12 feet	19¼ yards	15 yards
10 by 13 feet	20½ yards	16 yards
10 by 15 feet	23⅓ yards	18½ yards
11 by 11 feet	19⅔ yards	15⅔ yards
11 by 12 feet	21¼ yards	17 yards
11 by 13 feet	22½ yards	18½ yards
11 by 15 feet	26¼ yards	21 yards
12 by 12 feet	23½ yards	17 yards
12 by 13 feet	25 yards	18 yards
12 by 15 feet	29 yards	21 yards
13 by 13 feet	27½ yards	20⅔ yards
13 by 14 feet	29¼ yards	22 yards
13 by 15 feet	31¼ yards	23⅔ yards
14 by 14 feet	32 yards	24⅔ yards
14 by 15 feet	33¾ yards	26¼ yards
15 by 15 feet	36¾ yards	26¼ yards

Measuring for Stair Carpet

For straight stairways, add the height of the riser and the depth of the tread together, and multiply by the number of steps. For circular stairways, measure the height of the riser and depth of tread on the outside, and multiply by the number of steps. Order additional carpet for covering any landings.

We advise purchasing about 1½ feet extra for shifting the part on the riser to the tread when the tread shows wear.

General Ordering Instructions on Page 329

It Is Easy to Order from Ward's

Ideal for Churches Theaters, Hotels and Clubs, as Well as Homes

We are certain you can not buy a better Carpet at this price. Very high quality as its heavy long nap is closely woven from fine wool yarns, specially selected for their rich luster and durability.

These convenient widths make this carpet quite desirable for rugs as it can be cut in rug sizes: 6 by 9; 7½ by 9; 9 by 9; 9 by 12; 12 by 12 and 12 by 15 feet and many other smaller sizes. Ends can be overcast and fringed for a small additional charge—only 10¢ a yard for overcasting ends and 29¢ a yard for fringing ends with harmonizing linene fringe. We convert these into very fine rugs. Sold by the running yard. Taupe color only.

Plain or Fringed Oil Opaque Shades

In recommending these machine made Oil Opaque (not transparent) Window Shades, we know we are offering you a splendid value. The roller will keep its life and respond quickly to the touch, and the fabric will withstand the buffetings it is almost sure to receive. Day after day it will keep out the sun or strong light and at night it will give your home privacy.

An excellent grade of oil opaque cloth is used in these shades. Guaranteed rollers have a reserve spring. All moving parts protected by a metal cap. Complete with slat, brackets, nails and nickel ring pull. Outside brackets are sent unless inside are ordered.

COLORS: Dark green; dark olive green; white; light cocoa brown, or buff. State color.

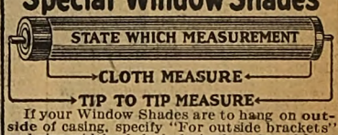
Special Window Shades



If your Window Shades are to hang on outside of casing, specify "For outside brackets" and give width of cloth desired. See picture below.

If they are to hang on inside of casing, specify "For inside brackets" and give tip to tip measurement, which will be the exact inside width of the casing as shown below. **Always measure at top of casing.** As measurements for inside brackets must be absolutely correct, it is advisable to use a wood measuring stick rather than a cloth tape measure or string. The three illustrations are a guide for measuring your windows.

In measuring for length, add 6 inches to window opening from top to bottom. This extra length of cloth prevents shade being torn from the roller.

If ordering a duplex (two-color) shade, specify which color is to face the outdoor side.

When the exact size you need is not listed in the table, allow price of the next larger size.

Samples sent free if desired. We furnish prices on shaded gilt lettering on request.

Water color shades look well, give excellent service and are moderate in cost. **American Holland shades**, made by a special process, are better in quality and slightly higher in price. **Machine made oil opaque shades** are exceptionally high grade and long wearing. Our very best shades both in quality and beauty are the **Bancroft, hand made Oil Opaque** and **Crescent Tint Shades.**

Make Your Couch or Day Bed Bright and Colorful

A bright, attractive Couch Cover will transform an old couch or day bed, making it a new spot of interest in any room or porch.

$2.25

This Couch Cover is exceptionally well made of firm, closely woven tapestry with the edges neatly finished. Light in weight but a firm, durable texture. An especially desirable feature of this cover is that it is reversible—either side is equally attractive. One will not tire of the conventional floral design and artistic color combination. A splendid value, as the price is remarkably low and the wearing qualities can not be too greatly emphasized. Width, 48 inches. Length, 2½ yards.

Read About Our Sizes and Colors

About Sizes. Although we measure curtains and curtaining carefully, sometimes they may differ as much as an inch or two from size listed. That is because the weave may vary slightly in width and length when it comes off the loom.

About Colors. Beige, the most popular color now, is a rich shade of light tan. Ivory is the mellow cream shade next to white. Pure white gives a fresh crispness to your window hangings that is produced by no other shade.

Art Silk Filet Net — 89¢ A Yard 36-Inch Width

The season's favorite Curtaining—the same material that is used for draperies in many of America's finest homes. Woven flawlessly of silk and cotton threads—silk for lustrous beauty and cotton for strength into a fine, close texture. Daintily figured with neat, conventional designs. We know that Ward's low price on this material will save you much money. Firm edges. Launders easily in lukewarm water with mild soap.

COLORS: Ivory or gold. State color wanted.

72 C 6414—Width, about 36 inches. Per yard 89¢
72 C 6415—Width, about 45 inches. Per yard 98¢
Postage, 5 yards, 8¢ extra

Art Silk Filet Net — 85¢ A Yard 36-Inch Width

Latest style Curtaining for panels or pairs of silky Filet Net. Woven of fine silk and cotton threads with dainty little close meshed figures.

COLORS: Ivory or gold. State color wanted.

72 C 6416—Width, about 36 in. Per yard 85¢
72 C 6417—Width, about 45 in. Per yard 95¢
Postage, 5 yards, 8¢ extra

A Special Bargain in Filet Net — 49¢ A Yard 36-Inch Width

Remarkably fine Filet Net in quality and design at a specially low price. Its quaint figures are evenly woven onto the firm square mesh of long wearing threads. Non raveling edges. Good laundering quality.

COLORS: White or beige. State color wanted.

72 C 6379—Width, about 36 inches. Per yard 49¢
72 C 6386—Width, about 43 inches. Per yard 55¢
Postage, 5 yards, 8¢ extra

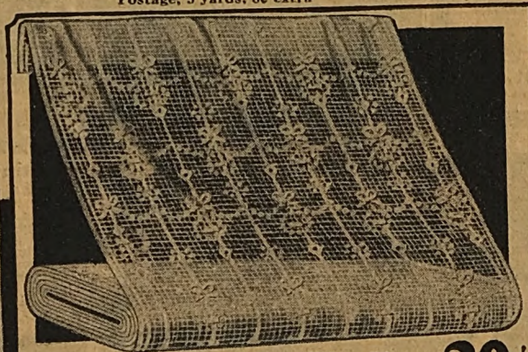
Nottingham Lace — 45¢ A Yard

Width, about 40 inches

This Curtain Material is an excellent choice since it looks charming and lasts exceptionally long. Diamond figures woven in a close, firm mesh. Only one curtain is needed at a window if you use this extra wide material. Neatly finished edges. Easy to launder well.

COLORS: White or beige. State color wanted.

72 C 6230—Per yard 45¢
Postage, 5 yards, 8¢ extra



Filet Net — 69¢ A Yard 40-Inch Width

Its tiny figures in quaint little circles, and its fine mesh makes this one of our daintiest Curtain Materials. Suitable for panel or for any other style curtains as its edges have a neat border. Wears and launders well.

COLORS: White or beige. State color wanted.

72 C 6407—Width, about 40 in. Per yard 69¢
72 C 6408—Width, about 48 in. Per yard 79¢
Postage, 5 yards, 8¢ extra

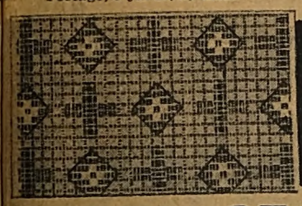
Filet Net — 49¢ A Yard

Width, about 40 inches

Since its conventional spray pattern is so good looking and its square mesh so sturdy, this Net is an excellent choice. Edges neatly finished. A satisfactory laundering quality.

COLORS: White or beige. State color wanted.

72 C 6409—Per yard 49¢
Postage, 5 yards, 8¢ extra



Nottingham Lace — 37¢ A Yard 32-In. Width

If you are looking for a distinctive Curtaining pattern, different from ordinary net, order this Nottingham with its shadow effect. A reliable mesh that launders splendidly.

COLORS: White or beige. State color wanted.

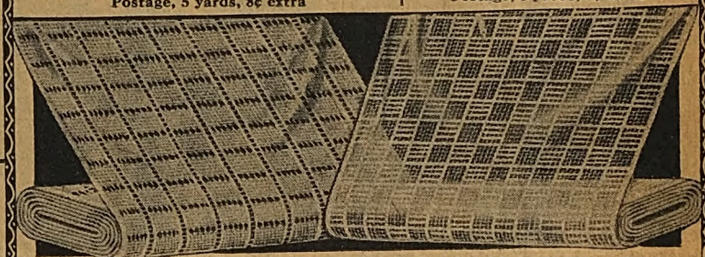
72 C 6243—Width, about 32 inches. Per yard 37¢
72 C 6232—Width, about 42 inches. Per yard 49¢
Postage, 5 yards, 8¢ extra

One of Our Prettiest Filet Nets — 39¢ A Yard 32-Inch Width

It pays to buy extra good quality Curtaining, since curtains receive such hard service. Order this Filet Net and you can be absolutely sure that it will give long service and always look fresh and attractive at your windows. Our price is much lower than you would pay elsewhere for such good quality net. Dainty festoons on a medium fine, even mesh. Non-raveling edges.

COLORS: White or beige. State color wanted.

72 C 6405—Width, about 32 inches. Per yard 39¢
72 C 6406—Width, about 42 inches. Per yard 49¢
Postage, 5 yards, 8¢ extra



Checked Voile — 19¢ A Yard

Width, about 36 inches

Drawn work makes the good looking 1-inch checks in this finely woven Voile. A serviceable laundering and wearing quality. We are sure that you would pay about twice this price elsewhere for the same kind of material.

COLORS: White or beige. State color wanted.

72 C 6714—Per yard 19¢
Postage, 5 yards, 8¢ extra

Fancy Crossbar Marquisette — 19¢ A Yard

Width, about 36 inches

A new effect in crossbar Marquisette. The 1-inch squares are alternately of a fine even mesh and an open weave. You will find it a very reliable quality. Will make up attractively in the ruffled curtains with valance and tie backs, or straight and sash curtains. Launders well. Selvedge edges.

COLORS: White or beige. State color wanted.

72 C 6618—Per yard 19¢
Postage, 5 yards, 8¢ extra

It Is Easy to Make Fashionable Ruffled Curtains

Any of the Marquisettes shown below are suitable for the popular ruffled curtains. Make a ruffled valance and loop back the sides with plain or ruffled tie-backs, either at the center of the window or nearer the sill.

Dotted Grenadine White or Colored Dots — 29¢ A Yard

Width, about 35 inches

Anyone can now make the popular ruffled curtains or plain ones at a big saving with this fine meshed, dependable Grenadine. Then, too, you can have that touch of color at your windows which interior decorators now recommend so highly. Similar to fine marquisette in weave, this material looks well and lasts long. The sturdy, colored dots will not fade or run. Selvedge edges.

COLORS: White with white, blue, rose or gold dots. State color wanted.

72 C 6640—Per yard 29¢
Postage, 5 yards, 8¢ extra

Colored Grenadine White Dots — 39¢ A Yard

Width, about 35 in.

Never before have we offered so dainty or so fashionable a curtain material at a price so low. Small white dots are woven onto an exceedingly fine colored mesh. Even though it looks so sheer it will last unusually long. Selvedge edges.

COLORS: White dots on blue, rose or gold. State color wanted.

72 C 6606—Per yard 39¢
Postage, 5 yards, 8¢ extra

50¢ A Yard

Mercerized Marquisette — 29¢ A Yard

Width, about 34 inches

Popular, sheer; hem stitched and edged with ½-inch torchon lace. Serviceable.

COLORS: White; ivory, or beige. State color.

72 C 6610—Per yard 29¢
Post., 5 yards, 8¢ extra

Plain Weave Scrim — 19¢ A Yard

Width, about 30 inches

It's easy to make simple, dainty Curtains at a very small cost with this material. Firmly woven Scrim, hemstitched and edged with ½-inch good looking lace. Launders beautifully.

COLORS: White; ivory, or beige. State color wanted.

72 C 6767—Per yard 19¢
Postage, 5 yards, 8¢ extra

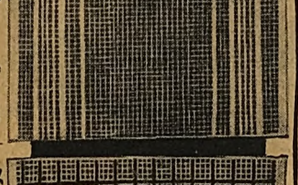
Double Border Marquisette — 15¢ A Yard

Width, about 35 inches

For its fine even mesh and low price we recommend this marquisette. Firm, neat double border.

COLORS: White or beige. State color wanted.

72 C 6585—Per yard 15¢
Postage, 5 yards, 8¢ extra



Art Silk Marquisette

Width, about 36 inches

Popular everywhere for any kind of drapery. Smooth, silky texture, easy to work with. Laundering will not fade it and it wears unusually long. Specially priced to save you money. Selvedge edges.

COLORS: Natural pongee; gold; blue, or rose. State color wanted.

72 C 6328—Per yard 59¢
Postage, 5 yards, 8¢ extra

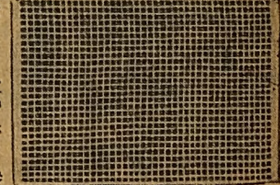
Marquisette — 17¢ A Yard

Width, about 36 inches

You can't buy better quality anywhere for this price. Reliable wearing material that launders well.

COLORS: White; ivory, or beige. State color wanted.

72 C 6576—Per yard 17¢



Mercerized Marquisette. Unusually fine, sheer quality.

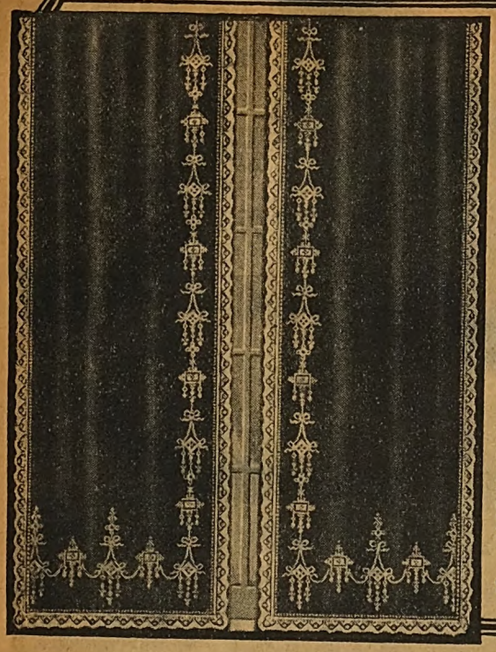
Serviceable Filet and Nottingham Lace Curtains



$1.89 A Pair — Filet Net Curtains

A Specially Low Price That You Can Not Duplicate

Width, each curtain, about 36 inches

We have never before seen a Filet Net Curtain of such fine quality, priced so extremely low. A particularly dainty pattern with an exquisitely woven Adam period border design and neat, serviceable edging of securely bound, overlocking scallops. Since it is simple and yet so pretty, it is always in good taste and suitable for almost any room.

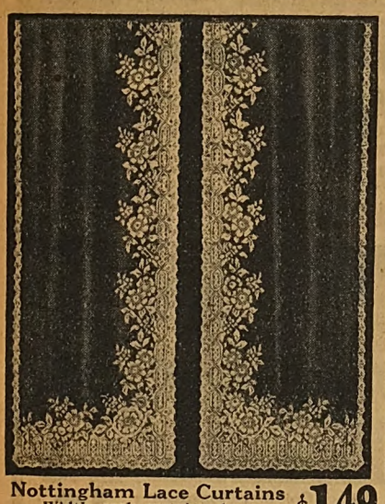
We Recommend Its Quality

Only carefully selected threads are used in this firm even mesh. Recommended for its strong weave and wearing qualities as well as its beauty. Laundered in the usual way this filet will remain crisp and shapely and hang evenly after long service. A splendid value which you should not overlook. Length, about 2½ yards.

COLORS: White or beige. State color wanted.

72 C 5435—Per pair.....$1.89

Postage, per pair, 8¢ extra



Nottingham Lace Curtains — $1.49 A Pair

Width, each curtain, about 36 inches

Many women consider curtains of this strong Nottingham weave to be the most practical hangings for the windows. This natural looking flower pattern will make your rooms seem cozy and cheerful. Launder beautifully. Length, about 2¼ yards.

COLORS: White or beige. State color wanted.

72 C 5165—Per pair.....$1.49

Postage, per pair, 8¢ extra

Filet Net Curtains — $1.39 A Pair

Width, each curtain, about 30 inches

You can be absolutely sure that this design is in excellent taste, and that these curtains will give unusual wear although the price is low. Have the narrow border pattern, now so popular, and small allover cross designs woven into the filet mesh. Firmly finished scalloped edges. Length, about 2¼ yards.

COLORS: White or beige. State color wanted.

72 C 5424—Per pair.....$1.39

Postage, per pair, 8¢ extra

Popular Filet Net Curtains — 98¢ A Pair

Width, each curtain, about 23 inches

Unusually popular with our customers for many years as it is a decidedly worthwhile value at this price. Its charmingly simple design is neatly woven into the firm meshed filet squares. Scalloped edges securely overlocked. Long wearing net that will launder well. Length, about 2¼ yards.

COLORS: White or beige. State color wanted.

72 C 5420—Per pair.....98¢

Postage, per pair, 8¢ extra

Nottingham Lace Curtains — 98¢ A Pair

Width, each curtain, about 27 inches

You do not have to pay much for attractive new Curtains if you order these at Ward's low price. Blossoms combined with a rich conventional pattern are even woven into the sturdy mesh. Non-raveling edges. This firm texture launders well. Length, about 2 yards.

COLORS: White or beige. State color wanted.

Postage, each, 3¢ extra

Filet Net Curtains — $1.79 A Pair

Width, each curtain, about 36 inches

Few curtains have a more charming pattern than this. Designed with a simple graceful Adam period border and tiny double meshed cross figures on the body of the Curtain. Neatly scalloped edges, securely finished. Only durable threads have been tightly twisted into this strong mesh. Stays new looking and keeps its evenness of texture after much laundering. Length, about 2¼ yards.

COLORS: White or beige. State color wanted.

72 C 5440—Per pair.....$1.79

Postage, per pair, 8¢ extra

Filet Net Curtains — $2.49 A Pair

Width, each curtain, about 36 inches

If you like curtains that are not too elaborate this Adam period design will especially appeal to you. An unusually satisfactory quality as the careful spinning and weaving of the pure cotton yarns make a strong, fine meshed filet. Finished neatly and securely with scalloped edges. Will launder easily and very well. Length, about 2½ yards.

COLORS: White or beige. State color wanted.

Ward's Most Remarkable Ruffled Curtain Bargain

Dotted Marquisette Curtains
Width, each curtain, about 27 inches

No matter where you look, we are sure you can't find elsewhere a price so low for Curtains of such fine, dependable quality. That is why we call them our greatest curtain value. Ward's order was so large that one of the best mills made us an offer far below their usual price. We pass this saving on to you.

Dainty, Yet Very Serviceable

What curtains could be fluffier and fresher looking than these of fine meshed marquisette with their 2¼-inch ruffles? And they will wear much longer than many curtains which cost almost double our price. Dots are firmly woven into the goods and it will launder well. Ruffled tiebacks to match. Length, about 2¼ yards. See our ruffled curtaining to match, 72 C 6644; and our plain curtaining to match, 72 C 6615, which are shown on Page 558.

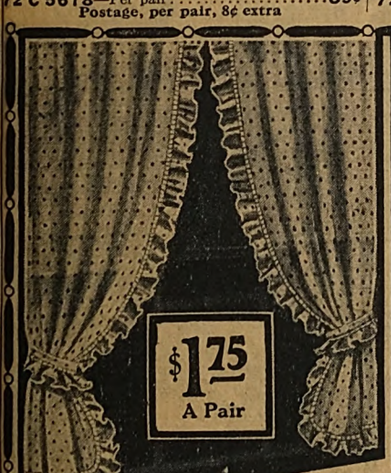
Chosen for Their Unusual Quality



Colored Dotted Grenadine Curtains
Width, each curtain, about 27 inches

New Curtains which follow the popular style of having gayly colored dots. Fine meshed grenadine, woven from very durable threads. It will launder unusually well since the colored dots will not run or fade or become detached from the goods. Novelty curtains like these would cost you much more, we are sure, if you bought them elsewhere. The neat ruffles are 2¼ inches deep. Have pretty ruffled tiebacks to match. Length, about 2¼ yards.

COLORS: White with blue, rose or gold dots.
State color wanted.

Postage, per pair, 8¢ extra

Voile Curtains—Colored Trimming
Width, each curtain, about 27 inches

Buying these sheer fine quality Voile Curtains is genuine economy since they look charming, wear long and cost but little. Woven into a uniformly strong texture from carefully selected threads, they will give satisfactory wear. A distinctive colored stitching of highly mercerized cotton finishes both the lower and upper edges of the full 2-inch ruffles and makes them very attractive. Excellent laundering quality as the colors will not fade or run. Ruffled tiebacks to match. Length, about 2¼ yards.

COLORS: White with blue, gold, rose trimming. State color wanted.

72 C 5603—Per pair.....$1.39
Postage, per pair, 8¢ extra

Dotted Grenadine Curtains
Width, each curtain, about 30 inches

One of the biggest curtain bargains we ever offered. Few grenadine curtains are so dainty and attractive as these with their groups of five dots in the alternate crossbar 1½-inch squares. Their fine, sheer mesh will last unusually long and they will launder well. Finished neatly with full 2½-inch ruffles. Ruffled tiebacks to match. Length, about 2¼ yards.

72 C 5626—White only. Per pair....$1.59

Same quality Curtains. When washed with mild soap, the dots will not fade or run.

COLORS: White with gold, blue or rose dots.

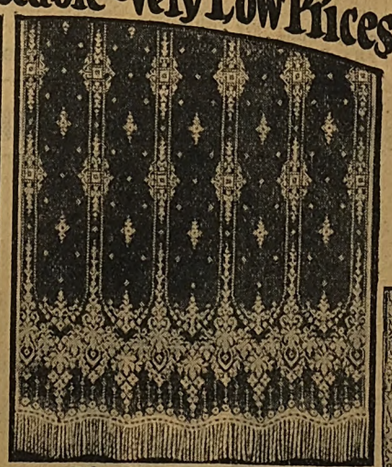
Charming and Serviceable—Very Low Prices



Nottingham Lace Panel

Width, about 40 inches

$1.35 Each

This Panel Curtain, in a rich Nottingham weave, is an unusual bargain at Ward's low price. Diamond shaped figures are combined in an attractive allover open work design, and larger diamond shapes make the charming border. Trimmed at the bottom with durable fringe which has a touch of black in the braid at its top. Substantial quality curtains which will wash and iron splendidly. Length, about 2½ yards.

COLORS: White or beige. State color wanted.

72 C 5587—Each..... $1.35

Postage, each, 8¢ extra

Filet Net Panel

You can recurtain windows in the very latest style at small expense, if you order several of these fine Filet Panels. Sturdy square mesh of strong cotton threads. Rich floral border. Scalloped edge and 3½-inch bullion fringe, with a touch of black in its top. Length, about 2¼ yards.

$1.09 Each 36-In. Width

COLORS: White or beige. State color wanted.

72 C 5550—Width, about 36 in. Each..... $1.09

72 C 5552—Width, about 45 in. Each..... 1.39

Postage, each, 8¢ extra

Filet Net Panel

Do not judge the quality of this Curtain by its remarkably low price. Very attractive with its dainty allover design and rich, lacy border. The conventional figures on the body of the curtain are closely and firmly woven on even net that will last long and launder well. Its scalloped bottom has an attractive 3-inch fringe with a touch of black at its top. Length, about 2¼ yards.

98¢ Each 35-In. Width

COLORS: Ivory or beige. State color wanted.

72 C 5581—Width, about 35 inches..... $.98

72 C 5582—Width, about 44 inches.. 1.29

Postage, each, 8¢ extra

Filet Net Panel

Width, about 45 inches

$1.39 Each

Extra wide Curtains with a good looking design at an almost unbelievable low price. Its strong mesh woven of selected threads will give excellent service. Fringe of 3½-inch cotton bullion with black at its top. Length, about 2¼ yards.

COLORS: White or beige. State color wanted.

72 C 5568—Each..... $1.39

Postage, each, 8¢ extra

Nottingham Lace Panel in Shadow Effect

For a group of windows or for a single one, here is an unusually practical Curtain. A stylish dainty design with both closely woven and smaller open work figures. We especially recommend the quality as very durable. Cotton bullion fringe, 3¼ inches deep with a bit of black at its top, finishes the bottoms. Length, about 2¼ yards.

COLORS: White or beige. State color wanted.

72 C 5553—Width, about 36 inches. Each..... $1.29

72 C 5554—Width, about 45 inches. Each..... $1.59

Postage, each, 8¢ extra

Beautiful Scranton Lustre-Lace Curtains Specially Priced

IF you went into the largest and most fashionable stores in Chicago and New York City, you would see these same silky Lustre-Lace Curtains, but they would cost you almost double our low prices. Because our orders were placed long before the usual rush of retail orders, the Scranton looms were able to make us exceptional prices and you get the benefit. All are sunfast, and washing will not dim their luster.

Lustre Filet Panel

$5.49 Each

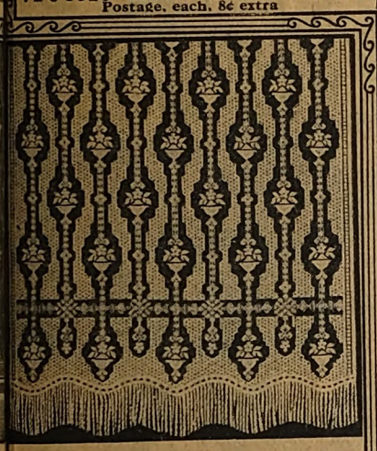
Width, about 40 inches

Their rich looking rose pattern gives these Scranton Lustre-Lace Curtains exceptional beauty. Filet mesh is fine and dainty and has a soft, silky sheen. Sunfast and unusually durable; washing will not dim their luster. Length, about 2½ yards; 3½-inch silk bullion fringe.

COLORS: Gold or silver. State color wanted.

72 C 5526—Each.....$5.49

Postage, each, 8¢ extra



A New Shadow Lace Panel

$1.19 Each

Width, about 36 inches

Dainty, yet formal enough for your best rooms is this stylish Panel Curtain in a novelty weave. It is really distinctive with its quaint conventional ms. A few black threads trim the braided top of e 3½-inch cotton bullion fringe. A practical olce at our low price as it is very durable and od looking. Length, about 2¼ yards.

COLORS: White or beige. State color wanted.

2 C 5543—Each.....$1.19

Postage, each, 8¢ extra

Richly Woven Panel Curtain

$1.29 Each

36-In. Width

Decorative Nottingham Curtain with an attractive design of wreaths and panels. Finished daintily with a harmonizing border. Has 3½-inch cotton bullion fringe, with a little black in the braided top. Length, about 2¼ yards.

COLORS: White or beige. State color wanted.

Filet Net Panel

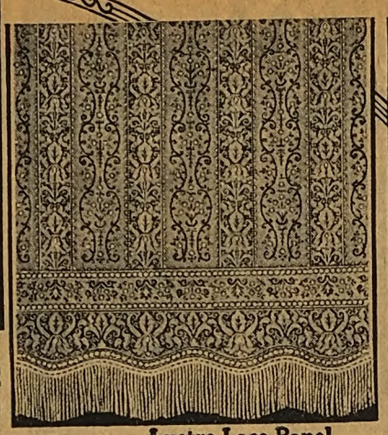
Width, about 36 inches

Stylish, with its festoon pattern on sturdy filet net. Rich lace border finished with 3½-inch cotton bullion fringe, with a little black on the heading of the fringe. Length, about 2¼ yards.

98¢ Each

COLORS: White or beige. State color wanted.

72 C 5547—Each.....98¢ Postage, each, 8¢ extra



Lustre Lace Panel

$5.98 Each

32-In. Width

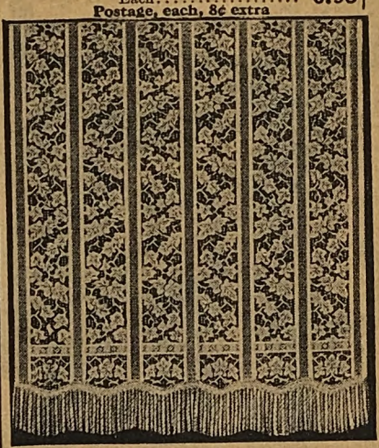
Your Curtains in your best rooms should be rich and dignified—rich in color and material, and restrained in design. Gold or silver Scranton Lustre Lace in this conventional pattern with stately iris for its chief design, combines both in an attractive panel. A 3½-inch silk bullion fringe edges bottom. Neither sun nor washing will fade their color or dim their luster. Should hang in soft folds, one curtain at a window. For groups of windows you may wish to use both widths. Length, both widths, about 2½ yards.

COLORS: Gold or silver. State color wanted.

72 C 5522—Width, about 32 inches. Each.....$5.98

72 C 5523—Width, about 40 inches. Each..... 6.98

Postage, each, 8¢ extra



Lustre Striped Panel

$5.98 Each

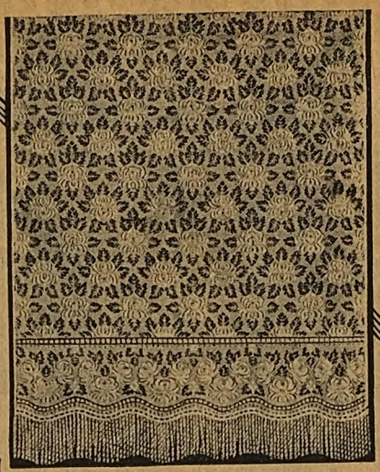
Width, about 45 inches

Wide panels of cream color shadow lace with lustre stripes of clear, soft colors make this one of our most popular Scranton Lustre-Lace curtains. The design shows English ivy against a light trellis. Has a 3½-inch silk bullion fringe in color to match. Length, about 2½ yards.

COLORS: Ivory with blue, rose, lavender or gold stripes. State color wanted.

72 C 5517—Each.....$5.98

Postage, each, 8¢ extra



Lustre Shadow Lace

$6.75 Each

38-In. Width

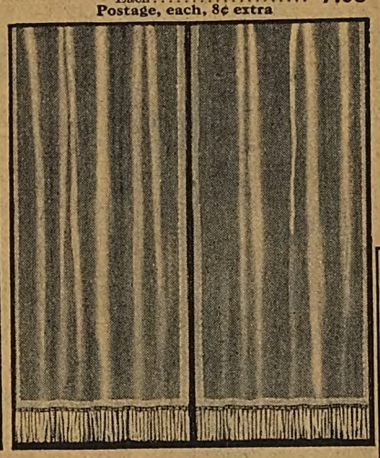
Scranton Lustre-Lace softens light and gives a warm tone to your rooms. Full petal chrysanthemums with delicate leaves form a lacy background. The two widths make these panel curtains well adapted for groups of two windows. Silk bullion fringe, 3½ inches deep, at bottom. Length, both widths, about 2½ yards.

COLORS: Gold or silver. State color wanted.

72 C 5524—Width, about 38 inches. Each.....$6.75

72 C 5525—Width about 45 inches. Each..... 7.98

Postage, each, 8¢ extra



Lustre Marquisette

Width, each curtain, about 22 inches

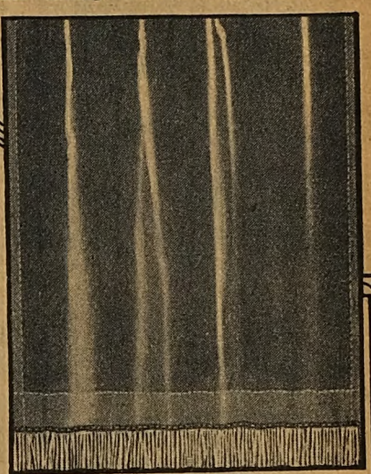
$4.39 A Pair

Hang these shimmering Curtains in soft folds close to the glass, or use them as overdraperies. Finished with neat hems and a 3-inch silk fringe to match. The brilliant finish and delicate coloring of these Scranton sunfast curtains is not harmed by washing. Length, about 2¼ yards.

COLORS: Gold; natural pongee; rose, or blue. State color wanted.

72 C 5527—Per pair.....$4.39

Postage, per pair, 8¢ extra



Colorful Lustre Panels

Width, about 33 inches

$2.98 Each

A remarkable value in Scranton Lustre Marquisette Panels. A durable transparent weave in soft, rich colors that are sunfast and tubfast. Neat hems and a 3-inch silk bullion fringe. Length, about 2¼ yards.

COLORS: Natural pongee; blue; gold, or rose. State color wanted.

98¢ Each — Nottingham Lace Panel Curtain

Width, about 50 inches

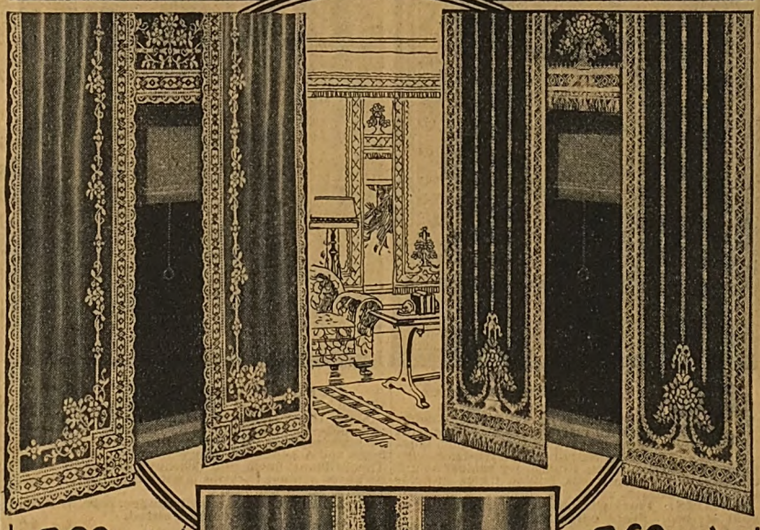
The biggest Curtain value on this page of very special bargains. Its picturesque, handsome design was accurately copied from an expensive French antique lace drapery. Its figures have kept much of their original grace and beauty. The interesting pattern is clearly brought out in double and single Nottingham meshes.

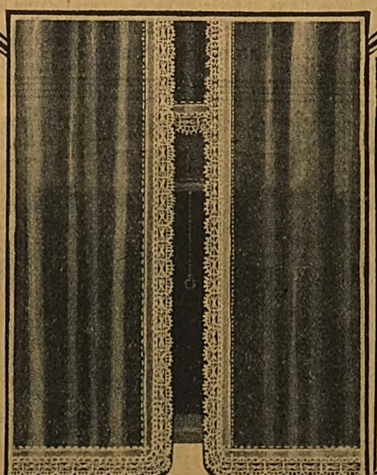
A Dependable Wearing Quality

You can't buy a curtain for less than a dollar that is more durable than this strongly woven Nottingham net. Manufactured by one of the largest lace mills in the country, it is of thoroughly reliable quality. Pure cotton threads of uniform strength are evenly woven into this curtain. Notice that it is greater than the usual width. Excellent laundering quality. Length, about 2¼ yards.

72 C 5108—White only. Each ..... 98¢

Postage, each, 8¢ extra





$1.29 A Set — Nottingham Lace 3-Piece Curtain Set

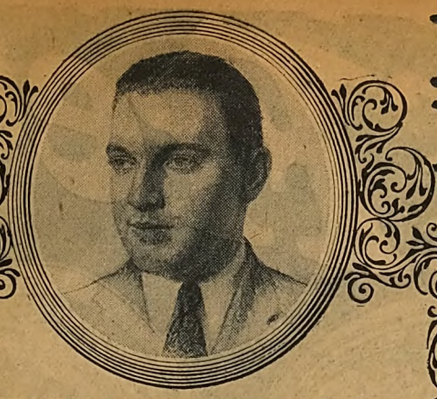
Built for Lifetime Service
Lowest Price for This High Quality



W. G. BAUMHOGGER, Merchandise Manager

Dear Housekeeper:

There is, after all, only one person who really can tell how a Stove should be built to give the utmost comfort and service to the user, and that person is the housekeeper. To get this first hand information I travel thousands of miles in all parts of the country every year, to speak to housekeepers about their stoves and to ask their opinions and advice.

Planned by Housekeepers

And the thousands of housekeepers I have visited have taken me into their kitchens, told me about the troubles they used to have before they bought a Windsor Range, and explained to me exactly what a woman expects of her stove; what service it must give her; why it is one of the most important pieces of furniture she has, and what a comfort a GOOD stove, a Windsor, is to her.

Many Wonderful Features

In our stove department we have worked out many wonderful new conveniences—time, labor and fuel saving features. But it is the American housekeeper who has suggested them to us. In fact, it is my honest opinion that Ward's Windsor line of stoves is the only one today designed by women for women. That one reason alone insures its being the best there is; yet we know our prices are lower than you can buy the same quality for elsewhere.

Order a Windsor Now!

Do you need a stove? Any kind at all—coal, wood, gas or kerosene? Have you at present a wornout stove or an unsatisfactory one?

If so, replace it at once with a Windsor—the stove planned especially for you by other experienced users. A stove on which Satisfaction is guaranteed or your money back.

W. G. Baumhogger

THE Advance Windsor Range is one of the finest, heaviest and most durable ranges we have ever built, besides being the most popular. For many years people who have preferred a range built on plain, simple lines, have ordered the Advance Windsor and have found it to be a dependable, substantial range in every way. Despite its low price, it is as carefully built and of as fine materials as our highest priced ranges. All it lacks is the fancy trimmings, which does not detract from its cooking and fuel saving qualities. The Advance Windsor is a remarkable range at a very low price.

$5.00 Down and Five Dollars a Month

Use Easy Payment Order Blank No. 2 on Page 697

Specifications, Estimated Total Freight Charges and Water Front are just the same as our Amazon Windsor described below. The only difference is in the finish, it has a black cooking top. Otherwise the **Advance Windsor** is the same size as the **Amazon Windsor**.

This Big Friendly Range Will Stand Hardest Use

In appearance the Amazon Windsor is extremely attractive. You can see from the illustration what a big, fine looking range it is. But to fully appreciate it you must actually see the stove in your kitchen and cook on its large, polished cooking top or bake in its roomy dependable oven.

Imagine a range performing after fifteen years hard service the same as it did when new. Yet this is just what the Amazon Windsor has done and is doing in a great many homes. Extreme care is used by us in selecting the material and building this range.

You will not find elsewhere a range of this same size, quality and appearance at a price so low.

Specifications of Amazon and Advance Windsor

Body. Built of extra large heavy iron castings. All joints are ground and fitted perfectly tight; cemented and bolted together. The swelled left end gives you an extra strong draft when desired. Entire height, 64 inches. Floor space: 33 inches deep; 51 inches wide. Take 7-inch pipe.

Fire Box. Very large, for heaviest kind of work. Has duplex grate. Burns wood, coal or any other fuel. Size for coal, 18 by 9 by 5½ inches. Takes 21-inch wood with end linings removed. Extra heavy cast iron fire back which is **guaranteed for 10 years.** Fire and ash door nickeled in plain smooth design.

Cooking Top. Full six-hole size; has two Cyclonic lids, one Non-Scorch lid, two extra heavy plain lids, and one 3-piece Sectional lid. All lids are combination 8 and 9 inches; either size vessel fits firmly into opening when lid is removed. The entire cooking top is highly polished. Turns gunmetal blue when heated. Size, including reservoir, 49 by 26 inches.

Oven. Will not warp or get out of shape. Oven heat is regulated by a sliding damper. Drop door with nickeled frame; white enameled panel and accurate heat register in center. Size, 20 by 20 by 13 inches high.

Warming Closet. Very roomy, 13 inches deep. Nickeled doors with white enameled panel which form handy shelves when open. Nickeled brackets, full white enamel splasher back and back guard.

Reservoir. Unusually large and deep. Made of especially heavy rustproof copper, tinned on inside. Holds 28 quarts and heats by contact. Smooth rounded full nickeled panel on front.

Base. Almost 8 inches from the floor. Made of heavy cast iron. Two front legs and front base strip finished in beautiful smooth nickel.

268 C 462—Water Front. For heating water in range boiler. Must be used in connection with water pressure system. Shipping weight, 20 pounds. Extra..... $5.50

You can enjoy its convenience wh you pay for it in small amounts. When taking advantage of our Ea Payment Plan, **use Order Blank No. 2 on Page 697.**

Windsor Cooking Top Features

Cyclonic Lid

All these lids are constructed underneath so the heat is whirled around and retained under the cover before passing into the flue. These lids heat quicker, stay hotter and cut your fuel bill about one fourth.

Cyclonic Lid

Non-Scorch Lid

The Non-Scorch lid enables you to cook thick vegetables and cereals without danger of having them burn. Can also be used for stewing and simmering purposes or just like a regular lid—a feature every housekeeper will appreciate.

Non-Scorch Lid

Sectional Lid

Made in two sections. By taking out the removable section different size utensils can be placed directly in contact with the fire for quick cooking.

Sectional Lid

Hot Blast Damper Top

One of the finest improvements ever made in any range. The air is drawn through the openings in the damper, super-heated—and in that condition discharged into the firebox. There it churns up all the smoke, soot and carbon and holds it on the fire until every bit of heat value is used up. Gives a quicker, hotter fire, easily regulated uniform heat and saves fuel.

Hot Blast Damper Top

All Windsor Stoves are GOOD Stoves

Sanitary Base

Another new feature of the Coronet Windsor is the Sanitary Base. The base strips are almost 10 inches from the floor, enabling you to sweep, mop and clean under the stove with ease. Also provides ample room for a box of kindling, wood or coal.

No more stooping or back breaking in order to clean under the stove—another advantage that makes the Coronet Windsor a favorite with housekeepers everywhere.

Extra High Cooking Top

The cooking top of the Coronet Windsor has been raised to 32½ inches high. This eliminates stooping and bending over in order to stir and taste your foods, and keeps the steam and heat from striking you in the face.

This high top makes your work much easier. After using the Coronet Windsor you will see what a wonderful improvement this higher cooking top really is and how much easier it will make your work.

Special Oven

The oven is arranged so there is a c stant circulation of live heat all around You get even heat on all sides. W the sliding damper and oven thermome to regulate this heat, there is no dan of going wrong on your baking.

Another feature is the polished co ing top, which is very easy to keep clean

Read about the specifications of Coronet given below and see what wonderful value this really is.

Specifications of Coronet Windsor

Body. Made entirely of high grade cast iron, medium heavy. Takes 7-inch pipe.

Cooking Top. Six-hole size. Two regular lids, two fuel saving Cyclonic lids, one Sectional lid, and one Non-Scorch lid, all 8-inch. Top measures 42 by 23½ inches with reservoir, 32½ inches high. Equipped with Hot Blast Damper Top described at lower left. All are highly polished, turns gun metal blue when heated.

Fire Box. Equipped with duplex grates for burning either coal or wood. Size for coal 16 by 7¾ by 5 inches. Takes 20-inch wood with end linings removed. Fire Back Guaranteed for 5 Years.

Oven. Bakes perfectly. Size, 18 by 16½ by 12 inches. Accurate heat indicator in door.

High Closet. Convenient and roomy. Drop doors are flush with frame and have invisible hinges. No bolt heads show. Extreme front finished in blue or gray porcelain enamel with white door panels, splasher back and top rail.

Reservoir. Made of pure copper, tinned on inside. Holds 20 quarts. Heats by contact.

Sanitary Base. Base strips are almost 10 inches from the floor allowing you to sweep, mop and clean under stove with ease. Allows space for wood or coal box.

Shipping Weights: With reservoir, 440 pounds; without reservoir, 400 pounds.

"I am sure satisfied with my Challenger Windsor Range. I find it easy to bake and also to keep clean, and it takes less fuel than any stove I ever used. I saved $50 by ordering from Ward's. I advise anyone who needs a new stove to order from Ward's."
Mrs. Henry England,
Manito, Ill.
Printed by Permission

BREAD perfectly baked and well done at the bottom; roasts richly browned and juicy; cakes light and tasty. The experienced cook who knows the true tests of a dependable range will be delighted with a trial of the CHALLENGER WINDSOR. For real cooking and baking satisfaction, the CHALLENGER WINDSOR is unquestionably one of the best ranges made. No need to run the risk of baking failures with an old fuel wasting range, when only $5 will put a CHALLENGER WINDSOR in your kitchen. Your savings in fuel alone will go a long way toward paying for the CHALLENGER WINDSOR.

Special Features for Your Convenience

The CHALLENGER WINDSOR includes all the Special Windsor Features fully described on the opposite page. They insure success in baking and cooking. The oven heat is controlled easily by a convenient sliding damper. The accurate thermometer on the door registers oven temperature and does away with guesswork in your baking. The CHALLENGER WINDSOR has a polished cooking top that needs no blacking—simply go over the top with an oiled cloth and it looks like new, turns gun metal blue when heated.

We have been selling the CHALLENGER WINDSOR for years and it has proved itself a long lasting, efficient stove in homes all over the country. In constructing the CHALLENGER WINDSOR we used the best materials obtainable—materials that insure long service and will stand up under hard usage. Choose the CHALLENGER WINDSOR for your home—it will do all you expect and more.

Specifications of Challenger Windsor

Body. Built entirely of gray cast iron. Medium heavy. Parts are carefully fitted together, making the joints airtight. Floor space: 46½ inches wide; 34 inches deep. Takes 7-inch pipe.

Cooking Top. Six holes; two fuel saving Cyclonic Lids; two plain lids; one Non-Scorch Lid and one Sectional Reducing Lid, all 8-inch. Size, 42 by 23½ inches including reservoir. Entire top is highly polished.

Fire Box. Equipped with duplex grates so it will burn either coal or wood. Size for coal, 16 by 7¾ by 5 inches. Burns 20-inch wood with end linings removed.

Oven. Is 18 by 16½ by 12 inches. Nickeled drop door with white enameled panel and heat indicator. Sliding damper for regulating oven heat enables you to maintain even heat on all sides.

High Closet. Nickeled drop doors; white enamel panels and splasher back. Nickeled brackets.

Reservoir. Made by hand of pure copper; tinned on the inside; will not rust. Holds 20 quarts and heats by contact. Sold with or without reservoir.

Greatest Bargain in a Cast Iron Range On the Market Today

Every inch a stove. The **New Crescent Windsor** is a practical range, designed to meet the needs of the practcial housekeeper. If you want a good, dependable range to take care of your cooking needs, but without many enameled trimmings, you will find the **New Crescent** a highly satisfactory range. This lack of trimming makes it possible for us to offer you this exceptionally low price.

Dependable Quality Throughout

The quality of a stove depends in large measure upon the way it is made and the quality of the materials used in its construction. Nothing has been spared to make the **New Crescent Windsor** a thoroughly dependable medium size range. The same skill is used in assembling and fitting together the parts as in our highest priced ranges.

Specifications of Crescent Windsor

Body. Solid cast iron of good quality. Medium heavy. All castings ground off smooth and carefully finished. Not especially heavy, but strong enough to give you much satisfactory service. Takes 7-inch pipe. Floor space: 34 inches deep; 46½ inches wide.

Fire Box. Equipped with our regular duplex grates for burning either hard or soft coal or wood. Size for coal, 16 by 7¾ by 5½ inches. Takes 20-inch wood with end linings removed.

Big Pouch Feed. Feeds coal to the fire box. Handy for toasting or broiling.

Cooking Top. Black Finish. Full six-hole size; plenty of room to cook a big meal. All lids are 8 inches in diameter. Has two fuel saving Cyclonic Lids, one Non-Scorch Lid (see detailed description on opposite page) two plain lids and one Reducing Lid for directing direct heat on small cooking utensils, and Hot Blast Damper Top. Size of top with reservoir, 45 by 24 inches; without reservoir with end shelf, 36½ by 24 inches.

Oven. Exceptionally large for this size range, 18 by 17½ by 12. Will hold a large roaster. Drop door is spring balanced, and fitted with one of our accurate heat indicators. Center panel white porcelain enameled.

This range is equipped with sliding damper, a great help in baking. By using the damper, you are able to get all sides of the oven equally warm.

Warming Closet. Latest improved drop door type. The entire splasher back and high closet door panels are white porcelain enameled.

Reservoir. Made of galvanized iron; will not rust. Holds 20 quarts and heats by contact. May be detached when not required, or for cleaning.

Sanitary Base. Smooth, strong, rounded cast iron legs and base strips. Base strips are almost 9 inches from the floor making it easier to sweep, mop and clean under the stove. Floor space, 46½ by 34 inches.

Shipping weights. With reservoir, 420 pounds; without reservoir, 390 pounds.

268 C 385—Water Front. For heating water in range boiler where there is water pressure. Shipping weight, 11 pounds. Extra.....$5.50

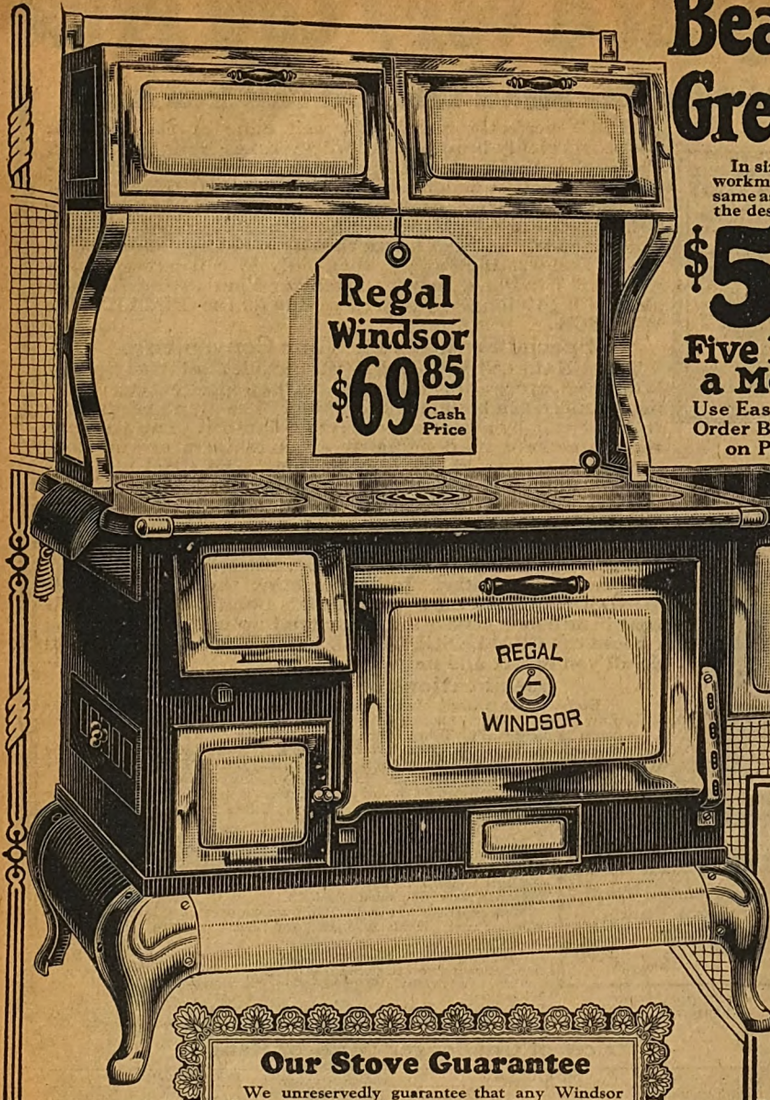
Beauty-Utility-Durability Greater Value Than Ever Before



In size, design, nickel trimmings, quality of materials and workmanship, the REGAL WINDSOR RANGE is exactly the same as the Royal Windsor described on opposite page. Read the description of the Royal Windsor. The only difference between these two ranges is the color and extent of the enamel finish. Instead of being full enameled, the REGAL WINDSOR is enameled only on such parts as need cleaning most frequently; and for this reason we can offer it to you at a lower price.

The body is made of the famous heat and rust resisting Armco Iron, with an asbestos lining between the sheets, (see illustration on opposite page). The oven is in the center, so you get a constant circulation of live heat around it.

$5.00 Down and Five Dollars a Month

Use Easy Payment Order Blank No. 2 on Page 697

Nickel and Enameled Parts

Top rail, high closet door panels, high closet splasher back, ash door panel, fire door panel, oven door panel, clean-out door panel, reservoir panel and front base strip are all white porcelain enameled. All door and reservoir panels are of the bulge cushion type which adds greatly to the beauty of this range.

Nickeled Parts: High closet front and brackets, all door frames, back rail corners, reservoir and clean-out frames, oven hinge box, towel bar and two front legs.

Specifications

Body. All parts are tightly fitted together so no heat is wasted. Construction as described on the opposite page. Takes 7-inch pipe.

Cooking Top. Size, 24 by 44 inches with reservoir. Made of heavy cast iron, polished. Two Cyclonic lids, one Sectional lid, one Non-Scorch lid, all 8 inches; two 9-inch regular lids, at right hand end and Hot Blast Damper Top. (See Windsor Cooking Top described and illustrated on the opposite page.) Height, 32 inches.

Oven. Extra large and roomy. Size, 20 by 20 by 13 inches. Made of specially treated heavy steel and copper. Rust resisting. A quadruple cross section brace on the bottom of the oven keeps it level. Door has accurate heat indicator.

Fire Box. Size, 18 by 8 by 6 inches. Duplex grates for burning hard or soft coal or wood. Takes 20 inch wood with end linings removed. Special designed ventilated fire box.

High Closet. Large and roomy. No bolts show.

Base. Has four cast iron legs with heavy steel base strips. Floor space, 47½ by 31½ inches.

Reservoir. Made of pure copper, tinned on the inside. Holds 32 quarts. Heats by contact.

Shipping Weights: With reservoir, 470 pounds; without reservoir, 430 pounds.

268 C 836—Water Front. For heating water in range boiler. Must be used in connection with any water pressure system. Shipping weight, 15 pounds. **Extra.....$5.50**

Shipped from near St. Louis, Mo.

Facts About Steel Ranges

1. Steel Ranges, being lighter in weight than cast iron ranges heat up more quickly and stay hot with less fuel.

2. Many people prefer steel ranges for the reason that they are less expensive than cast iron ranges; and because of the worth while saving in fuel.

3. But in making your selection, be sure to judge the range by the weight of steel, the quality of materials used, its construction, and the reputation of the company selling it. These points should be carefully compared if you are to get the best value for your money, as many grades of steel ranges are on the market.

4. Windsor Steel Ranges are all very carefully assembled. The parts are fitted tightly and there are no heat leaks to waste your fuel or shorten the life of your range. The ranges shown on this page and the opposite page, are equally well constructed, though the materials and trimmings and weight will vary. No matter which one you buy you can be sure you are getting a genuine value at a money saving price.

5. Of course it is not intended that steel ranges will stand the hard firing of a cast iron range, and give the same length of service. But with proper firing according to directions supplied with each range, your steel range should give excellent service over a long period of years; and we know you will appreciate its quick heating and its fuel saving advantages.

Our Stove Guarantee

We unreservedly guarantee that any Windsor Stove or Range bought from us will be satisfactory to you in every respect—price, quality and service. They are built of first class materials by competent workmen and are guaranteed to be of the highest quality. There are no "seconds"—no "culls." We guarantee safe delivery. Should any imperfections, due to faulty materials or construction, develop during the life of any Windsor Stove or Range, we will correct the fault to your satisfaction.

Satisfaction Guaranteed or Your Money Back

ALL Windsor Stoves Are GOOD Stoves

Lowest Price For a Range of This Quality

For those who want service, a Range of plain appearance, the **Renown Windsor** is the best value you will find anywhere. It is the same steel range as the Royal and Regal Ranges, except it does not have any nickel trimmings. White enamel is used only where the stove is hard to clean.

Read about the special construction features of the Royal and Regal Ranges, for they are the same as those of the **Renown Windsor.**

For this high quality steel range, our price is the lowest in America. When you notice how carefully and well it is constructed and then notice the price at which we offer this stove you will agree this is true. The **Renown Windsor** is well built and will last for a good many years. It takes very little fuel to give you a suitable cooking or baking heat.

Armco Iron Steel Body

The steel body of the **Renown Windsor** is made of two layers of Keystone specially treated steel and copper, which is rust resisting. Interlined with heavy asbestos. These two layers are riveted tightly together. The asbestos being fireproof and a non-conductor of heat, retains the heat, adds greatly to the life of the range, and increases heat radiation at cooking surface. No matter where you look, you can not find a better constructed range body—it is the best on the market today.

Nickeled parts shown on range above, are dull finished japan, baked on.

Specifications of the Renown Windsor Range

Body. All parts are tightly fitted together so that there is no heat wasted. The construction is as described above. Takes 7-inch pipe.

Cooking Top. Size, 24 by 44 inches with reservoir. Made of heavy cast iron. Two Cyclonic lids, one Sectional lid, one Non-Scorch lid—all 8-inch—and Hot Blast Damper Top. Two regular 9-inch lids at right hand side. Height to cooking top, 32 inches.

Oven. Extra large and roomy. Size, 20 by 20 by 13 inches. Made of specially treated heavy steel and copper, rust resisting. A quadruple cross section brace on the bottom of the oven keeps it level. Door has white enameled panel with accurate heat indicator.

Fire Box. Size, 18 by 8 by 6 inches. Duplex grates for burning, with equal efficiency, either hard or soft coal or wood. Takes 20 inch wood with end linings removed. Specially designed ventilated fire box.

High Closet. Large and roomy with handy drop doors equipped with concealed hinges. Not a bolt shows.

Base. Has four cast iron legs with heavy steel base strips. Floor space, 47½ by 31½ inches.

Reservoir. Made of pure copper, tinned on inside. Holds 32 quarts.

Shipping weight, with reservoir, 470 pounds; without reservoir, 430 pounds.

An Attractive Enameled and Nickel Trimmed Steel Range That Will Give You Long Service

$5.00 Down and Five Dollars a Month

Use Easy Payment Order Blank No. 2 on Page 697

Read Our Special Stove Guarantee Page 570

THE Success Windsor Range is exactly the same as the Splendid Windsor described on the opposite page, except without so many parts finished in porcelain enamel. The Success Windsor is all that the name implies. It has won unanimous approval from Ward's customers, and we know it will be a success in your home as it has been in others. It is a mighty handsome and attractive range, as you can see from the illustration. By using fewer and less expensive trimmings we are able to offer you a very substantial saving on this range.

A Quick Heater, Cooker and Baker

You will find the Success Windsor a fine cooking and baking range, one that will burn either wood or hard or soft coal economically. With ordinary care it will last for many years. Read facts about steel ranges below at the left.

An Exceptionally Well Built Range

Read the specifications of our Splendid Windsor on the opposite page. The Success Windsor has the same specifications as the Splendid, except the blue or gray porcelain enameled parts. The Success Windsor has the famous Windsor Cooking Top which includes two fuel saving Cyclonic lids, one Non-Scorch lid, one Sectional lid, two regular lids (all 8-inch), and a Hot Blast Damper Top, all polished, turns gunmetal blue when heated. Described and illustrated on opposite page.

The Success Windsor has an extra large, roomy oven, convenient high closet, and enough white porcelain enameled parts to give it a very fine appearance and make it easy to clean.

Easy Payments

You need this range NOW and you can bring it into your home for only $5. Send us only $5 with your order and the range will be shipped to you immediately. Try it, test it out and see just what a wonderful baker and cooker it is. Then pay $5 a month. Almost before you know it the range will be paid for.

Our cash price is very low, and if you want to purchase the **Success Windsor** in that manner you can make another saving by doing so. Order your Success Windsor TODAY. Try it out and see if it isn't one of the best you ever saw.

Specifications

The high closet door panels, splasher back and oven door panel are white porcelain enameled. **Nickeled Parts.** Back guard corners, high closet front and door frames, high closet brackets, towel bar, fire and ash doors, front base strip, two front legs, clean out door, oven door frame, thermometer frame and oven door hinge box.

Shipping weights: With reservoir, 390 pounds; without reservoir, 350 pounds.

All other sizes and dimensions are the same as on our Splendid Windsor shown on the opposite page.

High Quality Steel Range Priced To Save You At Least $25

Facts You Should Know About Steel Ranges

1. Steel Ranges, being lighter in weight than cast iron ranges, heat up more quickly and stay hot with less fuel.

2. Many people prefer steel ranges for the reason that they are less expensive than cast iron ranges; and then there is a saving in fuel to be considered.

3. But in making your selection, be sure to judge the range by the weight of steel, the quality of materials used, its construction, and the reputation of the company selling it. These points should be carefully compared if you are to get the best value for your money, as there are a number of steel ranges on the market.

4. Windsor Steel Ranges are all very carefully assembled. The parts are fitted tightly and there are no heat leaks to waste your fuel or shorten the life of your range. The ranges shown on this page and opposite page, are equally well constructed, though the materials and trimmings and weight will vary. No matter which one you buy you can be sure you are getting a genuine value at a money saving price.

5. Of course it is not intended that steel ranges will stand the hard firing of a cast iron range, and give the same length of service. But with proper firing according to directions supplied with each range, your steel range should give excellent service over a long period of years; and we know you will appreciate its quick heating and fuel saving advantages.

For those who want a high grade, plain finished steel range at a low price, we recommend the Stalwart Windsor Range. It will give excellent service too. In the description of our Splendid Windsor shown on the opposite page we say, "We took a plain steel range and covered it with porcelain enamel and nickel." The Stalwart Windsor is that inexpensive plain steel range, strong and sturdy and built for service.

Will Give Long Service

The Stalwart Windsor is every bit as serviceable, just as well made and just as large and roomy in every way as either of the more ornamental, higher priced ranges shown above or on the opposite page. The only reason for the extremely low price is the fact that most of the expensive trimmings have been left off. The cooking top is black. The Stalwart is a great fuel saver and heats and bakes quickly and well.

Low Prices—Easy Payments

Notice the extremely low price of the Stalwart Windsor. Not only is the price low, but the Stalwart Windsor is easily within the means of everyone because our Easy Payment Plan enables you to order this range NOW and pay for it while using it. Send us only $5 with your order and we will ship the range to you. Put it in your home and give it every test that you can think of. After you have done this, if you do not feel satisfied with the cooking and baking that this range does, write us for shipping instructions and we will refund every cent you have paid, including transportation charges. Could we make you a better offer?

Specifications: All sizes and dimensions, same as on our Splendid Windsor shown on the opposite page.

Windsor Stove Repair Parts

WARD'S sends a Repair Chart with each stove sold. This chart gives the name and number of each part, shows what kind of a casting it is, and gives its weight. Be sure to save your chart, so you will have it when you want to replace some broken or wornout part.

When you need a new part, refer to your chart and find the part you want. Note the kind of finish and its weight. Then turn to your latest copy of our General Catalogue, and you will find a price list like that printed below. Knowing the kind of casting and the weight, you can readily find the price.

When sending us your order, be sure to state the name and number of each part wanted, as taken from your chart, and include sufficient money to cover price and parcel post charges, unless the part happens to be a heavy one that must be shipped by freight.

We can furnish repair parts for any of our stoves, and we sell them at cost. This is just another feature of our plan of service to our customers.

Jewel Windsor Cook Stove

For those who want a reliable cast iron Cook Stove that is plain and easy to keep clean, yet neat in appearance, we recommend the **Jewel Windsor**.

The **Jewel Windsor** will burn either coal or wood economically. It will bake, roast and take care of all your cooking needs. This stove is very popular and the great demand for it together with the money saved on trimmings enables us to sell it at an extremely low price. The **Jewel Windsor** is one of our greatest stove values.

The **Jewel Windsor** is well constructed and made of good quality cast iron. Has four 8-inch lids. Has duplex grates for burning coal or wood. Takes 6-inch pipe.

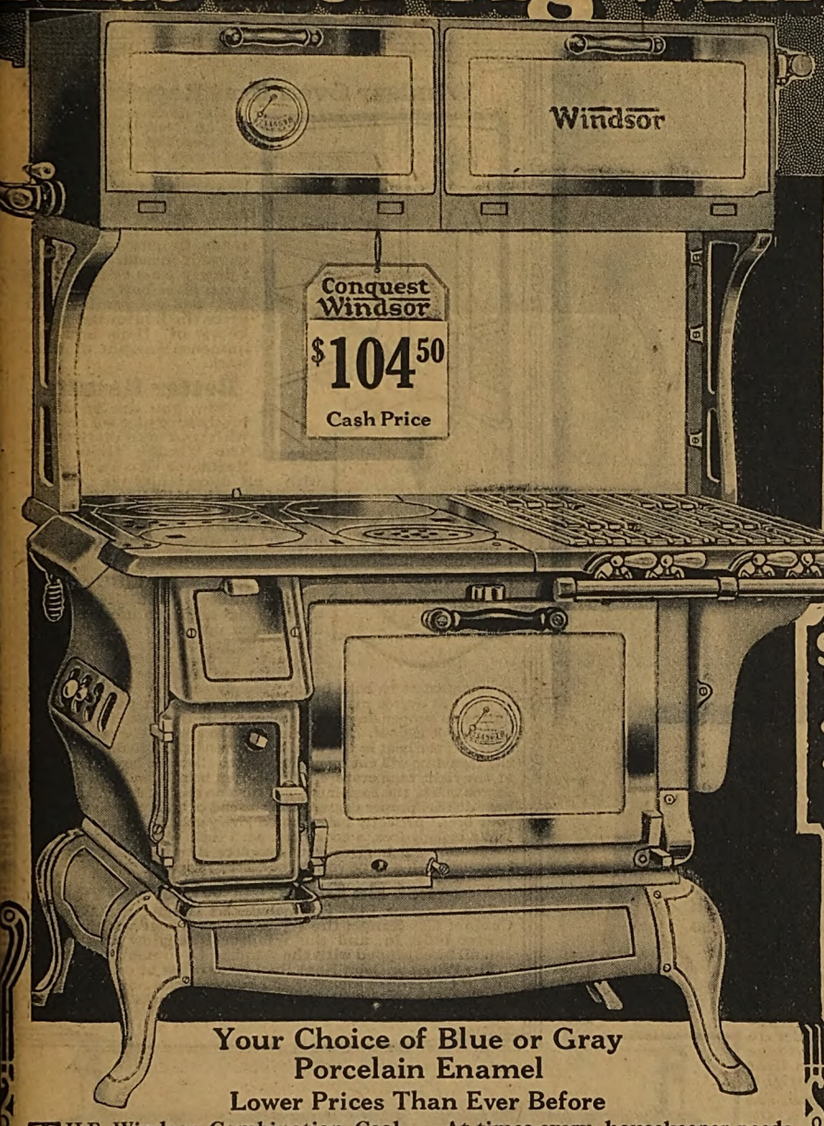
Another Big Windsor Triumph

New Combination Coal and Gas Ranges



Your Choice of Blue or Gray Porcelain Enamel

Lower Prices Than Ever Before

THE Windsor Combination Coal-Wood-Gas Range is the best year 'round stove that money can buy. It is a complete coal or wood burning range with a full size oven and four cooking holes. Also four gas burners (one giant) and an elevated gas broiler and gas oven which can be used as a warming closet when you are using the coal range. Yet these two ranges are so compact that they only take the space of one and you are getting two ranges for the price of one.

At times every housekeeper needs extra cooking space. The Windsor Combination will give you that. Besides, you can save time by putting the slow cooking foods on the coal-wood range and then cook the foods which need a fast, extra hot fire on the gas range. Read everything on this page. Notice the beauty of the Windsor Combination. Compare our price with others. Then you will buy the Windsor Combination and say it is the best purchase ever made.

Specifications of Windsor Combination Range

Body. All castings are strong, well finished and accurately fitted. Takes 7-inch pipe.

Fire Box. Has duplex grates, burns wood or coal. Size for coal, 15½ by 7½ by 7 inches.

Ovens. Coal oven, 18 by 16½ by 12 inches. High gas oven and broiler, 18 by 14 by 10 inches.

Cooking Top Polished. Coal top; 4-hole size, 23 by 24 inches. Gas Top: 4-burner size, 17 by 24 inches. Coal top includes two **Cyclonic lids**, one **Non-Scorch lid**, one three piece **Sectional lid**, and a **Hot Blast Damper Top.**

Blue or Gray Porcelain Enameled Parts. High gas oven front; broiler front; body, left end; body, main front; body, right end; gas top bracket; side base strips and front base strips. All door panels, splasher back, broiler pan and cleanout pan are white enameled.

Nickeled Parts. Door frames, thermometer rings, high oven brackets, left end damper, ash door, ash catch, fire door, cleanout door, oven door hinge box, manifold pipe and four legs.

Shipping weight of stove, 550 pounds.

268C316—Water Front. To be used with range boiler and water pressure systems. Shipping weight, 25 pounds. Extra.....**$5.50**

Windsor Special Feature Cooking Top

1

2

3

4

The two Combination Ranges shown on this page have two **Cyclonic lids**; one **Non-Scorch lid**; one **Sectional or Reducing lid**; all 8-inch; and a **Hot Blast Damper Top**—all pictured and described here.

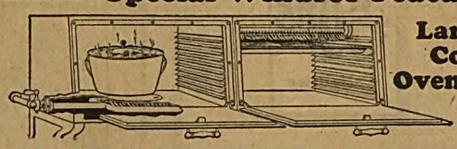
1. **Cyclonic Lid.** These lids are constructed underneath so the heat is whirled around and retained under the cover before passing into the flue. These lids heat quicker, stay hotter and reduce your fuel bill one-fourth.

2. **Non-Scorch Lid.** Enables you to cook thick vegetables and cereals without danger of scorching. Also used for stewing or simmering, or just like a regular lid.

3. **Sectional Lid.** Made in three sections. By taking out one or two sections, different size vessels can be placed directly over the fire for quick cooking—a feature every housekeeper will appreciate.

4. **Hot Blast Damper Top.** One of the finest improvements ever made in any range. The air is drawn through openings in the damper, is super-heated—and in that condition discharged into the fire box. There it churns up all the smoke, soot and carbon and holds it on the fire until every bit of heat value is used up. Creates a quicker, hotter fire and is easily regulated.

Special Windsor Features



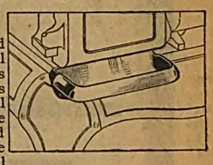
Large, Handy Convenient Oven and Broiler

The coal oven, the gas oven and the broiler are entirely separate from each other. You can use any one separately or all at the same time.

The coal oven is in the usual place, at the side of the fire box, while the gas oven and the broiler are elevated. Elevated ovens can be used as warming closets.

The doors are of the drop type, making a convenient shelf when open. The front of the doors are flat, not a bolt head shows. Mica windows in high oven front through which the flame of the gas oven burner can be seen, enabling you to tell if the flame is at the desired height. Gas oven burner is lighted by touching a match to the lighter hole at the front of the gas oven bottom. Cast bottom with separate boiling lid in gas oven.

Ash Door Catch



Many times you have pulled out the ash pan and ashes fell all over your clean floor. This **New Windsor Ash Catch** gets all the loose ashes. Then all you have to do is remove the catch, and clean, dump and put it back in place. A valuable feature any housekeeper will appreciate.

Plain Windsor Combination

The **Plain Windsor Combination Range** is just the same as the Combination Range shown above, except it has no blue or gray porcelain enameled parts and we have trimmed this range with nickel and white porcelain enamel. The elimination of the colored enameled parts enables us to give you this high grade range at a very much lower price. Cooking top, not polished.

Nickeled Parts. All door frames, gas fittings, ash catch, fire and ash doors, front legs, front base strip, and high closet brackets. **White Enameled Parts.** All door panels, splasher back, catch pan under gas cooking top, broiler pan and gas cock handles. All other specifications and the water front are the same as quoted for the Enameled Combination Range.

Read *this* Letter

"We are well pleased with our Windsor Range. Its cost was at least one-fourth less than many other stoves of inferior quality. Its enameled surface and polished top makes it the most attractive and most easily kept clean of anything in the kitchen."

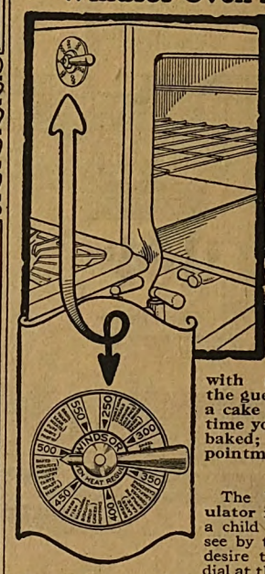
Windsor Oven Heat Regulator



The advantages of having an Oven Heat Regulator attached to a gas range are well known among housewives. Every housekeeper proclaims the Windsor Oven Heat Regulator to be the greatest improvement ever made in gas ranges because it measures and absolutely controls oven heat; gives better cooking and baking results and saves the housewife many hours of time and an immense amount of hard work.

Better Results

Now, you can be absolutely sure of good results with your oven every time. The Windsor Oven Heat Regulator does away with all uncertainty—it takes the guesswork out of baking. Put a cake in the oven and at a given time you can take it out perfectly baked; no guesswork; no disappointment.

Easy to Use

The Windsor Oven Heat Regulator is so simple to use that even a child can operate it. As you can see by the illustration, any food you desire to prepare is marked on the dial at the proper degree of heat. Suppose you want to bake bread. Simply turn the heat regulator to the 350 degree mark. Light the gas and let the oven heat until this proper degree is reached. Put the bread in the oven and close the door. Allow the bread to stay in the oven for an hour. If the heat in the oven goes beyond this 350 degree mark, the regulator will cut off enough gas to allow the heat to remain at the right temperature. If the oven heat falls below the 350 degree mark, the Regulator will turn on more gas and keep the heat at this proper degree. At the end of an hour you will find your bread perfectly baked and a lovely golden brown.

We include free, a cook book with each Windsor Oven Heat Regulator which gives you complete directions for its use, together with a large variety of tested recipes.

Must Be Ordered with Stove

The Windsor Full Enameled Gas Range; the Windsor Cabinet Gas Range; the Windsor Gas Range with kitchen heater built in, and the Windsor Bungalow Gas Range can all be equipped with the Windsor Oven Heat Regulator.

The Windsor Oven Heat Regulator must be ordered with one of the ranges mentioned above. It can not be ordered separately and installed as the working parts are built in and concealed in the stove at the factory.

Fine Workmanship·High Quality·Low Prices
With Built-in Kitchen Heaters-Burn Coal, Wood and Gas

A Full Enameled Windsor Gas Range with Built-In Kitchen Heater—Burns Coal, Wood and Gas

THIS is our well known Full Enameled Gas Range—the same that thousands of our customers are using today—with the addition of a special Kitchen Heater section in which you can burn coal, wood, gas or waste separately or all at the same time.

You can readily appreciate the advantage of having a kitchen heater and a gas range combined. The gas range does not heat up your kitchen on warm summer days. On chilly days you can easily start a coal or wood fire and heat up your kitchen to a comfortable temperature.

The kitchen heater, having two holes for cooking, adds to your cooking space and saves gas. Also provides a convenient way for disposing of your waste and garbage.

We could not make a better range. You may buy for cash or on easy payments, whichever you prefer—the saving is very large either way.

Beautiful, Compact and Efficient

The Bungalow Windsor Gas Range is very popular with many housekeepers because of its compactness and beauty and its cooking, baking and heating qualities. When the weather is hot you can burn gas and do your cooking and baking in a cool, comfortable kitchen. In cold weather you want a warm, cozy kitchen—put some coal, wood or waste in the kitchen heater and you can soon have all the heat you desire. Or, you can use both at the same time. The **Bungalow Windsor** gives you comfort the year 'round.

Burns natural or manufactured gas. Has large oven and broiler Oven can be equipped with **Windsor Oven Heat Regulator.**

Excellent cooking and baking results are produced with this range. We feel sure you can not find a stove that will give you better service at anywhere near our price.

Kitchen Heater also equipped with Gas Kindler, for lighting coal or wood fire in kitchen heater.

Can be furnished with water front at a small additional cost.

268 C 872—**Water Front.** Must be used in connection with range boiler and water pressure system. Shipping weight, 15 pounds. Extra..... **$5.50**

$11.95

Takes Up Very Little Space

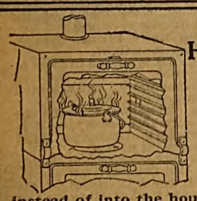
Cooks and Bakes Very Well

You Can Not Buy a Better Stove for the Money

Many people will prefer the Windsor Gas Cooker because they have small kitchens and must have all the space possible. Others who find three standard burners and an oven sufficient for their needs, will choose it because it is an efficient, strongly constructed gas stove at a low price. In either case you will be well satisfied.

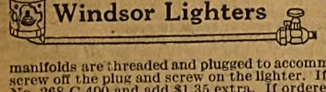
White enameled panel in oven door. Three-burner cooking top is 27½ inches wide, 15 inches deep. One giant and two single star burners. Oven is 16 by 12 by 11 inches. Floor space, 28 by 16 inches. Shipping weight, 90 pounds.

268 C 373..... **$11.95**
Shipped from Aurora, Ill.



All Windsor Gas Ranges Have Cast Iron Oven Bottoms

The cast iron Oven Bottom lasts much longer and is stronger and more satisfactory in every way than the ordinary steel bottom. It absorbs the heat more slowly and distributes it more evenly, resulting in better baking and roasting. Another feature is the cooking hole in the center of the oven—right over the burner. Just remove the lid and set your cooking vessel directly over the flame. All cooking odors go up the chimney instead of into the house. This is one of the features that makes Windsor Gas Ranges so universally popular.



Windsor Lighters

Just press the button on the lighter, open the gas cock and the burner lights instantly from the pilot light. The oven is lighted separately. All Windsor Gas Range manifolds are threaded and plugged to accommodate this lighter. You simply screw off the plug and screw on the lighter. If ordered with the range, order No. 268 C 400 and add $1.35 extra. If ordered separately, it will cost $1.65 and should be ordered under No. 68 C 401. Shipping weight, 1 pound.

"I received the Magnificent Windsor Heater in first class condition. After using it all winter I find it just as represented; in fact, much better than I expected. We have kept fire in it continually all winter; heated five rooms comfortably with 4½ tons of coal, which I believe no other stove on the market will do, regardless of price. I saved $47 by buying from you."

C. C. Graves,
Chillicothe, O.
Printed by Permission

Heats by Circulating Air Just Like a Furnace

The **Magnificent Windsor** is actually a furnace—a high grade, improved upstairs Furnace mounted on a base and enclosed in an ornamental, blue, gray or walnut porcelain enameled, cast iron jacket. Like all other pipeless furnaces, it heats by the circulating heat method. This method may be described as follows:

Heats Floor First

First the big, heavy fire pot radiates the heat. This heat is deflected to the floor by the nickeled outside deflector ring, thus the floor—the hardest part of a house to heat—is heated immediately. Meanwhile the heat from the inside body and radiator is passing through the top of the casing. Warm air always expands and rises. As it does this, it pushes the cooler air down. This cool air is sucked in through the openings in the enameled casing, comes in contact with the hot inside body and radiator, is heated, and in turn passes out through the top in **all directions.** The heat is constantly moving—it passes from room to room, into hallways, and even goes upstairs. A register in the upper floor will help heat the upstairs better.

There can not be stagnant, stale, unhealthy air in a home heated by our **Magnificent Windsor Heater.**

Heat Easily Regulated

Another exclusive Windsor Feature i the heat control indicator in the urn. Th fire is checked or made more intense b using the hot blast regulating handles i the front, and the check damper in the fee door. By watching the heat control indicato you can regulate the temperature in you house to any degree desired—**and can kee the temperature uniform.** You hav perfect control over the fire at all times and can regulate it so it will hold fire ove night or longer without the slightest dif ficulty.

Many Other Features

This picture and description, while accu rate, can not fully do justice to the beauty and quality of the **Magnificent Windsor.** It must be seen and used to be fully appreciated. Order one. Set it up in your home and try it. Compare it as to price, quality and service with any stove of similar make. If you aren't perfectly satisfied, you may write us for shipping instructions and return it and we will refund all your money, including transportation charges.

Built for Long, Hard Service

If you wanted the best heater possible to be made, and you were willing to pay any price to get it, what kind of a heater would it be? Suppose you went to the factory and had a heater made to order, just to suit your own ideas, are not these the features you would have built into it?

First. A heater so powerful that on below zero days it will easily keep the entire house comfortable.

Second. A heater that will keep the fire overnight, or even longer, yet can be brought to a roaring fire within 10 minutes, due to perfect damper and hot blast control.

Third. A heater that can be fired as easily and economically on mild spring and fall days as a much smaller heater, due to its scientific construction and machine ground fittings.

Fourth. A heater that will do its work rapidly and economically in all kinds of weather—whether fired hard day after day, 24 hours a day.

Fifth. A heater that will last for years—with very little cost for repairs—because built of the best materials.

Sixth. A heater so fine, so splendid, so magnificent in appearance that it will be an ornament in the finest living room—one that will be a staunch friend at all times. The Magnificent Windsor meets all these requirements.

Specifications

The following parts are Blue, Gray or Walnut Porcelain Enameled. Swing top (urn base), main top, left and right sides, main front, base, ash door, front and two side base strips. **Nickeled Parts.** Feed door, urn, front and two side foot rails, four legs, ash door draft damper, hot blast handles. All castings machine ground and fitted airtight. Height over all, 68 inches. Floor space, 30 inches square. Burns any kind of fuel. Shipping weight, 500 pounds.

Plain Finished Heater

We have taken off all the enamel parts and are offering you a highly finished, nickel trimmed, black japanned **Magnificent Windsor** at a very low price. In all other specifications, features and weight the **Plain Magnificent** is just the same as the enameled heater. **Nickeled Parts.** Urn, urn base, feed door, front and two side foot rails, ash pit draft door, front base strip, two front legs. **All other parts are black japanned finish.**

Prices of Magnificent Windsor Heater

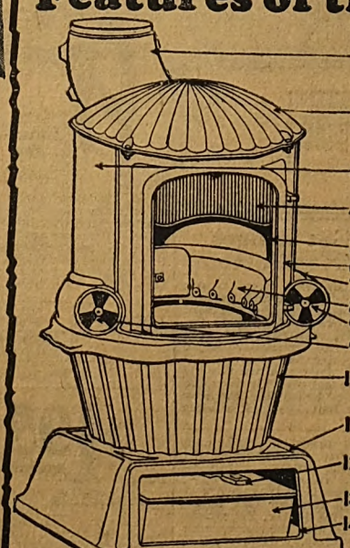
Features of the Furnacelike Construction



1. **Reversible 7-Inch Pipe Collar.** Smoke pipe can either go up or be concealed by going straight back.
2. **Radiator.** Heavy machine ground casting attached to body so as to be absolutely airtight. Corrugated to radiate heat up in all directions.
3. **Heavy Steel Plate Body.** Made of special heat and rust-resisting copper bearing steel. Can not crack or warp.
4. **Smoke Curtain.** Prevents smoking when door is opened. Swings inward automatically.
5. **Big Feed Opening.** 11½ inches square for big blocks of wood or scoops of coal.
6. **Heavy Cast Iron Body Front.** Braces and reinforces body. Fitted airtight.
7. **Hot Blast Tube.** Air is sucked in from in front, through these tubes (on each side of body), is heated and expanded by contact with hot body, and is discharged onto fire.
8. **Hot Blast Ring.** The nozzles direct the stream of heated air onto the fire where it is churned up with the smoke and gasses, making a very hot fire. Uses every bit of fuel.
9. **Hot Blast Dials.** The opening and closing of these dials is controlled from the outside by handles at each side of the main front. This enables you to regulate the heat at all times and hold a fire over night.
10. **Fire Pot.** A regular furnace fire pot. Weighs 100 pounds and is over an inch thick. Diameter over all, 21 inches; 11 inches deep. Heavily corrugated—will not burn out. **Guaranteed to last at least 10 years.**
11. **Deep Wide Base.** Fire pot and ash door are machine-fit to base to prevent air leakages. Base is so deep that ashes can not back up against the grates.
12. **Grates.** Shaker lever pulls out through opening in ash door. Grate is extra heavy and strong; large clinkers will not hurt it. Each heater has an extra special grate for wood, used on top of regular coal grate.
13. **Ash Pan.** Extra large. Made of heavy galvanized iron with thick wire edge.
14. **Ash Pit.** Opening is 15 inches wide and 6½ inches high enabling you to pull out the ash pan without knocking sides or spilling the ashes.

THE Heaters shown on this page are the products of many years experience in the construction of high grade stoves. During these years we have constantly improved this line of heaters, and now we offer you these Windsor Stoves, which are the finest, most beautiful and most efficient heaters on the market today.

Yet our prices are extremely low. One of the many reasons is that we are not restricted to any one factory and own all our patterns. We can choose factories which are located close to sources of material. This saves the extra expense of hauling the raw materials a great distance. It means that we can choose factories that will give us the highest quality of merchandise that can be manufactured, at the lowest prices possible. We save money by these buying methods, and therefore can offer you these lowest prices. The saving is all yours.

Winwood Windsor Heater

The **Winwood Windsor** heater was first offered in our last fall catalogue and it met with a great success. Never before did we sell a wood heater that became so popular in such a short time. We have received hundreds of letters from customers who praise the merits of the **Winwood Windsor**. It is a good and a wonderful stove that you will enjoy in your home.

A heater like the **Winwood Windsor** makes a home more attractive and helps to keep it more comfortable. On winter nights when it is cold and windy, everyone likes to sit around a good heater, put their feet on the foot rails and read or talk in greatest comfort. The **Winwood Windsor** is a faithful, sturdy stove that will give you just the amount of heat you want. It is a heater that will stand hard usage and give you years of satisfactory service. The price at which we are offering the **Winwood Windsor** is so low that this represents one of the greatest heater values we have ever seen offered anywhere. Order one today. Try it out and let us prove that what we say is true.

Specifications of Winwood

Body is made of specially treated steel and copper which is rust resisting. The lining, made of heavy, corrugated cast iron, extends eight inches high, in three sections to allow for expansion and is ventilated to prevent warping. Cast iron swing top, which permits feeding large chunks of wood, also large end feed door. Top contains cooking lid. Heavy cast iron bottom. Cast iron legs. Large ash door makes it easy to remove ashes. Takes 6-inch pipe.

Nickeled Parts. Urn, urn base, screw draft register, and the removable foot rails.

ALL Windsor Stoves Are GOOD Stoves

Two Exceptionally Well Built Wood Heaters That Will Give Years of Satisfaction In Every Way

Rosemont Windsor

$18.95

Burns Wood Only

Instead of allowing the heat to escape up the chimney, in the **Rosemont Windsor** it is forced around the body between the cast iron linings and the outer body. This is one of best principles upon which a heating stove was ever built. It keeps the stove hotter and gives more heat with less fuel. Outer body made of heavy steel. Solid cast iron linings, which form inner body. Fuel burns inside the cast iron linings. Both ends, nickeled swing cover, nickeled name plates, nickeled foot rail, bottom, legs and hearth all made of cast iron. As the **Rosemont Windsor** is intended to be placed near a wall, only one foot rail is furnished. Nickeled screw draft. Reversible pipe collar. Takes 6-inch pipe. Size of door, 11½ by 13½ inches. Burns wood only.

Bellwood Windsor

Heavy all cast iron construction, good workmanship and plain design make the **Bellwood Windsor** the best low priced wood heater we ever produced. It is so strong and solid that it will give faithful and satisfactory service no matter how hard or how rough you use it. Every casting is extra heavy and strong.

Heavy corner columns as well as top to bottom cast iron braces on the sides give additional strength. You can fire the **Bellwood Windsor** red hot without damaging it. A large swing top permits you to burn big, rough chunks of wood without splitting or sawing them. Notice the low price on this stove. You will make no mistake by buying the **Bellwood Windsor** heater. The four larger sizes have two handy cooking holes; the small size has one. Top is 26 inches from the floor on all sizes. Takes 6-inch pipe.

A Fine Big Heater That Has Pleased Thousands of Our Customers

$5.00 Down and Five Dollars a Month

Use Easy Payment Order Blank No. 2 on Page 697

$45.85 Cash Price

About 17¢ a Day Pays for This Big, Massive Heater

Read *this* Letter

"I have used the Armada Windsor Heater all winter, and can say it is the best stove I ever saw at any price. It has perfect control. Will burn almost any kind of wood, and keeps the house warm all night.

C. B. Chaney,
Edina, Mo.
Printed by Permission

FOR years the **Armada Windsor Heater** has been a great favorite with our customers. Today **Armada Heaters** are furnishing thousands of homes with good, comfortable, cheerful heat. Thousands of our customers have voluntarily written us letters, similar to the one shown on the left hand side of this page, which testify to the worth of this heater. We could not give you any better evidence of the superiority or the fine quality of the **Armada Windsor Heater.**

A Giant in Appearance and Construction

Unusually large and massive—nearly five and one-half feet in height, the **Armada** looks every inch the wonderful heater it really is. In design it is beautiful with its smooth, flowing lines. Generously decorated with highly polished nickel, but free from trimmings that demand constant cleaning. You will be delighted with its fine appearance.

Will Keep a Large Home Comfortable

This heater will keep a large home comfortably warm during severe cold weather, yet is so easily regulated that it will also radiate just enough heat to take the chill off a smaller home during the mild days of fall and spring. This system of regulation is explained and illustrated in the panel below.

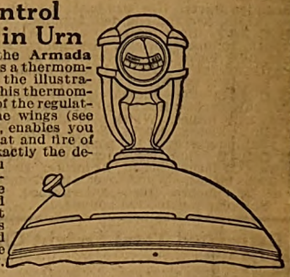
An Inexpensive Stove

Even with its large size and superior quality, the **Armada Windsor** is not an expensive stove. The easy payment price is very low. It may be bought on terms of $5 with your order and $5 a month—only about 17¢ a day—which puts it easily within the reach of every home. Besides, the cash price is exceptionally low.

Study the illustration and you will realize what a big, beautiful heater this really is.

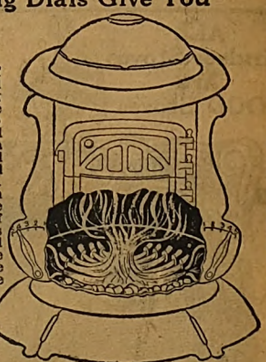
Special Features

Heat Control Indicator in Urn



In the urn of the **Armada Windsor Heater** is a thermometer, as shown in the illustration at the right. This thermometer, with the aid of the regulating handles in the wings (see paragraph below), enables you to regulate the heat and fire of the **Armada** to exactly the degree you want. You have perfect control over the fire at all times and you can regulate it so that it holds over night and longer without the slightest difficulty.

Regulating Dials Give You Perfect Control



In each wing of this stove is a dial with a regulating handle. (See large illustration at left.) When opened, cold air is taken in from the front, carried around the steel body and heated. This hot air is then forced on the fire through a series of nozzles. This churns up the smoke and holds it on the fire until all the gases are consumed. When the smoke goes up the chimney it is light gray in color—all possible heat has been extracted. This explains why the **Armada** is so unusually economical of fuel—why it actually costs less to operate than many smaller heaters.

Extra Heavy Fire Pot

As Heavy as a Furnace Fire Pot

The Fire Pot is the most important part of any heating stove. In any ordinary heater it is about a quarter of an inch thick. In the **Armada Windsor** it is one full inch thick—as heavy as a furnace fire pot. This fire pot was built especially for the **Armada Windsor.** It will last for many years, saving you the necessity of buying a new one every few seasons. If you have ever owned a heater with a light fire pot, you will know the value of this feature.

ALL Windsor Stoves Are GOOD Stoves

A Giant in Size and Heating Power
Burns Any Kind of Fuel

Heavy cast iron base. Legs are heavily plated with shining nickel. Extra deep ash pit. Ash pan of unusually heavy galvanized iron, and the ash pit door fits airtight. The draw center shaking grates are heavy and strong so that any clinkers may be shaken out without danger of injury to the grates. Above the extra heavy fire pot is a wide nickeled cast iron ring. Equipped with extra grates for wood.

The body is of extra heavy special heat and rust resisting steel. Front is solid cast iron. The feed door is cast iron and has four mica windows. The door is 11 by 15 inches—large enough to admit big blocks of wood. All three doors are machine fitted and tight. Swing cover, rings and urn are handsomely nickeled. Floor space required, 30 by 30 inches. Burns any kind of fuel. Takes 7-inch pipe.

With the **New Windsor Hot Blast Heater** you get all the heat from the coal, as the smoke is held on the fire by the air coming in through the hot blast tube in the top of the stove until all the gases are burned out. This also makes a fire free from soot, with a very small amount of ashes and clinkers. The **New Windsor Hot Blast** will save about one-third on your coal bill. Our price is much lower than usually asked for stoves of this quality.

Body. Made of extra heavy, highly polished steel, double seamed to a heavy steel bottom, making construction absolutely airtight. Body is lined inside with cast iron. Large front feed door has machine ground joints and latch which holds door securely in place. Takes 7-inch pipe.

Base. Sturdy substantial cast iron legs and base strips. Nickeled foot rails.

Fire Pot. Upper and lower fire pots of cast iron. Cast iron draw center grates will not clinker.

Top. Made of cast iron; feed door in front has nickeled Alaska lifter. Nickeled cast iron swing cover with attractive nickeled urn. Nickel pressed steel ring around top of stove.

36 Inches High

Burns Any Kind of Fuel

We named this heater the **Variety Windsor** because it can be used for so many different purposes. It will fill your needs in any place you care to use it. Because it is such a quick and powerful heater it may be used in the home, church, school, shop or garage.

The **Variety Windsor** has proved very popular with Ward's customers. For that reason we are planning to make a great many more this year than ever before and naturally we are able to lower the price in spite of the fact that wages are higher and materials cost more than they did in 1924.

Entire stove is made of cast iron. The body is heavily ribbed. These ribs not only strengthen the body and prevent warping but they also radiate heat much better than a plain surface. The big circular lower fire pot deflects heat directly against the floor which is always hardest to heat. Takes floor space 20 by 20 inches.

Any kind of fuel can be burned in the **Variety Windsor.** The pouch at the top for feeding coal is very convenient when the cooking top is in use. In the upper front of the fire pot is a large feed door for feeding coal or wood. The draw grates are of cast iron, and the ash pit is made so deep that the ashes will not pile up and cut off the draft or burn out the grates. Stands on a heavy, solid cast iron base. Diameter, lower fire pot, 18 inches. Takes 6-inch pipe. Shipping weight, 145 pounds.

Glorious Windsor Porcelain Enameled Heater

The World's Finest and Most Attractive Medium Size Heater

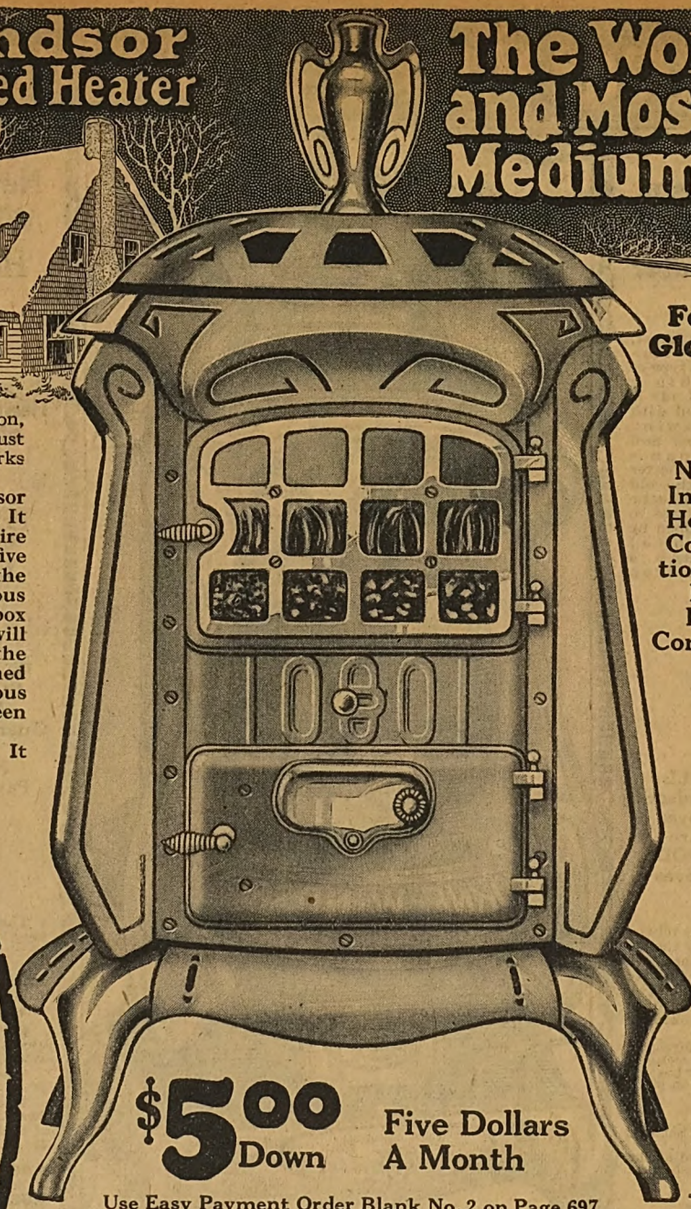
$37.85 Cash Price Blue or Gray Enamel

$42.85 Cash Price Walnut Enamel Finish

THIS LETTER from Mr. J. W. Barrington, St. Marys, O., tells better than we can just how well the Glorious Windsor Heater works and how attractive it is.

"We have been using a Glorious Windsor for months, and find it very satisfactory. It holds a fire overnight, and keeps the entire house at an even temperature. We heat five rooms with it. The main thing is that the material and workmanship of the Glorious Windsor is the best. The grates and fire box are strong enough for furnace use, and will last indefinitely. All our friends admire the beauty of the stove. You have combined strength and beauty in the Glorious Windsor. It is the best bargain I have seen offered in the stove line."

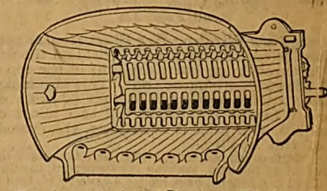
No one could expect more of any heater. It will more than satisfy you.



Features of the Glorious Windsor Heater

Note the Improved Hot Blast Construction Which Means Perfect Combustion

The illustration above shows a cut away rear view of the **Glorious Windsor** with the Windsor Hot Blast Feature in operation. The hot blast is controlled by the sliding damper on the front of the stove just below the main feed door. (See illustration.) The cold air is taken in through the front, is heated and then expands. This hot, gassy air is then forced on the fire through a series of nozzles. It churns up the smoke and holds it on the fire until all the gas, soot and carbon is consumed. When the smoke goes up the chimney it is light gray in color—all possible heat has been extracted.



The fire pot of the **Glorious Windsor** is big and heavy (illustrated above). It is 22 inches long, 14 inches wide and 7½ inches deep at the top. Built high to form an extra cast iron lining for the body. Any of its parts can easily be replaced. Duplex grates to burn wood or coal—an unusual feature for this type of heater.

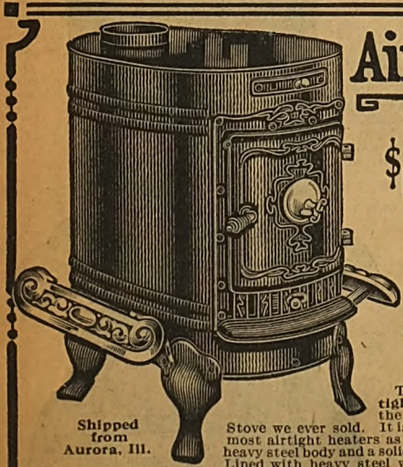
Airtight Heaters at Special Bargain Prices



Shipped from Aurora, Ill.

$6.95 Apollo Windsor Airtight Heater

The **Apollo Airtight Windsor** is the best airtight Stove we ever sold. It is far superior to most airtight heaters as it has an extra heavy steel body and a solid cast iron front. Lined with heavy steel which may be replaced if it burns out as bottom of heater is removable. Rigid steel legs and nickeled foot rails. The large flat top can be used for cooking as it is well braced. Burns dry wood, rubbish, garbage or chips. Very economical and gives quick heat. The big feed door permits burning of large size wood. Takes 6-inch pipe.

Laundry Stoves, Gas Heaters and Tank Heaters at Bargain Prices

Two-Hole Laundry Stove

Jack Windsor is our best two-hole Laundry Stove. It will hold the heaviest tub or boiler full of wet clothes. Because of the pouch feed in front it is not necessary to remove the boiler or wash tub in order to put fuel on the fire. The cooking top is just the proper height for greatest convenience in the laundry. The two-hole top provides ample space for you to do your cooking; and with the addition of Windsor Drum Oven 268 C 906, described on this page, you can do baking if you desire. Stove is all cast iron.

The top is 13½ by 20½ inches. Height of cooking top from floor, 21½ inches. Fire pot is 12½ inches in diameter. Takes 6-inch pipe. Shipping weight, 75 pounds.

Burns Any Kind of Fuel

Heats, Cooks and Bakes Perfectly

While using this four-hole Laundry Stove for heating, cooking or laundry purposes, you can take advantage of the High Oven. The heat which naturally rises in the stove pipe, circulates in a jacket which surrounds the high oven and makes possible excellent baking results. The Windsor Hi-Oven Stove will give you splendid results with a small amount of fuel. Another advantage of the Windsor Hi-Oven is its compactness—it only takes floor space 22 by 22 inches. Laundry stove is same as the one described in center of this page.

The stove is made of cast iron and has a 20½ by 21-inch cooking top with four 8-inch lids. Cooking top is 21½ inches from floor. Oven is 15¾ by 12½ by 11 inches inside. Full lined with steel and asbestos and has glass panels and heat indicator in drop door. Takes 6-inch pipe. Shipping weight, 150 pounds.

Windsor 4-Hole Stove

The Biggest Laundry Stove Value on the Market Today

LOOK where you may, you can not buy so good a Laundry Stove elsewhere at such a low price. Yet not a single detail in the high quality and fine workmanship of the POPULAR SUN WINDSOR has been sacrificed in making this unusually low price. We had them built at a rock bottom price by placing a large order when work was slack in the foundry. This type of stove usually sells for about $7.75. The saving is all yours.

Guaranteed to Satisfy

If you are not satisfied with the quality or the saving on this stove, we will refund your money, including all transportation charges. What could be more fair?

Made of cast iron. Top is 20½ by 21 inches, and has four 8-inch lids. Height to cooking top, 21½ inches. Fire pot is extra heavily ribbed and 12½ inches in diameter. A deflector forces flame and heat forward, distributing evenly. Takes 6-inch stove pipe. Fine quality heavy grate. Shaker handle operated from side. With addition of Oven 268 C 906 shown below, this SUN WINDSOR does excellent baking.

Shipping weight, 90 pounds.

ALL Windsor Stoves Are GOOD Stoves

Windsor Combination Kerosene-Coal-Wood Range

with Windsor Super-Giant Automatic Wickless Burners

THE New Windsor Combination Range is one of the greatest improvements in the history of stove making. A combined Kerosene and Coal Range that you can use all year 'round. In winter will heat as well as cook. In the summer you can cook with inexpensive kerosene and your kitchen is always cool and airy. It means you can burn kerosene, coal, wood or waste whenever you desire. You are also provided with extra cooking space when you are washing, canning or baking. A most economical and convenient stove.

Super-Giant Burners

The Super-Giant Windsor Automatic Wickless Burner is the largest and most powerful burner we have ever sold. It produces an intensely hot flame that is economical, clean and without smoke or odor. This burner also has the "Flame-within-a-flame" feature—a small flame burns directly up from the center with a larger ring of fire around it, insuring even heat distribution. This burner is easy to regulate and easy to keep clean. Around the handle of each burner is a small dial on which the directions for operating are printed. So simple a child can operate it.

Extra Large Oven

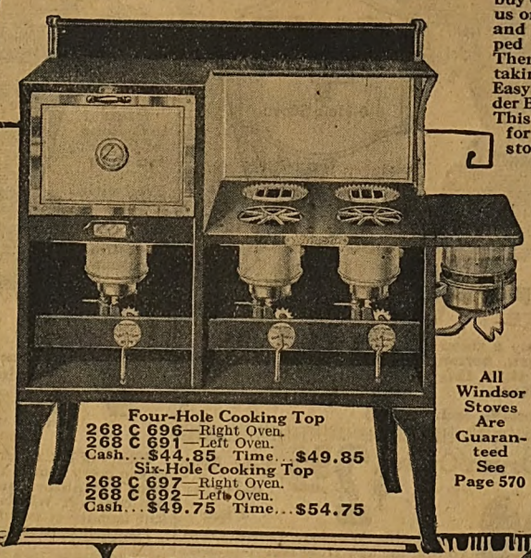
The Oven on this stove is the largest ever built on a kerosene range. It is 15¾ by 20 by 12 inches inside. You can easily take the removable bottom out of this oven and have the Windsor Triplex Double Capacity Burners for cooking. If your outside cooking top is crowded, you can take advantage of the oven for cooking. There is a flue connection in the back of the oven so if at any time you wish to cook foods that give off disagreeable odors, you can put them in the oven, close the door and the odors will go up the chimney. In spite of its large size, this oven requires only one Windsor Super-Giant Automatic Wickless Burner to heat it.

Water Front for the coal section. It must be used in connection with a range boiler and a water pressure system. Shipping weight, 12 pounds.

268 C 693—Extra **$5.50**

Cash or Time

You can buy this handsome Range for Cash or Easy Payments. If you prefer to buy on easy payments, send us only $5 with your order and the range will be shipped to you immediately. Then pay $5 a month. When taking advantage of our Easy Payment Plan, use Order Blank No. 2 on Page 697. This plan makes an easy way for you to purchase this stove. Take advantage of it.



$44.85 Cash Price

Same Range as shown above, except without the coal-wood section

Has white porcelain enameled oven door panel, splasher back and side. Gray porcelain enameled burner drums. Nickeled back rail corners, shelf support and oven door frame. Other parts finished in baked on automobile body finish, jet black Japan. Size of oven, 20 inches deep, 15¾ inches wide, 12 inches high. Lengths over all, 49 and 59 inches. Extreme depth, 27 inches. Floor spaces, 27 by 49 inches and 27 by 59 inches. Cooking top, 21½ inches deep, 20½ and 30½ inches long, without end shelf; with end shelf, 29½ inches and 39½ inches. Height to cooking top, 32 inches. Shipping weights: 200 and 225 lbs.

Shipped from Aurora, Ill., Cleveland, O., or Evansville, Ind., whichever is nearest you

Large Fire Box

The fire box in the coal-wood range is as big and durable as on our best coal and wood ranges. It is 18½ by 8 by 8 inches and takes 21-inch wood. The coal-wood Range section is cast iron with nickeled ash and fire doors. Pipe collar is directly behind coal-wood section. This coal section gives plenty of heat in winter and provides two holes for cooking. If more cooking space is needed, simply touch a match to the asbestos kindlers of a Super-Giant Burner and you have another intensely hot fire ready to serve you. In the summer this coal-wood range provides an easy way to dispose of rubbish and papers. While washing, canning or baking, you can use both the coal section and the oil sections.

Triplex Features

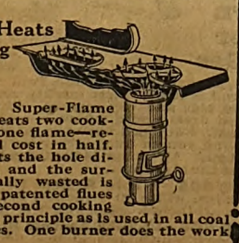
Canopy Carries Away Odors and Heat

Connects with any flue. Carries off steam, odors and fumes. Roomy warming shelf keeps foods warm. Shelf folds back when oven is in use. Not absolutely necessary to connect to chimney, but better results are gained by doing so. Takes 6-inch pipe.

Windsor Endoor Oven

A full size oven which occupies only half the width of the ordinary oven. Made of polished steel. Bakes perfectly with the heat from only one burner. Size, 12½ by 18 by 20 inches. Glass panel in door. Full lined with corrugated tin and asbestos. Rustproof wire shelf. In a number of tests this oven has baked biscuits within 17 minutes from the time the burner was lighted.

One Flame Heats Two Cooking Holes



Each Triplex Super-Flame Brass Burner heats two cooking holes with one flame—reduces your fuel cost in half. The Flame heats the hole directly above it, and the surplus heat usually wasted is carried by our patented flues back to the second cooking hole. The same principle as is used in all coal and wood ranges. One burner does the work of two.

Triplex Windsor Long Chimney Wick Burner

For year round use, the **Windsor Triplex Long Chimney Wick Kerosene Range** is one of the best you can buy. Instant, dependable service is yours—no fumes, ashes, cinders, smoke or odors. You can have eight cooking holes with only four burners or six cooking holes with only three burners. The cooking top is 33 inches from the floor, so you can tend your cooking without the usual stooping.

In our effort to make one of the best oil stoves it is possible for you to buy, we have not overlooked a single point in the construction of the Triplex. You will find it to be one of the most efficient, dependable all year round ranges you ever saw.

Long Chimney Burner

Gives instant cooking heat. Can be changed to a slow, quick, intense, or simmering heat by turning wick raiser. Burner tubes are seamless, drawn brass. Other parts are of best grade steel in black and gray baked on japanned finish.

Wicks for Triplex Windsor. Made of cotton. Fit burners perfectly. Require very little care. Shipping weights: 1 and 1½ pounds.

Long Chimney Kerosene Wick Range

THE Windsor Blue Flame, Long Chimney, Wick Kerosene Range is a beautiful stove that is a quick cooker and baker and that will give long service. One of the best brass wick burners made is used on this range. It gives cooking heat the instant it is lighted. Kerosene ranges are becoming the most popular stoves for year round use. Choose the Windsor Blue Flame for your kitchen and let it help you do your work quicker, easier and more economically. The brass wick burners used on this stove are just the same as the burners used on the Triplex, except that this stove does not have the Windsor Double Cooking holes (see description on opposite page). Cooking top is 33 inches from the floor, 35½ and 45½ inches long and 17 inches wide. Stove is made of a good grade of steel. Finished in a beautiful black and gray japan baked on. Has a top shelf for keeping utensils, also a leg tray for flatirons and pans. The drums are gray porcelain enameled. Takes floor spaces, 43 and 53 by 17 inches.

Shipping weights: 3-burner: Stove only, 55 pounds; stove with high shelf, 75 pounds. 4-burner: Stove only, 65 pounds; stove with high shelf, 90 pounds.

Order oven separately. Either No. 268 C 952 or 268 C 755 shown in panel at right will make an excellent companion for this stove. Takes same wicks as quoted with Triplex on opposite page.

4 Burner Stove and Shelf Only

Order Oven Separately

Automatic Wickless Kerosene Stove

Equipped with the regular Automatic Wickless Burners and one Windsor Super-Giant Automatic Wickless Burner. They give a steady, intense heat soon after they are lighted. These burners have the famous Flame-within-a-flame feature—a small flame burns directly up from the center with a larger size ring of fire around it, insuring powerful heat.

Made entirely of special steel finished with baked on black and gray japan. Grates are of steel and guaranteed not to break.

Three-Burner Size. Cooking top: 31 inches high; 17 inches wide; 42 inches long with end shelf. Floor space, 43 by 17 inches. Shipping weights: Stove only, 50 pounds; stove with high shelf, 68 pounds.

Four-Burner Size. Cooking top: 31 inches high; 17 inches wide; 52 inches long with end shelf. Floor space, 53 by 17 inches. Shipping weights: Stove only, 64 pounds; stove with shelf, 84 pounds.

This stove is equipped with our regular Windsor Automatic Wickless Burners and one Windsor Super-Giant Automatic Wickless Burner. They are the most powerful burners made today. Dial on front tells how to operate.

Correct Fixtures for Every Room in Your Home

$10.75
Velvet Brown and Gold Finish

Extremely Low Prices on These Handsome Lighting Fixtures

$8.50

$6.75 Four Light
463 C 8485

NO other rooms in the home offer greater opportunities for pleasing lighting effects than the living room and dining room. The light in your dining room should shed a flood of light over the table showing to best advantage the silverware and the snowy white linen. In the living room you need an abundance of light pleasantly diffused to prevent strain to the eyes when reading, sewing or writing. The upper fixture shown here is especially suitable for the dining room, although it may be used for the living room. The lower fixture with its either 4 or 5 drop lights is a popular choice for living room or parlor. Some prefer it for the dining room. Both have metal parts finished in a pleasing, rich, velvet brown with gold high lights. The satin white crystal glass shades are embossed with a neat floral design tinted a delicate green and pink. Completely wired ready to install in your home. The bowl has a keyless socket to be controlled by wall switch. The side lights have key sockets. Length of each fixture, 36 inches; width, 20 inches. For Wall Brackets to match, see 63 C 8489, 63 C 8490 and 63 C 8491 on Page 587. Bulbs not included. Shipping weight, each, 25 pounds.

463 C 8483—Bowl and 4 side lights. **$10.75**
463 C 8484—5-light fixture. **$8.50**
463 C 8485—4-light fixture. **$6.75**

Your Home Is Only as Beautiful as Your Lighting

INTERIOR decorators all know that one of the secrets of beautifying the home is in the lighting. In planning the very elaborate and expensive furnishings of America's most magnificent homes, lighting is always given important consideration. The magic of proper lighting is used to bring out the exquisite beauty of priceless furniture, rugs, tapestries and draperies. With this same magic the decorator gives charm and distinction to surroundings that otherwise would be drab and unattractive. Their demand for grace and beauty as well as scientific efficiency in the design of modern lighting equipment has produced fixtures which are an adornment by day when unlighted and of utmost utility and beauty at night.

Home makers of today are indeed fortunate to live in an age which has seen this marvelous advancement in artistic home illumination. Fixtures of exquisite beauty, employing the most approved illuminating principles, are no longer reserved for the exclusive mansions—any American home can now have them. No need to use antiquated, dingy-looking, improperly designed fixtures of a bygone period which detract from the charm of your home, cause eye strain and other optical troubles. These pages offer you opportunities to equip your home with these newest, most artistic and scientifically correct, up-to-date Lighting Fixtures at prices far below what you have imagined such fine fixtures would cost.

High Grade Materials and Workmanship Guaranteed

All Ward's fixtures, with the exception of the aluminum set shown at the right, are made of genuine brass. Chains are of the latest approved construction, triple-plated and finished to match. All our fixtures are made under specifications approved by the National Board of Underwriters, and can be used in any lighting circuit. Fixtures are equipped with approved connectors, making soldering of joints unnecessary.

Aluminum Fixtures

$11.95 For Living and Dining Room

$12.95 Sunset Gold Finish

THE great popularity of aluminum fixtures is due to the fact that they offer unusual opportunities for the designer and finisher, because in the casting they can bring out a wealth of artistic beauty impossible in the ordinary fixture. Either the ceiling or hanging type is an excellent choice for the main light of the living or dining room. The Sunset Gold finish of these fixtures sometimes called Florentine finish, is a mellow gold tinted with reds and blues, giving a most beautiful effect. They are stylish fixtures you will be proud to have in your home. For use with frosted round bulbs. The ceiling fixture is keyless to be controlled by a wall switch. The hanging fixture has key sockets. Entire width, 16 inches. Shipping weights: 25 and 15 pounds.

463 C 8318—Hanging fixture with key sockets. Length, 36 inches **$12.95**
463 C 8316—Ceiling fixture. Length, 10 inches **11.95**

Save At Ward's On Lighting Fixtures

Seven-Piece Fixture Set Satin Brass Finish $12.95

Order Above Fixtures Separately If You Desire

463 C 8001—Bowl without side lights. Shipping weight, 8 pounds $3.45
63 C 8002—Chain Pendants. Shipping weight, 3 pounds 1.10
63 C 8003—Wall Bracket. Shipping weight, 3 pounds ..... .98
63 C 8004—Ceiling Light. Shipping weight, 3 pounds ..... .79
463 C 8005—Bowl with side lights. Shipping weight, 15 pounds 5.45

A SPLENDID example of the saving you can make by ordering your Lighting Fixtures from Montgomery Ward & Co. This 7-piece Set is a remarkable bargain at this low price and not only is there a saving on each piece bought separately, but a still greater saving if you buy the entire set.

The glassware is translucent, alabaster white. The inside of each globe, except ceiling light, is polished. The metal parts are of genuine brass in satin finish. Chain is triple-plated steel, as on most high grade fixtures.

What the Set Includes

Bowl with Side Lights is especially suitable for lighting your living or dining room. The socket in the large bowl is keyless to be controlled by a wall switch. The three side lights have key sockets. Bowl is 15 inches in diameter.

Bowl without Side Lights is appropriate for dining room and living room. It is the same as the shower fixture, except that it has no side lights.

Chain Pendants may be used in bedrooms, hall, kitchen or bath room. Wired with key sockets.

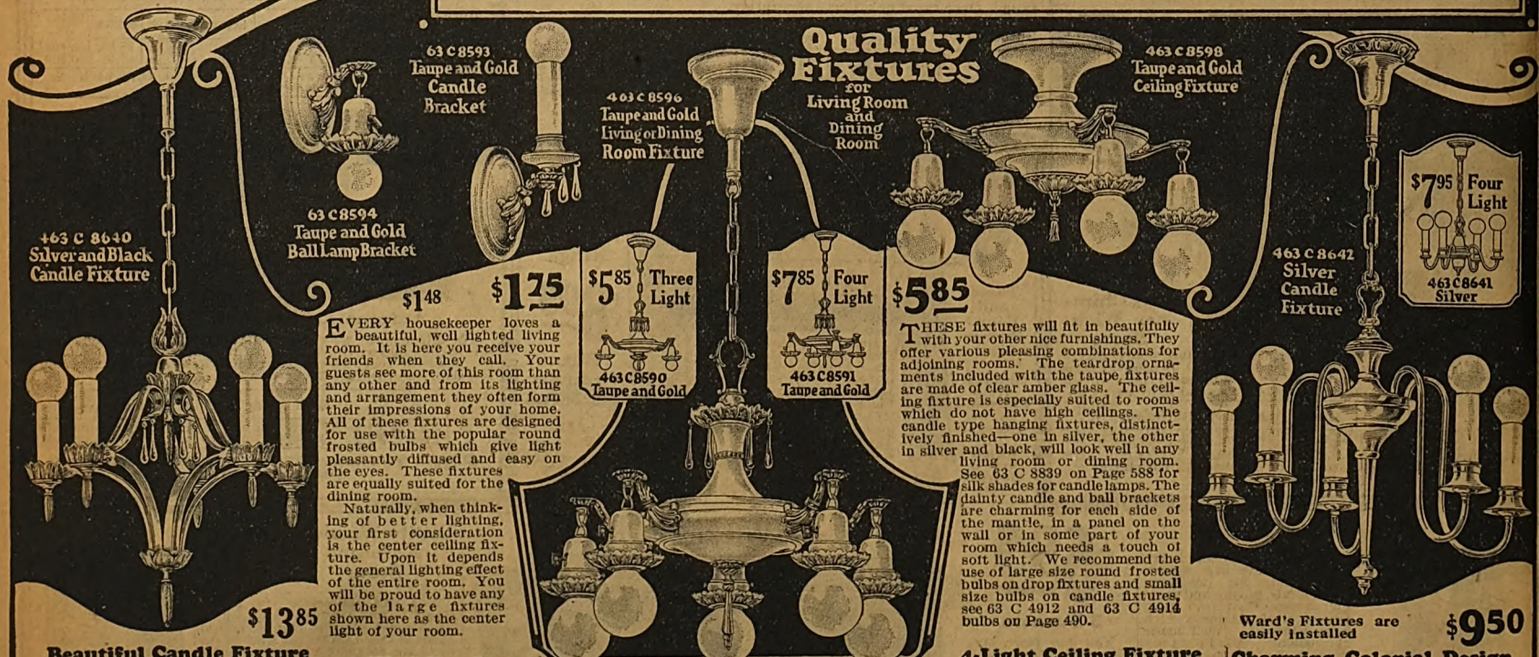
Ceiling Light is attractive for hall, bedroom or porch. Its ribbed glass ball shade in Sheffield pattern is frosted on the inside and polished on the outside. Ceiling band is 6 inches in diameter. Wired with keyless socket for wall switch control.

Wall Bracket is convenient for the kitchen, bedroom, bath room or hall. Extends 6 inches from wall. Has key socket.

Entire length from ceiling of all hanging fixtures is 36 inches. All fixtures completely wired and assembled ready to install. We include solderless connectors with all these fixtures, so the only tool you need is a screw driver. Bulbs not included. Shipping weight, 40 pounds.

163 C 8000—7-Piece Set.. **$12.95**

Quality Fixtures for Living Room and Dining Room



$1.48 $1.75

EVERY housekeeper loves a beautiful, well lighted living room. It is here you receive your friends when they call. Your guests see more of this room than any other and from its lighting and arrangement they often form their impressions of your home. All of these fixtures are designed for use with the popular round frosted bulbs which give light pleasantly diffused and easy on the eyes. These fixtures are equally suited for the dining room.

Naturally, when thinking of better lighting, your first consideration is the center ceiling fixture. Upon it depends the general lighting effect of the entire room. You will be proud to have any of the large fixtures shown here as the center light of your room.

$5.85

THESE fixtures will fit in beautifully with your other nice furnishings. They offer various pleasing combinations for adjoining rooms. The teardrop ornaments included with the taupe fixtures are made of clear amber glass. The ceiling fixture is especially suited to rooms which do not have high ceilings. The candle type hanging fixtures, distinctively finished—one in silver, the other in silver and black, will look well in any living room or dining room. See 63 C 8839 on Page 588 for silk shades for candle lamps. The dainty candle and ball brackets are charming for each side of the mantle, in a panel on the wall or in some part of your room which needs a touch of soft light. We recommend the use of large size round frosted bulbs on drop fixtures and small size bulbs on candle fixtures, see 63 C 4912 and 63 C 4914 bulbs on Page 490.

$13.85

Beautiful Candle Fixture

This 5-light Candle Fixture in dull silver with delicate shadings in black with clear crystal glass teardrop ornaments will add to the charm and richness of any living room. A fixture such as you find in homes of refinement and good taste. The candle lights diffuse the light all over the room without glare. Entire width, 16 inches. Length from ceiling, 37 inches. Bulbs not included. Wired ready to install. Shipping weight, 25 pounds

463 C 8640..... **$13.85**

Lowest Prices in America for this Quality

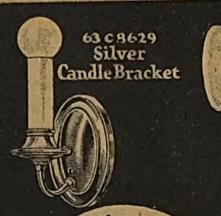
How to Order Lighting Fixtures

Unless you specify otherwise a crowfoot connector as shown at left, for open type wiring, is included with our fixtures when connector is needed.

If Flexible metallic Conduit (BX) is used, so specify, and without extra cost we will supply proper fitting, as shown at right.

If rigid iron Conduit is used, without outlet boxes, so state in your order and we will supply an insulated brass fitting as shown at the left at an extra cost of 40¢ a fixture.

It Is Easy to Order from Ward's

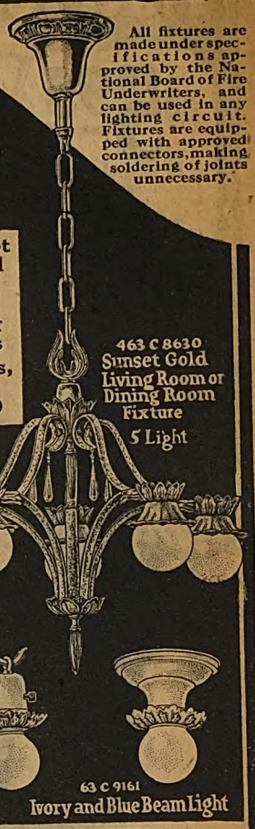


Fine Quality 8-Piece Fixture Set

$28.85

Bulbs Not Included with Ward's Lighting Fixtures For Bulbs, see Page 590

All fixtures are made under specifications approved by the National Board of Fire Underwriters, and can be used in any lighting circuit. Fixtures are equipped with approved connectors, making soldering of joints unnecessary.



Do You Realize That Our Low Price Includes the Complete Set of 8 Fixtures?

Think of being able to buy first class, artistically designed electric fixtures for an entire home for about the price of a good living room chair. This complete 8-piece set can be bought in individual pieces at surprisingly low prices **or as an entire unit at an even greater saving.** It differs from most sets of its kind in that pleasing and proper finishes are used for each of the fixtures. For example, the bath room and kitchen fixtures are finished in sanitary, white enamel. For the bedrooms and hall, the finish is an exquisite combination of ivory and blue. Rich looking silver candle brackets are provided for the side walls and beautiful cluster fixtures in silver and taupe or equally beautiful cluster fixtures in sunset gold for living and dining rooms. The silver and taupe gray combination is irresistible. Sunset gold finish is a Florentine polychrome—dainty touches of blue and red on rich gold. It will excite admiration anywhere and harmonize with almost any color scheme. Each fixture is completely wired, ready to install. No technical knowledge is needed. Any one can install them. We have done all the hard work for you.

63 C 9000—Complete 8-Piece Set. Shipping weight, 60 pounds..... **$28.85**

These Pieces May Be Bought Separately If You Prefer

Ward's Big Special Fixture Bargain

$5.95

Because we placed a tremendously large order for thousands of Lighting Fixtures, the manufacturer gave us this attractive fixture at an exceptionally low price. We are passing this saving on to you, and as a result you secure this fixture at the lowest price ever offered for one of this quality.

Do not compare the quality of this fixture with those usually offered at about this low price. Only after you see this electrolier installed in your home can you fully appreciate its fine appearance.

A Beautiful Fixture for the Living Room

This beautiful Electrolier will harmonize with the furnishings of your living room or dining room. The rich brown finish of the metal parts gives a quiet air of refinement. The cast brass arms are in attactive chased design. The shades, in soft amber color harmonizing with the fixture, are relieved with a faint artistic design hand painted inside. Very beautiful when lighted. Completely wired and has key sockets. Length from ceiling, 36 inches. Entire width, 16 inches. Bulbs not included. Shipping weight, 20 pounds.

463 C 9100 . $5.95

New—A Special Light for Your Kitchen
With Connection for Electric Household Appliance

The kitchen is the workshop of the home. We believe this to be the best type of kitchen fixture. The opal glass shade, attached direct to the ceiling, floods the room with a soft light diffused like daylight. All annoying shadows are eliminated with this fixture. The clean white enamel finish of the metal parts will be in keeping with your other sanitary kitchen equipment.

$3.25

A Porcelain Outlet Socket is a feature of this fixture that you will find most convenient. It gives you a plug, out of the way, yet within easy reach, to which you may attach your electric iron or other appliances. You can use it whether fixture is lighted or not. You can iron directly under the fixture in a flood of shadowless light, preventing eyestrain and enabling you to work in greater comfort. This socket also contains a push switch to turn light on or off, an improvement over the usual pull chain arrangement.

Complete with 8½-inch opal glass shade so you can use up to 100-watt bulb. Ward's extraordinary price for this fixture is so low you can afford to throw out your old fixture. Install it yourself. Bulbs not included. Ship. wt., 8 lbs.

Dustproof Fixtures for Offices, Halls and Schools

$2.89 Ceiling Type

$4.50 Hanging Type

How much more pleasant to sit in a hall, lodge, school or office in which the light is strong enough to see without eye strain, but yet diffused so it is easy and restful to the eyes. This Fixture is suitable for use in stores, churches, or any large building where a strong light is needed. It will spread the light over a surprisingly large area without glare. The top is entirely closed to keep out dust and insects. Will take large size bulbs if desired. Metal parts are finished in oxidized copper—one keyless socket to be controlled by a wall switch. The ceiling type is usually preferred if the ceiling is not too high. For rooms with high ceilings, the hanging type is more suitable. Wired complete, ready to install. Bulbs not included. Shipping weights: 20 and 15 pounds.

463 C 9129—Hanging type with chain. Length from ceiling, 36 inches. Diameter of bowl, 14 inches.....**$4.50**

How to Order

Electric Light Bulbs

For shaded fixtures, use 25-watt clear bulbs. In large rooms, use 40 or 50-watt clear bulbs. For candle or other shadeless fixtures, use round 25 or 50-watt bulbs. For wall brackets, use 25-watt amber bulbs. Table, bridge and floor lamps use 50 or 75-watt tungsten or nitrogen bulbs. Hallways and small rooms use 10 or 15-watt clear bulbs.

5 Bulbs $1.15

Tungsten Bulbs
Tungsten Bulbs produce three times as much light as the old carbon bulbs for the same current consumed. Ward's low prices save you money because we buy in large quantities and sell direct to you at a small profit. Take advantage of the savings we offer on bulbs. A little care taken in choosing the proper bulb, means greater reading and sewing comfort in your home.

10 Fuses 35¢

Be Prepared
Have Extra Fuses on Hand

Well made Fuses for use on current up to 125 volts. Save time and trouble by keeping a supply of these fuses on hand at all times. When selecting fuses, 3 amperes should be allowed for every 100 watts used—a 3-ampere fuse for two 50-watt lights or a 15-ampere fuse for 12 lights. Toasters, irons, percolators and vacuum cleaners take 10 to 15-ampere fuses when lights are also burned on the same circuit. Generally, 15-ampere fuses are most satisfactory on all branch circuits and 30-ampere fuses on the main line and back of the entrance switch.
Ten fuses. . . . . **35¢**

New Code Reinforced Lamp Cord

Consists of twisted pair size number 18 Lamp Cords covered with a seamless rubber jacket and outer braid of mercerized cotton. For portable extension lights, lamps and vacuum cleaners. Stands wear better than twisted lamp cord. Sold only in lengths listed. Ship. weight, 100 feet, 3¾ pounds.
63 C 3250—
10 feet..36¢ 25 feet..78¢ 100 feet..$2.85

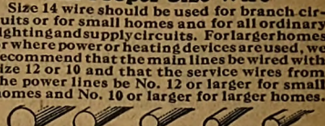
Flexible Armored Cable (BX)

Consists of two or three solid copper wire conductors, insulated with rubber, and two coverings of cotton braid, over which is a covering of flexible steel. Ship. weight, 100 feet, 44, 52 and 60 pounds.

Article Number	Number Wires	Gauge B & S	Per Foot	100 Feet
63 C 3305	2	14	6¢	$ 4.95
63 C 3310	2	12	12¢	10.50
63 C 3315	3	14	10¢	9.50

The Proper Size Wire

Size 14 wire should be used for branch circuits or for small homes and for all ordinary lighting and supply circuits. For larger homes or where power or heating devices are used, we recommend that the main lines be wired with size 12 or 10 and that the service wires from the power lines be No. 12 or larger for small homes and No. 10 or larger for larger homes.



Illustrations show as nearly as possible actual size of wire.

General Ordering Instructions on Page 329

It Is Easy to Order from Ward's

Wiring Materials

APPROVED

Approved Snap Switches

A high grade Switch. Approved National Electric Code Standard. Two of the three-way switches listed may be arranged to control the same light from two different places. Shipping weight, each, 4 ounces.
125-volt 5-ampere; or 250-volt 3-ampere
63 C 4102—Non-indicating single pole..24¢
63 C 4104—Indicating single pole..28¢
125-volt 3-ampere; or 250-volt 1-ampere
63 C 4110—Three-way (Three-point)..47¢

Push Button Flush Switches

Standard shallow type Flush Switches. Fit all standard wall boxes. Depth, 1⅝ inches. Illustration shows 63 C 4160. Shipping weight, each, 6 ounces.
53 C 4160—For 125-volt 10-ampere current, 250-volt 5-ampere single pole.
Each.....$ .22
10 switches.....2.05
63 C 4162—Double Pole (fits single gang box), breaks circuit in both wires.
Each.....$ .37
10 switches.....3.35
63 C 4164—Three-way Switch (Double control). Two of these switches installed at separate places are wired together to control the same light or set of lights. Either switch controls light.
Each.....$ .37
10 switches.....3.35
63 C 4166—Four-point Switch. One of these switches and two three-way switches permit control from three different points.
Each.....$1.69

Face Plates for Push Button Flush Switch

Made of heavy solid brass. Equal in service to any plate, regardless of price. Fit all standard Push Button Flush Switches. Use two or three-gang plate only where two or three switches are to be installed side by side. Shipping weight, per gang, 2 ounces.

Number	Gangs	Finish	Each	10 Plates
63 C 4175	1	Brush Brass	9¢	$ .85
63 C 4177	2		18¢	1.70

63 C 4189	2		28¢	2.58
63 C 4191	3		42¢	3.87

Toggle Switches

Fits standard boxes. Operated by moving small lever. Very convenient. Easier to operate than push switch. Single pole switch. Complete with plate in brass satin finish. Shipping weight, each, 6 ounces.
63 C 4174—Each.....$ .34
10 switches.....3.29

Electric Soldering Iron

Very high quality. Maintains right temperature for best results. Black ebonized handle always stays cool. Length, 12 inches. With 6 foot cord, attaching plug and metal rest. For any 105 to 120-volt current.
63 C 5867—With ⅜-inch copper point. For light general electrical work...$3.25
63 C 5868—With ¾-inch copper point. For medium heavy work.....$4.25
Postage, 14¢ extra

Resin Core and Plain Wire Solder

Requires no flux. For soldering electrical connections. **Prices subject to market changes.** Shipping weight, 6 ounces and 1 pound.
63 C 5830—Resin Core. About 4 oz..23¢
63 C 5832—Plain Wire Solder.
Per pound.....59¢

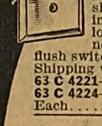
Friction Tape and Splicing Compound

Friction tape should be used over rubber splicing compound. About ½ pound; width, ¾ inch. Shipping weight, 12 ounces.
63 C 5848—Friction Tape.....23¢
63 C 5854—Rubber Tape.....24¢

Standard Flush Receptacle

Takes any make of standard attaching plug cap such as our 63 C 4673, shown on Page 491. Should be installed in every room. A great convenience at a low price. Devices may be quickly connected. Fits same metal wall boxes as flush switches. Complete with satin brass plate. Shipping weight, each, 8 ounces.
63 C 4221—Each..24¢ 10 receptacles..$2.25
63 C 4224—Receptacle only, without plate.
Each.....18¢ 10 receptacles..$1.65

Baseboard Receptacles



Takes standard attachment plug. Every room in the house should have at least one of these receptacles for connecting electrical appliances without interfering with lights. When not in use, lid closes, making plate flush with wall or board. Complete with plate in satin brass finish. Shipping weight, each, 8 ounces.
63 C 4202—Each.....$ .29
10 receptacles..2.80
Single Edison Base Receptacle only, without face plate. Shipping weight, 5 ounces.
63 C 4201—Each..16¢ 10 receptacles..$1.50

Underwriters' Approved Externally Operated Safety Switch Protects from Shock

Switch for use in dark or damp places. No danger of shocks from contact with live parts of circuit. Two-pole, 125-volt, 30-ampere porcelain base entrance switch mounted in a 9½ by 3¾ by 5¼-inch steel box with lever on outside. Sockets for fuse plugs. Can be locked with padlock. Has ½ and ¾-inch knockouts. Finished in black enamel. Shipping weight, 6 pounds.
63 C 3567.....$1.28

Steel Cut Out and Switch Box

For cut out switch or fused branch block. Enameled sheet steel; electro-welded seams. Hinged covers. Have knockout holes. Shipping weights, 4 and 5 pounds.

Number	Width	Length	Depth	Each
63 C 3550	4½ in.	9 in.	3½ in.	45¢

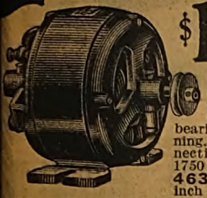
Lowest Prices



$12.95 Robbins & Myers 32-Volt Motors

Dependable Robbins & Myers Motors for use on 32-volt farm plant current. For running washing machines, pumps, churns, cream separators, fan mills, and many other uses. It is well constructed with shaft running in bronze bearings. Quick starting and cool running. Cord and plug not included. Connecting instructions included. Speed 1750 R. P. M. Supplied in two sizes.

463 C 235—⅓ horse power with ⅝ inch shaft. For use with or without starting box. Sliding base for belt adjustment. Slip ring oilers. With 1½-inch grooved pulley for ⅜ inch round belt and 3-inch flat pulley, 2 inches wide. Height, 9 inches. Ship. weight, 55 lbs. **Can be shipped by parcel post in zones 1, 2 and 3 only....$12.95**

463 C 237—¼ horse power with ½ inch shaft. Height, 8½ inches. Wick feed oil cups. With 1¼-inch grooved pulley for ⅜-inch round belt. Shipping weight, 40 pounds. **Can be shipped by parcel post...$11.95**

No Greater Motor Value Anywhere

¼ Horse Power $11.85 110 Volt Type

Equal in power, dependability and endurance to any Motor of the same type, regardless of price. We believe you can not duplicate this value anywhere for less than $20. That is why we say, "No Greater Motor Value Anywhere."

Powerful Dependable

You Can't Afford To Be Without This Time Saver

Will Turn Your Washer

Makes Separating Easier

Think of the small jobs about the farm, home or shop this Motor will do for you. It is powerful enough to run a washing machine, water pump, cream separator, fan mill, corn sheller, churn, grindstone and emery wheel, light woodworking machines, small lathes, saws, drill presses, forges and many other machines.

The cost of operation is but a few cents an hour. Motor will run all day without overheating. It is entirely enclosed except for ventilator. Not affected by cold, heat or moisture. Practically splashproof, a great advantage when used in damp places. Use it wherever you wish, indoors or out. It is always ready to serve.

Motor frame is high grade, rust resisting cast iron. Finished in lustrous black enamel. Shaft, diameter ½ inch, is high speed steel, rotating in best quality bronze bearings. Dustproof oil cups hold generous supply of lubricant. Direct current motors have bronze commutators and graphite brushes. Alternating current motors are quick starting under load. Maintain constant speed of 1740 revolutions per minute. Supplied with grooved pulley 1¾ inches in diameter, for use with ⅜-inch round belt. Complete with 10-foot weatherproof cord and protected two-piece attaching plug. Shipping weight, 39 pounds. Can be shipped by parcel post.

Save on Farm Lighting Plant Equipment

Powerlite Storage Battery

Rugged lead plate Batteries for any 32-volt system regardless of make and type of batteries now in use. Cells are of heavy construction and will give full rated capacity. Jars are heavy, first quality glass. All batteries are new and are covered by our battery guarantee below. Price includes 16 complete cells of batteries with necessary connecting bolts and straps. All sets carefully crated and packed. Shipping weight, per set, 830 and 930 pounds.

We guarantee these batteries to give lighting service for 5 years when installed and operated according to our instructions, and if recharged not oftener than twice a week. If for any reason the battery proves defective or does not give good service within the 5-year period, we will make an adjustment allowance toward the purchase of a new battery on the basis of time in service.

No. 263 C 141 has 7 plates 5¾ by 7; 263 C 144 has 11 plates 5¾ by 8⅝.

Battery 263 C 141 has a capacity of 2560 watts and will light sixteen 20-watt lamps for eight hours. Battery 263 C 144 has a capacity of 5120 watts, or just twice as much as 263 C 141.

Powerlite Generator

Sturdy two-pole Generator with a capacity of 40 volts, 25 amperes, 1000 watts when operating at a speed of 1800 revolutions per minute. The rating given is the continuous load capacity and the generator can deliver 25 per cent more current than its rated capacity without excessive heating. Large, well oiled bearings. Equipped with a sliding base for belt adjustment. Voltage can be regulated by field rheostat listed below. Regular pulley has 4-inch face and 4-inch diameter. This generator, a switchboard, the batteries listed at the left and a 3 horse power gasoline engine make a complete farm lighting plant. Shipping weight, 125 pounds. **Can be shipped by freight or express only.**

$57.50

163 C 189—Generator only **$57.50**
63 C 1200—Field Rheostat for use with above generator. Shipping weight, 3 pounds **$5.75**

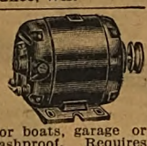
Direct Current Charging and Lighting Generator

Delivers current to charge any 6-volt starting or lighting battery without adjustment or regulation. Also may be attached directly to lighting circuit of a tractor or motor boat or for any other purpose where 8-volt current of about 8 to 10 amperes is required. Has base for convenient attaching to flat surface. Size, 6 inches high; 7½ inches wide, and 8½ inches long. Fitted with pulley 2¼ inches diameter. Delivers 8 volts 8 amperes against battery resistance when driven at speed of about 2250 revolutions per minute.

463 C 290—With pulley for ⅜-inch round belt and with low voltage cut out to disconnect battery when voltage drops below 7 volts. A perfect protection to battery and generator.....**$10.95**
463 C 294—Fitted with pulley for 1-inch flat belt and cut out same as above.....**$10.95**
Postage, 26¢ extra

Dependable Generator

Delivers 40 volts, 8 amperes, at full load speed of 2500 revolutions per minute. Will charge from two to five 6-volt batteries in series or may be connected directly to a 32-volt farm lighting circuit to supply current for ten 25-watt lamps. For home lighting plant, motor boats, garage or battery service stations. Splashproof. Requires ¼ horse power to operate it. Height of generator, 7 inches. With 2½ inch grooved pulley for ⅜ inch round belt. Shipping weight, 43 pounds. **Can be shipped by parcel post.**



463 C 190.....**$18.95**

Sockets At Low Prices

Sockets Listed Below carry 125 volts 500 watts, or 250 volts, 250 watts.

Standard Key Sockets

Our New Wrinkle Socket has an improved shell which may be taken apart by simply pressing on side. The Snap Shell type does not have the new wrinkle feature and must be pried apart.

High quality Sockets. Have brass shell, fiber lined. Porcelain body. Cap threaded to take ⅛-inch pipe, inside diameter. Brushed brass finish. Ship. wt., each, 4 ounces.

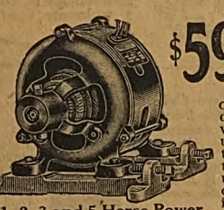
High Grade Alternating Current Motors

Far Below Dealers' Usual Prices



$59.85

1, 2, 3 and 5 Horse Power Sizes

Built for heavy duty. Equipped with slide rails so that belt slack can be taken up without changing position of Motor. Operate on induction repulsion principle which insures easy starting under load. Have starting torque or pull of over three times the running torque usually required. Rugged commutator short circuiting device. Black enamel finish. Connections arranged so that motors are interchangeable for use on 105 to 120-volt or 210 to 230-volt 60-cycle single phase alternating current. A heavy duty general utility motor priced low.

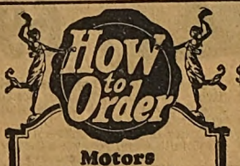
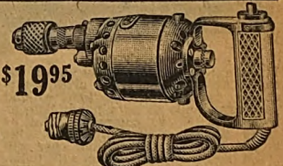
Robbins & Myers 32-Volt Portable Power Stands

$18.50





$19.95

Handy Electric Drill

You will do better and cleaner work in less time and with less bother if you have this handy Electric Drill. Very powerful. Bores clean cut holes quickly. Takes any round shank drill up to ¼ inch. Can be used on any 105 to 120-volt current. Case is of polished cast aluminum. Has convenient switch in handle. Weighs only 4 pounds. With 6-foot cord and attaching plug. Entire length, 10 inches.

63 C 5825.....**$19.95**
Postage, 18¢ extra

A durable Robbins & Myers ¼ horse power Motor mounted on a sturdy metal tripod. For operating churns, cream separators, washing machines, grind stones, emery wheels and other machinery. Equipped with a back gear which reduces the speed of 1150 revolutions per minute to a speed of 285 revolutions per minute at the pulley on full load. This makes it unnecessary to use excessively large pulleys upon the machine to be driven. It will start the heaviest load much easier than the ordinary motor.

Specifications of Portable Power Stand

The strong iron tripod legs are rubber tipped to prevent the stand from slipping. Has an adjustable rod which attaches to the machine to be driven insuring a tight belt at all times. Stand is 26 inches high over all; motor is 8 inches in diameter. Has combination flat and grooved pulley; diameters 4⅛ and 3½ inches for the round belt and 2 inches for the flat. Speed, 285 revolutions per minute. With 10-foot cord and attaching plug. Actual weight, 55 pounds. Ship. wt., 84 lbs.

163 C 25.....**$18.50**

Lakeside Power Stands—¼ Horse Power

For use on 105 to 120-volt 60-cycle alternating current. Similar to above. Speed, 1750 revolutions per minute on one pulley, 290 revolutions on geared down pulley on other end of motor. Entire height, 27 inches; motor, 7 inches diameter. With 15-foot cord and attaching plug. Actual weight, 55 pounds. Ship. wt., 84 pounds.

163 C 230.....**$31.50**

Special Type Transformer

May be used to run electric toys direct from light socket. For alternating current of 100 to 130 volts, 60 to 133 cycles. Capacity, 75 watts. Produces from 2½ to 25 volts in 2½-volt steps. Size, 3 by 3 by 3¾ inches. With 6 foot cord and plug.

63 C 1695.....**$2.48**
Postage, 16¢ extra

Buffer and Grinder

One-fourth horse power for bench mounting. Saves starting a line shaft. Motor runs at speed of 1740 revolutions per minute. Entirely enclosed—dustproof and splashproof. Grinding wheel is ½-inch thick by 6 inches in diameter. Unsewed cotton buffer is ⅜ in. thick by 7 inches in diameter. Size over all, 10 inches long by 7 inches in diameter. For 105 to 120-volt, 60-cycle alternating current. Ship. wt., 40 lbs. **Can be shipped by parcel post.**

463 C 415.....**$16.95**

Buffer and Grinder

$8.95

Will keep your tools and tableware sharp and shining. May also be used to drive 8-in. fans, sewing machines and small lathes. Speed, about 5300 revolutions per minute under load. Has 2-inch emery wheel and 1-inch and ¾-inch pulleys for ⅜-inch round belt on one end. Brass spindle on other end holds 2-inch cotton buffing wheel. Wick feed oil cups. Steel bearings. Cast iron base with rubber feet. Length, 8 inches; height, 5 inches. For use on any 105 to 120-volt current. Emery wheel, buffer, buffer wax, 6-foot cord and attaching plug included.

63 C 6079.....**$8.95**
Postage, 16¢ extra

High Power Focusing Flashlight
Throws Strong Beam of Light 500 Feet

Ward's Price Saves You About $2

$2.75 With Battery and Bulb

Don't Be Without This Great Convenience

The darkest night holds no secrets from this powerful Flashlight. At Ward's low price everyone can have it. Fine for farmers, campers and tourists. Handsome Ribbed Fiber Case.

JUST press a button and instantly a powerful beam of white light pierces the darkness, revealing what you want to see, whether it is five hundred feet away or close at hand. Can be instantly changed from a narrow, far reaching beam to a broad flood ray, illuminating objects near at hand. Beveled, clear glass lens and highly polished, silver plated reflector, 3½ inches in diameter. Length, 9½ inches. Ribbed fiber case; can not rust or short circuit. Ribbed surface gives firm grip. Also in highly polished nickel case if desired. Diameter of case, 1½ inches. Each style complete with our 63 C 2222 battery and our 63 C 2314 bulb.

63 C 2082—Ribbed fiber finish.....$2.75
63 C 2083—Polished nickel finish.....2.85
Postage, 12¢ extra

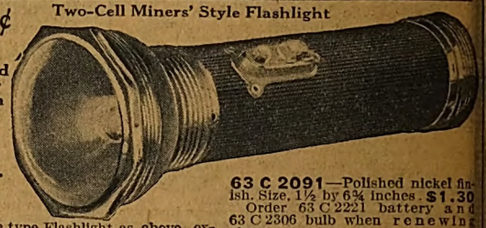
Polished Nickel Finish $1.45

Powerful Miners' Style

Sturdy, reliable three-cell Flashlight that will stand hard usage. Especially suited for use by miners, watchmen, farmers, and others who have need of a very reliable light. Has silvered reflector and will throw an intense, piercing beam of light. Lens is of heavy marine glass, almost unbreakable. Has positive action switch which can be used for flash or continuous light and can not be turned on accidentally. Bulb and strong battery are included.

63 C 2088—Ribbed fiber finish. Size, 1½ by 9 inches.....$1.30
63 C 2089—Polished nickel finish. Size, 1½ by 9 inches....$1.45
Order 63 C 2222 battery and 63 C 2311 bulb when renewing above.
Postage, each, 10¢ extra

95¢ Two-Cell Miners' Style Flashlight



Ribbed Fiber Finish

Safe and Dependable

Same type Flashlight as above, except smaller size. Efficiency is just as great and it throws nearly as powerful a beam. Lighter and easier to handle. Fits into coat pocket or handbag. Metal parts nickeled and polished. Clear glass lens and highly polished reflector. Switch for flash or continuous light. Battery and bulb included.

Postage, each, 10¢ extra

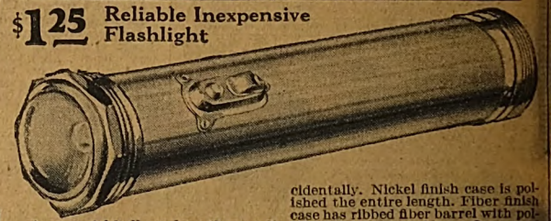
Ward's Quality Flashlights

Ward's quality Flashlights and Batteries are the finest product of a nationally known manufacturer. All styles have the latest flashlight improvements and are strongly constructed of the best materials. Guaranteed to give long, lasting service. All models equipped with an improved switch for flash or continuous light—can not be turned on accidentally. Metal parts are genuine brass, heavily nickel plated and highly polished.

Flashlights of equal quality and dependability will usually cost you nearly double our low prices elsewhere. Give flashlights for Christmas. They make welcome, useful, long appreciated gifts.

$1.25 Reliable Inexpensive Flashlight



A powerful bullseye lens three cell Flashlight well suited to all round use. Sturdy and convenient. Easy to carry. Very substantial. Gives a clear steady light which is perfectly safe. Makes an ideal gift for any occasion. Bullseye lens is made of clear glass and shaped to distribute the light over a fairly large surface. Positive acting switch can not be turned on accidentally. Nickel finish case is polished the entire length. Fiber finish case has ribbed fiber barrel with polished nickel cap and base. Octagonal rim on cap prevents rolling. With battery and bulb.

Genuine MOTOR WEAVE All Wool Motor Robe
A Special Weave for A Special Purpose

America's Lowest Prices

YOU would hardly believe that a Genuine All Wool Motor Robe as thick and as fine looking as this could be sold for such a low price. This is the famous Motor Weave; the robe that you have seen advertised; the same identical robe that has regularly sold at retail for just twice our low price. Experienced car owners agree that it is one of the finest robes on the market.

There is a soft, warm feel about one of these handsome Motor Weave robes that tells you that it is going to be snug and comfortable and give long wear. Winter driving is a delight when you have the warm protection of a Motor Weave robe. Useful also for a couch or davenport cover in the home, or on the veranda or sleeping porch. Almost indispensable on camping, hunting and fishing trips; and splendid as a steamer rug or blanket.

A Happy Gift Idea Order Early

Only from Ward's Can You Buy Motor Weave Motor Robes

Ward's is now the only place where you can buy Motor Weave Motor Robes, because we sell such tremendous quantities of them that we have taken the entire output of the mill. Every robe is subjected to the strictest tests and inspection, just as if we were making that one robe especially for you. There's a fluffiness of weave and a beauty of texture that makes the Motor Weave a robe you will be proud to show your friends or send as a gift.

Size 56 by 80 Inches

The Ideal Gift

No finer gift could be chosen for the friend who owns a motor car. The pattern is the most attractive of the season—a rich, handsome plaid on a deep blue background with red, green, purple and white stripes. Ends are finished with a deep four-inch fringe; sides have a strong, neat selvege. Size, 56 by 80 inches. Actual weight, 4 pounds. Shipping weight, 4½ pounds.

95 C 4831 ..... $6.95

$7.25

Ward's Special All Wool Robe

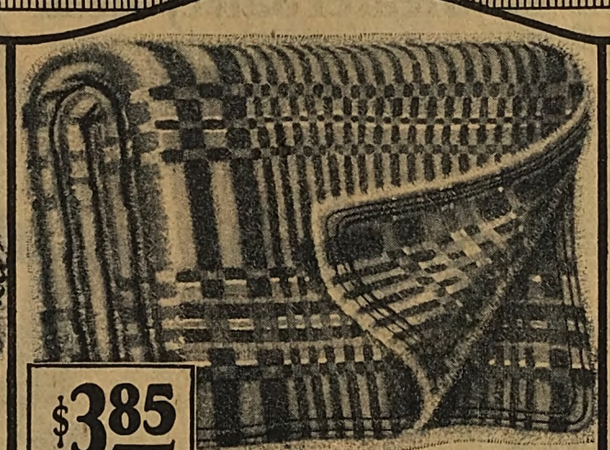
Size, 60 by 80 inches

A good quality All Wool Motor Robe that any car driver will be proud to own. Heavy, closely woven and will keep you warm and comfortable when driving during the coldest weather. We have purchased a large quantity of these robes at a remarkably low price and offer them to you far below the regular retail prices.

Extra Large Size—Beautifully Designed

They are extra large size—full 60 by 80 inches, and the fringe is 3½ inches long. Have heavy nap woven on strong warp. Has beautiful plaid design on dark blue back ground with cross stripes of red, green and white on both sides. Useful on motoring or camping trips or as a couch cover in the home or veranda. Will be an appreciated gift for any relative or friend. Weight, about 4 pounds. Shipping weight, about 6 pounds.

95 C 4814 ..... $7.25



$3.85

Fine Quality Motor Robe A Bargain At This Low Price

Size, 56 by 74 inches

Just the Motor Robe you have been looking for. A wonderful value. Do not let its low price mislead you as to its quality. It is the robe you want for your car or wagon on wet, cold days because it will stand lots of abuse and will not show the mud and grease spots as readily as most robes.

Sturdy, Warm—Closely Woven Texture

This robe is of a firm, well woven wool and cotton mixture with enough weight to give great warmth. Weighs about four pounds. The pattern is an attractive gray and black stripe with an over stripe of bright red, with dashes of yellow, green and blue. Firmly hemmed on all four-sides which makes it even more strong and durable. Size, 56 by 74 inches. Weight, 4¼ pounds. Shipping weight, about 5 pounds.

95 C 5050 ..... $3.85

$10.75

Chase's "Laddie" Virgin Wool Motor Robe

Size, 56 by 80 inches

The name L. C. Chase always stands for quality. This is one of Chase's finest All Wool Robes. It is made largely of soft fine domestic Virgin Wool to give extra warmth and satisfaction. A large convenient size, 56 by 80 inches, weighing about 4 pounds. Finished at the ends with a 4-inch fringe and at the sides with a neat firm selvedge edge.

The pattern of large plaids in rich red, green, brown and black on a field of beautiful gray will add to the cozy appearance of your car. A robe like this is the most welcome gift to the person who owns a car. You will never regret the money you put into this big All Wool robe. We believe it is the finest robe you have ever seen at anywhere near this low price. Shipping weight 5¼ pounds.

95 C 4817 ..... $10.75

12,000 Miles

TRADE MARK

Riverside Full Oversize Cord Tires

A. B. Cooley, Manager Auto Supply Department.

This is the most important message I have written you, because I have more good news than ever before.

A few years ago when we sold 50,000 Riverside Tires in one year, I thought that was wonderful. Last year we sold twenty times that many, or more than 1,000,000 tires, direct to auto owners which certainly is the most convincing proof in the world that Riversides are quality tires.

This marvelous tire business has helped us to give you still greater value right at a time when the cost of materials is advancing and manufacturers everywhere are raising prices. *Great improvements in construction have enabled us to increase our mileage guarantee on Oversize Cord Tires from 10,000 to 12,000 miles.*

I want every auto owner to see this new Riverside Oversize Cord Tire. Simply send us your order with remittance for as many as you need. Examine and compare them with any other tires, regardless of name or price. You will see quickly why I say the Riverside Oversize Cord is the greatest tire in the world. Then if, after a thorough examination, you do not feel that this is the best tire you have seen, or if you are not satisfied you have saved many dollars, send them back and we will return your money, including all transportation charges.

Remember that there is not a guarantee in the world stronger than Ward's. It has stood the test for 53 years, and gives you complete protection on batteries and other auto supplies as well as on tires.

A B Cooley

20% More Mileage

Because these are the strongest and longest wearing Tires we ever sold, we have increased our former 10,000 mile guarantee to 12,000 miles—20 per cent greater protection for you.

Improved Construction

Bigger and heavier tread with special sloping blocks on the sides, give greater protection to side walls, adding thousands of miles more service.

"Greater Safety" Tread

The big, extra thick, sharp angled blocks hold the road where cars with other tires slip and skid. This remarkable improvement costs you nothing extra.

We Are The Biggest Retail Tire Dealers In The World

The New "Greater Safety" Tread
Makes Riverside Cords Worth More Than Other Tires

These new Riverside Cord Tires with the "Greater Safety" Tread are such a tremendous improvement over other tires offered at anywhere near our prices, that we want every auto owner to see and examine them. One look will convince you that this new Riverside is worth several dollars more than many other makes. Riverside "Safety Tread" Cords hold the road where cars with other makes of tires are slipping into ditches and sliding against curbs. We spent thousands of dollars and worked hard for months to perfect this new tread that will carry you with greater safety in all kinds of weather.

To prove to you that this important development is so far ahead of what others offer, we invite you to make any fair comparison y ouwish right in your own home—without risking a cent. Compare Riverside with any other tire made, for size and weight. Feel the big, thick, springy tread and notice how the deep, heavy, sharp angled blocks are designed to protect you against skidding.

Comparison Proves Riversides the Best Value

We have compared Riverside Oversize Cords, with the highest priced tires on the market for size—weight—construction—materials—wear—safety and guarantees. We have tested the other makes on the road and in the laboratory—we have cut them apart—and in every detail Riversides proved to be the equal and in many cases far superior to these expensive makes. On some sizes Riversides had one or two more plies of cord and much more rubber. We know Riverside Cords are the finest quality tires—that is why we can guarantee them for 12,000 miles service. If the high priced tires are as good as Riversides, why don't they guarantee mileage too? More Riversides are sold direct to auto owners by mail than any other tire in the world.

Riverside Mileage Guarantee

Riverside Tires are absolutely guaranteed to be first quality in materials and workmanship, on a definite mileage basis. If a defect should develop, we will replace or repair the tire on the basis of 12,000 miles service for Riverside Oversize Cords; 8,000 miles for Standard Cords; 7,000 miles for Junior Cords; 6,000 miles for Fabric.

It Is Easy to Order from Ward's. See Page 329

The Greatest Tire Value

On the Basis of Quality—Guarantee—Safety and Price

Montgomery Ward & Co. is the biggest retail tire dealer in the world. More than One Million Riverside Tires were sold direct to auto owners last year. This fact alone is sufficient evidence of the remarkable value of Riverside Tires for many motorists. But for the benefit of the auto owners who have never used Riversides we are going to explain how we became leaders in this important business.

Quality

Ward's has always been noted for its high quality merchandise. Wherever you hear people talking about firms they buy from you will surely hear the statement "I would rather buy from Ward's because they have better quality articles." That is just as true of Riverside Tires as it is of any other articles we sell. That is why we have received thousands of letters from auto owners telling of Riversides going farther and giving less trouble than any other tires, regardless of price.

Guarantee

Riverside Oversize Cords are guaranteed for 12,000 miles service. A good responsible guarantee is your best protection on quality. It shows the firm's confidence in their tires. There isn't a tire in the world with a guarantee as strong and time tried as Ward's to back it up. Why should you pay more or buy any other tire unless they will guarantee greater service? Certainly if other tires cost you more they should guarantee them to go farther. This 12,000 mile guarantee printed here is your **"Written Guarantee"** on Riversides. This is one of the biggest reasons why you should buy only Riverside Tires.

Price

These Riverside prices are actually less than a great many dealers pay for tires of equal quality—and then they must add their profit when they sell to you. There is no guesswork about this statement for we have made thorough investigations so as to give you the facts. Our policy is small profits on large sales—not large profits on small sales. We sell more Riverside Tires in a day than most others sell in two or three years. That is why we are able to sell the finest quality tires for such remarkably low prices. If we sold only a few tires a day each Riverside would cost you several dollars more. It would be impossible to profitably sell Riverside Quality Tires at our prices if we did not sell thousands of them every day in the year.

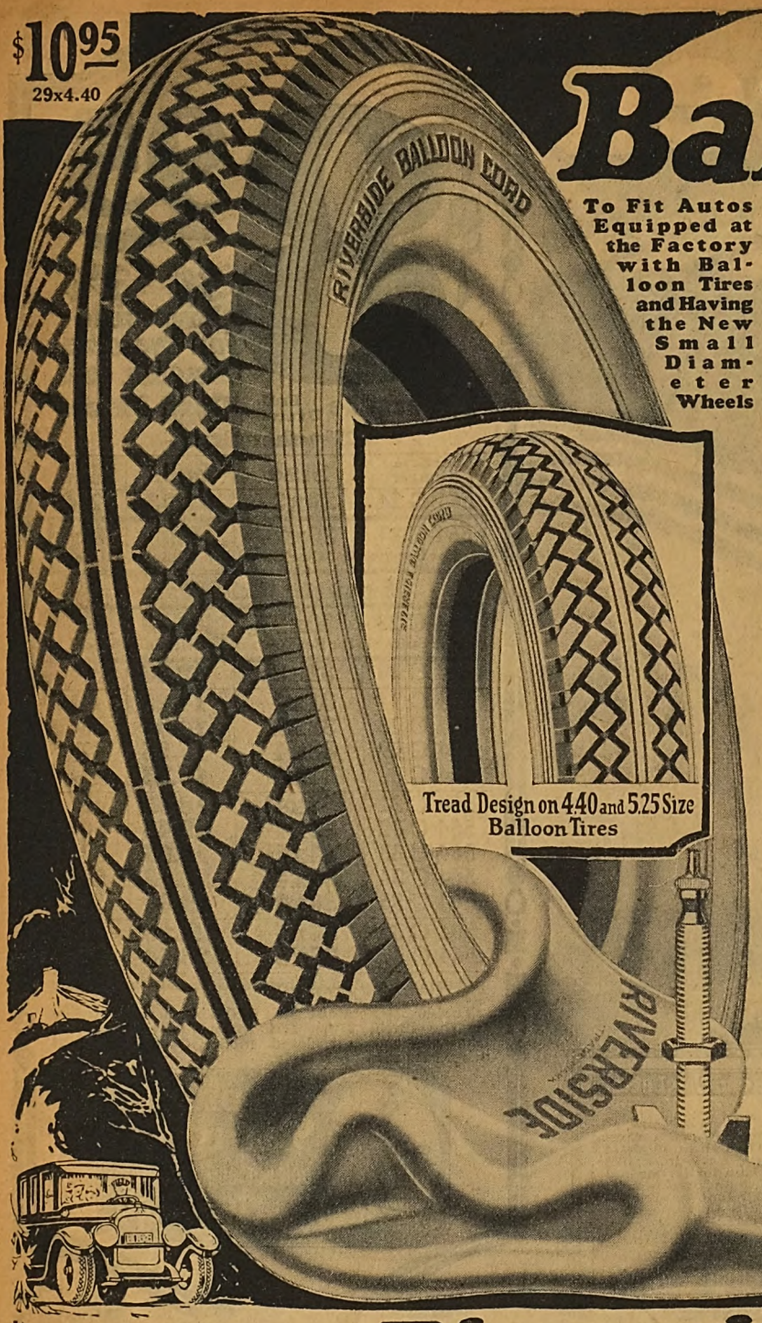
Riverside
TRADE MARK
Balloon Cords



To Fit Autos Equipped at the Factory with Balloon Tires and Having the New Small Diameter Wheels

These Are Full Oversize Balloon Tires

Guaranteed the Equal in Quality to Higher Priced Balloon Tires

We guarantee our Riverside Balloon Tires will give absolute satisfaction and are equal to many other balloon tires selling for $4 to $15 more. One of the most important things to consider when buying tires is the guarantee behind them. No guarantee in the world is stronger than that of Montgomery Ward & Co. We have tested these tires for many months over all kinds of roads, alongside the most expensive make of tires and they have proved not only equal, but in many ways superior to other nationally advertised brands. The broad heavy tread greatly aids in preventing skidding.

The Riverside Balloon Tires shown here are the extra large, full oversize, low pressure balloon tires that fit the small diameter special balloon wheels such as are now furnished on many makes of cars. The construction of these tires is entirely different from regular cords. The tread is a great deal wider with our own new, specially constructed, trade marked design having many hundred road gripping angles to protect you against skidding. The low pressure allows this tread to spread out so it has double the road surface of ordinary cords. As the tread is extremely flexible, it gives freely when rough objects are hit.

Ward's Prices Are Lower

One of the biggest items included in the price you pay when buying tires the ordinary retail way is the cost of selling and distributing. Many tires have three and four profits added to the manufacturing cost and you pay all these profits if you buy them. When you buy Riverside Tires from Ward's you pay one very small selling profit. This saving alone often amounts to several dollars on each tire. Big purchasers of materials are nearly always able to buy better materials and obtain lower prices by taking advantage of market conditions. This is another place where Ward's saves for you.

Special Balloon Tubes

Riverside Balloon Inner Tubes are built much stronger, heavier and larger so they fit balloon tires without being stretched out of shape or strained to fill the extra space. Another very important point is that when you buy our Riverside Tubes they come to you brand new, fresh from the factory and as full of life as it is possible to make them. That is why so many customers write us about Riverside Tubes holding their tires to full pressure for months without pumping them up again. Regardless of what balloon tires you have, Riverside Balloon Tubes will prove a money saving investment.

Half the Pressure—Twice as Much Air

The biggest advantage of Riverside Balloons is that they are especially designed and built for low air pressure. Even the very largest sizes require only 22 to 40 pounds of pressure. In fact, they carry about twice as much air as a regular cord tire but require only one-half the pressure. That is why they ride so smoothly. You are actually riding on air.

Riverside
TRADE MARK
Balloon Cords

To Fit Regular Size Wheels without Any Change

These are special Balloon Tires to replace regular high pressure cord or fabric tires. Just take off your old tires and put on these big, low pressure Riverside Balloons. You do not have to make a single change in the wheels or rims. The body of the tire is extra large. The tread and side walls are built big and flexible in the same manner as the full oversize balloons described at the top of this page. The only real difference in construction is in the diameter. These Riverside Balloon Tires will make such a remarkable improvement in the riding comfort and appearance of your car that it is well worth making the change. And the cost of equipping your car with these long life Balloon Tires is amazingly small. You make a great saving at these prices, as they are far below prices generally asked.

Ride Easier—Skid Less

The absorption of shocks by the use of Balloon Tires has been found to greatly prolong the life of the car. Skidding on wet, slippery pavements or roads is reduced to a minimum by the greater road contact, which also makes the brakes more effective. While it is a huge oversize cord tire, the balloon tire is a great deal more flexible than regular tires.

Change to Balloons At a Small Cost

The low price of Riverside Balloon Tires, together with the fact that they fit your present wheels and rims, makes the cost of the change very moderate. Because of the unusual size of balloon tires, it is not practical to use less than two; and to get fullest advantage, all four wheels should be balloon tire equipped for better riding comfort.

Special for Fords and Chevrolets

We have tested these balloon tires on many different makes of cars but the greatest surprise to us was the remarkable improvement Riverside Balloons made in the riding of Fords and Chevrolets. Even these light cars traveled over the roughest roads more comfortably than heavy cars with regular cord tires.

Many Advantages of Balloon Tires

For greater comfort, safety, beauty and power, for a greater average speed for the day's run and for less money spent for repairs, equip your car on all four wheels with Riverside Balloon Cords. These Tires make a smaller car ride like a more expensive car.

Riverside
TRADE MARK
Standard Cords

8,000 Miles Guaranteed

Every auto owner now using fabric tires or cord tires of these sizes, can save a good many dollars by purchasing Riverside Standard Cord Tires. The cord construction makes them far superior to fabric tires and our exceptionally low prices make them money savers for those who already have cords. The cord, rubber and construction of these tires is the very finest. That is why we guarantee them for 8,000 miles service. Notice that our guarantee on these tires gives you greater protection on service and quality than is given on many of the highest priced tires.

Semi-Oversize Construction

This Means That These Tires Are Larger Than Most Cords of This Type, but Not as Big as Our 12,000 Mile Oversize Cords

$8.45
30x3½
Standard Cord

Fully Guaranteed Cord Tires For Less Than Usual Price of Fabrics

To prove to yourself the big value we are offering on Standard Cord Tires, just compare these prices with those generally asked for ordinary fabric tires. Then compare the guarantees. But better still order these tires and compare them right at your home with any other tires—then you will see why we say these are the best low priced cords on the market. If after examining them you do not feel they are the best value in this class, send them back and we will refund your money, including transportation charges.

Use Riverside Heavy Duty Tubes in These Tires

To get the best service from any standard size cord or fabric tires, we advise the use of our Brown Heavy Duty Tubes, as they are stronger, thicker and heavier than most tubes. Do not use cord size tubes, as they are for oversize cord casings such as the Riverside 12,000 Mile Cord Tires.

30x3½
Junior Cord

More Than 4,500,000 Riverside Tires Sold Direct to Auto Owners

Now Ford, Chevrolet, Overland, Maxwell and other light car owners who are using 30x3½ fabric tires, can have the greater mileage and freedom from trouble that cord tire construction affords. It offers you an opportunity to get first quality cord tires that will match your present tires in size, for less than is generally asked for fabric tires. This is the lowest price at which we have ever offered cord tires. At these prices you can change from fabrics to cords without a lot of additional expense. Cord tires are now acknowledged by all to be far superior to fabrics. The Riverside Junior Cord Tire is so strongly made that we give you a guarantee of 7,000 miles service and protect you against all defects in material or workmanship. This is the surest proof of quality construction.

Special for Fords, Chevrolets, Overlands, Maxwells and Other Light Cars

The main reason that Cord Tires are so much better than fabrics, is that the cords do not rub against each other; they are embedded in rubber. Riverside Junior Cord Tires are built in exactly the same manner as the large size cord tires. Each cord is rubber coated and separated from the others by more rubber. This prevents excessive friction heat. This Riverside Junior Cord is a good example of how we are able to sell strongly made tires for a great deal less than the usual prices you are asked to pay. And remember, that Ward's guarantee for 7,000 miles service protects you on quality. Riverside Junior Cords are the same size as the regular fabric tires with which your car was originally equipped. They may be used opposite all fabric tires or standard cords without in any way affecting the differential or level of the car. The Riverside Junior Cord has an exceptionally thick heavy nonskid tread for this size tire, so you are sure of greater mileage and more freedom from skidding and a lot less tire trouble. Now is a good time for fabric tire users to change to longer wearing cords, and save money by doing it.

Riverside
TRADE MARK
Road Grip Fabrics

6,000 Miles Guaranteed

There is a Riverside Tire to please every auto owner. If you desire fabric tires, then order these Riverside Road Grips, as they are surely big bargains at our remarkably low prices. Riverside Road Grip Tires have tough, springy, thick treads covered with hundreds of road gripping nonskids that give a firm sure hold on wet, muddy roads and slippery pavements. This extremely effective tread is our own trade marked design. It permits the tires to roll easily, yet the angles hold firmly so your motor's power is not lost due to the rear wheels spinning. We know all motorists who use fabric tires will be satisfied with Road Grips.

TRADE MARK Riverside Inner Tubes

$1.75 30x3 — TRADE MARK Riverside Brown Heavy Duty Tubes

For Use in Standard Size Cords and Fabric Tires

These Tubes are made of the same fine grade materials as used in our cord size tubes, but are built so they fit standard size cords and fabric tires. They are much heavier and stronger than the usual standard size tubes so naturally will give a great deal longer service. In fact you can depend on several years' natural wear from Riverside Heavy Duty Tubes. We have made the most thorough tests with these tubes and they have always given amazingly good service under most severe usage.

TRADE MARK Riverside Extra Heavy Cord Size Inner Tubes

For Use in Big Full Oversize Tires Like the Riverside 12,000 Mile Cords

Stretch More—Last Longer

We want you to order this big extra Heavy Cord Size Brown Inner Tube and compare it with any of the highest priced tubes on the market. Then you will see why we sell several hundred thousand each year—and we know you will always buy Riversides when you need tubes. Our sales are so great that we get these tubes fresh from the factory every week—they don't stay on shelves to lose their liveliness. You will notice their exceptional strength and elasticity the minute you feel one. These tubes are as strong—as large—as thick and heavy—and are made of as fine materials as many of the very highest priced inner tubes on the market. They are built by the laminated layer on layer process that has proved for years to be the best method to prevent the common porousness and slow leak troubles.

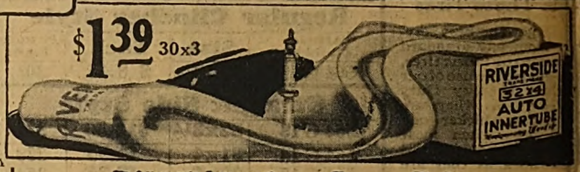
Use New Tubes in New Tires

Built Heavier and Stronger

These extra size tubes are built stronger, heavier and larger than most other tubes so they fit the big cord tires without being stretched out of shape or strained to fill the greater space. Don't take chances by using regular size tubes in oversize cord tires as they are too small and the excessive stretching makes them so thin that often a blowout will occur in a short time. But best of all by purchasing from Ward's you get these remarkable Riverside Tubes for less than you are generally asked to pay for ordinary tubes elsewhere. A great many auto owners have told us about these tubes traveling thousands of miles and going for months without needing additional air. Riverside Cord Size Tubes will help you get more mileage from your tires.

They are guaranteed to completely satisfy you.



$1.39 30x3

TRADE MARK Riverside Gray Inner Tubes

An Excellent Standard Size Tube

Riverside Gray Tubes are made of high grade rubber and built in exactly the same manner as the highest priced tubes. For those desiring a good low priced tube we are confident you will find these tubes far superior to any others offered close to our price. We have sold hundreds of thousands of them and they have always given excellent service and proved a big value.

Balloon Tires and Tubes Shown on Page 598

TRADE MARK Riverside Cord Truck Tires — 12,000 Miles Guaranteed

$22.35 32x4½

Save $10 to $25 On Each Tire

Three years of the hardest kind of service on farm trucks, dray service, hauling for contractors, railroad freight carrying and all kinds of heavy trucking have proved Riversides to be the finest quality Truck Tires. We absolutely guarantee Riverside Truck Tires to be the equal in size, weight, thickness of tread and number of plies of cord to many other truck tires selling for $10 to $25 more than our prices. Don't buy any others before you see these Heavy Duty Riversides.

Ward's Guarantee Protects You

When you buy Riverside Truck Tires you are sure you'll get your money's worth of service. We guarantee 12,000 miles as a fair measure of service but many truck owners tell us they get 18,000 and 20,000 miles. There is not a guarantee in the world stronger than Ward's. You, as a business man, know that if higher priced tires were really so much better as to be worth the big difference in price they could give you a greater mileage guarantee.

Specially Built for Heavy Duty Truck Service

Much Larger, Stronger and Heavier than Regular Cords

These are specially built, extra oversize truck tires with extra plies of cords—not just oversize passenger car cord tires. The extra thick treads are specially built with great big heavy blocks of rubber which reach far down on the side walls to give a better grip on rough, muddy, sandy or snow covered roads; and also protect the side walls against rut wear. We want you to see these tires and compare them with any or all others. It makes no difference where you live, send us your order with remittance for as many as you need. Examine them thoroughly; and if for any reason you do not want to keep them, send them back and we will return all your money including transportation charges. We want to prove to you that these are the best truck tire values to be found anywhere. Truck owners all over the country are reporting better service from Riverside Truck Tires than they ever received before from even the highest priced cords. Give them a trial.

Using These Reliners in Tires is as Sensible as Half Soling Your Shoes

Puncture Proof Reliners

You know how punctures generally happen when you are in a big hurry. Use these Reliners and make your tires puncture proof so you will not be delayed by a little tack or nail. Made of thick specially toughened, lively rubber with two overlapping layers of non-rusting flexible plates in the center separated by a layer of rubber. You will also find these reliners a big aid for increasing mileage even when used in new tires. The sides and ends of the reliner are tapered to a feather edge to prevent pinching. They fit snugly and will not creep. The metal plates cause nails, tacks, wire and other sharp articles to bend back, preventing them from reaching the tube.

Article Number	Size	Each	Post. Extra
61 C 1375	30x3	$2.40	14¢
61 C 1376	30x3½	2.85	16¢

61 C 1378	31x4	3.35	16¢
61 C 1379	32x4	3.40	16¢
61 C 1380	33x4	3.90	18¢
61 C 1381	34x4	4.10	18¢

Fits All Tires

Long tapered ends and sides are tapered to a feather edge so they will fit all makes of tires, fabric or cord.

Suction Grip Reliners Make Tires Last Longer

Old tires which are nearly ready to blow out, often can be made to give many more miles of service. Using these Reliners is as sensible as half soling shoes, as they brace up and strengthen the old casing and protect the inner tube. The extra thickness they give the tread usually stops ordinary tacks reaching the inner tube. Slip them in as easily as an inner tube; the suction grips help prevent them from creeping.

Made Similar to Regular Tires

Suction Grip Reliners are made in a continuous piece very much like regular tires. They are made over forms like a tire—have several layers of fabric and a cushion of rubber on the tread which reduces friction. The edges at the bottom are tapered or thinned down so they have a continuous smooth surface for the inner tube.

Monkey Grip Tube Patches

For repairing punctures in inner tubes. This outfit consists of rubber patch material, cement and rubber roughener. Patch stays on and will outwear inner tube. Excellent quality materials. After being run a short time patch sets to inner tube, will not loosen. Screw top container. Instructions included.

61 C 1563—Small outfit..... 31¢
61 C 1564—Larger outfit..... 55¢
Postage, 3¢ and 5¢ extra

Sure-Hold Rubber Patch Outfit

You will find it mighty economical to inspect your inner tubes frequently. This Rubber Patch Outfit contains a strip of patching rubber, a tube of high grade rubber cement, and a handy rubber roughener. Simply clean the tube around puncture, roughen surface and cut patch from sheet to proper size. Apply a coat of cement to the tube and moisten raw side of patch with cement, then stick patch to tube firmly. Patch sticks tightly making a splendid repair. Besides patching inner tubes this is a dandy outfit for repairing rubber articles about the home.

Don't Take Chances Buy One of These Good Strong Jacks

Long Handle Jack

You won't have to crawl under the bumper, spare tire or body of the car and get all muddy and covered with grease when you have this Jack. Length of handle, open 34 inches; closed 12 inches. Screw type jack. Made of malleable iron and is strong enough to handle very large cars, weighing up to 4000 pounds. Adjustable from 9½ to 14½ inches. Ball bearing makes it easy acting.

61 C 1615..... $1.79
Postage, 24¢ extra

Special All-Car Jack

The strongest, easiest operated, long handle Jack at the lowest price we have ever seen offered. It is malleable iron construction that will outlast several cars. Designed for use on cars up to 5000 lbs., even those having balloon tires. Foot lift adjustable from 4⅝ to 9½ inches. Top raises from 10⅜ to 17½ inches. Folding steel handle, 30 inches long, fastens securely to jack for shoving under car.

61 C 1622..... $2.00
Postage, 24¢ extra

Double Duty Auto Jack

Though this Jack is very low in price it is far superior to most jacks furnished with new cars. It is the safe and speed ratchet type. Made of malleable iron. Another big advantage is the step bar or foot lift which gives an extra range for adjustments and is very helpful for cars with low front axles. Footlift raises from 7 to 12½ inches. Top is adjustable from 10 to 16 inches. For cars up to 3600 lbs. Handle included.

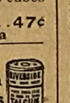
61 C 1613..... $1.05
Postage, 18¢ extra

Tire Flap 30 by 3½

A one-piece all rubber Flap to prevent tube pinching in 30x3½ Clincher or S. S. tires either cord or fabric. Also 31x4 and 31x4.40. Fits flush against the rim. Protects tube against chafing and rusting. Make tubes last longer.

61 C 1358..... 47¢
Postage, 5¢ extra

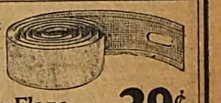
Always Use Tire Talc When Putting in Tubes



A good quality Tire Talc which does not absorb moisture and is non-caking. Keeps inner tubes from sticking to casing. Comes in handy sifter top carton. Size, 2 by 9 inches.

61 C 1483..... 10¢
Postage, 6¢ extra

Protect Your Inner Tubes



Tire Flaps Prevent Chafing 39¢

For replacing old, wornout flaps. Prevents tube from coming into contact with rims. Gives an unbroken, smooth surface for the inner tube, thus preventing chafing. Made of several plies of fabric with thin smooth edges.

Ward's Extra Strong "Beauty" Bumpers

For Your Protection

DeLuxe Ward's Special Built

$7.75
361 C 541

Highest Quality

Ward's Specially Built De Luxe Bumpers are guaranteed to protect your car and to be equal in service to any bumper made, regardless of price. They are made of a special analysis high carbon spring steel; oil tempered and heat treated to withstand unusually heavy shocks without damage to your car or the bumper. They are resilient enough to absorb blows that would ordinarily seriously injure an automobile frame.

Guaranteed for Two Years Against Breakage

These Bumpers are so well designed and built that we guarantee them for two years against breakage. This is conclusive proof of their high quality.

The front bars are curved on both ends and attached by an end bolt to a strong back bar—giving full three bar protection. The back bar is curved in at center where an attractive clamp holds it to the front bars, thus making one of the strongest and most efficient impact resisting bumpers that can be bought. Each bumper is made of ¼ or 5/16-inch steel and is full 60 inches long, with from 43¾ to 6 inches spread, thereby providing complete protection.

The finish of the front bars is heavy polished nickel over copper plating. So well is it finished that we guarantee each bumper against rusting for one year. With ordinary care it will retain its beautiful bright luster. The back bar and all brackets and fittings are black baked enamel finish.

These bumpers are built by one of the largest manufacturers and sold by dealers under a nationally advertised name for more than twice our prices. Ours are the lowest prices at which any bumpers of equal quality have ever sold. This is the biggest bumper bargain ever offered. Take advantage of it.

Buy Two at These Bargain Prices

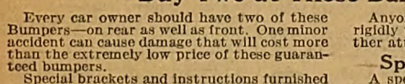
Every car owner should have two of these Bumpers—on rear as well as front. One minor accident can cause damage that will cost more than the extremely low price of these guaranteed bumpers.

Special brackets and instructions furnished for all cars. Ship. weights: 45, 47, and 52 lbs.
361 C 542—Each, with 1½-in. bars.. **$8.45**
361 C 543—Each, with 1¾-in. bars.. **8.95**
361 C 544—Each, with 2-inch bars.. **9.95**
In ordering state make, model and year of car, if front or rear bumper, and if one or two spares are carried on rear.

Anyone can install them so bumpers are held rigidly without vibration and require no further attention.

Special Light Car Bumper

A special Bumper constructed exactly like those described above, with 1½-inch bars for use only on Ford, Chevrolet, Overland, Star and Gray cars. Shipping weight, 42 pounds.
361 C 541—Fits all models.. **$7.75**



$6.75 **Double Bar Spring Bumper**
For Light Cars

Guaranteed for Two Years Against Breakage

Buy guaranteed Bumpers. In an accident they will protect your car. And if one of these bumpers breaks from any cause within two years, we will replace it. This way you get complete protection. And it always pays to get bumpers for the rear as well as the front.

Safeguard your car against accidents while driving and protect against the careless driver who bumps into your fenders while your car is standing. You will enjoy that feeling of complete safety, and you will like the neat appearance of these bumpers on your car.

Built Like Big Car Bumpers

The bars are extra heavy, 1½ by about 5/16 inch and made of oil tempered, heat treated carbon spring steel. Heavy arms keep them in rigid position and attach securely to the frame so there is no vibration. The bars are resilient enough to absorb a severe shock without damage to the bumper. Bars are finished in highly polished nickel over heavy copper plating. Finish guaranteed against rust for one year. For Ford, Overland, Chevrolet, Star, and Gray cars only. State make, model, year, and if for front or rear and if one or two spare tires. Ship. weight, 40 pounds.
161 C 540—Fits all models.. **$6.75**

Appearance Counts—Make Your Car Look New

Enamel Your Car Today Drive It Tomorrow **83¢**

Ward Shine Auto Enamel

It is more pleasure to drive a glistening auto and the machine is always worth more if you want to sell it or trade it in. To enable the hundreds of thousands who are driving the shabby dull looking cars to completely change the appearance of their autos, we have developed in our own paint factories a new high grade Enamel that can be used satisfactorily by the owner himself. Flows smoothly and dries hard over night. It leaves a glossy finish that will not crack or chip. Heat or cold does not affect Ward Shine.

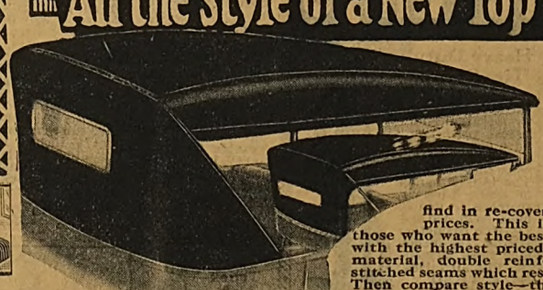
All the Style of a New Top At 1/3 the Price



Top Re-Covers For Popular Cars

This Long Grain Outfit for 5-passenger cars is the best Top Re-Cover we have ever sold. Made of a very high grade of long grain imitation leather such as you will find in re-covers selling for about twice our prices. This is a specially built Outfit for those who want the best. Compare it point by point with the highest priced outfits. Compare the heavy material, double reinforcement, and strong lock-stitched seams which resist the roughest wear and tear. Then compare style—the perfect fitting neat shape, and the clear vision 6 by 18-inch glass light. You will say there is no other Re-Cover near our price to equal it. Back curtains are regular style unless specified as gypsy.

Slip-Over Seat Covers

$4.95
61 C 4310

At Lowest Prices For Open or Closed Cars

Five-Passenger Only

These Seat Covers fit as smoothly as many that sell for $25 to $50. The women will be delighted with clean covers as their dresses will not become marked or spotted as often occurs with the old dirt-hiding leather cushions. Besides this, the covers are made of a medium dark durable motor fabric with a neat stripe pattern that makes the car more attractive. Anyone can put them on easily and quickly. Special tacks included. Quickly removed for cleaning.
Postage, per set, 12¢ extra

Protect the Upholstery

Make your upholstery last longer. Seat covers cost less than new upholstery. Remember, a car is judged by appearance. These high grade Slip-Over Seat Covers are attractive, convenient, and a worthwhile saving at these low prices.

Postage, 8¢ extra

Ward's Dependable Case Hardened Tire Chains

Tested Long Life Chains For Safe Driving

A Happy Gift Idea Order Early

Lower Prices

Make These the Greatest Chain Values

We have conducted the most exhaustive road and laboratory tests to prove the durability and quality of these Tire Chains. The extra heavy cross chains are copper plated to resist rust, and are made stronger by thorough case hardening. Our lock link type side chains are electro galvanized to make them rust resisting.

These Chains Fit Both Cord and Fabric Tires

They will not stretch from constant use, nor will the links pull out. End fasteners not only take up slack of the side chains, but stay fastened when they are attached. Ward's tire chains fit both cord and fabric tires. Compare the weight of our Road Grip tire chains with any other tire chains selling at any price, and you will be convinced that this is one of the greatest values ever offered. Even after the quality of these chains has been proved to you, our regular guarantee protects you against defect in workmanship and material as long as the chains last.

Standard Tire Chains

This type of tire chain is equal to other chains sold at much higher prices. They are lighter in weight than our Road Grip tire chains, but also have case hardened cross chains, which are rust resisting. Ordinarily you pay these same prices for tire chains, with unhardened steel cross chains and no electro galvanizing. Our standard tire chain is made to give you long service.

Road Grip Tire Chains

The extra heavy construction of Road Grip tire chains places them in a class by themselves. Their unusually large cross chains have a broader surface which is easy on the tire and gives longer life to the entire chain. They have a greater number of cross chains, which means more traction and longer wear. Ward's Road Grip tire chains are made to give the longest possible service.

$3.25

Dash Controlled Metal Radiator Shutter

In the winter months you ordinarily feed a richer mixture of gas to the engine in order to secure more heat to overcome the excessive cooling. One of these Shutters eliminates the necessity of using a richer mixture during the cold weather and will soon pay for itself by saving gas, oil and alcohol. It affords protection against freezing by enabling you to close the shutter before you stop and hold the heat in the radiator. It is easy to install and is controlled from the front seat. This Shutter is of the same high quality as other shutters selling at three times our price. You can compare it with any other shutter of the same construction and, if you are not then convinced that this is an exceptional bargain, our guarantee permits you to send the shutter back and have your money refunded. Made of heavy cold rolled steel with a black baked enamel finish. Furnished for cars listed below. Instructions for installing included.

Tire Covers

Make Spare Tires Last Longer

$1.05 30 x 3½

$1.30 30 x 3½

A tire that has been carried for some length of time uncovered and subject to all weather conditions will not give you the mileage that you would expect of it. This is because the sun, heat and rain have taken part of the "life" out of the rubber. All tire covers extend to the rim only, as the rim itself protects the remainder of the tire. These waterproofed tire covers will fit any make of tire, either cord or fabric. They are easy to put on or take off. The all black covers are made of enameled drill.

The white striped covers are of a heavy black drill with a glossy patent finish that is attractive and easy to keep clean. Strong, snap buttons hold them snug. With drain eyelets.

All Black Covers

Article Number	Size Inches	Each
61 C 1800	30x3½	$1.05
61 C 1802	31x4	1.25

Batteries Ordered by Telegraph Shipped Promptly C.O.D.

Ward's DeLuxe Auto Batteries

We Ship All Battery Orders Within 24 Hours after Received

Save $5 to $15

It Takes Only 3 Minutes to Order a DeLuxe Battery

It is so easy to order from Ward's that we firmly believe if every auto owner would stop to consider that he is actually earning several dollars for a few minutes' time, all would buy De Luxe Batteries.

In the back of this Catalogue is an Order Blank. Turn to it now and just see how simple it is to make out your order. It takes only two or three minutes. For many auto owners this will mean $5 a minute for their time.

De Luxe Batteries Are Furnished in Finest Hard Rubber and Wood Boxes

When you buy a battery from Ward's you have your choice of the finest of either a one-piece hard rubber box or a wood box, at the same low price.

De Luxe one-piece hard rubber box batteries are equal in thickness, weight, durability and appearance to those selling at much higher prices. The jars and handles are made a solid part of the box and every advantage claimed for one-piece construction is to be had in the De Luxe.

For those desiring the wood box type we offer the De Luxe in our well known thoroughly seasoned hardwood box, the finest obtainable. For ten years De Luxe Batteries in these extra strong hardwood boxes with doweled corners have stood the hardest kind of service and completely satisfied several hundred thousand users.

Buy a New De Luxe

Instead of Repairing Your Old Battery

By the time the average battery has reached the age where it is necessary to rebuild it, or where neglect has almost ruined it, the cost of rebuilding often amounts to several dollars. Then you have a made-over battery with many parts that may give out unexpectedly. Why take chances with such a battery when you can buy a brand new De Luxe Battery with a reliable and definite guarantee of 18 months' service for only a little more? If you figure the cost on a guarantee service basis you probably will find you save several dollars by purchasing the De Luxe. You will feel better and get far greater pleasure on every trip because you will know you have a new, powerful battery that will not fail you. Every De Luxe Battery is brand new—made of first quality materials and shipped fresh from the factory.

Only One Small Profit

When you buy a Ward's De Luxe battery, you pay only one very small profit above the manufacturing cost. They are even shipped direct from the factory so as to reduce handling expenses, and get them to you absolutely fresh. Many batteries have three and four profits and expenses added to the manufacturing cost; so, naturally, you must pay more if you buy one of them. Think this over carefully, for it means several dollars to you.

See Page 605 for Complete Price List

Auto Owners Have Saved Millions of Dollars by Using De Luxe Batteries

Montgomery Ward & Co. leads the world in selling the finest quality batteries direct to auto owners. We sell more De Luxe Batteries in one day than many retailers sell in two or three years. Every year our sales have increased tremendously because more auto owners like yourself are finding out that Ward's reputation for quality has been honestly earned, and that to pay more elsewhere does not buy better quality or longer service. Decide now that your next battery will be a De Luxe too.

The Greatest Battery

And How We Prove It to You

You read and hear many claims made for batteries but how many dealers let you prove their statements like Ward's does? A guarantee is only as strong as the firm behind it. Many of the firms that made the strongest claims for their batteries two or three years ago are out of business today. Our 60-Day Trial Offer, explained on Page 605, lets you prove the strength and quality of the De Luxe Battery in your own car, so there can be no doubt left in your mind. We let you be the sole judge of value.

Ward's 18 months' guarantee gives you positive protection should any De Luxe fail to continue to give you the same excellent service which it demonstrated to you during the 60-day trial.

Half a Million

Auto Owners Accepted Our 60-Day Trial Offer

If fifty of your friends told you the De Luxe was the best battery they ever used, regardless of price, you certainly would try it—wouldn't you? If they showed you De Luxe Batteries that gave four and five years service without ever being taken out of their cars then you would be completely convinced of De Luxe quality. Well, we have greater proof than that.

More than half a million auto owners have accepted our Trial Offer to use De Luxe Batteries in their cars. Think of it—more than 500,000 men and women have proved that De Luxe Batteries will do everything that the highest priced batteries will do—at a saving of $5 to $15 to themselves.

The wise man profits by the experiences of others. He doesn't waste his money. Let the successful experiences of this great number of auto owners guide your selection of your next battery.

Your Choice of Hard Rubber or Wood Box Batteries at the Same Price

Quality

Is Fully Guaranteed at Ward's

We absolutely guarantee every De Luxe Battery to be equal in quality and construction to batteries selling for from $5 to $15 more. We further guarantee the De Luxe Battery to spin your motor as fast, to light your lamps as brightly, and to furnish your plugs as strong a spark as the highest priced batteries. You yourself can be the judge.

We could fill pages telling you how strongly the De Luxe Batteries are made; how the thick plates are molded; how the carefully selected separators are seasoned; how the terminal posts are set in to prevent leakage, and many more De Luxe features. But rather than do this, we guarantee service—which is far more important to you, and is proof of our confidence in the battery.

Direct to You at Wholesale Prices

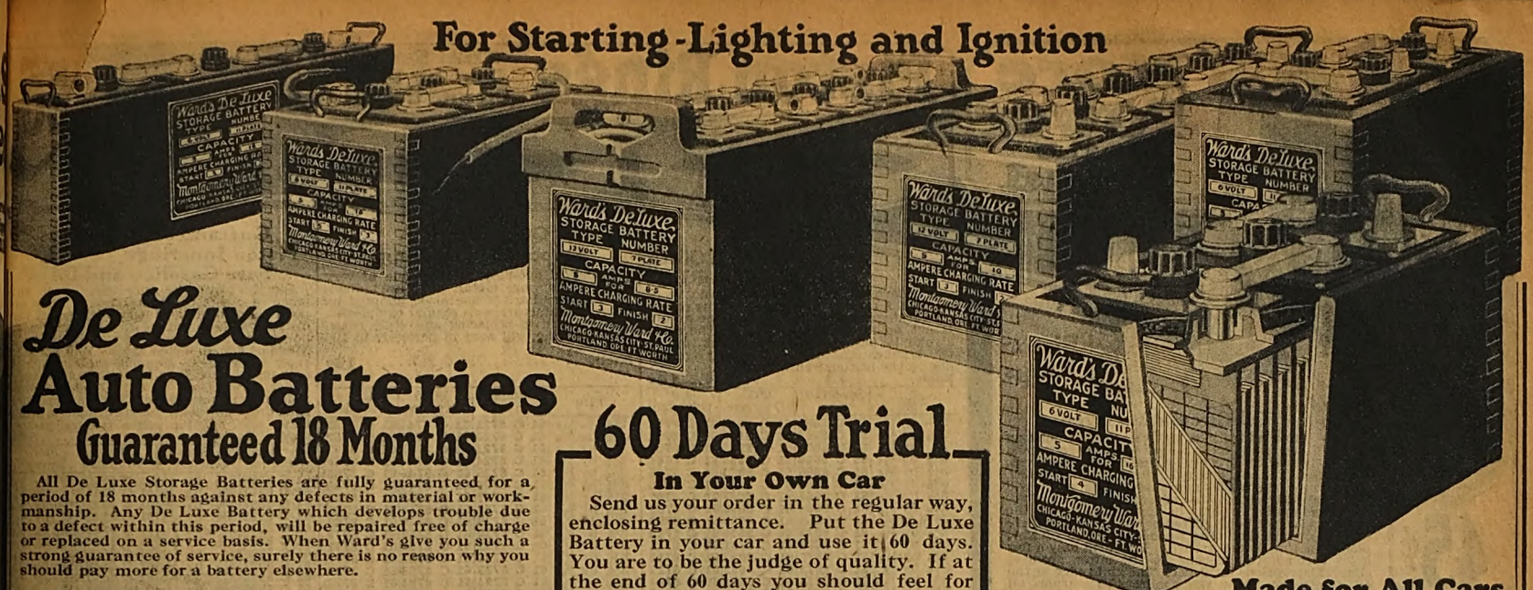
Think of buying a fully guaranteed, absolutely first quality, full size, full capacity battery for less than the average dealer pays at wholesale. That is exactly what you do when you buy a De Luxe Battery from Ward's.

We have compared De Luxe prices with the wholesale prices of other batteries. This comparison showed we are actually selling the finest quality batteries, with a stronger guarantee, direct to you for less than a great many batteries sell wholesale. The De Luxe Battery you get is made of materials just as fine; it is built as carefully and it will last as long as batteries selling for from $5 to $15 more. We not only say this, but we guarantee it.

Install Your Own Battery

Each De Luxe Battery is specially designed to fit exactly in the space provided in your car by the car manufacturer. The terminal posts are arranged so your wires can be easily connected. In most cases it is easier to change a battery than it is to change a tire. You can do it yourself without paying any charges. You don't help pay service station upkeep expenses when you buy a De Luxe Battery.

Digitized by Google



De Luxe Auto Batteries

Guaranteed 18 Months

All De Luxe Storage Batteries are fully guaranteed for a period of 18 months against any defects in material or workmanship. Any De Luxe Battery which develops trouble due to a defect within this period, will be repaired free of charge or replaced on a service basis. When Ward's give you such a strong guarantee of service, surely there is no reason why you should pay more for a battery elsewhere.

Shipped Fully Charged

Ready for Use

Every De Luxe Battery is fully charged when it leaves the factory; so all you have to do is put it in your car and step on the starter. A few minutes spent writing your order will save you many dollars. Most all dealers buy their batteries by mail. Why shouldn't you?

60 Days Trial

In Your Own Car

Send us your order in the regular way, enclosing remittance. Put the De Luxe Battery in your car and use it 60 days. You are to be the judge of quality. If at the end of 60 days you should feel for any reason that the De Luxe is not equal in every way to any battery on the market, write us for shipping instructions. We will refund your money, including all shipping charges.

Made for All Cars

We can furnish De Luxe Batteries for all cars. So if yours is not listed on this page, write and we will quote you price. Specify name of car, year, model, and name of starting system. Also give voltage, length, width and height to top of handles of the old battery. If possible, give us all that appears on the name plate.

Unless Specified, All Batteries 6-Volt. Shipped Separately from Factory in Chicago by Freight or Express Only

Shipping Weights 55 to 65 Pounds.

Four Years Service—No Expense

"I have just discarded one of your De Luxe Batteries which gave me good service for four years without any expense. If anyone thinks it is more expensive to buy a new battery from Montgomery Ward & Co. than it is to have an old one repaired, just ask someone who has had the experience with an overhauled battery."

C. C. Mallory, Sioux City, Ia.

Printed with Mr. Mallory's Permission

Solderless Battery Connections

33¢ A Pair

Fit all size cables. Battery will last longer and give less trouble than is possible with terminals that corrode. Made of flexible composition brass. Only pliers or wrench needed to connect. Furnished in pairs that fit any size positive or negative posts of either straight or tapered shape.

61 C 4193—Per pair..... 33¢

Postage, per pair, 3¢ extra

Low Priced Hydrometer

75¢

A larger bulb and a heavier glass than is usually used. The float is double tested to assure accuracy.

61 C 3845.....75¢

Postage, 2¢ extra

61 C 3854—Glass Float, suitable for use with all hydrometers 19¢

Postage, 2¢ extra

Hydrometer and Outfit

A Dandy Time Saver

A very handy and convenient Outfit. Distilled water jar is sealed by rubber disc on the hydrometer, keeping out dust and dirt. Hydrometer is very best type protected by rubber shoulder at lower end, preventing breakage. Length hydrometer, 13 inches.

89¢

61 C 3843—Outfit as shown...89¢

Postage, 11¢ extra

61 C 3842—Hydrometer only..45¢

Postage, 5¢ extra

Piston Rings That Save Their Cost by Saving Oil and Gasoline

Set of 6 **50¢**

Piston Rings

Oil Circulating Type

45¢

After being fitted with these Oil Circulating Piston Rings, motors that formerly consumed one quart of oil every fifty miles, on actual test, used only one quart in three hundred miles.

We absolutely guarantee these rings will save oil and gasoline and stop oil "pumping" and fouling of plugs in any motor where the cylinders are not badly scored or out of round. **Only one oil circulating ring needed on each piston,** placed in the lowest groove. You drill only a few holes through the pistons at the lower grooves, simple instructions furnished. The knife edge of the oil grooves on these rings collects the surplus oil from the cylinder walls. This oversupply of oil is drained back into the crankcase by way of the special oil circulating slots in the rings and small holes through the pistons. **Each**.....**45¢**

Oil Groove Quick Seating Piston Rings

A groove in each Ring holds a quantity of oil, thus forming a film that prevents excess oil working up past the pistons. The groove is cut on an angle so that on the down stroke it pushes surplus oil back toward the crankcase. Cures spark plug trouble due to the pistons "throwing" oil.

Guaranteed Piston Innerings Save Gasoline and Oil

Simply place the Innerings under any make of one-piece piston rings. They expand the piston rings outward against the cylinder walls so you are certain of increased power and a big saving in gasoline and oil. Made of fine imported steel. Will not lose their springiness. Use one Innering under each piston ring. Innerings also may be used under piston rings up to 3/64-inch oversize. **Sold only in sets of six.** For four-cylinder cars, order two sets; for six cylinders, order three sets. **Order same size as piston rings. Set of 6, any size**.....**50¢**

You Want More Power—Use Nickel Chromium Steel Motor Valves

The power, speed and economy of your automobile depend largely on the condition of the valves. One or two warped valves or bent stems can upset the performance of the finest motor. If your motor is not hitting right, put in these valves and you can depend on getting good service.

Made of Finest Materials

Compare Our Prices

They are made of the highest grade nickel chromium steel with a bright ground finish on the seat and stem. The lower ends are tempered and hardened so they will not flatten out the way many valves do. Every valve is guaranteed to fit perfectly and is equal to valves selling at higher prices.

Ward Grip Brake Lining **9¢** A Foot Inch Wide

These Prices Are Lower Than Usual Wholesale Prices

Probably no one thing causes so much uneasiness to the driver as the knowledge that the brakes may not hold. Do away with this uncertainty by lining your brakes with Ward Grip Lining. In an emergency it will lock the wheels or, with a light pressure on the brake, bring your car to a slow stop without jerking. The equal of any make of brake lining on the market—better than many. Made of finest long fiber asbestos, interwoven with fine brass wire. Scientifically treated to get longest wear and best braking power. Pressed to exact size.

Ward Grip Lining is made for us by one of the largest and oldest manufacturers of brake lining. It is sold under a regular trade name for more than twice our prices, and used as regular equipment on the finest cars. This lining is practically heatproof, oilproof and waterproof. To help our customers save more money and time we include with each order for brake lining an illustrated book showing the easiest and best ways for putting on linings, according to methods used by the best mechanics.

Tourists' Needs

That Make Your Trips More Enjoyable and Less Expensive

Running Board Luggage Carrier

Standard Model

Every auto owner should have one or two of these Luggage Carriers. They keep the inside of the car clear of bundles which often scratch the finish or tear the upholstering. It is just as convenient for everyday use as for touring. A very strong, all steel folding carrier priced exceptionally low. Adjustable 10½ to 60 inches. Fits all running boards. End braces and rigidly attached clamps. Size folded, 10½ by 15 inches.

461 C 6467.....98¢

De Luxe Model. Same style as above, but much heavier and longer. Adjustable 10½ to 72 inches.

461 C 6471.....$1.50

Postage: 30¢ and 34¢ extra

Fold Down Luggage Carrier

New design Luggage Carrier. Holds all sizes of packages. The framework is a thick steel heavily riveted. Just fasten it to the edge of the running board and leave it there. When not in use it folds down flush with the board so it is not in the way. When you have packages to carry, an easy pull raises it up into position. When the packages are removed fold it down. Many motorists put on two. Height raised, 9 inches.

461 C 6480—Length, 45 inches.....$1.35

461 C 6481—Length, 60 inches.....1.80

Postage: 26¢ and 36¢ extra

Handy Lunch Kit

Complete with Vacuum Bottle

Consists of a one-pint Vacuum Bottle in a light, durable, enameled metal carrying case; two clasps and hinged cover. Length, 10¼ inches; height, 7¼ inches; width, 4¾ inches. Lower part serves as a lunch box and will hold food for two persons. Top of bottle serves as a cup. The bottle is unusually convenient for mechanics, farmers and school children because in it may be carried the hot drinks which make the packed lunch so much more enjoyable. Keeps liquids hot for twelve hours or cold for twenty-four hours.

61 C 6639—Complete outfit.....$1.35

61 C 6578—Kit only, without bottle.....60

61 C 6640—Bottle only; 1-pint size.....83

Postage: 14¢, 7¢ and 8¢ extra

Every Automobile Should Have a Motometer

A great many autos are now equipped at the factory with Motometers, because manufacturers have recognized the great need for the service they give. Placed on the radiator cap the motometer indicator liquid warns the driver of engine troubles before any damage occurs. Slipping or broken fan belt, water pump out of order, leaking radiator, or not enough oil in the crank case—these are the things your motometer warns you of in time to save a great deal of trouble and expense.

A Useful Ornament

A necessity that improves the looks of the car besides avoiding trouble, a motometer is a distinct advantage to any car in appearance, and adds to the value of the car. It is just what is needed to complete the lines of the hood and radiator. Beautifully finished in black and nickel.

61 C 3613—**Large Model.** Beveled plate glass crystal. Height, 3¾ inches. Width, 3⅜ inches.....$7.49

61 C 3623—**New Universal Model.** Height, 3¾ inches. Width, 2¾ inches.....$5.45

Postage, each, 10¢ extra

Hot or Cold Kamp Jug

$2.15

Enjoy picnics, auto trips, or lunch away from home by having warm appetizing food or hot or cold drinks. This Jug keeps foods or liquids at nearly their original temperature for several hours.

The inner part is a heavy heat retaining composition which keeps soups, coffee, ice cream, milk, water, meats—in fact nearly all foods or liquids more wholesome and delicious. The 3-inch opening in the top makes the Jug easy to fill or clean. Boiling hot water will not break it. The thick metal cover is enameled green and has a swinging handle. Large aluminum cap covers top and serves as a cup. This is the neatest looking, most serviceable jug you can buy. One-gallon size.

461 C 4205.....$2.15

Postage, 30¢ extra

Comfy Back Rest

A wedge shaped Cushion that fits the back. Splendid for women drivers. Imitation leather with very springy and light weight filling. Size, about 15 by 15 inches.

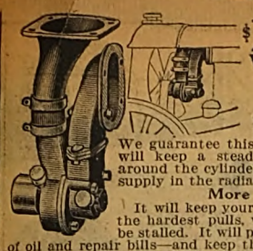
Tractor Supplies



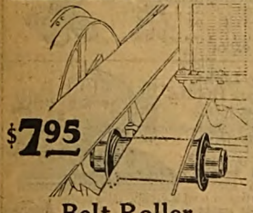
$10.00 Sure Cool Water Circulator for Fordsons

Don't take chances of being delayed for hours by letting your engine overheat. We guarantee this big husky water circulator will keep a steady stream of water flowing around the cylinders as long as you have a fair supply in the radiator.

More Work Per Day

It will keep your motor at a normal heat on the hardest pulls, where without it you might be stalled. It will pay back its cost in the saving of oil and repair bills—and keep the motor cool at times when the radiator alone would fail. A bracket is provided for mounting the Fordson fan. The regular fan belt drives both water circulator and tractor fan. Instructions for attaching are included. Fits all Fordsons. Shipping weight, 27 pounds. **Can be shipped by parcel post.**

461 C 9988 ..... **$10.00**



$7.95 Belt Roller

Use this Roller when doing belt work to guide the belt to pulley and prevent its wearing or breaking on front axle. It is carefully balanced and runs smoothly and easily on ball bearings, lubricated by grease cups. Grease once a year—it requires no more attention. Easily installed as it uses only one bolt. Width of roller, 9 inches. Total width, 13½ inches. Can be left on as it does not interfere with other work of the tractor. Fits all Fordsons.

61 C 9927 ..... **$7.95**
Postage, 46¢ extra

Clutch Holder 89¢

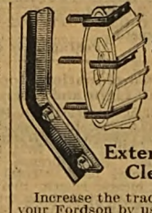
A simple, quickly attached device that makes driving easier by eliminating a great deal of gear shifting. Acts as a brake on hills as you can leave tractor in gear. Belt power can be shut off without holding clutch down with foot.

61 C 9929 ..... **89¢**
Postage, 9¢ extra

Tractor Seat Spring $5.95

The comfort this Seat Spring gives you will insure a better day's work from your Fordson. It absorbs the hard bumps and jars so the driver can remain at the wheel without getting tired out. Easily attached in a few minutes to regular Fordson seat. No holes to drill. Outfit consists of a large steel spring with connections for attaching to steering post and seat support, a hinge for lower end of seat support, and special bracket for attaching tool box to transmission housing.

61 C 9979 ..... **$5.95**
Postage, 30¢ extra



Set of 14 **$13.35**

Extension Cleats

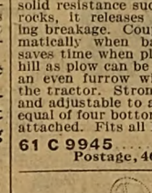
Increase the traction power of your Fordson by using these self cleaning Extension Cleats. These cleats overcome soft or heavy soil conditions and save you many times from getting stuck and wasting time. Easy to attach without drilling. Fits all Fordsons. Shipping weight, 115 pounds.

61 C 9926—Set of 14. **$13.35**

Safety Shifting Hitch

This Safety Hitch is a big time saver and a real "safety first" device. When your tractor strikes solid resistance such as stumps or rocks, it releases instantly, saving breakage. Couples again automatically when backed into. It saves time when plowing on a side hill as plow can be adjusted to cut an even furrow without stopping the tractor. Strongly constructed and adjustable to a load up to the equal of four bottom plows. Easily attached. Fits all Fordsons.

61 C 9945 ..... **$8.50**
Postage, 46¢ extra



95¢ Back Rest for Fordsons

Rest while you ride. You don't sit on a stool in the house, because it is not comfortable. Here is a thick steel back rest that will make thousands of Fordson owners happy. It is curved to fit the back. Easily attached to the seat by bolts which we furnish. Gray color. Height, 12 inches; width, 19 inches.

461 C 9911 ..... **95¢**
Postage, 12¢ extra

Tractor Fenders for Fordson Tractors

$12.95 A Pair

These strong steel Fenders are a necessity on Fordson Tractors. They protect the driver against injury from rocks, hard clods or other objects which are often thrown by the wheel flanges. They prevent accidents that might occur by the machine tipping sideways causing the driver's arms or clothing to be caught on the flanges or in the wheels. They prevent dust and mud from being thrown over the driver. The steel is 20 gauge with deep, heavy flanges to hold the shape, making it much stronger than the plain type. The braces are heavy so fenders are very rigid. A board can be placed across lower braces so driver can stand on it when tired of sitting down. Complete with attachments. Fit all Fordsons. Shipping weight, per pair, about 115 pounds.

161 C 9991—Per pair **$12.95**

Timer for Fordson Tractors $1.85

To get dependable service from your Fordson you need a dependable Timer. It will save many times its cost in preventing delays in the field and give your tractor more pulling power. The hotter spark is furnished at exactly the right time which keeps all cylinders firing evenly.

Guaranteed for Six Months

We guarantee this Timer to give 6 months of satisfactory service on your Fordson and will replace any one that does not live up to this guarantee. It has a patented, hardened roller that makes a sure, powerful spark every time it passes between the double contact points. This makes starting easier and enables you to throttle the motor down without any bucking. We want every Fordson owner to order this timer. Buy it and do away with timer troubles for a long time.

61 C 9970 ..... **$1.85**
Postage, 8¢ extra

Timer and Spark Plug Wires for Fordsons

Fitted with terminals and cut to correct lengths. Timer wires of different colors.

61 C 9980—Set of 4. Timer Wires only **27¢**

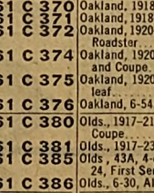
Automatic Connecting Rod Bolts $2.95

As wear occurs in the bearings the little self adjusting springs automatically take up the play so the bearings are always snug. No special tools—no grinding or scraping, no shims needed to install. For Fordsons.

61 C 9984—Set of 8. **$2.95**
Postage, per set, 10¢ extra

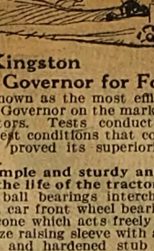


Kingston Governor for Fordsons $22.50

Known as the most efficient and durable Governor on the market for Fordson tractors. Tests conducted under the hardest conditions that could be devised have proved its superiority time after time.

Simple and sturdy and guaranteed for the life of the tractor. It has oversize ball bearings interchangeable with Ford car front wheel bearings, ball bearing cone which acts freely and instantly, bronze raising sleeve with a heavy raising cam, and hardened stub toothed bevel gear. The commutator brush assembly is pinned making it impossible to get out of time. Control rod and attachments are enclosed in a steel tube, including the seven-inch steel governing spring. It is the quickest acting governor we have ever seen. Fits all Fordsons. Shipping weight, 20 pounds.

461 C 9925 ..... **$22.50**
Postage, 46¢ extra



Dailey Governor for Fordsons $4.75

Just open your throttle wide, set the governor, and it regulates the motor automatically by means of the velocity of the air on the little perforated plates. As load gets light the governor shuts off the fuel supply at the throat opening or opens it as the load becomes heavy. Only one moving part. To install simply remove top plate from carburetor and replace it with the governor. Will not fit on Kingston Carburetors.

61 C 9935—To fit all Fordsons with motor numbers up to 216290. **$4.75**
61 C 9936—To fit all Fordsons with Holley Carburetor with motor numbers from 216290 up to date **$4.75**
Postage, 8¢ extra

Mosler ½-Inch Tractor Plug

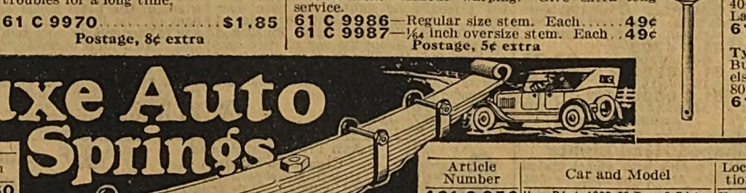
De Luxe Auto Springs



A Complete New Spring for Less Than Cost to Repair the Old One

It takes the very best quality Springs to live up to a satisfaction guarantee such as that of Montgomery Ward & Co. De Luxe Springs are made of extra fine grade steel, properly heat treated and tempered in oil. Careful inspections and tests are made during every important operation. Special expensive testing machines are used on all springs to prevent defects. We guarantee De Luxe Springs to be A1 quality and to match original springs for strength and springiness.

For many cars troubled with spring breakage, we have added an extra leaf to make the springs stronger.

Springs under 50 pounds can be shipped by parcel post to all zones. Springs over 50 pounds can be shipped by parcel post in zones 1, 2 and 3 only.

NOTE If the make of your car is not listed here, write and we will quote prices.

How to Measure Your Springs

A spring 36 by 1¾ means that the spring measures 36 inches between centers of eyes along the edge of the main leaf and that the width is 1¾ inches.

How to Order

Order by article number only. If the style of car is not mentioned, the spring fits all touring, roadsters, sedans or coupes. No. Lvs. means number of leaves in the spring. H. D. means Heavy Duty type of spring.

Quality Always the Highest

Every De Luxe spring is graphited and painted black. Fully guaranteed the equal in quality to highest priced springs. All springs are guaranteed to match the original springs on the car in load depression.

24-Hour Service

There is no bother or delay in ordering these high quality springs. Your new spring will be on the way to your home within 24 hours after we receive your order.

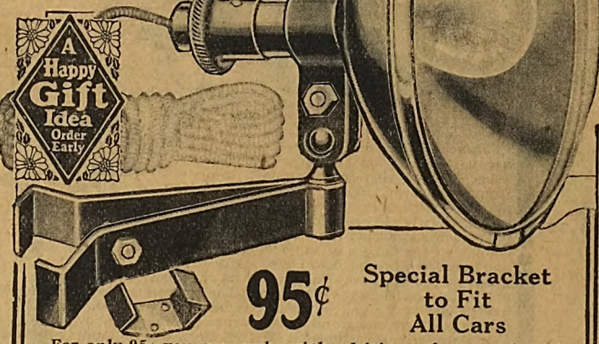
Drive Safely-Save Money

A Spotlight Helps You to Prevent Broken Springs and Accidents on Dark, Strange Roads

This is Our Biggest Spotlight Bargain



95¢ Special Bracket to Fit All Cars

For only 95¢ you can make night driving safer; so, why take chances? Ward's buyers and engineers worked for months to perfect this Spot Light and we placed one of the largest spot light orders ever given so we could get this low price for you without sacrificing quality. This spot light is designed to add to the appearance of any car and still furnish a powerful light that enables the driver to see objects far ahead in the road.

Fine Construction Throughout

It has a 4½-inch silvered reflector, an all brass black enameled body with nickeled rim, waterproof nickeled switch and a universal ball and socket adjustment. 5 feet of cord furnished. High quality 21-candle power bulb can easily be focused to throw a narrow or broad ray of light. One of the fine features of this light is the specially designed bracket which fits all open or closed cars. This makes it easy to install. One turn of a nut detaches light for use as a trouble lamp.

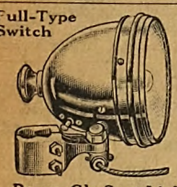
61 C 6837—For 6-volt battery.....$ .95
61 C 6838—For 12-volt battery.....1.00
61 C 6839—18-volt, for Ford Magneto.....1.10
Postage, 10¢ extra

$1.40 "Low Priced" Spot Light

Has many special features usually found only in the highest priced Spot Lights. The 4½-inch brass reflector has a genuine silver plating that throws a powerful light. The genuine Mazda bulb is regulated by an easily adjusted focusing device. The switch is easily turned off or on and will not come apart. Convex shaped lens held by watertight rim. Light is detachable for use about engine or for changing tires. Special bracket fits all open or closed cars. Cord included.

61 C 6830—6-volt type.....$1.40
61 C 6831—12-volt type.....1.45
61 C 6832—18-volt for Ford magneto.....1.55
Postage, 10¢ extra

Full-Type Switch $7.50



Power-Glo Spot Light

The long, bullet shaped, double shell body of this Spot Light contains a deep reflector, which is powerful and fully silvered. The entire body and bracket made of solid brass so they will not rust. Nickel plated finish. Moisture cannot accumulate on the lens or reflector. Has 6-volt bulbs. Lens is 5 inches in diameter. Complete with wire.

61 C 6704—
For open cars.....$7.50
61 C 6705—
For closed cars.....7.50
Postage, 14¢ extra

Inside Control Spot Light

Inside operated Spot Lights are very popular, because they are so convenient to control. The necessity of cutting the windshield has been removed by this new spot light. Nickel plated body. It has a convex lens 4 inches in diameter, a powerful bulb and highly polished reflector. Convenient handle turns light in any direction. Can be mounted by simply drilling a small ⅜-inch hole through the metal sash at the bottom of the lower glass. Has 6-volt bulbs.

Blue Bulbs

Your safety when you drive at night depends largely on your driving lights. Inferior lights which do not show the road clearly are almost as bad as none at all and are a menace to yourself as well as to all approaching cars. With good lights you can travel faster at night and avoid many accidents. These new Blue Bulbs give you a much better driving light than old style clear glass bulbs. They throw a clear white light a long distance.

Conveniences for Smokers

Handy Cigar or Cigarette Lighter

A Cigar Lighter is a great convenience. No danger of burning your clothes or fingers. A touch of the button and you have a light—release the button and light goes out. This is the neatest, lowest priced, good lighter we have ever seen. A splendid present for any of your friends who drive cars. Furnished complete with about 2½ feet of wire and a clamp for attaching to dash or side of car. Many motorists buy two and a few feet of extra wire, and connect one for passengers in the rear seat.

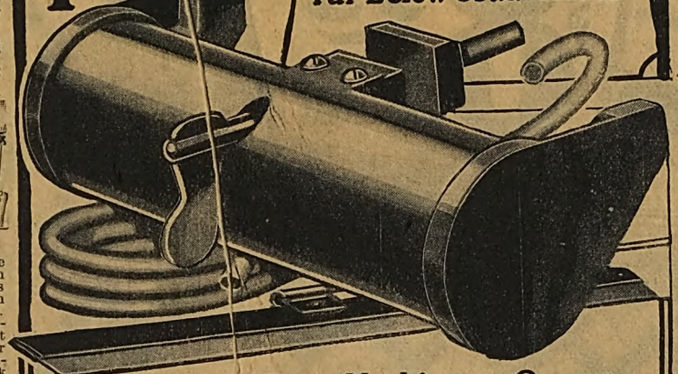
Nothing is More Convenient When it Rains or Snows

A Splendid Automatic Windshield Cleaner Far Below Usual Prices

$1.95



Clear View Metal Visor

If you haven't a Visor, buy this one. We have sold thousands of visors but have never seen as big a value as this. Made of heavy gauge steel with side ribs that hold it rigid and in shape, so there is no shaking about or vibration. A neat trough carries the water to the sides. Strong adjustable brackets fit all open car windshield rods or closed car posts and allow visor to be raised or lowered to suit the driver. Visors of this type usually sell for at least $3.50. Notice the many new cars with metal visors. Beautiful black enamel finish. Size, 40 by 9½ inches.

$1.55

461 C 9573.....**$1.55**
Postage, 20¢ extra

Green Pyralin Visor

When the sun is low in the morning and evening this beautiful green transparent pyralin Visor completely eliminates the blinding glare. The neat curved shape gives excellent protection for the windshield in rain or snow storms. Special adjustable side arm brackets are furnished which will fit all open or closed cars. 37 to 43 inches between windshield uprights or corner posts. Size, 40 by 9 inches.

461 C 9583....**$3.25**
Postage, 22¢ extra

Leatherette Visor

An especially attractive and serviceable imitation leather Visor that attaches beneath the top projection of any open or closed cars. Side braces and heavy center reinforcement hold it rigid so it is much stronger and neater than most visors of this type. Black color on top—green underneath. Protects the eyes and helps keep rain and snow off the windshield. Size, 40 by 8 inches.

461 C 9533...**$1.79**
Postage, 16¢ extra

Windshield Wings

Protect You Against Wind, Rain and Dust

Every owner of an open car will be delighted with the protection these Wings give from rain, wind and dust. They completely change the course of the wind so even at fast speeds you scarcely notice the breeze. They are adjustable and may be placed at any angle desired. Made of heavy, beveled plate glass. Brackets are adjustable and will fit on either round or square windshield upright rods. Can be attached by any one in a few minutes.

461 C 2592—Size glass, 9 by 18 inches. Per pair**$5.95**
461 C 2600—Special for Ford open cars; 8 by 21 inches. Per pair.....**$5.95**
Postage, per pair, 34¢ extra

Automatic—Costs Nothing to Operate

Automatic windshield wipers have proved such a great success that many manufacturers now furnish them as regular equipment on new cars. Don't take unnecessary chances driving in storms when you can buy a reliable self acting cleaner for such a low price.

Easy to Attach

You will find this an excellent safety device that automatically keeps the windshield clean when it is raining, snowing or sleeting. You have both hands free for steering and shifting gears.

A Rare Bargain

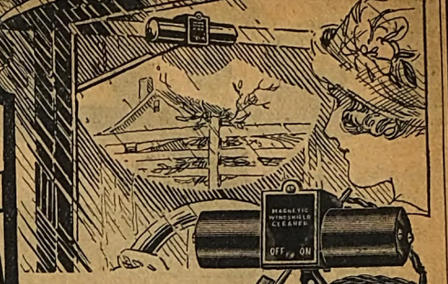
Only a short time ago Automatic Windshield Wipers were selling for $10 and more. We arranged with a large manufacturer—placed orders for many thousands of Wipers and brought manufacturing costs down. You get the benefit of this saving, so take advantage of it by ordering this big bargain today.

Always Ready

Outfit consists of a patent vacuum motor driven by suction from the engine. Fits most open and closed cars. All attachments are included. You can put it on easily yourself. Has emergency handle.

We want you to examine this Automatic Windshield Wiper very thoroughly—compare it with others and see for yourself that it is the equal of some selling for double our price. Fits all open and closed cars, except Maxwell and Chrysler closed models. Black finish. Cleans a 7-inch swath. Our guarantee protects you. Takes its power from vacuum tank on Intake Manifold.

61 C 9507—Complete outfit.....**$1.95**
Postage, outfit, 10¢ extra



Electric Windshield Wiper

$3.25

This is one of the finest electric Cleaners on the market. In severe storms when slow driving is necessary, this Electric Windshield Cleaner may be adjusted to operate fast or slow as it is not affected by the speed of the motor like other types.

This Cleaner operates from the storage battery. It works just as well when the motor is not running. In a sleet storm it may be left running when the car is still to prevent ice gathering on the windshield. An adjustment within easy reach of the driver regulates the speed to suit his needs. This cleaner operates at a steady, uniform speed. Rubber wiper is 6 inches long.

Uses Less Current Than One Headlight

Cleaners of this type usually sell for $6.50 or more. We do not know of any selling for so low a price as ours. Fits any car using a 6-volt storage battery. There are no attachments to the motor. Simply connect electric wires and it is ready to work. Fits all open and closed cars, except Maxwell and Chrysler closed models.

61 C 9529.....**$3.25**
Postage, 14¢ extra

Hand Operated Windshield Wiper

Fits all open or closed cars. This handy Cleaner always gives you a clear view. It clamps over the top of the windshield on open cars, and by drilling a hole through the frame on closed cars. Swings on a pivot and applies pressure evenly over the 7-inch squeegee. Black and nickel finish.

Beveled glass type mirror. Adjustable clamp fits all windshields or brackets. Black finish. Diameter, 5 inches.

60 C 6711.....**$1.10**
Postage, 12¢ extra

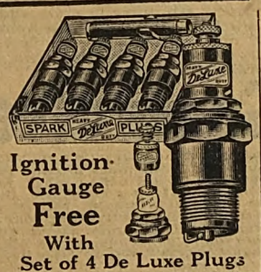
De Luxe Heavy Duty Spark Plugs

The base of this Plug is extra heavy steel construction, splendidly finished in gun metal blue. The sparking point has a wide thin edge that gives a series of sure fire sparks instead of one little spark—and this knifelike edge retains enough heat so it serves to burn off carbon.

We could fill a page telling you how good this plug is—why its porcelain surpasses others—how the heavy fiber cap protects the porcelain—why the two-piece, easily cleanable construction is the best. Then there is the semi-conical center core which combines the strength of the conical type and the carbon resisting qualities of the petticoat design. See spark plug size information at bottom of this page for correct size to buy.

Make This Test

We want to prove to you these Heavy Duty Plugs are better by letting you use them on your own car. Send us your order in the regular way—put the plugs in your motor—see how they improve the power and speed—see how much easier your motor starts. Make every kind of test and then, if after 30 days you should feel you do not want to keep them, send them back and we will return your money and all transportation charges. Sets of 4 furnished in service kits.



Ignition Gauge Free With Set of 4 De Luxe Plugs

Besides giving you this greater spark plug value, we will include with each order for a set of 4 De Luxe Heavy Duty Spark Plugs, an Ignition Gauge like that shown at the bottom of this page. It is handy for testing your ignition system.

Transformer Coils

$4.85

These Coils are made by one of the largest coil makers in the country and represent the highest skill in coil making. They produce a strong, hot spark even when the battery is low as they use very little battery current. Brackets, terminals and connections fit perfectly as they are interchangeable with those furnished by the car manufacturer. The coil cases are Bakelite and are heat-proof and waterproof. Separate primary and secondary windings and the high grade of wire and insulation used, make these coils among the finest you can buy.

Transformer Coils for All Cars

We can furnish Coils for all cars. If your car does not use one of the ignition systems listed, write to us and we will quote you a price. Specify make of car, model, year, engine number, and make and voltage of ignition system used on your car.

361 C 7151—For all cars equipped with Connecticut 6-volt ignition systems.....**$5.25**

3 Big Bargains That Can Not Be Equalled for Ford Owners

Riverside Full Oversize Cords

The World's Greatest Tire Value For Ford Owners

More than a million Ford owners use Riverside Tires. We have made a special study of the clincher type tires because so many of our customers use this style. We want you to have the best—and here it is.

We do not believe a better tire is made for Fords at any price. And certainly you can't find another tire anywhere near our price with so many good points.

First there is service. Thousands of our customers are getting 15,000 to 20,000 miles service from their Riversides. New improvements have made possible the increase of our guarantee from 10,000 miles to 12,000 miles service.

Second is safety, which means so much to you on muddy, snow covered roads or slippery, icy pavements. We have spent thousands of dollars to give you this improved "Greater Safety" Tread with big heavy, sharp corner blocks of rubber which hold the road where cars with other tires are sliding into ditches. This big improvement alone makes Riversides worth several dollars more than other tires with just the ordinary non-skid treads.

This Tire is exactly the same as the full Oversize Cord Tires shown on Pages 596 and 597. We have shown it here again for the convenience of Ford owners

Riverside Inner Tubes
$1.98
30x3½

12,000 Mile Guarantee

A good reliable guarantee is your best protection on tire quality. There is not a safer, more responsible firm in the world than Montgomery Ward & Co.

A tire guarantee doesn't mean much unless it tells you how many miles you should get for your money. Why should you buy any other tire regardless of price or name when you can get this big full oversize Riverside Cord with the very latest improvements in safety tread construction and Ward's guarantee for 12,000 miles service. Furthermore you save several dollars when you buy the Riverside. If after examining this tire you do not believe it the best you can buy return it and we will refund your money and transportation charges. Examine this Tire before you think of buying any other. More than 4,500,000 Riverside Tires have been sold to motorists.

Riversides Fine on Rev. Taylor's Sedan

"About a year ago I bought a pair of Riverside Oversize Cords. I do a great deal of very hard driving, much of it over the roughest country roads through mud and snow. Although they must have gone 10,000 miles, they appear good for another 5000 miles. The tire I am now ordering is to be used to replace one of another make."

De Luxe Battery For Fords

Save $5 to $15

Compare prices, compare guarantees, and compare the firms who back up the guarantees, and you will buy Ward's De Luxe Battery—just as half a million other auto owners have done. We absolutely guarantee that these De Luxe Batteries for Fords are full size; have the full number of strong, thick plates; are full capacity, and will furnish as much and as strong a current as many batteries selling from $5 to $15 above our prices. That is why we sell thousands of De Luxe Batteries every week to motorists like yourself.

Guaranteed 18 Months

When you receive your De Luxe Battery it is all ready for use. Great care is taken in charging and crating each battery so you will receive it in perfect condition. Many batteries for Fords are guaranteed for only 90 days; others for one year. But Ward's De Luxe Battery is so strongly built that we guarantee it against any defects in material or workmanship for 18 months (a full year and a half). If any De Luxe Battery develops a defect within this period, it will be repaired free of charge or replaced on a service basis.

60 Days Trial In Your Ford

Send us your order in the regular way, enclosing remittance. Put the De Luxe Battery in your car and use it 60 days. You are the judge of quality. If at the end of 60 days you should feel for any reason that the De Luxe is not equal in every way to any battery on the market, write us for shipping instructions. We will cheerfully refund your money, including all shipping charges.

Your Choice of Hard Rubber or Wood Box Batteries At the Same Price

The De Luxe Batteries shown on this page are 6-volt type and fit all Fords equipped with regular Ford starters. See Page 604 for other batteries. Your choice of rubber or wood box at the same price.

Our 6-volt type for all Fords with regular Ford starter

Four Years Service and Still Good

"I purchased a De Luxe Battery from you in the Fall of 1920 and am still using it. It is in good shape now, so I feel that I will get another year's service or more. I have used several other makes and find the De Luxe as good if not better at a much lower price."

Guaranteed 18 Months Against Breakage by Freezing

Radiators for Fords

You Can Depend on Longer Service When You Buy This Strongly Built Radiator

Buy this Radiator and save from $3.50 to $7. It is as good as you can buy at any price, and it is backed by Ward's guarantee. Don't drive with a leaking, boiling, inefficient radiator. In addition to burning up your oil, you overheat and eventually ruin your engine. The cost in the long run is many times the price of this high grade radiator. We sell thousands of these radiators to Ford owners each week. We guarantee this to be the biggest radiator bargain in America, and we let you be the judge.

$8.65 Without Shell

30 Days Trial on Your Ford

For years we have been improving our Radiator, until this one is the finest built. It will do all that can be expected from any radiator. You don't risk a cent. Simply send in your order in the regular way, enclosing remittance. Put the radiator on your Ford and use it for 30 days. If at the end of that time you should feel for any reason that it is not equal in every way to any radiator on the market, return it and we will refund the purchase price and all transportation charges you have paid.

Brass and Bronze Construction

Costs More to Build—But Worth It to You

Only the highest grade seamless brass tanks—full size and rust-proof—are used in our radiators. Some makers use thin steel or tin which rusts through in a short time. They are less expensive to build but do not give long service. Our cores are rustproof bronze and not affected by alkali water. They are designed to give maximum cooling efficiency. This radiator is built better and stronger than many radiators selling for several dollars more.

Guaranteed 18 Months

We guarantee the core a full 18 months—a full year and a half, against breakage caused by freezing. If freezing should injure the core within 18 months, we will give you a new core. Shipping weights: Complete, 40 pounds; without shell, 35 pounds. Can be shipped by freight or express only.

Complete Radiator with Shell

161 C 1899—For 1917-1923 Fords ..... $ 9.45
161 C 1900—For 1916 and older Fords 11.85
161 C 1910—For 1924-1925 Fords 10.95

Radiator without Shell

161 C 1901—For 1917-1923 Fords $8.65
161 C 1912—For 1924-1925 Fords 9.85

Built Stronger Last Longer

$18.25

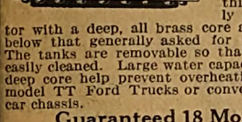
Radiators for Ford Trucks

Our long experience in the Radiator business enables us to offer Ford Truck owners this exceptionally strong radiator with a deep, all brass core at a price far below that generally asked for such quality. The tanks are removable so that core may be easily cleaned. Large water capacity and extra deep core help prevent overheating. Fits all model TT Ford Trucks or converted pleasure car chassis.

Guaranteed 18 Months

We are so certain you will appreciate this big value that we offer you 30 days trial and guarantee it for 18 months service against breakage, from freezing. Shipping weights, 64 and 67 pounds.

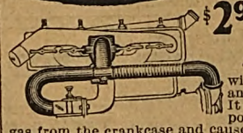
161 C 1861—For 1917 to 1923 trucks $18.25
161 C 1870—For 1924–5 Ford trucks 19.35



Gasoline System

Feeds warm gasoline to the carburetor even on steepest hills, regardless of amount in your tank. Always contains one quart—enough to take you over a long hill. Gas is kept warm by heat from the engine. The saving on gasoline alone will soon pay for the System, and you will not need to keep the tank full for the hills. It is under the hood, out of sight. Easy to install; no cutting to do, no holes to drill. All connections, tubing and instructions included.

61 C 2202—Complete outfit $2.35
Postage, 10¢ extra



$2.95

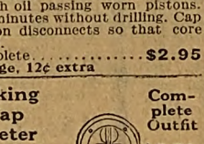
Gasoline and Oil Saving Manifold

This Manifold will save gasoline and lubricating oil. It draws hotoily vapor and unburned gas from the crankcase and causes them to pass over a hot spot attached to the exhaust manifold and then enter the carburetor where the old hot air pipe was connected. This mixture lubricates the valves and tops of the cylinder walls and piston much like the method advocated by car makers of putting some oil in the gasoline to prevent valves sticking and scoring of cylinders and pistons. The suction of the carburetor creates a vacuum in the crankcase preventing oil leaking past the gaskets and too much oil passing worn pistons. Can be put on in ten minutes without drilling. Cap on flexible connection disconnects so that core may be easily cleaned.

61 C 2165—Complete $2.95
Postage, 12¢ extra

Keyless Locking Radiator Cap and Motometer

Complete Outfit **$3.70**

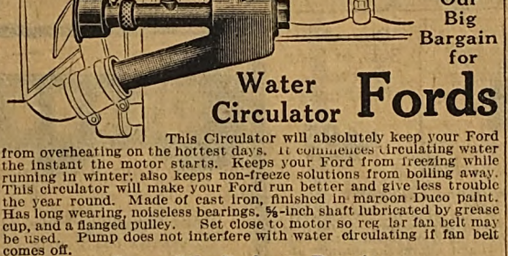


A brand new, greatly improved Keyless Motometer Locking Cap for Fords at the lowest price we have ever seen for such an excellent model. This beautiful nickel plated cap with the neatly proportioned arms makes a radiator more attractive.

Makes It Easier to Fill Radiator

The automatic locking device prevents cap or motometer being removed. The cap is hinged so it tips sideways for filling radiator. To release or close the cap just pull or push motometer sideways. Hole drilled for Midget and Junior Motometers. Fits all Fords; 6¾ inches from tip to tip. Motometer not included.

61 C 3608—New Midget Motometer only $2.60
61 C 4226—Locking Cap and Midget Motometer 3.70
61 C 4229—Locking Cap only 1.15
Postage: 8¢, 10¢ and 8¢ extra



$1.69

Our Big Bargain for Water Circulator Fords

This Circulator will absolutely keep your Ford from overheating on the hottest days. It commences circulating water the instant the motor starts. Keeps your Ford from freezing while running in winter; also keeps non-freeze solutions from boiling away. This circulator will make your Ford run better and give less trouble the year round. Made of cast iron, finished in maroon Duco paint. Has long wearing, noiseless bearings. ⅝-inch shaft lubricated by grease cup, and a flanged pulley. Set close to motor so regular fan belt may be used. Pump does not interfere with water circulating if fan belt comes off.

Saves Oil—Reduces Repairs

Easy to install on the side of the motor in place of water inlet connection. Any one can put it on in a few minutes—full instructions included. Fits all models of Ford cars and trucks.

61 C 2113 ..... $1.69
Postage, 24¢ extra

Improved Water Circulator for Fords

Extra strong. Exceptionally well constructed with carefully fitted bronze bearings lubricated by a convenient grease cup. Made by one of the very largest manufacturers and guaranteed the finest and best cooling circulator you can buy. Easily installed. Complete with belt and fittings.

Postage, 14¢ extra

Metal Radiator Shutter Saves Dollars for You

$3.25

This new all metal easily controlled Shutter is the equal in appearance, service and protection to others selling for from $8 to $15. It is a beauty, with its lustrous black enamel finish and it fits so snugly and tightly that it looks like an actual part of the radiator.

Saves Gasoline—Engine Runs Better

Customers tell us the saving in gasoline alone during the winter will pay back the cost of this shutter. The engine warms up quicker so you can turn down the needle valve and run better on less gasoline. Then there is the protection against freezing as you can close the shutter before you stop and hold the heat in the radiator. The metal wings of the shutter are controlled by a wire which is placed in easy reach on the steering column. We recommend this as the best radiator shutter value on the market.

61 C 3730—For 1917 to 1923 Fords $3.25
61 C 3731—For 1924 and 1925 Fords 3.25
Postage, 16¢ extra

$3.95

Ward's Super-Power Carburetor

The best Caburetor we have ever offered. It is constructed of the finest materials and built by a manufacturer with years of experience in making carburetors for fine cars. **We guarantee it to make these improvements on Fords.**

1. **Save Gas.** Specially designed mixing chamber gives from three to ten miles more per gallon of gas.
2. **Make Motor Run Smoother.** Automatic gas feed controls the flow and keeps the mixture just right at all speeds.
3. **Give Quicker Pickup without Jerking.** The automatic control prevents "loading" with too much gas.
4. **Make Starting Easy.** An extra jet operated from the dash supplies more gas for starting and warming up.
5. **Increase Power and Speed.** Gas is entirely vaporized in the Super-Power. This explosive mixture has more punch. This carburetor is guaranteed to do all we claim.

61 C 2300—For all Fords $3.95
Postage, 16¢ extra

Kingston Carburetor

This new model insures clean gasoline because it has a special fuel cleaner. Many tests have shown mileage of 26 to 30.6 miles per gallon on touring cars, coupes and roadsters; and from 21 to 25.4 miles to gallon on sedans. Spray nozzle. Fits all Fords.

61 C 2153 ..... $4.45
Postage, 12¢ extra

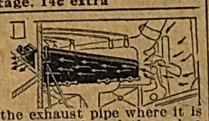
Holley Carburetor

Standard "NR" model which has been used as regular equipment by the Ford Motor Co. for years. It incorporates many new features that have been developed after eighteen years of experience.

$3.75

61 C 2190 ..... $3.75
Postage, 16¢ extra

Sure Warm Heaters for Fords



Simple, compact metal that carries fresh air over the exhaust pipe where it is quickly heated and then forced through a register in the dash board. Furnishes plenty of heat. No noise, no odor, no gases. Simply place over exhaust pipe and tighten the manifold clamps over two metal strips, place register in dash. Fits all Fords.

61 C 2320 ..... 55¢
Postage, 8¢ extra

Kingston Register Type Heater for Fords

$2.65

Drive all winter and be comfortable by using this easily installed Kingston Heater. Carefully built to fit over the manifold and attach to the floor board. Fresh air is heated by passing through the cover over the manifold. The register in floor board has a two-way valve which is opened or closed by a touch of the foot. Made of heavy gauge metal with a baked-on black enamel finish. Furnished complete ready to install. Fits all Fords.

61 C 2244 ..... $2.65
Postage, 11¢ extra

89¢

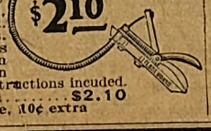
Positive Action Foot Accelerator

Gives you foot control of the gas and greater freedom of the hands. A foot rest next to the pedal holds your foot steady on all kinds of roads. Its action does not affect the hand throttle. All parts strongly made and designed for easy action and simple attaching.

61 C 2033 ..... 89¢
Postage, 8¢ extra

Our Best Foot Accelerator

$2.10



Constructed of best grade of aluminum, brass and spring steel. Only three connections. The pedal projects through a small slot in the floor mat. Vibration does not affect it. Instructions included.

61 C 2302 ..... $2.10
Postage, 10¢ extra

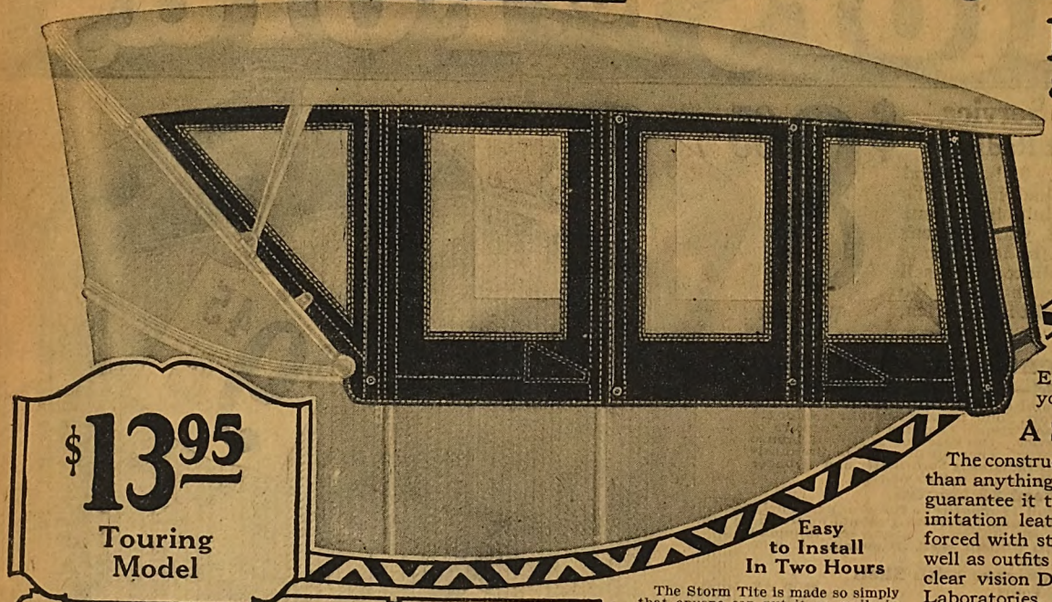
Ward's *Storm Tite* Winter Enclosure for Fords



Drive in Comfort and Make Your Ford More Attractive

Now Ford auto owners can enjoy the comfort, the luxury, healthfulness and convenience of a closed car without closed car rattles, closed car weight or closed car cost. We want every one of our customers who owns a Ford open car to have this Storm Tite Winter Enclosure. You can then really enjoy the use of your Ford all winter long.

$13.95
Touring Model

A Strictly High Grade Enclosure

The construction of the Storm Tite Enclosure is so much better than anything ever offered at near these prices, that we positively guarantee it to satisfy you in every way. Sides are high grade imitation leather, mounted on heavy stiff material and reinforced with steel framework so they will hold their shape just as well as outfits selling for $25 to $40. The large lights are thick, clear vision Du Pont Pyralin, developed in the famous Du Pont Laboratories. This clear vision saves many accidents. Three doors in touring and one in roadster open like closed cars. Do not confuse the Storm Tite with door opening side curtains. The Storm Tite is a special outfit that is rigid, neat looking and snug fitting at all points.

Buy this enclosure early—before the cold weather begins. It is just as useful in the spring and fall as in the winter.

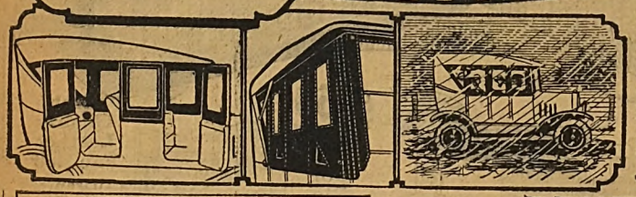
Shipping weights: Touring, 25 pounds; roadster, 12 pounds.

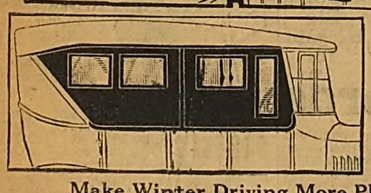
461 C 2635—For touring; all 1923-24-25 ..... **$13.95**
461 C 2637—For roadster; all 1923-24-25 ..... **7.45**

Easy to Install In Two Hours

The Storm Tite is made so simply that anyone can put it on easily in less than two hours with only ordinary tools found in almost any home. No drilling. You can not make a mistake, as each piece is plainly marked. The Storm Tite will not scratch or mar the body in any way. And you can leave this enclosure on until the last cold days are gone as there is a ventilating arrangement provided in the left front door light in both touring and roadster.

You can buy the Storm Tite Enclosure only from Ward's.





Complete Sets of Side Curtains for Fords

$4.95

Make Winter Driving More Pleasant

If your present Curtains are faded or the celluloid cracked, order this complete set and be prepared for stormy weather. Made from rubberized fabric. Fits perfectly and will add much to the attractiveness of your car. Protects you from wind and rain in the summer and in winter keeps out the snow and cold. Double thickness reinforcement for fasteners. Furnish plenty of light. Complete with fasteners for attaching to your car.

Ward's *Perfect Fit* Top Re-Cover Outfits for Fords

Dress Up Your Ford at a Very Small Cost

For Those Who Want the Best

Our new De Luxe Long Grain Outfit is the best Top Re-Cover for Fords we have ever sold. It is made of high grade imitation leather, strongly reinforced at all points of strain and wear. The seams are lockstitched with extra strong thread and do not tear out easily like ordinary outfits sold sometimes at about these prices. You can use your regular side curtains with the De Luxe outfit. Another advantage is the 6 by 18-inch glass light in a strong metal frame. It is fully large enough to give a clear rear view so an inside rear vision mirror can be used with good results. The long wearing De Luxe outfit will make your car look better than when new.

Easy to Install

The Challenge Pebble Grain Outfit is similar to Ford regular equipment, but better made than most outfits sold near our price. Made of rubberized fabric, fully reinforced.

To install, simply remove the old cover—slip new one on and tack it down. Fastenings and trimmings included.

For those who want the best, we recommend the De Luxe Long Grain material.

Stewart Speedometer for Fords

$11.95

The very latest model, fitted with improved colored dial. On the dial are five different colors which represent certain parts of the car and their appearance indicates that sufficient mileage has been run to necessitate lubricating that particular part.

The 100 mile trip register can readily be set at zero before starting and a record kept of mileage traveled. Special charts furnished. For all Fords that have instrument or cowl board. Complete, including flexible shaft and swivel joint. Has a rotating speed dial with a 75-mile capacity, a 100,000 mile season register. Black enamel finish. Diameter, 3¾ inches; depth, 2½ inches.

61 C 2197 ..... $11.95
Postage, 28¢ extra

Pedal Pads

Set of 3 **30¢**

A big help in preventing feet slipping off pedals. Rubber composition with metal bands at the base which are easily bent around the pedals in two minutes. Especially desirable in wet, slushy weather.

61 C 2341—Set of 3 ..... 30¢
Postage, per set, 3¢ extra

Locking Door Handles

$1.85 A Pair

For Ford Closed Cars

You will always feel better about things in the car when the doors are locked. Nearly all the new model closed cars have locking door handles. The left handle opens only from inside. The right handle has two keys. No screws exposed. Simply remove the present handles and replace them with these polished white metal locking handles. Length of handle, 3¾ inches.

61 C 2690—Per pair. $1.85
Postage, per pair, 10¢ extra

Aluminum Door Handles

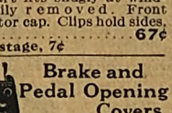
75¢ Each

Why continue with the old Handles that many times are almost impossible to pull when these popular outside door handles cost so little and mean so much. They are made of aluminum, neatly finished and are easy to operate. Can be easily put on the Ford, Chevrolet, Star and Overland touring cars or roadsters. Length of handle, 3 inches.

61 C 2395—Each ..... 75¢
Postage, each, 5¢ extra

Rain Shield

67¢



Prevents water leaking to the coils or wiring through dash or hinged part of the hood. Durable rubberized fabric material. Top part fits snugly at windshield, and is easily removed. Front fastens over radiator cap. Clips hold sides.

61 C 2585 ..... 67¢
Postage, 7¢

Brake and Pedal Opening Covers

69¢ A Set

Winter or summer you will appreciate these Covers. No cold breezes in winter to chill you; no hot drafts to burn you in hot summer weather; no dirt can get through when it's dusty. Covers are made of fabric attached to carpet base. Snap fasteners hold them snug to shanks, but do not interfere with operation of pedals or lever. Fit all Fords.

61 C 2607—Per set ..... 69¢
Postage, per set, 7¢ extra

Anti-Draft Shield for Fords

33¢

Fits snugly over front edge of top and keeps out the rain and snow. Heavy rubber coated auto cloth. Comes complete with fastenings.

61 C 2613 ..... 33¢

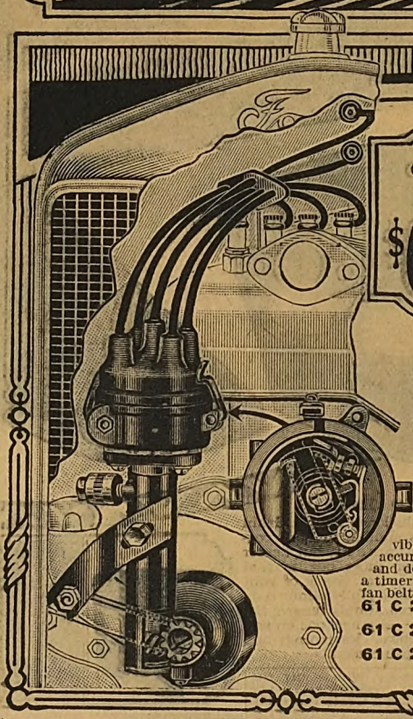
Ward's Tornado HOTTER SPARK Ignition System for Fords

Easier Starting



Complete Outfit $6.25

Ward's now offers Ford owners an Ignition System that anyone can install in 30 minutes, as simply as a timer. It is correctly set at the factory so you can put it on without retiming the motor. This feature is exclusive in the Tornado System, which may be purchased only from Ward's.

The Tornado was designed by engineers who built several popular ignition systems used on cars selling for from $1500 to $6000. Manufactured only for us by one of the largest makers of ignition parts. Throughout it is of the finest construction. The die cast body is finished in genuine Duco paint. Cap is shortproof Bakelite. All wires are heavily insulated and contact points are pure Tungsten. The Tornado Ignition equals or excels any system on the market. We could not offer Ford owners a better system at any price.

Requires No Timing

The Tornado Ignition will give your Ford car more power and speed, faster pick-up without jerking and a smoother running motor with less vibration at all speeds from 5 miles per hour up; also an accurately timed, hotter spark that will increase gas mileage and decrease carbon troubles. It will give less trouble than a timer because all wires are high up away from oil, dirt and fan belt. Furnished complete with instructions for installing.

61 C 2203—For use with battery only, and one of your regular Ford coils. **$6.25**

61 C 2204—For use with battery only, complete with special coil **$9.25**

61 C 2205—For use with magneto only, and one of your regular Ford coils. **$6.25**

Postage, 22¢, 18¢ and 22¢ extra

Ward's Timer

Guaranteed 10,000 Miles

$1.85

Prevent trouble and frequent replacements by installing this dependable Timer. Gives your car more pep and speed, insures easy starting in any kind of weather, delivers more powerful sparks and is practically trouble proof.

It has a patented flint hard roller that makes a sure spark every time it passes between the double contact points, assuring absolutely accurate timing. Using this timer you can throttle down the engine without bucking, and then your engine speeds up quickly with an even flow of power. We want every one of our customers who are Ford owners to order this timer now. Remember, we guarantee it for 10,000 miles and will replace any that do not measure up to this guarantee. This timer will give you satisfactory service and save you many times this very low purchase price.

61 C 2399 ..... **$1.85**

Postage, 8¢ extra

Red Star Timer

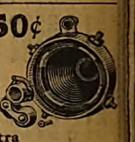
To get all the speed and power out of your Ford, you must use a good Timer. We recommend the Red Star as one of the best obtainable. The wearing parts are made of specially treated steel and will last longer than the ordinary timer. The better workmanship and the better materials make the Red Star give you much better service.

61 C 2201 ..... **$1.45**

Postage, 8¢ extra

Low Priced Timer

50¢

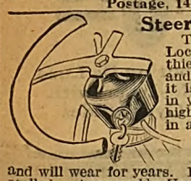


Roller type most generally used on Fords, at an exceptionally low price, made possible by our large sales. Hardened steel roller held by a coil spring. Fits all models.

61 C 2133 ..... **50¢**

Postage, 5¢ extra

Steering Wheel Lock



This Steering Wheel Lock will discourage any thief. Lock your car and leave it anywhere—it is as safe as the key in your pocket. It is a high grade tumbler lock in a case hardened, drop forged steel housing. All working parts are hardened steel and will wear for years. Easily and quickly installed. Approved by Underwriters.

61 C 2261 ..... **$3.75**

Postage, 12¢ extra

Oversize Steering Wheel with Lock

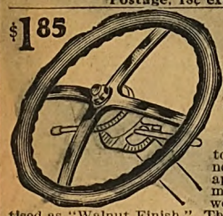
It is a real pleasure to drive your Ford with an easy grip on this oversize, good looking Steering Wheel. Its heavy, solid walnut rim with finger grip and the strong aluminum spider give you a feeling of sureness, driving at any speed. Diameter of wheel, 18 inches. Built right into the wheel is a high grade tumbler safety lock which makes your Ford thiefproof. Approved by Underwriters' Laboratories, which reduces the cost of insurance. Horn button on top of steering post.

61 C 2260 ..... **$8.95**

Postage, 18¢ extra

Big Oversize Steering Wheel

$1.85



This big oversize 17-inch Steering Wheel is made of genuine walnut like that used in wheels selling for $7.50 to $10.00. It will not warp or pull apart like wheels made of inferior wood and advertised as "Walnut Finish." The corrugated rim is hand rubbed and polished to last. Strong spider is highly polished aluminum. A great improvement over others near this price.

61 C 2077 ..... **$1.85**

Postage, 14¢ extra

Extensions for Gas and Spark Levers

18¢

After once using these greatly improved patented Extension Levers you will never drive without them. They add 2 inches to length of the levers and fit right to the fingers without reaching. Prevent accidents. Made of best grade aluminum, highly polished. Fastened in a minute. Fit all Fords—Ends are concave shape so they do not cut the fingers. Every Ford should have a pair.

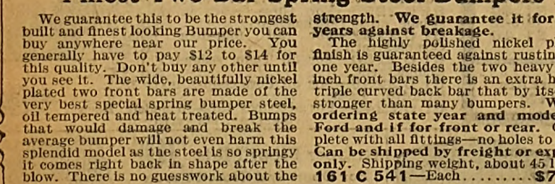
Bumpers for Fords



$7.50

Every Ford Needs Two Bumpers

Finest Two-Bar Spring Steel Bumpers

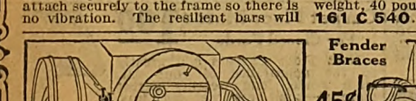
We guarantee this to be the strongest built and finest looking Bumper you can buy anywhere near our price. You generally have to pay $12 to $14 for this quality. Don't buy any other until you see it. The wide, beautifully nickel plated two front bars are made of the very best special spring bumper steel, oil tempered and heat treated. Bumps that would damage and break the average bumper will not even harm this splendid model as the steel is so springy it comes right back in shape after the blow. There is no guesswork about the strength. **We guarantee it for two years against breakage.**

The highly polished nickel plated finish is guaranteed against rusting for one year. Besides the two heavy 1½-inch front bars there is an extra heavy triple curved back bar that by itself is stronger than many bumpers. **When ordering state year and model of Ford and if for front or rear.** Complete with all fittings—no holes to drill. **Can be shipped by freight or express only.** Shipping weight, about 45 lbs.

161 C 541—Each. **$7.50**

Big Bargain Spring Bumper

Guaranteed 2 Years Against Breakage

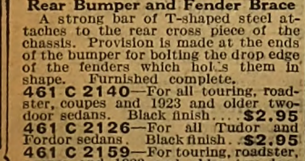


An exceptionally good low priced Bumper of the type generally sold for $10 or $12. It is guaranteed for two years against breakage.

The bars are extra heavy—1½ by 5/16 inch—and made of oil tempered, heat treated carbon spring steel. Heavy arms keep them in rigid position and attach securely to the frame so there is no vibration. The resilient bars will absorb a severe shock. Bars are finished in highly polished nickel over heavy copper plating. Finish is **guaranteed against rust for one year.** Furnished complete with all necessary parts for attaching. No drilling is required. **In ordering state year and model of Ford, and if front or rear.** Shipping weight, 40 pounds.

161 C 540 ..... **$6.75**

Money Saver Rear Bumper and Fender Brace



A strong bar of T-shaped steel attaches to the rear cross piece of the chassis. Provision is made at the ends of the bumper for bolting the drop edge of the fenders which holds them in shape. Furnished complete.

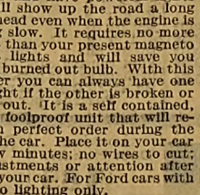
Postage, per pair, 8¢ extra

200 Per Cent More Light For Ford Head Lights Operated from Magneto



Don't take chances of running off the edge of the road hitting culverts or dropping in holes just because your lights are faint. Put on this Brite Lite Intensifier and have powerful lights that will show up the road a long ways ahead even when the engine is running slow. It requires no more current than your present magneto current lights and will save you many a burned out bulb. With this equalizer you can always have one good light if the other is broken or burned out. It is a self contained, rugged, foolproof unit that will remain in perfect order during the life of the car. Place it on your car in a few minutes; no wires to cut; no adjustments or attention after it is on your car. For Ford cars with magneto lighting only.

61 C 2057—Without dimming switch; for use only on 1915, 1916 and 1917 model Fords. **$1.10**

61 C 2058—With dimmer. Absolutely necessary for use on 1918 to 1925 model Fords. Dimmer type may also be used on 1915, 1916, 1917 model Fords. **$1.75**

Postage, 10¢ extra

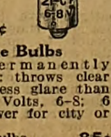
More Lite Plug for Fords

For lights operated by the magneto. Attaches in right hand head light socket. More than doubles the volume of light at all engine speeds and provides strong, reliable light for slow engine speeds. Keeps one bulb alive if other burns out. Nothing to wear out.

61 C 2056 ..... **25¢**

Postage, 2¢ extra

Special Bulbs for Fords



White Bulbs are double filament Type C nitrogen filled, the type used for equipment on Ford cars. Volts, 6–8; candle power, 4 and 21.

61 C 8130—2 bulbs. ..... **57¢**

Special Blue Bulbs

Entirely new, permanently stained blue color; throws clear white light with less glare than ordinary bulbs. Volts, 6–8; 6 and 32 candle power for city or country driving.

61 C 8139—2 bulbs. ..... **85¢**

Postage, 2 bulbs, 6¢ extra

Greater Safety

$11.25 Improved Steering Gear for Fords

The Ford owner who has driven big heavy cars that steer easier than the Ford, knows the big improvement that the gear type steering arrangement is over the direct drive. This complete steering post with its simple, smooth turning gear action makes Ford driving so much easier that you wouldn't think of being without it after driving for an hour over rough roads. This type steering gear is a necessity on Fords having balloon tires. With it you can take long trips through sand, mud or deep snow without grabbing or hard pulling on the steering wheel. On the average roads just a light touch on the wheel steers the car. This outfit is worth the price for the safety feature alone as it can not lock even when wheels are very sharply turned.

The main shaft to which the steering wheel is attached is made of special heat treated steel that will give long satisfactory service. All parts are extra strong and carefully machined. The outfit includes the complete steering post with all necessary parts and instructions for easy installation. You can put it on yourself as there is no drilling, filing or cutting necessary.

461 C 1902—Complete outfit for all passenger cars.....**$11.25**
461C1930—For Model LTT Trucks.....**11.65**
Postage, 40¢ extra

$1.59 Safety Pilot Steering Device

Thousands of Ford owners have found this Safety Pilot Steering Device a helpful driving aid, as it holds the front wheels in a straight line, even though you are traveling over rough, sandy or muddy roads. It saves the tires by keeping them running straight.

Makes Steering Easier

An enclosed spring gives a tension on the steering connections that eliminates constant wobbling of the wheels when traveling over rough roads, thus taking the strain off the driver's arms. Even though you take your hands off the steering wheel the car will keep traveling straight. Made of malleable iron with a high grade spring.

61 C 2287—Complete outfit.....**$1.59**
Postage, 16¢ extra

$3.95 A Pair — Self Steering Spindles

Now you can drive your Ford over the roughest roads, over bridges and car tracks, or through deep sand and mud with just a light touch of the hand instead of the tight gripping and back straining old way. With these Spindles on your Ford you can take your hands off the steering wheel and your car will run in a straight line. These spindles are offset instead of straight. Takes the place of Ford spindles—no drilling.

61 C 2111—Per pair.....**$3.95**
Postage, per pair, 22¢ extra

Universal Dash Oil Gauge

Don't take chances of burning out your bearings. Use this Gauge and be on the safe side. It's always in sight and always accurate. Connect it to the lower petcock and you'll never again have to crawl on your knees in the dirt and grease to to test the oil supply.

This gauge has no floats, no wires or metal working parts to wear out. Easily read dial with highly polished nickel rim and black background. Every Ford owner should put one on his car. Fits all models and is so strongly made it will last as long as your Ford.

61 C 2801.....**$2.30**
Postage, 8¢ extra

Force Feed Oiler 95¢

The Ford oiling system has an oil pipe inside the motor, which carries oil by gravity feed from the rear to the front. Often the pipe becomes clogged by small particles of worn transmission lining or dirt resulting in burned out bearings and scored cylinders. With this System the oil is driven to the front by the force of the flywheel. Outfit consists of a new magneto plug with an oil outlet, an outside oil pipe and hollow crankcase nut.

61 C 2151.....**95¢**
Postage, 8¢ extra

Lubricating Oil Gauge

This quickly attached Gauge does away with crawling under the fender in the dirt. A thick glass tube, protected by a metal guard, shows exact height of lubricating oil. Simply unscrew the lower petcock and replace with gauge. Petcock screws in base of gauge.

61 C 2511.....**20¢**
Postage, 2¢ extra

Gaso line Gauge 65¢

A reliable, easily read Gauge that takes the place of the screw cap in the gas tank. Indicator is operated by a float.

61 C 2161—For Ford open cars up to 1920, and all coupes with round tanks.....**65¢**
61 C 2956—For Ford open cars 1920 to 1925 and also four-door sedans and 1924-5 model coupes with oval tanks.....**65¢**

Postage, 7¢ extra

A Great Improvement Ward's Stronghold Rear External Brakes

Good Brakes are Just as Necessary as a Good Engine

Easily Put on Without Drilling

Dependable Rear Brakes for Fords

Put on these latest model Stronghold External Brakes and give your Ford as fine a braking system as is on many high priced cars. Stronghold brakes eliminate the constant and troublesome adjustment of transmission bands and will bring your Ford to a quick sure stop without jerk or chatter. A specially designed equalizing device distributes the leverage so they brake evenly on the rear drums, reducing tire wear and any tendency to skid.

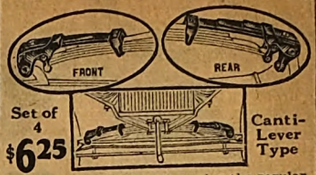
Save Several Dollars — By Purchasing This Outfit from Ward's

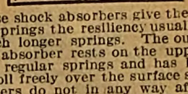
You can easily put them on with regular Ford wrenches. No drilling. All parts are made to fit without altering the car in any way. The bands are lined with a high grade asbestos brake lining which gives long wear. The patented, perfect acting equalizer affords an equal pressure on both rear wheels and immediately releases when you let the pedal back. Stronghold Brakes are constructed of the finest materials and will give you long trustworthy service. They are a necessity on all Ford cars and trucks, especially in hilly country. Shipping weights: 20 and 30 pounds. Can be shipped by parcel post.

461 C 1892—For Ford Passenger Cars.....**$ 5.95**
461 C 1869—For Ford 1-ton Trucks.....**10.25**

Complete Set **$5.95**

Shock Absorbers for Fords



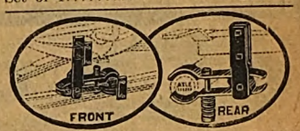


Set of 4 **$6.25** Canti-Lever Type

These shock absorbers give the regular Ford springs the resiliency usually found in much longer springs. The outer end of the absorber rests on the upper part of the regular springs and has bearings that roll freely over the surface so these absorbers do not in any way affect the downward action of the regular springs. Snubber action helps to prevent severe rebounds and sidesway.

All attachments are furnished for bolting these shock absorbers to spring. No drilling is necessary. Instruction book included. Ship. wt., per set, 24 lbs. **Can be shipped by parcel post.**

461 C 1850—For all touring, roadster and coupe. Set of 4.....**$6.25**
461 C 1851—For all sedans. Set of 4.....**$6.25**



Smooth Rider Shock Absorbers

A new, thoroughly tested set of Shock Absorbers for Fords that has advantages found only in the highest priced absorbers. It works on the cam principle used in the most expensive outfits that are installed on real high price cars. As the body of your Ford rises after the wheels hit a bump the cam spreads one end of the levers so the other end which is faced with brake lining gently grips a drum or housing. This action stops all severe bouncing and jarring on rough roads.

This set will make your Ford ride smoother than many outfits costing two or three times our price. And furthermore you can put it on in 15 minutes without drilling, by simply clamping to frame and attaching to axles. Adjustable spring gives right tension for every Ford. Set consists of two absorbers, one each, for front and rear. Ship. wt., per set, 18½ pounds.

461 C 1920—For all Ford cars.....**$5.89**
461 C 1921—For ½-ton Truck only.....**5.98**

Aluminum Hub Caps

Set of 4 **43¢**

These durable and distinctive aluminum hub caps replace the old ones on your Ford and cost very little. They are inexpensive. Brightly polished and will not rust. Red enamel centers.

61 C 2687—Set of 4.....**43¢**
Postage, 4¢ extra

Hub Shields and Cap

$1.35 Set of 4

Center of hub cap is bright red, on a six-inch aluminum flange. It covers up the old hub, which usually gets rusty or greasy. These are easily kept clean because the smooth, polished surface does not hold dirt and grease. They always look new and clean. You will be delighted with this improvement.

61 C 2152—Set of 4.....**$1.35**
Postage, per set, 8¢ extra

Anti-Rattling Steering Gear Ball Socket

For steering gear connecting rods. Takes the place of steel caps. Spring behind pivots takes up the wear and does away with all rattle. When once attached no further adjustment needed. Fully dependable.

20¢ A Pair

61 C 2502—Per pair.....**20¢**
Postage, per pair, 2¢ extra

Brake Rod Silencers

Set of 4 **19¢**

These Silencers hold both front and rear connections of the brake rods firmly and reduce the wear besides, doing away with the annoying rattle.

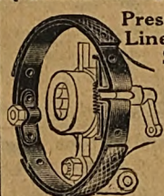
61 C 2500—Set of 4.....**19¢**
Postage, per set, 2¢ extra

$3.15 Rex Hi-Pressure Greasing System for Fords

Outfit includes eight fittings to take the place of the old grease and oil cups. The 7½-inch gun with heavy steel barrel holds enough grease to take care of several bearings and does the job quickly. It forces the old grease and grit out so you have new fresh grease that makes the bearings work freely and quietly. Non-leaking swivel joint with special coupling to connect to the Rex fitting enables you to reach all bearings easily and quickly. Outfit is complete with gun and eight fittings for most important places.

61 C 4203—Complete outfit.....**$3.15**
Postage, 14¢ extra

Pressed Steel Lined Brake Shoes



Guaranteed Not to Break **95¢** A Pair

To every Ford owner who is in need of new rear Brake shoes we recommend these steel brakes which are similar to the brakes used on nearly all larger cars. They are lined with high quality asbestos brake lining which may be quickly replaced when worn. Our low price gives you these improved brake shoes for almost the same price generally asked for the ordinary iron type. Good quality steel. Fit all Fords, 1909–1925.

61 C 2303—Per pair.....**95¢**
61 C 2304—Cast iron, asbestos lined Shoes for ton truck. Per pair.....**$2.60**
Postage, per pair, 12¢ extra.

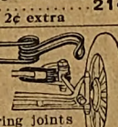
Radius Rod Anti-Rattling Ball Sockets for Fords

21¢

Automatically takes up wear on those rods that extend from front axle of Ford cars to ball socket connection under engine. Patented spring holds the socket against the ball doing away with the frequent adjustments necessary with regular sockets. To install, you simply take off old socket and put this in its place. Adjustment which can be tightened if spring becomes loose.

61 C 2503.....**21¢**
Postage, 2¢ extra

Steering Silencers



20¢ A Pair

Clamps around the steering joints and tie rod. A big help in steering the car, for they prevent slack in the steering knuckle connections and shimmying. Made of high quality spring steel.

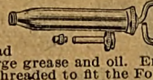
61 C 2499—Per pair.....**20¢**
Postage, per pair, 2¢ extra

Steering Column Brace

Strengthens and makes steering column rigid. Strains frequently bend or break steering column. Finished in black enamel and furnished with bolts. Fits all models except sedans and 1923-5 coupes.

61 C 2326.....**45¢**
Postage, 5¢ extra

Oil and Grease Gun



It will load and discharge grease and oil. End of Gun is threaded to fit the Ford differential, but is a handy gun for use around any car. Heavy metal tubing, 1¼ by 7½ inches. Double leather plunger. Capacity, 6 ounces. Brass with brushed finish. Length, 8 inches; diameter, 1¼ inches.

61 C 9815—Complete.....**37¢**
Postage, 5¢ extra

Iron Brake Shoes

Replace regular Ford shoes.

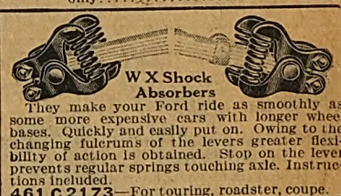
61 C 2824—Per pair.....**38¢**
Postage, per pair, 8¢ extra

Rebound Check Springs

Prevent much spring breakage and shocks. Made of oil-tempered steel attached to strong web straps. No holes to drill. Fits all Fords.

61 C 2075—Front. Per pair.....**$1.35**
61 C 2076—Rear. Per pair.....**$1.35**
Postage, per pair, 14¢ extra

W X Shock Absorbers



They make your Ford ride as smoothly as some more expensive cars with longer wheel bases. Quickly and easily put on. Owing to the changing fulcrums of the levers greater flexibility of action is obtained. Stop on the lever prevents regular springs touching axle. Instructions included.

461 C 2173—For touring, roadster, coupe. Set of 4.....**$4.95**
461 C 2174—For Ford Sedans. Set of 4.....**4.95**
Postage, per set, 34¢ extra

Transmission Linings for Fords

Set of 3 **$1.40**

Yankee Twist Lining is one of the very finest, longest wearing linings you can buy regardless of price. The highest quality extra long fiber staple cotton is woven so close and firm that much more material is used than in most linings. This means longer wear and you can stop the car more smoothly. Every fiber is thoroughly saturated by a special chemical treatment that adds to the life of the lining and makes it resist the action of oil and heat in a most surprising way. Every Ford owner who desires the best should buy Yankee Twist. Rivets included.

61 C 2400—Set of 3.....**$1.40**
Postage, per set, 8¢ extra

$1.25 Self Oiling Transmission Lining

This lining is similar to our Ward Grip, but has a strip of felt sewed on the back, which serves as a reservoir for oil. When the brake pedal is pressed, oil is forced through the lining, preventing excessive vibration and keeping the surface soft and pliable. Light pressure on the pedal brings immediate braking action. Rivets included.

61 C 2401.....**$1.25**
Postage, 8¢ extra

Cork Disc Lining Set of 3 $1.20

The gripping power and stability of cork is proved by its general use on clutches of large cars. Holds securely but does not cause grabbing, jerking or chattering when starting or stopping. Rivets included.

61 C 2078—Set of 3.....**$1.20**
Postage, per set, 8¢ extra

Ward Grip Lining

Made of fine quality, long staple cotton firmly and closely woven. Treated chemically so they last longer and are not affected by oil or heat like untreated linings. Rivets included.

61 C 2392—Set of 3.....**69¢**
Postage, per set, 7¢ extra

One-Piece Transmission Lining for Fords

$1.85

This one-piece Transmission Lining, with its special demountable feature, reduces greatly the work of relining your Ford transmission. Installation is so simple and easy that only 15 to 20 minutes' work is necessary. One piece is sufficient to line all three bands. The lining is one of the very finest obtainable.

61 C 2157—Each.....**$1.85**
Postage, each, 5¢ extra

Non-Chatter Band for Fords

Set of 3 **$3.85**

Their patented construction removes the chatter, jumping and jerking. Hinged so they take hold evenly all the way around the drums and do not grab in spots. Faced with high quality lining. Linings can be renewed without removing the upper half of transmission case.

61 C 2360—Set of 3.....**$3.85**
Postage, per set, 14¢ extra

Transmission Band Adjuster 75¢ A Pair

Use these and end the trouble of frequent adjustments and the jumping and jerking caused by loose bands. As the lining wears the pedal goes down a little lower and a dog drops in ratchet automatically turning the adjusting nut ahead very slightly. This action keeps the bands just right at all times without attention. They fit both brake and reverse bands and are easily put on.

61 C 2130—Per pair.....**75¢**
Postage, per pair, 5¢ extra

Transmission Tool 35¢

A useful tool when relining transmission bands. Clamp holds the bands in position and the wrench handles the adjustment nuts. Wrench attached to clamp by a chain so it can not be dropped into crankcase.

61 C 2366.....**35¢**
Postage, 4¢ extra

Complete Set of 12 Oil Saving Piston Rings for Fords

Guaranteed to Improve Your Ford

After three years of testing and experimenting, we offer Ford owners this combination of four Oil Circulating and eight Quick Seating Stepcut Piston Rings as the ideal combination for giving power and saving oil in all Ford motors, old or new. In many motors this set will eliminate the necessity of expensive reboring and quickly repay its price in the saving of oil. Many expert repairmen who have used these rings claim this set is the best combination they have ever used. Full instructions for installing included.

Perfect Fitting Parts for Fords That Will Increase Power and Save Gasoline

Counterbalanced Crankshafts

Make Fords Run Smoother

Counterbalanced Crankshafts have proved such a great success that they are now used on many of the highest priced cars.

The great improvement this counterbalanced crankshaft makes in the Ford motor has caused thousands of owners to discard the regular type. The power impulses are smoothed out so that the motor may be slowed down till it barely turns over or runs at high speed with a small amount of vibration. These one-piece drop forged crankshafts are perfect fitting with all wearing parts machined and polished to a glassy surface.

461 C 2093 ..... $13.85

Postage, 50¢ extra

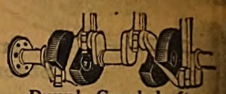
$6.45

Standard Type Crankshaft for Fords

This Crankshaft replaces Ford Part No. 3030. Drop forged steel of the very highest quality accurately machined to proper size. This crankshaft is the equal of many others selling for several dollars more.

461 C 2324 .. $6.45

Postage, 38¢ extra



Dunn's Crankshaft Counterbalances for Fords

Give your Ford motor this improvement which has proved such a success on big cars. Counterbalances are a great aid in preventing strain on crankshaft and in reducing wear on bearings. They make the motor operate more smoothly at all speeds, as counterbalances carry pistons over the gap between the explosions and smooth the power impulses. Can be put on quickly by the average Ford owner. Can not come off.

61 C 5006—
Set of 4 ..... $4.15

Postage, per set, 30¢ extra

Don't Miss Page 605

When Overhauling Your Motor Put in these Automatic Connecting Rod Bolts

Nickel Chromium Steel Valves for Fords

If your motor is weak and not hitting right the trouble may be due to worn, pitted or warped valves. These Valves are made of the highest grade nickel chromium steel with a bright ground finish on the seat and stem and with tempered bottom. Help give your motor more power.

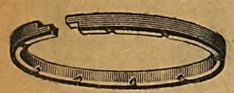
Piston Rings for Other Cars Are Shown on Page 606



Oil Circulating Piston Rings

Motors that used a quart of oil in 50 miles have been fitted with these Rings and then have gone 300 miles and often more on a quart. They save oil and gasoline and stop oil pumping and fouling of plugs where the cylinders are not out of round. **Only one needed on each piston.** Simply drill a few holes through the piston at the lower groove and put on this ring. The knife edge of the oil groove collects surplus oil on the down stroke and drains it back through special slots into the crankcase. Instructions included.

Adjustable Center Crankshaft Bearing

When your Ford main bearing wears at the ends it allows the crankshaft to shift back and forth. This separates the coils and magneto which causes poor lights, hard starting and unnecessary noises. It also throws the pistons, connecting rods and crankshaft out of line with the cylinders causing undue wear on all parts, knocks and thumps that are hard to locate and expensive repairs. This patented Bearing is adjustable endwise so it takes up this troublesome end play. Easily installed without removing motor.

Hudco Patented Removable Section Transmission Case Cover for All Fords

A patented, complete Cover to replace regular Ford transmission cover. Has removable section which enables you to change transmission bands in 20 minutes. When old style cover is used, this job takes an expert repairman several hours at a cost of $6 to $9. You will save many dollars by using this cover as you can then reline the bands yourself. Fits all Fords, with or without starters. This valuable improvement is saving Ford owners many thousands of dollars, and should be on every Ford. Shipping weight, 40 lbs.

Can be shipped by freight or express only.

161 C 2095 ..... $8.45

Motor Supports for Fords

85¢

Fords that are driven a great deal over rough country roads often have considerable trouble from broken crank case arms which are expensive to repair and make it necessary to lay up the car. This support is a big aid in preventing broken crank case arms. Forms a cradle support under motor from the frame which relieves side arms of strain and greatly reduces vibration. Easily put on. Not necessary to remove motor.

61 C 2348 ..... 85¢

Postage, 11¢ extra

85¢

Muffler for Fords

Strongly made. Attached on exactly the same position as the old one. If the muffler on your car has worn out, use this and get best results at a low price.

61 C 2282 ..... 85¢

Postage, 11¢ extra

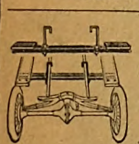
Beauty Hood for Fords

$3.85

If your old Hood is damaged, rusty or worn out, replace it with this new Beauty type which fits all 1917 to 1923 Fords. Many Ford owners use it to dress up the car, as the small flares look neater. The many side openings make it better looking and provide greater outlet for the hot air around the motor. It will help to keep your motor cool. Black enamel finish, baked on. Will not fit 1924–25 Fords.

461 C 2354 $3.85

Postage, 42¢ extra



Running Board Supports

$1.00

Holds up the running boards, braces the fenders and stops the rattling. Braces consist of angle steel crossplece with hooks and two short pieces of board to put beneath metal steps. Has adjustable clamps.

461 C 2347—Each .. $1.00

Postage, each, 14¢ extra

More Power Light Weight Pistons More Speed

A Big Improvement for All Ford Motors

Set of 4 $4.15

If your Ford needs new Pistons, we recommend the use of a set of these light weight pistons exceptionally well made of close grain gray iron. These are the type of pistons now used in many high priced cars and they will help greatly in making your Ford run smoother and faster—in fact many owners of new Fords change to these light weight pistons for better running. Each piston is fitted with bushings and pin, and has oil drain holes drilled at the bottom groove.

Buy these improved pistons for less than generally asked for the heavy type.

61 C 2885	—Standard size.	Set of 4	$4.15

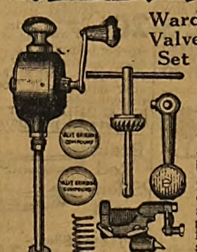
Ward's Special Valve Grinding Set for Fords



Use this Outfit occasionally and your car will run smoother, use less gas and oil and give you far better service in every way. Consists of the special valve grinder which is the quick action type used by most expert repairmen; valve refacing tool; valve seat reamer; spring for holding valve while grinding, and valve grinding compound; also the instruction book.

61 C 2550—Complete outfit. $5.45

Postage, 16¢ extra

Complete Valve Grinding Set for Fords

$1.25

A Complete Outfit for putting your Ford valves in the very best condition. This low priced outfit includes: swing type valve grinder; valve lifter; valve refacing tool; valve seat reamer; a spring and grinding compound.

61 C 2651—
Complete outfit. $1.25

Postage, 14¢ extra

Valve Refacer

It is hard to get a perfect seat by grinding when valves are pitted. This refacer gives a smooth proper angle surface. Blade of tool steel.

61 C 2561. 29¢

Postage, 3¢ extra

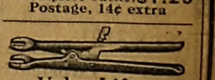
Valve Reseater

Reams out Ford valve seat. Makes a clean even surface much better and quicker than by grinding. Cutting surface made of carefully machined hardened steel.

61 C 2560 .. 55¢

Postage, 6¢ extra

Valve Lifter

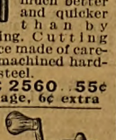


The ratchet holds the jaws in position requiring no holding while removing valve pin. Simply constructed and easily handled. Length, 10 inches. Fits all Ford valves. All steel construction.

61 C 2556 ..... 20¢

Postage, 5¢ extra

Bargain Valve Grinder for Fords



Operates exactly like the most expensive grinders, doing the job quicker and better than any low priced grinder we know of. You simply turn the handle one way and the special gear arrangement gives a back and forth motion to the valve, going a little farther each time, so there are no lap marks. Fits all Ford valves. Strong steel.

61 C 2656 ..... $1.79

Postage, 14¢ extra

Fans for Fords

60¢

Replaces regular Ford fans. Complete with pulley.

Rajo 8-Valve Overhead Outfit

The Rajo Head greatly increases the power of your Ford. With it your Ford will run smoothly and fast—not only on the level but through sand or mud and up the hills. You can throttle down to 5 miles an hour and accelerate to 60 or 65 miles an hour with your present gears.

$90.00

More Power and Speed

Eight oversize valves give you extra speed and pulling power under any road conditions.

Rocker arms of hardened steel, ground and polished. Furnished with this outfit is the very latest model Stromberg carburetor, noted for economy. On road tests on our own Ford closed cars they have averaged better than 32 miles to the gallon with the 8-valve head.

Cover fits over the motor head keeping all dirt away from the moving parts. The head is so simply constructed that the average driver can put it on in a short time. Furnished complete with hot spot manifold. Shipping weight, 160 pounds. **Estimated total freight charges. For 150 miles, $1.04; 300 miles, $1.36; 500 miles, $1.86.**

161 C 1905 ..... $90.00

Big Bargain Leakproof Spark Plugs

Set of 4 $1.25

Many Ford owners who are having motor troubles that are hard to locate will often find that it is due to old worn-out spark plugs. Old ones become porous and let the electric current leak through which weakens the spark. The electrodes or spark points burn off and become corroded which lessens the strength of the spark. Experts advise owners to put in new plugs once a year.

New Plugs Mean Less Trouble

They not only lessen trouble but aid in getting more power and saving gasoline. To give Ford owners all the advantage of our big purchases we have made a special purchase so we can sell you a complete set of four brand new, exceptionally well made spark plugs for less than often charged for only one. We guarantee these plugs to give satisfactory service. Beneath the porcelain is a heavy mica winding around the core which prevents oil leaks or short circuits even though the porcelain is cracked or broken.

61 C 9022—Per set. . (Postage, per set, 10¢ extra) .. $1.25

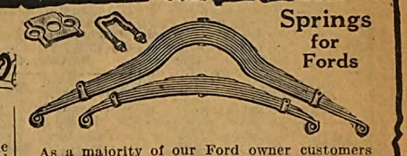
Springs for Fords



$5.85

Long Front Spring for Fords

Our Long Front Spring is the equal in quality, strength and performance of many other makes selling for several dollars more. It is about 12 inches longer than the regular Ford front spring which makes it a great deal more flexible and easier riding and also much easier to steer. Serves as shock absorber and stabilizer. This spring has 9 leaves of vanadium alloy steel, heat treated and oil tempered for strength and resiliency. Furnished complete with extension hangers and clips so you can make the change quickly. Instructions included. Ship. wt., 40 lbs. **Can be shipped by parcel post.**
461 C 710.....$5.85

As a majority of our Ford owner customers travel over country roads it is necessary they have the best springs—and that is what we sell. Owing to the high rate of breakage of front springs, all of ours are the extra heavy duty type (except 461 C 715), made of a very fine quality steel much more flexible and stronger than the ordinary steel generally used. Made to fit perfectly. **461 C 458 not mailable beyond 3rd zone.**

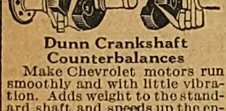
$1.10 Clutch Control

It lets the clutch in more slowly and smoothly, reducing jerking and grabbing. In this way it relieves the strain on the entire car from motor to rear tires, saving wear and breakage.

Clutch pedal operation is much easier, making the gear shift more simple. This control operates on a compound leverage so a light pressure releases the clutch. Easily installed on all Chevrolets.

61 C 5757.....**$1.10**

Postage, 8¢ extra



$4.25 Dunn Crankshaft Counterbalances

Make Chevrolet motors run smoothly and with little vibration. Adds weight to the standard shaft and speeds up the engine. Easy to install—no drilling. Fit all Superior and 490 models.

Automatic Connecting Rod Take Up Bolts

As the connecting rod bearings wear, the strong, self-adjusting springs automatically take up the play so they are always just tight enough to prevent any knock. These bolts have prevented connecting rod bearing knocks for 50,000 to 75,000 miles without adjustment. No special tools, shims, nor grinding to install.

$1.95 Set of 8

Accurately Made Pistons $1.20

These Pistons for Chevrolets are exact duplicates of factory equipment in size and weight. They are cast from high grade iron, $3\frac{11}{16}$ inches in diameter and with $\frac{1}{16}$-inch grooves for rings. Carefully machined throughout. The lower ring grooves are beveled and drilled for returning excess oil to crank case, which helps prevent it from seeping to the top of the piston. Fitted with pins. Rings not included. Fits all Superior and 490 models.

		Each
61 C 5741	Standard size	$1.20
61 C 5742	.0025 oversize	1.20
61 C 5743	.005 oversize	1.20

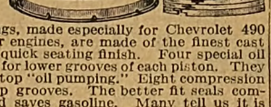
Postage, each, 12¢ extra

Set of 12 Power Making and Oil Saving Piston Rings $2.35



These Rings, made especially for Chevrolet 490 and Superior engines, are made of the finest cast iron, with a quick seating finish. Four special oil saving rings for lower grooves of each piston. They practically stop "oil pumping." Eight compression rings for top grooves. The better fit seals compression and saves gasoline. Many tell us it is the best combination of rings they have ever used.

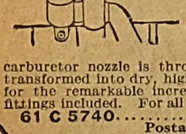
Oversize Tilting Steering Wheel and Lock

The good looking 17-inch walnut rim, dished and corrugated inside and outside affords an excellent grip. The spider is die cast of aluminum. The wheel lock is proof against theft, and gives greater comfort, ease and safety in steering. Horn button and key on top of wheel. Put on easy. When wheel is locked car can not be steered.

61 C 2234—Oversize wheel only.....**$2.35**
61 C 5738—Lock and wheel complete..... 9.65

Postage, 22¢ extra

Hot Dome Short Manifold $6.95



In hot or cold weather, it is just the same. This Hot Dome Short Manifold delivers a high volatile mixture into the cylinders, and with the first explosion, a continuous stream of hot exhaust gas circulates around the intake manifold. The Manifold Dome becomes hot and the spray from the carburetor nozzle is thrown against it, broken up and transformed into dry, highly explosive gas. This accounts for the remarkable increase in mileage. All bolts and fittings included. For all Superior and 490 models.

61 C 5740.....**$6.95**

Postage, 22¢ extra

These Attractive, Smooth Fitting Top Re-Covers Make Old Chevrolets Better Looking and Worth More

$9.85 New Holley Carburetor with Hot Shot Attachment for Chevrolets

Many motorists tell us they get three to eight miles more out of each gallon with this outfit. The Hot Shot attachment brings the hot exhaust gases around the intake manifold so in a few moments' time motor runs as smoothly on a cold winter day as it would in the summer. If you have a Holley Carburetor then order the Hot Shot only. It may also be used with other carburetors to splendid advantage. Full directions with each.

61 C 5747—Complete outfit. Fits all 490 models and 1923 only Superior.....**$9.85**
61 C 5748—Holley Carburetor only. Fits all 490 and all Superior models.....**$7.75**
61 C 5749—Hot Shot Manifold only. Fits all 490 models and 1923 only Superior....**$3.75**

Postage: 26¢, 14¢, and 20¢ extra

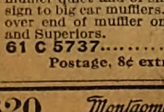
$2.90 Dash Controlled Muffler Cut Out

A convenient cut out that requires no care or service after it is once installed. Simply remove present exhaust elbow and substitute this combination elbow and cut out. Attached to each cut out is 28 inches of 2-inch exhaust tubing, to conduct exhaust gases down and back. No holes to cut in pan. Complete for installing.

61 C 3430.....**$2.90**

Postage, 20¢ extra

Muffler Extension



Stops disagreeable noise by adding 4 inches more to your muffler. Makes Chevrolet muffler quiet and of similar design to big car mufflers. Clamps over end of muffler on all 490 and Superiors.

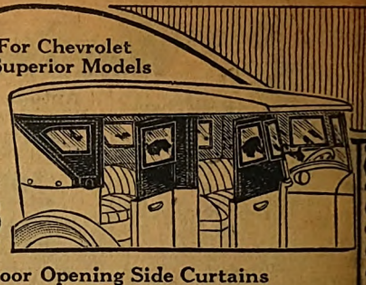
For Chevrolet Superior Models



$8.75 Door Opening Side Curtains

Buy these neat fitting Side Curtains before the cold weather starts and drive your Chevrolet all winter. If your present curtains are badly worn, you will find it less expensive in the long run to buy these new curtains than it is to have the old ones repaired.

These door opening curtains are carefully made of the finest materials, thoroughly reinforced, and designed to fit perfectly. They may be quickly put up or taken down without getting out of the car. All four curtains open with the doors. Large celluloid lights give the driver a clear view, and also make these curtains very attractive. Besides making your car more useful and comfortable, they will make it more valuable.

The extremely low price at which we offer you these curtains does not indicate their true value. It only shows again that Ward's thoughtful buying has made another big saving for you. For Chevrolet Superior, 1923–24–25.

Now- We Prepay the Freight on Runrite Lubricating Oils

Important Announcement

Our prices on Runrite Lubricating Oils now include all freight charges. The price you pay is for the oil delivered right to your station. No freight bills to worry about; no extras to pay.

Quicker Deliveries Save You Time and Money

We now have more than thirty big distributing stations located in all parts of the United States. One of them is near your town. These stations carry complete stock of Runrite Oils at all times—ready for immediate shipment. Send your order to Chicago and we will ship your oil from the station nearest you.

This insures quicker delivery—and you have no freight to pay.

Ward's Runrite Oil for Fords

It is seldom that the average Ford owner fully realizes the effect that "just any old oil" has on his car. Fords need a special oil. The high speed Ford motor cooled by the thermosiphon system generates more heat than most motors. To operate efficiently, the Ford motor must have an oil that will not break down under severe heat or high speed.

Ward's Runrite Oil for Fords is exactly such an oil. It will keep your Ford in the best condition for long service. It will reduce your repair bills by saving the friction wear. A smoother running engine, better compression and ignition, no stuck valves from oil carbon and more power from your gas are results of using **Runrite Oil.** It lubricates properly at all speeds. If you want to save money on your oil and still be assured of perfect performance, you should use Runrite Oil.

46¢ A Gallon
In 50-Gallon Wood Barrels

Remember—These Low Prices Include the Freight

This special oil has passed successfully all the tests required of a good Ford oil. Thousands of our customers will use no other. You, too, can enjoy the same benefits and make a saving at our low prices. And remember, you pay nothing for freight charges; **we prepay the freight to your station.** If you have never used this oil get some now and prove the quality yourself.

Send us your order for a barrel of Runrite. Thoroughly drain off the old oil, refill your crankcase with new, clean, Runrite oil and if a fair test does not prove that Runrite is the best oil you have ever used, return the remaining oil and we will refund your purchase price. Take advantage of this generous offer. Steel barrels are provided with faucets.

Does Your Ford "Chatter"
An oil that stops "chattering" is likely to injure the engine. "Chattering" means the brake bands need readjustment or are worn out. Use our Easy Change Non-Chatter Transmission Bands No. 61 C 2360 on Page 617.

Ward's Runrite Tractor Oil

68¢ A Gallon In 50-Gallon Wood Barrels

A tractor requires a heavier oil than automobiles because the strain of continuous heavy work develops excessive heat which doubles the work of your oil. Ward's Runrite Tractor Oil has been refined to meet all heavy duty operating conditions. It stands up under the hardest kind of tractor work, reduces friction and thoroughly lubricates every moving part.

You can try this oil and be convinced of its quality entirely at our risk—every cent refunded if you are not satisfied. Runrite Heavy Tractor Oil is recommended for Fordsons. Use medium grade in freezing weather. Order grade specified for your tractor, or state on your order the make of tractor. Steel barrels are provided with faucets.

We prepay freight charges.

Ward's Runrite Automobile Oil

48¢ A Gallon Medium Grade In 50-Gallon Wood Barrels

The importance of correct lubrication is well known to every automobile owner. Oil, more than any other one thing determines whether or not your car is in the repair shop or in good running condition. Lost power, valve troubles, carbon, overheating, bearing knocks, and numerous other engine difficulties result from improper lubrication.

The average auto owner seldom appreciates the danger he incurs by putting "just oil" into his car.

Have the advantages that thousands of our customers enjoy by using **Ward's Runrite Automobile Oil.** Have a "sweet," smooth running motor, cleaner spark plugs, less engine disorders, and thorough lubrication of all moving parts at any temperature. The endurance of the motor is increased and only the least amount of power is wasted in overcoming friction. You also save on gasoline because **Runrite Oil** seals the piston rings against leakage of compression.

The greatest economy effected by the use of **Runrite Automobile Oil** is the long life it gives to the motor. It affords perfect, continuous protection to the metal surfaces, and reduces repairs and replacements. It saves the piston rings, bearings, and all other parts from unnecessary wear, and enables the engine to run noiselessly for a longer period.

You can prove this better performance and greater saving at our risk. Order a barrel or can of **Runrite Oil** today. Thoroughly drain off the old oil from your crankcase and refill it with fresh, clean **Runrite Oil.** Then run your car a sufficient number of miles to test it thoroughly. If the results do not satisfy you, return the remaining oil and we will refund your money. The standard Montgomery Ward & Co. guarantee is your protection. Steel barrels are provided with faucets.
